WAYNE: Working on it.

LARRY: Okay but, you know, we got, we got to get something started Wayne. But, we need to, we need to, is Steve around there to talk with us. Can you bring Steve up there and let’s do a, a talk.

WAYNE: I’ll try and get Steve for you.

LARRY: Hold on. (PAUSE - 20 SECONDS)

WAYNE: Hello.

LARRY: Okay. Wayne, what can we do. What can you and I do to get, get these folks out of there. Hun.

WAYNE: I’m opened for suggestions.

LARRY: You know, with your leadership we can get everybody just to walk out of there. And we can guarantee their safety. (PAUSE) Is that your television I hear in the background.

WAYNE: My radio.

LARRY: Okay, it’s kind of loud and I can barely hear you. Ah, that that’s my suggestion.

WAYNE: There’s a chopper coming over.

UNIDENTIFIED MALE SPEAKER: (TALKING TO WAYNE: CHOPPER)

WAYNE: (TALKING TO SOMEONE ELSE: Watch the landing party)
LARRY: No, no. It’s not a landing party. You know, it’s not gonna land, okay. It’s not a law enforcement chopper. (PAUSE) What can you and I do. Let’s let’s get back on line here. You know, you said you, are you there.

WAYNE: I’m willing to try.

LARRY: Okay, let’s try to get them, and let’s walk them out. We’ll guarantee your safety. Everybody. You know, put down your arms. Walk out. Let’s do this before it gets dark.

WAYNE: The people feel safer here Larry.

LARRY: Yeah, go ahead. I didn’t hear you Wayne. Wayne the background noise is so bad there I can barely hear you. Wayne. (PAUSE - 30 SECONDS) (BACKGROUND NOISE - TELEVISION BLASTING) Wayne.

WAYNE: Larry.

LARRY: Yeah, I can barely hear you for your background noise. Can you cut the radio down just a little bit.

WAYNE: Larry.

LARRY: Yes sir.

WAYNE: I’d like you to read Psalms 2.

LARRY: Psalms 2, okay. (PAUSE) (LARRY TALKING TO SOMEONE ELSE: Open to the middle, just) Okay, let me find it. You there.
WAYNE: I'm here. (PAUSE - 30 SECONDS)
LARRY: Hold on just a minute. I can barely hear you. Now what were you wanting me to do. Wayne.
WAYNE: To yourself Larry. Read Psalms 2.
LARRY: Alright, I don't have a Bible here, that's what I'm looking for.
WAYNE: Okay.
LARRY: Okay, give me, let me see if we can find a Bible down here. But let's get back on, while they're looking for the Bible, let's get back to see if, uhm, we can get, using your influence and your guidance, can we get everybody just to walk out before it gets dark.
WAYNE: Larry.
LARRY: Yeah.
WAYNE: We want the media here. We want to talk to them. They just said on the news that they don't know what our demands are.
LARRY: Have, have you not talked to the media. It's my understanding that, ah, that either uhm, that David had talked to the media.
WAYNE: On the phone.
LARRY: Yeah.
WAYNE: But they don't know that we haven't been firing shots and your field commander is saying
we have. Now, how does that stand-up in court.

LARRY: Okay.

WAYNE: That doesn't look very good.

LARRY: Okay, okay. Let me ask you this

WAYNE: To walk out the door and leave it in the hands of the judge.

UNIDENTIFIED MALE SPEAKER: fuck that

LARRY: Yeah. You know, that's that's gonna be one of the best solutions

WAYNE: Chopper

LARRY: Hun. No they're they're not ours. It's just that news media again. But, I mean, isn't that the best solution.

UNIDENTIFIED MALE SPEAKER: Get real Larry.

LARRY: Well, I mean. What's better than that. What's better than putting in the hands of the court. You won the court case before. You had your day in court.

UNIDENTIFIED MALE SPEAKER: Okay. We already tried thousands dollars. No justice at all. Bring them to the front door. We want to talk to them.

LARRY: Bring the news media

UNIDENTIFIED MALE SPEAKER: Yeah.

LARRY: Okay. Let me, let me, uhn

UNIDENTIFIED MALE SPEAKER: Bring, no, no,
nobody else.

