(Tape 47)

HENRY GARCIA: -- to handle the responsibility that you thrust upon yourself and Linda.

DAVID KORESH: Right.

HENRY GARCIA: When you were in that situation, you paid for that with the pain and anguish --

DAVID KORESH: They could be --

HENRY GARCIA: -- that you --

DAVID KORESH: -- tried of God.

DAVID KORESH: Um-hum.

HENRY GARCIA: Okay? I mean, it, it was difficult for, for you to know what to do in that situation and you did what you had to. I, I think a lot of it was just reaction. The -- you know, I mean, all of a sudden here you get this information. You don't know what to do with it. You don't know how to deal with it --

DAVID KORESH: You mean, when, when you're talking about is when God first began to communicate.

HENRY GARCIA: No, no, no.

DAVID KORESH: I --
HENRY GARCIA: I'm saying when, when, when she told you that she was pregnant.

DAVID KORESH: Oh, yeah. Oh --
HENRY GARCIA: I mean, you didn't --
DAVID KORESH: -- definitely.
HENRY GARCIA: -- you didn't know what to do with, with that situation. But then you paid the price. Okay? You paid the price, the anguish that you had to go through --

DAVID KORESH: Uh-huh.
HENRY GARCIA: -- as a result of being separated from her -- or -- and of finding out, because now you're looking forward towards having, you know, the baby and it's going to be a part of you and you're actually starting to, to think in terms of what your life is going to be like.

DAVID KORESH: Right.
HENRY GARCIA: And, and --
DAVID KORESH: Then it's gone.
HENRY GARCIA: -- and then it's gone. And then it's gone. My God. You know, what a, what a difficult situation to live with, particularly when you've been -- when you've had this very meaningful relationship that you've always felt that you had with God. You know?
DAVID KORESH: Because I didn't understand it then. Because you've got to realize that this world is really a nice place when you come under the flesh.

HENRY GARCIA: Um-hum. Here you were in a situation where you needed to show responsibility and you didn't.

DAVID KORESH: Didn't know how yet.

HENRY GARCIA: Exactly. Exactly --

DAVID KORESH: Was playing without the responsibility of knowing what I was playing with.

HENRY GARCIA: Sure. Sure. Sure. But, you know, I'm -- I, I hear -- I mean, I, I really like the things that I hear you saying.

DAVID KORESH: See -- I don't mean to interrupt you. I want to give you time to speak.

HENRY GARCIA: Go ahead.

DAVID KORESH: But this is what I was telling Jim. I said Jim, in all honesty, we was coming out the other day, in all honesty. But, Jim, my problem is is that, in all honesty, these seals are really more important than people realize and this is the time. Look. I can't help it -- but Noah couldn't help it in his day. Okay? I know -- I -- look. It doesn't hurt my feelings. Like Psalms 19-- Psalms
119, those that love God, nothing offends them. I mean, I, I, I, I don't have any animosity to anything people say about me at all. You know -- oh, I'm sorry. I'm sorry. I put, I put my hand back behind the pillow there and there was somebody underneath the other pillow and I --

HENRY GARCIA: Okay.

DAVID KORESH: Okay. But what I'm saying is is that, you know, I'm here trying to explain to, to my -- see, God, God's not what people think God is. Okay. Look. Let's pretend you yourself -- let's pretend you found the keys to the universe.

HENRY GARCIA: Um-hum.

DAVID KORESH: And you found this key, same like Moses or Elijah --

HENRY GARCIA: Uh-huh.

DAVID KORESH: -- that deal, deal, deals with the causal of nature.

HENRY GARCIA: Um-hum.

HENRY GARCIA: Um-hum.

DAVID KORESH: Warm and cold.

HENRY GARCIA: Um-hum.

DAVID KORESH: Wet and dry.
HENRY GARCIA: Um-hum.

DAVID KORESH: And let's, let's say that you so -- you didn't learn school -- you didn't learn the patterns of the system, but you simply became acquainted with the natural nature and the both comforts and the pains of the natural nature and you went the middle road.

HENRY GARCIA: Um-hum.

DAVID KORESH: Which is wisdom.

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. And let's say that, that unlocked them to you. Solomon calls it the secret place to stairs. Okay?

HENRY GARCIA: Um-hum.

DAVID KORESH: And, and you, and you actually were being judged not knowing. And that ability or that wisdom or that humanity, which has gone way beyond you --

HENRY GARCIA: Um-hum.

DAVID KORESH: -- that dwells beyond the stars or throughout the planets and other stars, they counselled and they said okay, let's go and let's take, let's take Henry here --

HENRY GARCIA: Um-hum.

DAVID KORESH: -- and let's, let's go and
let's, let's go ahead and manifest the reason and purposes of this, of this life which he has. Let's give him the answers and, and we'll use him, because, you know, he has already, from basic natural simplicity, already shown that he's in the direction which allows men to be redeemed or, or be transferred from this. Because, you know, with, with these principles established in our minds and hearts, we, we can guarantee the safety of all those other billions of millions of billions of millions of governments --

HENRY GARCIA: Um-hum.

DAVID KORESH: -- all under the one prime government.

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. And, so, so you had this experience and it's like you know it and you have to speak very simply to people and only those who are looking and knocking and asking can look at you and say, well, okay, what do you know. And, so, you tell them what you know and they go, well, how -- well, how did you learn that? So, you begin to unfold the seals. And then you explain to them well, I -- this happened to me. And they go well, I've always wanted to know this. So, then you -- the knowledge becomes mutual. Right?
HENRY GARCIA: Right.

DAVID KORESH: Okay. So, then what happens is, is that then we become confronted with a situation to where man, who has not been given this understanding as of yet, are to be judged because we come to a crisis called time no longer, where the nations of the earth are making moves to, to u-- to capitalization to form another form of government, move into the last phase which providence says they will move into. And, remember, there's only one Messiah.

