LARRY: Wayne.

WAYNE: I'm here Larry.

LARRY: Okay, good. Just checking. Want to hear your voice.

WAYNE: Sure thing

LARRY: See if you're okay. (PAUSE)

WAYNE: Larry.

LARRY: Yes sir.

WAYNE: We're seeing people all over this place. All over.

LARRY: Okay, but they're not on your property. It's just people moving around on the perimeter.

WAYNE: No way.

LARRY: Huh

WAYNE: Negative.

LARRY: They're just getting ready to make, you know, to make sure the van is safe when it comes. No one is coming on your property.

WAYNE: Well, we know they're on our property.

LARRY: Where are they on your property?

WAYNE: We know where some of them are.
LARRY: Well, we’re—we’re doing like we did before.

WAYNE: Right, well, it was confirmed before that they had moved in closer

LARRY: Stand by just a minute okay. Stand-by. (PAUSE - 45 SECONDS) (LARRY TALKING WITH AN UNIDENTIFIED PERSON: (INAUDIBLE) Are they moving in, are they check that area - INAUDIBLE)

LARRY: Stand-by, okay.

WAYNE: Okay.

WAYNE: Yes, Larry.

LARRY: Okay. Where are you seeing movement. (PAUSE) Okay, where are you seeing movement.

WAYNE: North east.

LARRY: Huh.

WAYNE: North east side.

LARRY: East East side.

WAYNE: NORTH East.

LARRY: North east side.

WAYNE: North and east side.

LARRY: North and east side. Okay, we’re checking. No one, no one is coming on your property. All they’re doing, is, is, is on the perimeter.

WAYNE: No sir. It’s on our property.
(PAUSE)

LARRY: We're just setting up the perimeter for the, for the van.
WAYNE: I don't think it's for the van because it's not on that side. I think they're getting ready to reinforce and come in and get us.
LARRY: No no no, no no.
WAYNE: Okay, why are they on that side.
LARRY: Wayne. No, that's not what's happening. Okay. We're not gonna do that. We've come to far, we're not about to do that. We have an agreement, you and I got an agreement. And, everybody is working based on that agreement. There's been no change in our agreement. There's no change on our side. Is there change on your side.
Okay.
WAYNE: We respond to what we see, Larry.
LARRY: Okay. But, that's what I'm telling you, that's why, you know, it's night, people are seeing things, you're seeing lights, you know nothing changed. Okay. Nothing has changed. We're still working on the agreement that you and I have. We got, it's gotten us this far, we're not gonna, we're not gonna, you know, go back on anything now. Okay. You with me. Nothing's changed Wayne.
WAYNE: No, the public was told they
wouldn't do anything aggressive.

LARRY: Yeah. And, we haven't done anything. You know it's been 10 hours now, and we haven't made an aggressive move. So we're staying to it, we're staying hedged to our agreement. Okay.

WAYNE: I see no purpose in bringing men around to the north and the east side.

LARRY: The north and the east side.

WAYNE: That's right.

LARRY: That's (PAUSE) Wait a minute, let me get my bearings here. (PAUSE) Alright, the north side, that's out there by the road, the what, the Double E Ranch Road in front of your place.

WAYNE: No that's the west side.

LARRY: Okay, then the north side is over there

WAYNE: By the dairy barn.

LARRY: By the dairy barn.

WAYNE: That direction.

LARRY: Okay, that's north. (PAUSE) Okay, hold on. (PAUSE) Stand-by. (PAUSE) Who who, ah, did you see these people, ah, Wayne.

WAYNE: I talked to someone who seen them.

LARRY: Okay. It's like before, you know, it's night, people are seeing things. You know,
we're not on your property, okay. We know, we're not gonna do this now. We've gotten some kids out, we're ready to take some more. We're not gonna change the game plan. Stand-by. (PAUSE)

WAYNE: When do we get to talk to the

National Guard Commander. (PAUSE)

LARRY: Wayne.

WAYNE: We should be talking to the

National Guard Commander.

LARRY: There is no National Guard

Commander. Wayne.

WAYNE: There's an armored personnel

carrier here.

LARRY: There's is no National Guard people here. Okay. Listen, is the, do you have one of your people in the guard shack. We're getting a light from the guard shack. Okay.

WAYNE: You're talking about at our gate,
at out front gate.

LARRY: At your front gate. Do you have,
do you have one of your folks up there.

UNIDENTIFIED MALE SPEAKER: (TALKING TO
LARRY) It's not ours.

LARRY: It's not, it's not our people.