LARRY: Alright let me ah
UNIDENTIFIED MALE SPEAKER: No bullshit either
WAYNE: We're not going anywhere Larry.
LARRY: Ah, ha, I know that. But I just want you to hold-on and keep the line open. Okay.
WAYNE: Okay.
LARRY: Alright.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 1 MINUTE)
WAYNE: I'm here Larry.
LARRY: Okay. Wayne, we can't endanger the media. You know, we, we've done your two spots. Ah, ah, David has left his message with ATF, okay.
WAYNE: We want that broadcast Larry.
LARRY: They're, alright, they're receptive to that. It's gonna take a few minutes to get this thing, you know, hooked-up and made available to the Press. Alright. We're not getting anything in return for what's going on. We need to see some people walking out of there. You know, at least the people that are hurt. You know, we guarantee they're
LARRY: No one was hurt in 88. You never had a single person hurt.

UNIDENTIFIED MALE SPEAKER: (INAUDIBLE) a person shot.

LARRY: Pardon me.

UNIDENTIFIED MALE SPEAKER: There was a person shot. There was proof of it in the jeans and the knife that was hid. Check the records buddy.

LARRY: I'm familiar with it and,

UNIDENTIFIED MALE SPEAKER: No you're not.

WAYNE: Just call Gary Coker, he's a good friend of yours.

LARRY: Yeah, I know Coker. But, you know, what we want to do now is resolve this. You know, and, and, give you your exposure, give you your day in court.

UNIDENTIFIED MALE SPEAKER: and the media

LARRY: And the media.

UNIDENTIFIED MALE SPEAKER: That's right, bring them here.

LARRY: We can't do that. We can't endanger anyone.

UNIDENTIFIED MALE SPEAKER: You can't endanger the media.

LARRY: That's right.

UNIDENTIFIED MALE SPEAKER: You can't
endanger the public to know the truth. That’s what you can’t endanger.

LARRY: We don’t have any argument with them knowing the truth. We really don’t.

WAYNE: Larry, the public wants to know what’s going on. They have not heard our side of the story.

UNIDENTIFIED MALE SPEAKER: At all

WAYNE: At all

LARRY: And that’s, and that’s what we’re willing to. We’re willing to let you have

WAYNE: -- give them the tape

UNIDENTIFIED MALE SPEAKER: (INAUDIBLE)

comply now.

LARRY: Pardon me.

UNIDENTIFIED MALE SPEAKER: No comply.

LARRY: We need to, we need to, you need to walk out, you get, you’ll have your day with the media. You’ll have your day in court.

WAYNE: Ah, Larry, please play the tape.

You know, when you block the truth it puts you right in the judgement. I’m not talking about this life. I’m talking about the one to come. If you’re blocking God’s truth

LARRY: Okay, what, what do we get for playing the tape. I mean, what, we need to get some
folks out. Let's get the people that are wounded,
let's

WAYNE: It'll help to, to, to fix this
problem, if we can get our story out so that people
will know something about us.

LARRY: Okay. You know

WAYNE: Besides that we drink beer and, ah,
and have guns. That's not a fair descriptions.

LARRY: Uhn hun.

WAYNE: You're talking to a Harvard lawyer
here. Has David, have they been told that. No.

LARRY: I have not communicated with the
Press or any of the media.

UNIDENTIFIED MALE SPEAKER: Good point.

LARRY: I, you know, and

UNIDENTIFIED MALE SPEAKER: Nor anyone else

LARRY: Well, it's my

WAYNE: You make it seem like we're a bunch
of dumb asses here

LARRY: No, no. That's, all we're trying
to do is help resolve this. No one is, is making you
out to be, what is it, I don't even know what the
media said, and that's, to me, right now, the main
thing is to bring you folks out of there safely.

UNIDENTIFIED MALE SPEAKER: Maybe you
should stop and hear what the media says now and
then. Take a break.

    LARRY: I mean, that's not, that's not, that's immaterial, what we need is to get you out safely.

    UNIDENTIFIED MALE SPEAKER: It's material, Larry. It's material.

    WAYNE: Larry, you have described us as a bunch of child molesters

    LARRY: No, no, no.

    WAYNE: And, yes you have

    LARRY: No, I have not done that.

    WAYNE: Well, I'm not saying you personally, but if you block the truth about us from being said then you're doing the same thing. Now, the media has describes us child molesters, and we want our part of the story told.

    LARRY: Fine, that that's what we want.

    WAYNE: We can't surrender and go into a jail as child molesters, you know that.