HENRY GARCIA: Right.

DAVID KORESH: That's the Word of God.

HENRY GARCIA: Right.

DAVID KORESH: And from, and from, and from Adam all the way down, there's only one sons of God.

HENRY GARCIA: Um-hum.

DAVID KORESH: Those who hear God's words.

HENRY GARCIA: Um-hum.

DAVID KORESH: And, remember, if, if -- the greatest of us is to be the servant of all. You know, you, you'll notice, you'll notice that, that, that I have never flaunted or, or tried to become something that I'm, that I'm not. I mean, you know --

HENRY GARCIA: Uh-huh.
DAVID KORESH: -- I don't -- you know, you've seen my car out there, that black Camero.

HENRY GARCIA: Um-hum.

DAVID KORESH: Well, it's something we built together.

HENRY GARCIA: Uh-huh.

DAVID KORESH: And other guys built things together, you know.

HENRY GARCIA: Uh-huh.

DAVID KORESH: I mean, I have to admit one time a person thought that I needed a better car, and so they bought me a, a, a Prelude, a new Prelude, but I got rid of it after a few months because it just, it just does-- it just didn't seem right.

HENRY GARCIA: Um-hum.

DAVID KORESH: And, besides, it just didn't have no power anyway.

HENRY GARCIA: Uh-huh.

DAVID KORESH: Okay. So, what I'm saying is I'm saying that I know and I am willing to be or to take whatever punishments that, you know, that would help the world to see that what I believe in is something that I will believe in and give me life. Because, see, God has given me this life and nobody can ta-- really take this life from me. And my
greatest sorrow is that -- you know, like I'm, like
I'm standing before my God and I'm explaining to God
that -- you know, like with Robert with the, with the
ATF agents that came here --

HENRY GARCIA: Um-hum.

DAVID KORESPH: -- you know, honestly, I did
everything in my -- I was going to let him stay here
and live with us.

HENRY GARCIA: Uh-huh.

DAVID KORESPH: We'd already made
arrangements for that.

HENRY GARCIA: Yes.

DAVID KORESPH: I told him. I said Robert,
I, I -- look -- I -- see, I knew who he was anyway.

HENRY GARCIA: Um-hum.

DAVID KORESPH: And the reason why we knew
you'all were coming was not from a phone call. That
morning, you know, when they said a phone call was
coming in --

HENRY GARCIA: Uh-huh.

DAVID KORESPH: -- that was fake. I'd
already, I'd already told them, you know, and they was
wanting to know. So, they said, you know, there's a
phone call. And they asked me, they says, the --
well, what's going on? I said, look, don't worry
about it. I'm going to talk to Robert right now.

And, you know, we've been giving him studies and I --

and I'm pretty sure that he's going to realize, you

know, to hold this thing off. So, I went back out and
told him, I says, oh, it was nothing. You know. And,

so, I, I started telling him. I says, now, Robert --

and I looked him straight in the eye. I said, you

know, I've been honest with you. You know, I've

brought you over here. I've given you several

studies. You know. And I said, and I expect, you

know, I expect you to really, you know, apply your

heart to what you've been learning because you know

it's true.

HENRY GARCIA: Uh-huh.

DAVID KORESH: You know. And, and -- you

know, I know that things are happening, and what I

want you to realize is is that, you know, I want you
to do what you've got to do, because you know I'm

going to do what I'm going to do.

HENRY GARCIA: Um-hum.

DAVID KORESH: You know. And he looked at

me like, you know, it's like a surprise is, all right,

and I -- and, and I thought for sure that he

understood that I -- what I was asking from him was

for him to go out and say, look guys, let's hold off
on this. Let's deal with it a different way.

HENRY GARCIA: Uh-huh.

DAVID KORESH: You know. But I actually think that there was a mess-up. Because, you know, there is, there is, there is a, there is a -- there's other beings that have been rejected out of the communion of what the universe holds.

HENRY GARCIA: Uh-huh.

DAVID KORESH: And they, and they, they try to promote us in the sensuality and overbearing and, and, and evil, and they try to get us into the spirit of, like, yeah. You know, you know, like this evil -- you know, getting free off of the hurting pain of others.

HENRY GARCIA: Um-hum.

DAVID KORESH: You know. And, and it didn't work.

HENRY GARCIA: Uh-huh.

DAVID KORESH: And I've been trying to explain to, to God through the communications that are coming -- I'm trying to explain that, you know, Robert in himself more than likely had a battle that morning -- because like, you know, when he would come over, he'd like -- he like brought his pistol over and he brought, you know, his, his target pistol --
HENRY GARCIA: Um-hum.

DAVID KORESH: -- and he brought his AR, the 107 Twish (phonetic), you know, the, the one that shoots heavier grain tracer rounds?

HENRY GARCIA: Uh-huh.

DAVID KORESH: It's a sniper rifle, is what a lot of, you know, guys use them in the, in the police and stuff.

HENRY GARCIA: Uh-huh.

DAVID KORESH: And he had such a, an awesome trigger job done on that, that -- I mean, I told him, I says, you know -- I, I shot it for him and all that, you know, and, and -- I told him, I says, I says, Robert, I says, you know what you've got here? I mean, honestly, we did everything to let those guys next door know that we were -- that they were ATF agents, you know, and, and we let them come in and, you know, I told him, I says, Robert, look if you give me time --

(Child crying in background.)

DAVID KORESH: What, what's wrong with the baby?

(Child crying in background.)

DAVID KORESH: Well, well, well, well, go, go check on him. I -- you know, I told him, I said,
if you give me time, if you learn these seals, you'll
know everything there is to know about me. I'll hide
nothing from you. Then that newspaper article came
out Monday with all those accusations and all those,
all those twisted up and turn-around things about me,
you know.

HENRY GARCIA: Um-hum.