UNIDENTIFIED MALE SPEAKER: (TALKING TO
LARRY) And, there's two in the same area.
LARRY: And, there's two of you, two of your folks up there it looks like. That's why we're hesitating with the van. You know, we're just delaying it. Whose up there. Can you find out.

WAYNE: No, we cannot find out.

LARRY: Okay. You know they shouldn't be up there.

WAYNE: They're not our people.

LARRY: They're not, they gotta be your people, they're not ours. Check, would you. See if some of your people are out there on the own. Can you do that. Because we're getting the movement and with a flashlight up there. (PAUSE - INAUDIBLE) Can you check for me. (PAUSE)

WAYNE: I don't know what else to do Larry.

LARRY: Talk to some of your people. You know, someone's up there, okay. And it's not our folks. We sure need you to check it out for us.

(PAUSE - 1 MINUTE)(BACKGROUND NOISE)

WAYNE: You know Larry.

LARRY: Yes sir. I'm here.

WAYNE: It looks like

LARRY: Hun

WAYNE: David been talking to thousands of people

LARRY: That's-that's correct. That's what
you wanted.

WAYNE: Well scholars, and theologians, actors, they should've, they should've given him a hearing. That's all he asked for.

LARRY: Well, that's what, that's what they've done. They have given him, ah, his platform to speak from. That's what you've wanted, that's what they've done. And we're continuing to do it. You know, we've—we've met everything that you wanted and that's what we're doing. Right. That's what David wanted and that's what he's doing. He's able to get across, you know, what he needs to say and people out there are hearing it. (PAUSE) Right.

WAYNE: Yes.

LARRY: Okay, isn't that what David and you wanted. Is to be put in contact with the people.

WAYNE: Larry.

LARRY: Yes sir.

WAYNE: Ceda has checked that guard shack and there's nobody in there, when she was there.

LARRY: Okay. I know, but that, she's been back and we're, ah, we have seen movement up there of two people up there, and they're not our people.

Okay. (PAUSE) Yeah, it's, ah,

WAYNE: Why don't you put a spotlight on
LARRY: Hun, a spotlight. No we don’t wanta, get, get anybody up there upset. (PAUSE) But it’s not our people and that’s that’s, you know, making our van people a little nervous. (PAUSE - 40 SECONDS) (BACKGROUND NOISE - INAUDIBLE) How are things coming with the kids.

GREG: We don't know Larry.

LARRY: And, you know, so far we have maintained our part of the bargain with ah, with Wayne. And, all of you folks up there. And that's what we want to do. We want to go ahead and bring
the kids on out and see that they’re taken care of
for the night. It’s awful late for them to be up
running around. We need to see to their safety and
the safety of everyone there. We’re not gonna change
the agreement. Not—not at this state of the game.

LARRY: Okay, tell me, tell me the plan.

What's the plan so we can make everybody aware, okay.

WAYNE: Hold on. (WAYNE TALKING TO SOMEONE ELSE) Kevin, what's the plan. What is the plan.

(INAUDIBLE) Okay.

WAYNE: Larry.

LARRY: Okay, go ahead. Give me the plan.

WAYNE: The plan is changed.

LARRY: Okay, what's the new plan.

WAYNE: The plan is we're using a different driver, and she's going to warm-up one of our cars.

LARRY: Okay.

WAYNE: She's gonna get in it, turn the engine on,

LARRY: Okay, give us the description of
the vehicle.

WAYNE: It's a red Honda Prelude, an 84.

LARRY: 84 Red Honda Prelude, okay.

WAYNE: 84

LARRY: 84 model, okay. Two door, 4 door.

WAYNE: Two door

LARRY: Two door, okay. 84 Red Honda 2-door Prelude.

WAYNE: This has been worked out with, ah, Jim Cavanaugh.

LARRY: Okay. Uhm, so we're not going to bring a van in. Right.

WAYNE: No.

LARRY: Okay, who is driving the car.

WAYNE: Sonya

LARRY: Sonya is driving the car, okay.

WAYNE: Right.

LARRY: Okay. Now, Sonya does she have the kids with her.

WAYNE: She's gonna warm-up the car first.

LARRY: Okay, she's gonna warm up the car.

Then Sonya will put the kids in the car, and then what. What's—what's the new plan.

WAYNE: Then she'll come back in and get the kids and walk back out and put them in the car.

LARRY: Okay, and then what.
WAYNE: Then she will drive to the gate and deliver them.

LARRY: She'll drive to the gate and deliver them.

WAYNE: Then she will go back, come back.

LARRY: Alright, she wants to come back.

Alright, let me make everybody aware that Sonya, driving a 1984 Red Honda Prelude, 2-door, will warm the car up

WAYNE: Make sure it's running

LARRY: Make sure it's running, come back in, get the kids, drive the kids to the gate. Right.