    LARRY: That, but you'll have your day with the media

    UNIDENTIFIED MALE SPEAKER: Yeah right

    LARRY: You'll have your say. What, you know, what's more important right now. Let's, let's, let's bring this to a close safely. So that you can have your day in court and with the
UNIDENTIFIED MALE SPEAKER: As always, the media only hears one side. Let's change that view for once and give both sides Larry.

WAYNE: Larry, I've been through trials. The media, until the States rest, only gives the version that the, ah, law enforcement gives.

LARRY: Okay, we, no, we don't, we don't control the media. You know that. You know

WAYNE: Larry, who owns the media.

LARRY: It's not law enforcement. I mean, you know, that's that's very obvious.

BYRON: (TALKING TO LARRY: That's another question, that's another problem we both share.)

LARRY: Yeah. That's a common problem for your folks and my folks. You know,

UNIDENTIFIED MALE SPEAKER: Start pushing some buttons there Larry.

LARRY: I mean

WAYNE: Larry, play the tape.

LARRY: What. Standby, let me see where we are, okay.

WAYNE: And listen to it also

LARRY: Okay

WAYNE: please

LARRY: Okay. Standby.
WAYNE: We want you to, to be negligent
LARRY: Alright, standby, let me, let me
talk to the CP, okay, standby.
WAYNE: Larry. Larry, I care more about
you then you care about me.
LARRY: Pardon me.
WAYNE: I care more about you
LARRY: No, I care
WAYNE: You caring for your salvation
LARRY: And I want this to come to a
successful safe end.
UNIDENTIFIED MALE SPEAKER: You know what
it's gonna take then.
LARRY: What's it gonna take.
UNIDENTIFIED MALE SPEAKER: Bring the media
here. They won't be touch.
LARRY: Then you'll be in touch with the
media.
UNIDENTIFIED MALE SPEAKER: Exactly.
WAYNE: Larry, your department escorted
LARRY: Alright
WAYNE: people
LARRY: Alright, listen-up
WAYNE: -- before
LARRY: Listen-up, they're willing to play
the message and we're trying to get that done now,
okay. Okay.

WAYNE: Okay.

LARRY: Alright, stand-by. Stand-by.

UNIDENTIFIED MALE SPEAKER: All of it Larry. (PAUSE - 10 SECONDS)

LARRY: Okay. The CP is asking. Are you there.

UNIDENTIFIED MALE SPEAKER: Yeah.

WAYNE: I'm here

LARRY: Okay. The CP is asking what we're getting in return for the tape in good faith. A show of good faith

UNIDENTIFIED MALE SPEAKER: We'll tell the truth Larry. All the truth.

LARRY: We're asking, they're asking for safe release of some of your people.

UNIDENTIFIED MALE SPEAKER: All of the truth

LARRY: We intend to read the statement. We intend to broadcast, you know, out there.

UNIDENTIFIED MALE SPEAKER: (inaudible) forward. And then we can talk

LARRY: Hun

UNIDENTIFIED MALE SPEAKER: Play the statement forward and we can talk.

LARRY: That's what we're gonna do. But
the CP is asking for a good faith showing from ya.

BYRON: (TALKING TO LARRY: trying to help you.)

LARRY: You know, I trying to help you. I'm trying to, I'm trying to work with you, but you know Harry, I'm trying to communicate with you and the CP in there. We're gonna do what you've asked again. Okay. We're going to be third time that we've complied. But, they're wanting something in return. A good faith effort on your part.

WAYNE: We'll stay in here peacefully.

UNIDENTIFIED MALE SPEAKER: That's what they've got. But don't stall Larry. Don't stall.

LARRY: There's no point in stalling. All we're trying, I'm telling you what they're asking me. Okay.

UNIDENTIFIED MALE SPEAKER: Tell them we'll wait here patiently.

LARRY: That you're wait there patiently.

UNIDENTIFIED MALE SPEAKER: That's right.

LARRY: What, what are willing to give up in good faith to show that, that, that your intent, what's your intents are. You know meet us half-way. Let some folks go. You know, we're gonna, you know, the third time we gonna comply with your wishes.

WAYNE: Larry, we can't force the people
LARRY: We want, you know, we want to bring everybody. You know, sit down and talk to them. Tell them that we’re willing to guarantee they’re safety. All, you know, walk out the door. Lay the weapons down, walk out the door. They’re safety’s guarantee. You’ll have your day with the media. You’ll also have your day in court. You know, that’s that, that, you know that’s what we want. Is a safe resolution to this, to this problem. That’s what we want. Walk out in masses, safety is guarantee.