DAVID KORESPH: Okay. Like that one tape
they play? It says, it says, who's this on the
throne? You know, I'm screaming, right?

HENRY GARCIA: Uh-huh.

DAVID KORESPH: But, but the reasons behind
that is is that people had been doing things that you
just don't do when you're supposed to be following
Christ. This concept that, that people, you know, are
always happy and holy people because they believe in
Jesus is wrong.

HENRY GARCIA: That's right.

DAVID KORESPH: I mean, a lot of people that
come into the house of God are really very evil
people.

HENRY GARCIA: Um-hum.

DAVID KORESPH: And they had to be dealt
with, with, with a rebuke.

HENRY GARCIA: Um-hum.
DAVID KOESH: Now, that one tape they play around where it talks about when I put my, my, my horn inside of a woman's body, you know, and all this kind of stuff, I forgot what tape it was, you see, unless a person knew what it means between a priest and a sanctuary -- okay. The first priest of God, the first mediator of God was Adam. And where -- what -- where was his first church at? Where was his first church? Where did he get his congregation from?

HENRY GARCIA: Who are you asking about?

DAVID KOESH: Adam.

HENRY GARCIA: Adam?

DAVID KOESH: Yeah, Adam.

HENRY GARCIA: In the Garden of Eden?

DAVID KOESH: That was his church?

HENRY GARCIA: I'm, I'm asking is that --

DAVID KOESH: Okay. Okay. Let's say, let's -- let's say his first sanctuary was the Garden of Eden, okay?

HENRY GARCIA: Um-hum.

DAVID KOESH: Who was his real garden though?

HENRY GARCIA: Eve.

DAVID KOESH: Eve. See, it's beautiful. It's -- and, and inside of a woman's body is two
bridges. They're called, they're called ovaries. Okay?

HENRY GARCIA: Um-hum.

DAVID KOresh: And man being made from the dust is just like the plants, after his kind, the scripture says. Seed in the earth; man's seed in the woman. And that's why -- and it talks about in the, in the -- between, between the woman and her seed and the devil's seed. And Zechariah's prophet shows you the canister with the golden bowl. Now, when it talks about the anointing and talks about they would be anointed and I, and I will anoint you, the actual knowledge of the anointing was -- is that when God rose up a prophet or a king, he wanted to make a covenant with them, that if they would keep his laws he would also anoint him as king and, and give the same gifts to the offspring.

HENRY GARCIA: Um-hum.

DAVID KOresh: Now. Okay. So, a man's not a king until he becomes anointed, right?

HENRY GARCIA: Um-hum.

DAVID KOresh: Okay. So, if you're Adam, the only way you could become a king is if you're anointed. Now, you can't be anointed unless you have a kingdom. And the first part of your kingdom starts
with the anointed. And the woman, the woman anoints you. Well -- ah, I know it sounds funny at first, but this is, this is coming from a higher source than us. Everything in God's kingdom is poetic and in harmony. God made Adam a king by giving him Eve, by giving him a chance to become one with his own soul.

HENRY GARCIA: Um-hum.

DAVID KORESH: The way you become one with God is by becoming one with God's image, becoming one with your own glory. The way you love God is by loving yourself. The way you love yourself is by becoming one with one that is given to you of God, the woman. The man with the woman. She anoints you. Your horn is a symbol of your power, your power to be as God, to procreate. Now, when you procreate, you have children. Right?

HENRY GARCIA: Um-hum.

DAVID KORESH: I mean, she believes you're a king, doesn't she?

HENRY GARCIA: Yep.

DAVID KORESH: And she anoints you, doesn't she?

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. And then she gives you a kingdom, doesn't she?
HENRY GARCIA: Right.

DAVID KORESH: Then you have one, two, three, four, five, six, fifteen, twenty, thirty, forty, fifty, 100, 1,000, maybe 2,000, 20,000, maybe a million kids. Now, who is king? You are.

HENRY GARCIA: Right.

DAVID KORESH: And everyone else is brethren.

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. Well, that's what the kingdom of God is. Through God and his glory, all that is made is begotten of the one spirit. So, that woman in Revelation 12, she is real. She's not, she's not a church. It says that John saw the temple of God open in heaven and behold a great wonder of woman. No. See, the temple is the temple. But the Sikina (phonetic) or, or the, or the Shaddai (phonetic), the great-breasted one? I mean, this is the one that Moses saw where, where, where Moses says to God, Yaveh, havey, havey (phonetic). He says, you know, let me see Thy glory. And, and, and God says you may see only the hind part of my glory, for no man can see the face of my glory and live. And you know what Moses saw in the mount that made his face shine? A woman. I mean -- I know. See, to, to, to, to men of
the world, there's so many things they don't understand.

HENRY GARCIA: Um-hum.

DAVID KORESH: But, you know, God says -- I mean, let's go back to basic scripture. And God said, let us make man in our image after our likeness. Okay? Right?

HENRY GARCIA: Um-hum.

DAVID KORESH: So, what did God make? Male and --

HENRY GARCIA: Female.

DAVID KORESH: Exactly. So, so, when, when, when Christ came to die, when God came in the form of humanity, okay, the one sitting on the throne, when he came to die -- he didn't marry, did he?

HENRY GARCIA: No.

DAVID KORESH: But out of his side came blood and what --

HENRY GARCIA: Fluid.

DAVID KORESH: Blood and water. Exactly. Now, some people say well, what that was is that the blood separated and everything from the plasma and everything, and that's not what the scripture said, because the prophecies will tell you that it will be a fountain of water and a fountain of blood. And the
one who tells you that is the one who originated it, which is called the wisdom of heaven. Okay. When you read Proverbs 8 and 9 -- okay. Now, for instance, people say how do I know the scriptures, right?

HENRY GARCIA: Um-hum.

DAVID KORESH: Well, let me explain this. How do you learn a phone number? You memorize it, right?