WAYNE: That's correct.

LARRY: Okay. So alright, alright, to the gate, right.

WAYNE: To the gate, to the guard house.

LARRY: To the guard house. Up there on the, on the Double E Ranch Road.

WAYNE: Right.

LARRY: Okay. Stand-by, let me make people aware of this, okay.

WAYNE: (YELLING TO SOMEONE) Stand-by,

stand-by. (PAUSE) Larry

LARRY: Go ahead.

WAYNE: The children are already out the door with Sonya.
LARRY: Alright, the kids are out the door with Sonya. (PAUSE) Alright. (PAUSE) Stand-by, we got to get the van moving. Okay. Wayne.

WAYNE: Yeah,
LARRY: Okay,
WAYNE: Stand-by
LARRY: Okay. Alright now, the kids are in the car.
WAYNE: The car is moving
LARRY: The car is moving
WAYNE: Yes
LARRY: To the gate, okay.
WAYNE: Towards the gate.
LARRY: Okay. (PAUSE) Okay, looks like it's gonna be a car instead of a van meeting ya at the guard shack, okay.
WAYNE: Nope, there's no way for me to tell her that.
LARRY: Okay. You didn't, we're-we're not coordinating. That's
WAYNE: Agree.
LARRY: Hun
WAYNE: Agree. (PAUSE) (LARRY TALKING WITH SOMEONE: He has no way of coordinating that)
WAYNE: Doing the best we can.
LARRY: Hun
WAYNE: We’re doing the best we can.

LARRY: Okay, but, but, we gotta, let’s go slow and keep this thing flowing as smooth as we can.

(PAUSE) Alright, we got a brown Chevy Caprice coming up there to meet Sonya, okay.

WAYNE: (YELLING AT SOMEONE - They said a Caprice is going to meet her at the gate)

LARRY: Yes. But from now on let’s, let’s try to be a little bit more coordinated so that, you know, something doesn’t happen and we cause, you know, more problems, okay.

WAYNE: (YELLING AT SOMEONE - There’s too many changes on me.)

WAYNE: Larry, she’s going to the twin water tank.

LARRY: Okay, she is now going to the twin water tanks. Stand-by let us, let us get this worked-out okay.

WAYNE: Yeah.

LARRY: Has that been worked-out with Cavanaugh. The changes. Is he aware of it. Wayne.

WAYNE: I know he talked to her personally.

LARRY: Okay, but we need to know because, like I say, these changes, that’s when that’s when mistakes happen and problems are created. So stand-by. You’re going to take them to the twin water
18

1 towers. Now where are the twin water towers on your
2 property. Okay.
3 WAYNE: At the intersection of Double "E"
4 Ranch Road and 2491.
5 LARRY: 2491, okay. She’s gonna come out
6 of the compound.
7 WAYNE: Yes.
8 LARRY: And drive down to Ranch Road.
9 WAYNE: Right. That’s correct.
10 LARRY: Okay, okay. Now, let us make
11 everybody aware at hand. Cavanaugh is aware of this
12 right.
13 WAYNE: I know he talked to her.
14 LARRY: Okay, so you don’t know if he’s
15 aware of it or not.
16 WAYNE: Don’t know.
17 LARRY: Okay. Ah, we’ve got to work on
18 this part of it. These changes, that’s, that’s what
19 hurts us sometimes, and makes, ah, mistakes happen,
20 okay.
21 WAYNE: Okay.
22 LARRY: So let’s try to keep everything,
23 you know, work like we did it the first couple of
24 times. Let’s try not to keep changing it, okay. You
25 know
26 WAYNE: Okay
LARRY: Like Byron said, KIS, keep it simple.

WAYNE: We're trying to stay away from that guard house. We don't know what's going on in there.

LARRY: -- We don't know, we're thinking that it's some of your people there and then, ah, the light, you know when Ceda went out there, that's what we think they saw.

WAYNE: Perhaps they saw Ceda, yeah, that's pos -- that's probably it.

LARRY: Yeah. Probably was. But, we got to keep these changes, you know we had a system that was working, that was working well and now we're changing it and it's causing problems. It's causing a problem from you, for you.

WAYNE: There's nobody there to meet her.

(WAYNE YELLING AT SOMEONE: Where is she (INAUDIBLE)) She's waiting at the intersection 2491

LARRY: Okay. Stand by. (PAUSE - 20 SECONDS INAUDIBLE) How did you know that no one was there to meet her. Do you have radio. Wayne.

WAYNE: No, no radio.