UNIDENTIFIED MALE SPEAKER: Larry.

LARRY: Uhn hun.

UNIDENTIFIED MALE SPEAKER: On the media they said that the ATF came peacefully. Why? They didn’t come peacefully. It’s a bunch of bullshit and you know it. They started firing. One of the guys said, hold it. There’s babies and children and woman in here. Why the bullshit Larry.

LARRY: I don’t know what the media said.

I’m I

UNIDENTIFIED MALE SPEAKER: -- the media had said

UNIDENTIFIED MALE SPEAKER #2: screw everybody else. Let’s get real. They need to give us a break.
UNIDENTIFIED MALE SPEAKER #3: Play the tape Larry.

LARRY: Okay, let me check with the CP again. Stand-by. (LARRY TALKING TO BYRON - PAUSE ABOUT 10 SECONDS) Wayne we can’t control what the media is saying. We don’t, we don’t have any control over that as you well know. We just got through talking about that. Are you there Wayne. (PAUSE) WAYNE: They can’t talk to us Larry. That’s the problem.

LARRY: You know. If, if you come out together don’t you think that that’s gonna be a stronger showing and they’ll be willing to talk to you.

UNIDENTIFIED MALE SPEAKER: No, because it’s always a one-sided ordeal. You know it’s political Larry.

LARRY: Okay. How is that gonna change?

UNIDENTIFIED MALE SPEAKER: Like we said, "Air it Buddy".

LARRY: Well, we’re willing to do that. We’ve air, we’ve aired the others. But we need something in good faith.

UNIDENTIFIED MALE SPEAKER: They’ve aired what they wanted to air. All the truth Larry. All the truth.
LARRY: They aired what you asked didn't they.

UNIDENTIFIED MALE SPEAKER: No, not all of it.

WAYNE: Yes, Larry, they read a statement and then, they're actions showed they didn't live-up to it.

LARRY: What actions are you talking about now.

WAYNE: They put they're men on our property again.

LARRY: No, they're men were trying to be extracted from your property.

UNIDENTIFIED MALE SPEAKER: Then, why did they start shooting when somebody was yelling out the front door, "there's babies, children and woman, don't hurt us."

WAYNE: We gave their men free access to our property. To come and go at will. He spent hours on our property.

UNIDENTIFIED MALE SPEAKER: days

WAYNE: He could have served a search warrant with no problem. No problems whatsoever. And you know that's the truth Larry.

LARRY: What we need to do now

WAYNE: It hurts sometimes, but that's the
LARRY: Okay.

UNIDENTIFIED MALE SPEAKER: All of it

WAYNE: There's was no need

LARRY: That, alright, that, I can't control what's happened. What I'm trying and what I need your help and what we have to work together to do is to control what happens from here on out.

Okay. That's up to us. That's not up to ATF, that's up to you and me and Byron sitting here, okay. That's what we've got to do. From here on out, we've got to be in control.

WAYNE: Larry, why I'm begging you to play that message is because when you block out the truth it gets out anyway.

LARRY: We're working on the message. I've already told you that. We're gonna comply, it's just taking some time to get it put together.

WAYNE: Well, very good.

LARRY: Okay. I mean, but what I need is a good faith showing from you folks, you know

UNIDENTIFIED MALE SPEAKER: We're not shooting Larry.

LARRY: Hun

UNIDENTIFIED MALE SPEAKER: We're not shooting.
LARRY: No, I know.

UNIDENTIFIED MALE SPEAKER #2: We will be if Tony start acting stupid.

LARRY: Nobody’s gonna. That’s what I’m afraid of. That’s why it needs to be resolved now before it gets any darker.

UNIDENTIFIED MALE SPEAKER: Larry, then why are you still bringing guys in.

LARRY: We’re not bringing guys in.

UNIDENTIFIED MALE SPEAKER: We see them all over the place.

LARRY: They’re guys that have pulled back. That’s all they’re doing, I’m sure there’s activity. I’m sure people are walking around.

UNIDENTIFIED MALE SPEAKER: we saw (INAUDIBLE) in the dark.

LARRY: The what

UNIDENTIFIED MALE SPEAKER: The SWAT (inaudible). We saw them

LARRY: Yeah. All they’ve done is secure the perimeter. I mean, that’s to insure their safety. And everybody’s safety out there.

WAYNE: And they have been safe and our men didn’t fire on them and they, supposedly left

LARRY: Right. That’s, we appreciate that. I tell you what I really appreciate. I really
appreciate that.