HENRY GARCIA: That's right.

DAVID KORESH: I mean, but you've got to use it.

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. Well, if you was to study in my past records, my biggest problem was the ability to -- of not to comprehend. I mean, I, I didn't know my alphabet till the third grade, and I still didn't know it that well, because I did not have attention. I did not have a stuttering problem. I didn't have the ability as a child to be able to read and comprehend what I was reading. But when you see the whole picture, when God shows you everything --

HENRY GARCIA: Um-hum.

DAVID KORESH: -- the whole picture, then all of a sudden I, I -- all my early days I could remember pictures.
HENRY GARCIA: Hmm.

DAVID KORESH: I mean, I, I did know the mysteries in regards to nature and the different kinds of trees and bugs, and I did have a good memory with regards to anything to do with my visual, but not through visual through hieroglyphics. I couldn't understand reading and writing, but I could understand looking at a car or a motor or anything I could touch, put my hands on.

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. So, when, when I was given the knowledge of the visions, when I was shown, you know, the whole story that, that the Bible's already a record about -- you know, I'm not the first one that's been shown this.

HENRY GARCIA: Um-hum.

DAVID KORESH: I mean, this has been shown all the way back to the days of Moses.

HENRY GARCIA: Uh-huh.

DAVID KORESH: You know. Then all of a sudden that, that's what I say, you know, I know who the sons of God are. You know, I know who the Bible writers are. You know? And I know that -- like, for instance, when it says in Isaiah 45 about Koresh, it says, it says, thus sayeth the Lord to his anointed --
which in the Hebrew is Meshia (phonetic), Messiah —
to Koresh, whose right hand I have holden up, for I
will subdue nations with him and overthrow kingdoms.
Okay?

HENRY GARCIA: Um-hum.

DAVID KORESH: Now, it says here -- it says, ask of me things to come concerning my sons and the
works of my hands commend you me. Okay. So, in other
words, the first thing that, that we learn about is
that the only reason why that the father gives the
book to the lamb in heaven -- right?

HENRY GARCIA: Uh-huh.

DAVID KORESH: -- is so that he can come and
give it to who? Everybody else.

HENRY GARCIA: Um-hum.

DAVID KORESH: Give his -- or everybody
else. Okay. So, it's kind of like God is like this, God's going to give one little boy an ice cream cone
-- right?

HENRY GARCIA: Um-hum.

DAVID KORESH: -- and to go outside and say
look what I got. Wow. You want some? And all the
kids go yeah. You know?

HENRY GARCIA: Um-hum.

DAVID KORESH: And all those that don't get
jealous, get angry, get mad, they go yeah, where'd you get that? He says, well, come in hither and I will show you.

HENRY GARCIA: Um-hum.

DAVID KOresh: And, you know, this is, this is the father. He's got the ice cream scooper. He's got the ice cream out and this is a free gift. You see?

HENRY GARCIA: Um-hum.

DAVID KOresh: So, that's the way it works.

Now, now, if I say I'm Jesus Christ or I'm the Son of God, I mean, come on. No one's going to believe that.

HENRY GARCIA: Um-hum.

DAVID KOresh: You know? And --

HENRY GARCIA: Hmm.

DAVID KOresh: -- it's -- that's, that's why it says in, in Matthew 24 when the Son of Man shall come. You see, this is God referring to when the Son of Man shall come. Why? Because all sons of men are the sons of God. They just don't know it yet.

HENRY GARCIA: Um-hum.

DAVID KOresh: They're, they're, they're still out having their prodigal and they haven't come to their senses yet.

HENRY GARCIA: Um-hum.
DAVID KORESH: Who wants to live their lives feeding pigs when there is existences above and beyond that are doing far better than us?

HENRY GARCIA: Um-hum.

DAVID KORESH: So, anyway, when you look at Proverbs 8 and 9 -- okay. For instance, it says let him have the wisdom, count the number of the beasts. I, I think you'll really enjoy this, especially when -- it'll help bring you and your wife closer together.

It's Proverbs 8 and 9.

HENRY GARCIA: Um-hum.

DAVID KORESH: Because, see, the, the final judgment that we're trying to settle here, you know, for, for the one that I work for -- and that sounds funny, I know, but -- it says, it says right here. Okay. Proverbs 8 and 9. You don't have a Bible there, do you?

HENRY GARCIA: No, I don't have it right here.

DAVID KORESH: Okay. It says right here. I'll, I'll just read it to you. This, this is taken from Proverbs. And it says, let not wisdom cry and understanding put forth her voice. You know what a conscience is, don't you?

HENRY GARCIA: Um-hum.
DAVID KOresh: Okay. And it says also, it says down here, she's standeth at the top of the high places by the way and the places of the path. She crieth into the gates at the entry of the city at the coming in at the doors. Unto you, oh, men, I call, and my voice is to the sons of man. When you read this conscience like -- um, I shouldn't do that?

HENRY GARCIA: Um-hum.

DAVID KOresh: Yeah. Okay. Oh, ye simple, understand wisdom, and ye fools. Ye of an understanding heart, hear, for I will speak of excellent things. And the opening of my lips shall be of right things, for my mouth shall speak truth. And wickedness is an abomination to my lips. All the words of my mouth are in righteousness. There is nothing forward nor perverse in them. They are all plain to him that understandeth and right to them that find knowledge. Receive my instruction and not silver, and knowledge rather than the choice gold, for wisdom is better than rubies. And all the things that may desired are not to be compared to it. I, wisdom, dwell with prudence and I find out knowledge and witty inventions. The fear of the Lord is to hate evil. Pride and arrogancy. And the evil way and the forward mouth do I hate. Counsel is mine and sound wisdom. I
am understanding. I have strength. From -- by me
kings reign and princes decree justice. By me,
princes rule and nobles, even all the judges of the
earth. I love them that loves me. And those that
seek me early shall find me. Now, remember Psalms 2?
It says be wise ye kings of the earth? Remember that
one?