LARRY: Okay, how did you know that there was no one there to meet her.

WAYNE: Observation.

LARRY: Observation, okay. Okay, our
vehicle is at the water tower. She’s at the
intersection of 2491 and Ranch Road.

    WAYNE: Yeah, they’re very close.
    LARRY: Okay, tell her just to stay there
and just hang loose.
    WAYNE: She’s on her own.
    LARRY: She’s on her own, okay. The car
should be (PAUSE - INAUDIBLE) Alright, she’s still
moving, Wayne.
    WAYNE: (YELLING AT SOMEONE) Where is she
headed.
    UNIDENTIFIED MALE SPEAKER #1: Where is she
headed
    UNIDENTIFIED MALE SPEAKER #2: Where is she
headed
    UNIDENTIFIED FEMALE SPEAKER: She’s going
to the water tower.
    WAYNE: She’s going to the water tower.
    LARRY: Okay, that’s that’s what we’re
trying to, trying to find out. We’re gonna have a,
our car there to meet her.
    WAYNE: Okay
    LARRY: Okay. Everything is working out
but, this changing like this, we got to, we got to
get back in control of this Wayne, okay
    WAYNE: Ah
LARRY: We've we've got to get back
WAYNE: 10:4. She's there now.
LARRY: Okay, you can see her, right.
WAYNE: Yes sir.
LARRY: Okay, okay. (PAUSE) Alright do you see our vehicle there.
WAYNE: No sir. (PAUSE) (UNIDENTIFIED MALE SPEAKER: Vehicle's coming)
LARRY: Is anybody following her out there. Is there, is there one of you people following her.
Wayne.
WAYNE: (YELLING AT SOMEONE: Is anyone following her) (PAUSE - INAUDIBLE) Nobody has met her yet.
LARRY: Okay, stand-by, stand-by. (PAUSE 10 SECONDS) Okay, is she still moving. Our car is down there. She needs to move towards them, okay.
WAYNE: I can't talk to her.
LARRY: You can't talk to her, but, ah, you know, our guys are at the intersection. She's not at the intersection yet. (PAUSE - 25 SECONDS) Okay, we're trying to, we trying to touch base with our car to tell him to move up to inter, (PAUSE) Okay, they're side by side. Can you see that. Can you see that Wayne. Wayne, Wayne.
WAYNE: We only see her.
LARRY: Okay, can you see our car there with her.

WAYNE: No.

LARRY: You don’t see that.

WAYNE: We don’t see it.

LARRY: Okay, but if you can see her, you should be able to see our car.

WAYNE: Could be on the other side

LARRY: Okay

WAYNE: The far side

LARRY: Okay (PAUSE). Okay they’re, your lady is talking with our people, okay.

WAYNE: Okay.

LARRY: Okay. We got to, we got to get back to a plan and we got to stick with it. Let’s try to keep these changes to a minimum, okay.

WAYNE: I was just told that David and Jim Cavanaugh worked this out.

LARRY: Okay. Let’s, let’s put this back over here with us. Because we got it under control without these changes. There was, really there was no need for a change because it worked well. Can we get it back over here with us. You think we can do that Wayne (PAUSE) or whatever is best. We just need to get something established and and not have, ah, you know dealing with a couple of different people.
That's that's causing problems, okay.

WAYNE: Well I can—I can see, ah, some problems here. But keep in mind, uhm, there was all the reports about the guard house that made us antsy.

LARRY: Okay. Okay. (PAUSE - BACKGROUND NOISE - SOMEONE TALKING TO LARRY) Okay, whatever you're comfortable with, we're work with you, okay.

WAYNE: Okay.

LARRY: Okay. Now are we, are we ready, is your car returning yet. Do you see it returning.

Sonya, I believe you said her name was.

GREG: Yes sir.

LARRY: Is she returning.

WAYNE: Checking.

LARRY: Okay, check and tell me. (PAUSE) Let me know when she gets back into your property, okay.

WAYNE: She's still there.

LARRY: She's still with the, ah, the agents.

WAYNE: Yes

LARRY: Okay (PAUSE - 35 SECONDS) Okay, they're making the exchange, okay.

WAYNE: Okay.

LARRY: Okay.

WAYNE: They're exchanging
LARRY: Everything's going fine. (PAUSE) You doing okay.

WAYNE: Okay

LARRY: Okay. (PAUSE) Let us know when she starts to come back. (PAUSE 30 SECONDS) (BACKGROUND NOISE - INAUDIBLE)

WAYNE: She's turning around.

LARRY: Okay. She's turning around, okay.

Okay.

(THE END OF TAPE 14 - SIDE A)