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. Now, you'll understand
that statement after we get through with this. Okay.
I love them that love me and people that seek -- find
me early will -- seek me will find me early.

HENRY GARCIA: Um-hum.

DAVID KORESH: Riches and honor are with me.
Durable riches and righteousness. My fruit is better
than gold, hidden fine gold, and my revenue than
choice silver. I lead in the ways of righteousness in
the midst of the paths of judgment that I may call
those that love me to inherit substance --

HENRY GARCIA: Um-hum.

DAVID KORESH: -- and I will fill their
treasures. For the Lord possessed me in the beginning
of his way. This is awesome. Before his works of old
I was set up from everlasting. From the beginning,
wherever the earth was, -- even before the earth was,
when there were no depths I was brought forth.

HENRY GARCIA:  Um-hum.

DAVID KORESPH:  When there was no fountains
abounding with water, before the mountains were set --
I got to, I got to see this.  This is, this is
awesome. Before the hills was I brought forth.
Remember Eve came out of Adam's side?

HENRY GARCIA:  Uh-huh.

DAVID KORESPH: Okay. Watch this. While as
yet he had not made the, the earth nor the paths,
fields nor the highest places or the dust of the
world, when he prepared the heavens I was there. But
he said it cometh on the face of the depth. When he
established the clouds above, when he strengthened the
foundations in the deep, when he gave to the, the sea
his decree that the water should not pass his
commandment, when he appointed the foundations of the
earth, then I was by him as one brought up with him
and I was daily his delight. Now, this, this, this
used to, this used to -- when I saw this, when I was
allowed to see this, I mean, literally see this with
my eyes?

HENRY GARCIA:  Um-hum.

DAVID KORESH:  You know, God said let us
make men in our image?
HENRY GARCIA: Um-hum.

DAVID KORESH: Us? Aw. People think that's God the Father and God the Son. What was the image God made? Male and --

HENRY GARCIA: Female.

DAVID KORESH: Female. Now, no. See, there's, there's something that's really off in there. Mona's got to see her backside. Now, watch this. It says here: when he appointed the foundation of the earth, then I was by him as one brought up with him and I was daily his delight, rejoicing always before him, rejoicing in the habitable parts of his earth. Now, watch this: and my delights were with the sons of men. You know, Christ loves us, don't he? He loves guys, right?

HENRY GARCIA: Um-hum.

DAVID KORESH: Who do you think this wisdom loves? What was with the sons of men? Women.

HENRY GARCIA: Um-hum.

DAVID KORESH: I mean, this is awesome. Now, therefore, harken unto me oh ye children for blessed are they that keep my ways. Hear instruction and be wise and refuse it not. Now, watch this. This is serious. Blessed is the man that heareth me, watching daily at my gates, waiting at the posts of my
doors. What gates? What door? Well, you know, what, what, what gates? What door? Where's this wisdom found? You know, where is she found? Wisdom, she, right?

HENRY GARCIA: Um-hum.

DAVID KOresh: For who so findeth me findeth life and shall obtain favor of the Lord. I want that wisdom, right? But he that sitteth against me wrongeth his own soul. All they that hate me love death. Now, you've heard against some-- you've heard about the sin against the Holy Spirit, right?

HENRY GARCIA: Um-hum.

DAVID KOresh: Jesus says wisdom is justified of her own children. Now, wisdom hath buildeth her house. She hath hewn out her seven pillars. She hath killed her killing. She hath mingled her wine. She hath also furnished her table. Now, remember the body of Christ?

HENRY GARCIA: Um-hum.

DAVID KOresh: Christ said I'll destroy this temple and in three days rise it up?

HENRY GARCIA: Um-hum.

DAVID KOresh: Okay. She hath sent forth her maidens. She crieth upon the highest places of the city. Who so is simple, let him turn in hither
and have for him the one understanding she sayeth. Come eat of my bread and drink of the wine which I have mingled. What with that mind would mock the wine mingled with? Water. Blood and water.

HENRY GARCIA: Um-hum.

DAVID KORESH: Now, who built the body of Christ? What is this temple. What was Revelation Chapter 12, which takes place after Chapter 11. There's where this mystery is finally revealed. Let me show you now. I mean, this, this is, this is -- see, in the Dark Ages, man didn't even -- they lost the whole knowledge of woman's image of the Godhead, you know?

HENRY GARCIA: Um-hum.

DAVID KORESH: They just thought well, you know, God just made me this woman here just to, you know, have fun with and all that. That's not the case. Now, watch. Okay. In Chapter 11 of Revelation -- you know, Chapter 10 the mighty angel comes down, so we know there's a message in the last days, right? Chapter 10, verse 7, days of -- seventh angel, time no longer, seven thunders, right?

HENRY GARCIA: Um-hum.

DAVID KORESH: So, in Chapter 11, there was given me a reed like unto a rod. The angel stood,
saying rise and measure the temple of God, which is
this -- this is how the temple is measured in heaven.

It's counted. Okay? And the altar, and them that
worship therein. Now, if you don't, if you don't come
up hither and you don't learn these seven seals,
you're not worshiping in the temple of God. But the
court which is without the temple leave not and
measure it not for it's given to the Gentiles. And
the Holy City shall they tread under foot forty-and-
two months. So, this period of time, they, they don't
care about this truth of the sanctuary. They don't
care about the mighty angel. They don't care about
the seven seals. They -- you know, this has been
taking place for quite awhile now and it's finishing
up. And I'll give power to my two witnesses and they
shall prophesy a thousand two hundred three score
days, which is the same period of time, clothed in
sackcloth, which means, you know, no one has the
answers to these two witnesses because hey, you know,
the Gentiles don't care. They trample under the foot.
Okay. Now, in Zechariah's prophecy, Zechariah showed
you a rock with seven eyes?

HENRY GARCIA: Um-hum.

DAVID KORESH: He showed you seven
candlesticks --
HENRY GARCIA: Um-hum.

DAVID KORESH: -- and he showed you seven lamps on the candlesticks and two olive trees. And the Spirit says this has the word of the Lord to those who come from Babylon, saying they cannot do it under their own might nor by their own power, but only by God's spirit, which is God's word. You can't get out of Babylon by your own mind or by your own power. It's got to be something that's shown to you in the light of these seven candlesticks is what Zechariah says.

HENRY GARCIA: Um-hum.

DAVID KORESH: So, it's just like, you know, the same as -- okay. God's the rock. Zechariah is true. God is the rock. He has seven eyes. He, he writes the book. Christ is the lamp. He has seven eyes. And, you know, the seven seals have to be known. These are the two olive trees and two candlesticks standing before the God of the earth. And if any man will hurt them, prophecies out of their mouth and devour them, their enemies, if -- if any will hurt them, he must in this manner be killed.

HENRY GARCIA: Um-hum.

DAVID KORESH: These have power to shut heaven, that it rain not on the days of their
prophecy, and have power over the waters to turn them
to blood and do smite the earth as often with plagues
as often as they will. Now, you know Moses and Elijah
did they anciently, right?

HENRY GARCIA: Um-hum.

DAVID KOresh: No. Really, Christ did it
through them.

HENRY GARCIA: Oh, okay.

DAVID KOresh: You see? See, that's the
whole meaning. 2,000 years ago the two witnesses of
Christ's kingdom was is that -- well, they were the
mode of transfiguration. Both Moses and Christ and
Elijah stood together, didn't they?

HENRY GARCIA: Um-hum.

DAVID KOresh: As one. Right?

HENRY GARCIA: Um-hum.

DAVID KOresh: I mean, Christ worked through
Moses and Christ worked through Elijah. Right?

HENRY GARCIA: Through the two of them.

DAVID KOresh: Exactly. But they all were
of one spirit, weren't they?

HENRY GARCIA: Um-hum.

DAVID KOresh: Only Christ was perfect
though.

HENRY GARCIA: Um-hum.
DAVID KORESH: And those other two were just looking to him that was perfect?

HENRY GARCIA: Um-hum.

DAVID KORESH: So, that's why they're called the olive trees, the anointed ones. Okay. Now, it says here: when they shall have finished their testimony, and after this three-and-a-half year period of time, the beasts -- this is out of the bottomless pit which scripture says is carnal man that comes out of a woman's womb without knowledge, right?

HENRY GARCIA: Um-hum.

DAVID KORESH: You know, shall make more against them and shall overcome them and then kill them. Okay. Now, what happens is, is that -- you see, I'm supposed to teach this stuff so it don't happen. Prophecies, prophecies are given so that they can be avoided and instead a blessing can be given.

HENRY GARCIA: Uh-huh.

DAVID KORESH: You know? Now, it says here -- remember the lamblike beast that speaks as a dragon? Anyway, it says here -- okay: kill them and their dead bodies shall lie in the great street of the city, which spiritually is called Sodom and Egypt where our Lord was crucified.

HENRY GARCIA: Um-hum.
DAVID KORESH: And there the people, and of the kingdoms, the nations, and tongues, shall see their dead bodies three days and a half and shall not suffer their dead bodies to be put in graves. And it says here: and they have the people that dwell upon the earth shall rejoice over them and make merry and shall send gifts one to another because these two prophets tormented them until up on the earth.

HENRY GARCIA: Um-hum.

DAVID KORESH: And I beheld after three days and a half that the spirit of life from God entered into them and they stood upon their seat and this great fear fell upon them which saw them. Okay. So, what happens is -- and then the judge when this, when this is, when this is fulfilled -- excuse me. I'm going to need some -- okay. We see over here that -- verses 11, the same hour there a great earthquake, which this is the resurrection of the 200 million that the sixth seal talks about. And it talks about the city falling, the men -- I mean, people were slain and the, and the remnant that are -- remain after God destroys the wicked, they were involved in this. Because not everybody's involved in it.

HENRY GARCIA: Um-hum.

DAVID KORESH: They give glory to the God of
heaven.

HENRY GARCIA: Um-hum.

DAVID KORESH: And it says here that the seventh angel sounded with -- thus the mystery is finished now. That there were great voices in heaven saying the kingdoms of this world become the kingdoms of our Lord and of his Christ, which is the fulfillment of Psalms 2. You know, God told them to kiss the son least they be angry.

HENRY GARCIA: Um-hum.

DAVID KORESH: Right?

HENRY GARCIA: Um-hum.

DAVID KORESH: And to be wise judges. You know, to be wise ye kings. And it says here, and he shall reign forever and ever. And the four-and-twenty elders which sit before God -- which they are the ones judging you'all right now. You know, they're the -- I mean, while you'all are, are, are ready to judge me, and I don't mind that. I understand that's, that's what has to be done.

HENRY GARCIA: Um-hum.

DAVID KORESH: You know. That right now -- I know it sounds kind of funny, but I've got to speak the truth. Right now -- where I was taken and, and brought back from, you know, Christ, God -- I mean,
the Father of us all, the one that created us all, right?

HENRY GARCIA: Um-hum.

DAVID KORESH: He is on the throne and the judiciary is actually discussing and, and, and actually passing judgments on attitudes that are being developed and characters that are being developed in regards to the situation that's taking place right now.

HENRY GARCIA: Um-hum.

DAVID KORESH: That's why, that's why I'm, I'm told to wait. Otherwise, I'd be out. You know. I mean, I know it's complicated. Let me, let me finish here. Maybe we can get a little more insight --

HENRY GARCIA: Say that --

DAVID KORESH: -- on it.

HENRY GARCIA: -- one more time.

DAVID KORESH: Huh?

HENRY GARCIA: Say that one more time.

DAVID KORESH: Okay. While -- see, see, I -- remember, I'm of, I'm of this world.

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. I've just, I've just been taken to another world -- I mean, other worlds.
It sounds funny, but I'm saying that while we're doing right now is taking place, everyone already knows that Christ was terribly misjudged 2,000 years ago. Right?

HENRY GARCIA: Um-hum.

DAVID KORESS: Okay. Now, we know that 2,000 years ago who that Christ was. That was God, wasn't he?

HENRY GARCIA: Um-hum.

DAVID KORESS: I, I mean the original number one in the beginning. I don't mean son number one, number two, number three. I mean the first one. I mean God. And, and he was on the cross. And what was he doing up there? Man's judgment, right?

HENRY GARCIA: Um-hum.

DAVID KORESS: Now, whoa. That was bad. But he says, Father, forgive them, for they know not what they do. Right?

HENRY GARCIA: Um-hum.

DAVID KORESS: And he did everything he did as an example that it might be written. He said to the disciples on that day you will know that I'm in the Father and the Father's in me, I and my Father are one. Okay? But the one thief up there on the cross, he says to him, you know, Lord, I've never known what
I've done all my life. I mean, I've always done so wrong. He says, if you have a kingdom that's based upon forgiving people because they don't know what they're doing, can you remember me? I mean, I lived my whole life and ah, ah, ba, da (weeping/talking sounds). You know, I'm ready -- I deserve this punishment. I deserve to be crucified. You know. But aahh, I've never known what it was for in the first place. Can you forgive me? And so that's the whole key, you see. That's the position I'm taking, that even if I -- you know, if I -- you know, look, I'm in trouble. Let's just face the facts.

HENRY GARCIA: Um-hum.

DAVID KORESH: Nonetheless, I know the one I'm looking over to.

HENRY GARCIA: Um-hum.

DAVID KORESH: See, by, by people misjudging God, naturally they're going to misjudge me.

HENRY GARCIA: Um-hum.

DAVID KORESH: I mean, that's -- that goes for all of us.

HENRY GARCIA: Sure.

DAVID KORESH: You know. So, so, you know, we've got to put our grudges down and all that. We've got to say now, just look. I'm just going to keep
looking to the one on the middle of the cross. And, so, you know, one thief, unlike the other one, was just like David. He -- you know, he was, he was saying I've got to take this punishment. Now, I've done some evil. I've hurt some people. I didn't mean to, but nonetheless, you know, I've had some good at the expense of others.

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. So, you know, Christ turns to him. And then we're talking about Christ being really God.

HENRY GARCIA: Um-hum.

DAVID KORESH: He says I've saved you today. You know, this is the kind of heart that God accepts, a poor and contrite heart, broken spirit. You shall be with me in paradise.

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. So, now, as Christ sits on the throne, which is the rock, God, all of a sudden he gives this book to this lamb. Okay, now. Now, it says here that in Chapter 11 we were learning, something to do -- after Chapter 10. After Chapter 10 we know that a mighty angel comes down to earth, right?

HENRY GARCIA: Um-hum.
DAVID KORESH: And there's seven thunders uttered, right?

HENRY GARCIA: Um-hum.

DAVID KORESH: And we know that there is going to be a judgment to where only those who are in the temple of God who come up hither and say, hey, what's going on up hither? -- will be numbered amongst the righteous.

HENRY GARCIA: Um-hum.

DAVID KORESH: And the rest of them who don't care about learning these seven seals, these seven thunders, will be on the outside, and they trample the truth or they trample God's judiciary kingdom under foot. Remember, this earth is a part of heaven too, you know.

HENRY GARCIA: Um-hum.

DAVID KORESH: All in heaven belongs to God and all the fullness thereof.

HENRY GARCIA: Um-hum.

DAVID KORESH: We're still on God's real estate here now.

HENRY GARCIA: Um-hum.

DAVID KORESH: So, what happens is is that in so doing, finally what happens is is that the ones who don't understand, scripture warns that those who
are of the flesh, those who come out of the carnal womb, you know, without being born again by knowledge and truth, they come out and they'd kill these witnesses. Well, all they're killing is they're killing, they're killing -- for instance, Zechariah said he saw in vision a rock with seven eyes, didn't he?

HENRY GARCIA: Um-hum.

DAVID KOresh: Zechariah said he saw a candle, a lamp with seven, with seven lamps. And there's two witnesses by two olive trees, right?

HENRY GARCIA: Um-hum.

DAVID KOresh: Moses and Elijah, the sons of oil. Now, we know that Christ is delight of the world according to the New Testament. That's already been made plain for us. And we know in the mount of transfiguration the kingdom of God deals with Christ standing on the mount, Moses and Elijah standing by him, and they all three are one.

HENRY GARCIA: Um-hum.

DAVID KOresh: They've got one work to do, and that's to save souls with the word of God.

HENRY GARCIA: Um-hum.

DAVID KOresh: Okay. So, so, when it comes down to this final revelation when, when, when God
sends his Son into the world to reveal the seven seals, then all the sons of God are going to want to learn the seven seals, aren't they?

HENRY GARCIA: Yes.

DAVID KORESH: Okay. So, the thing of it is -- but man, whose carnal in-- remember, wisdom says she hates pride and arrogancy and carnality? She says now, I've built my house, I've hewn my seven pillars? You know, we know that wisdom built Christ. Let me explain. And wisdom builds everybody. Now, here is, here is the clincher to it. It says here: for the kingdoms of this world becomes the kingdoms of our Lord and of his Christ and he shall reign forever and ever. And the four-and-twenty elders which sit before God on their seats fell down upon their faces and worshipped God, saying we give Thee thanks, oh, Lord, God Almighty, which art and was and are to come, because Thou has taken a great power in his reign -- which this is where God has to intervene. For the nations were angry -- which is like Psalms 2, the heathen raged -- and Thy wrath has come -- which the sixth seal went -- what's going to happen is is that the sum of the stars are going to be dark and all the natural elements of light and the heaven is going to depart and everyone in this world is going to get to
look up and see something they never seen before, something I was already shown. But, of course, what happens is is that I'm supposed to show it through a book. And then what happens is they're going to realize that, that -- see, all I've ever wanted out of my life is peace. So, God uses the weak and he uses the, the ones who try to seek peace, the ones who do not want violence and all that, he, he, he strengthens them like in Psalms 18 to overthrow the proud and the arrogant. It's a sad thing. We don't want it to happen, and that's what's a lot of things happening right now. And Thy wrath has come and the time of the dead that they should be judged, that Thou shouldest give reward to Thy servants, the prophets, and to Thy sayings, those that were sanctified by the prophets, knowing their truth, to them that fear Thy name, small and great, and shall destroy them which destroy the earth. God doesn't like the way our economic system is doing to our world today. And the temple of God -- now, watch this. This is, this is off of -- remember wisdom said those who find me find life?

HENRY GARCIA: Um-hum.

DAVID KORESH: Remember?

HENRY GARCIA: Um-hum.

DAVID KORESH: They shall obtain the favor
of the Lord? Now, watch this. And the temple of God was opened in heaven. See, this is the -- this is, this is the, the thing that causes the sin against the Holy Ghost. Now, watch. Now, the temple of God was opened where? In heaven. And there was seen in this temple the ark of his testament -- which is what Moses made a model of, right?

HENRY GARCIA: Um-hum.

DAVID KOresh: And there were lightnings and voices and thunderings and an earthquake and great hell. Now, God's angry. And there appeared a great wonder in heaven, a woman, clothed with the sun, the moon under her feet and upon her head a crown of twelve stars. Now, who is she? And she, being with child, cried, travailing in birth and pain to be delivered. Now, remember in Proverbs 8 and 9 she said that she was going to build her a building, build her -- you know? She's the mother of Christ, isn't she?

HENRY GARCIA: Um-hum.

DAVID KOresh: I mean, she's the mother of you. She's the mother of me.

HENRY GARCIA: Um-hum.

DAVID KOresh: She's the mother -- like it says right down here, it says here that this dragon makes a war with her. He hates her. And it says
right down here in verses 17, it says: and the dragon was wroth (sic) with the woman and went to make war with the remnant of her seed -- which keep the commandments of God and have the testimony of Jesus Christ -- which is the seven seals. Awesome, huh?

HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. So, so, the thing of it is is that in Proverbs 8 and 9 she says, come drink of my bread -- I mean, drink, drink of my wine and eat of my bread. In the, in the New Testament, you know, it's, it's, it's hard to look at mankind in any different light than what we have been trained or raised to look at mankind in. You know, it's -- but, but if you're looking -- you, you look -- like, for instance, when I looked out the window here the other day and I saw those ATF agents laying down there and blood dripping down, you know -- I mean, I had been shot too, but yet I was still alive.

HENRY GARCIA: Um-hum.

DAVID KORESH: You know, and I was there when the first burst came into the front door. And I'm thinking like, you know, like we'll, we'll -- you know, like I'm looking on the same -- you know, God, are you going to, are you going to shelter me or, or what, what am I supposed to do now, you know? Because
we, we had been -- I had been told about this long
before. So, I'm like there and I'm looking at -- I'm
thinking, you know, God, you know, what can we do? I
mean, it's like, you know, those are friends of mine.
They could have been just like with Robert. There's,
there's, there's just no mean in this kind of stuff,
you know?

HENRY GARCIA: Really?

DAVID KORESH: I mean, I mean, they're,
they're laying there on, on the top of the roof, you
know, and, you know, I, I didn't even know, I didn't
even know till I came around back to the side window
over here that they -- that, that anyone had even been
shot. And it's like -- I'm like thinking to myself,
you know, this -- it's not necessary.

HENRY GARCIA: Really?

DAVID KORESH: You know, why? It's just
like here is somebody that was a baby just 20-
something, 30-something years ago. A child --

HENRY GARCIA: Um-hum.

DAVID KORESH: -- that, that came into the
world, that, that was a baby that toddled, and now
it's over. You know?

HENRY GARCIA: Um-hum.

DAVID KORESSH: And, and it's just like it's,
it's so, it's so contrary to -- you know, like, like I myself have got a lot of babies. Now, I'm -- now, look. I know it's, it's funny and it's, it's strange. You know, I have a lot of wives.

HENRY GARCIA: Um-hum.

DAVID KORESH: And it's not according to your law. I realize that. You know, I do realize that.

HENRY GARCIA: Um-hum.

DAVID KORESH: And people say that I'm a brainwasher on that. That's not the truth now.

HENRY GARCIA: That what?

DAVID KORESH: They say I'm a brainwasher.

HENRY GARCIA: Uh-huh.

DAVID KORESH: That's, that's not the truth now. I'm -- I can't brainwash you. I mean, let's, let's face it. You're going to take what I say and you're going to judge it for yourself. But here's the thing. David of old was chosen of God. And David had a spirit that God -- you know, the heavens look down on us every day.

HENRY GARCIA: Um-hum.

DAVID KORESH: And Psalms says that God looks down from the heavens and beholds all the sons of men. He fashioned all their hearts alike and he
considers all their doings.

HENRY GARCIA: Um-hum.

DAVID KOresh: Right?

HENRY GARCIA: Um-hum.

DAVID KOresh: So, God chose David. He didn't choose his seven other brothers, did he?

HENRY GARCIA: No.

DAVID KOresh: He chose David. He was the youngest one who was -- who liked to care for --

[Tape 47 ends.]