UNIDENTIFIED MALE SPEAKER: Then prove it

Larry. Prove it.

LARRY: Okay. Alright, let me ask you this. Do you want the statement to go out over KRLD 1080.

WAYNE: Yes sir.

LARRY: Alright, let me advise them of that. (PAUSE) Wayne they’re trying to hunt down the reporters. So have you got your radios on so that you can monitor.

WAYNE: Yes, we have them on.

LARRY: Alright, standby. (PAUSE)

WAYNE: We don’t want their vehicles moving while that statement is being read.

LARRY: Do what

UNIDENTIFIED MALE SPEAKER: Right now

LARRY: Do what.

WAYNE: ATF has vehicles moving on that road again.

UNIDENTIFIED MALE SPEAKER: (INAUDIBLE)

LARRY: Hold-on, hold-on, maintain your cool. Just stand-by just a minute.

WAYNE: They have a vehicle in our field.

LARRY: Yes. Standby.

WAYNE: On our property.
LARRY: Alright, we’re in contact with the CP. Standby.

WAYNE: Ah, Larry. Larry are you there?

LARRY: Alright.

WAYNE: Larry.

LARRY: Yeah.

WAYNE: Let me correct myself.

LARRY: Okay.

WAYNE: Two vehicles are the property next to us.

LARRY: Okay, two vehicles on the property next to you. Okay. Stand-by. (PAUSE) That’s that’s the perimeter. You know, they’re not on your property and there’s nobody being aggressive.

UNIDENTIFIED MALE SPEAKER: They’re adding up.

UNIDENTIFIED MALE SPEAKER: They’re adding up Larry.

LARRY: No. All they’re doing is controlling the perimeter. That’s what they done. They’ve dropped back. You, you told me yourself, it’s not on your property.

UNIDENTIFIED MALE SPEAKER: Sounds good.

LARRY: And that’s what you asked.

UNIDENTIFIED MALE SPEAKER: Good going.

Sounds good. (PAUSE)
LARRY: Stand-by, they're trying to locate
the reporter.

(BACKGROUND NOISE - INAUDIBLE)

(BACKGROUND NOISE - NEWS REPORTS - TALKING)

(PAUSE - 5 MINUTES 40 SECONDS)

LARRY: Wayne.
WAYNE: I'm here Larry.
LARRY: Okay, what's happening.
WAYNE: I'll tell you what's happening.
LARRY: Okay.
WAYNE: America is being told by preachers
on TV Station and Radio Stations right now at this
moment that we're the anti-Christ. That's what
happening.
LARRY: You know. There's. You know,
that's, that's nothing that we can control. We can't
control
WAYNE: Yes, there is something you could
do. You could play that statement.
LARRY: We are playing
WAYNE: Let people judge for themselves.
LARRY: Alright. That's what we're trying
to do. We, ah, we're making the arrangements to have
it played. All we're doing now is trying to get it
coordinated with, ah, with KRLD. That's where we are
now. You know, as far as the other statements being
made by the news media, you know, we have no control over that. You know. And, and, there’s not a thing we can do about it right now. (PAUSE) You know, if there was, we would, but you know there’s nothing we can do. We’re gonna play your statement. We’re giving you that again, okay.

WAYNE: Okay.

LARRY: Alright. (PAUSE - 20 SECONDS)

Wayne. Wayne.

WAYNE: Yes.

LARRY: Once the statement airs, and it’s the statement, you know, that you’ve given. Then we need to move forward quickly, okay. We need to go ahead and get, get it done. You know, it, have ya’ll got a plan. Tell me what you’ve got going.

WAYNE: I don’t know Larry. I’ve been by this telephone with you for what, 3, 4 hours now.

LARRY: Yes sir. Every bit of it. I mean, but someone, somewhere, you know, I would think that you would be the one most likely since you’re the closest to it with me to make that decision. You know, you and I’ve talked. We’ve talked now for about 9 hours, since this thing started. And, ah, how are you holding up? You okay. Hun. You holding up alright.

WAYNE: I’m doing my best Larry.
LARRY: Okay. Okay. After the statement, you know, let's, let's make a, let's make some positive moves, and you and I, you know, let's get it resolved. Use your influence, let's get those people out of there safely. You know, we guarantee your safety. I've told you that on numerous occasions. And, now, it's time for us to, ah, to move forward, okay. (PAUSE) I mean, what's else, there's nothing else left except a peaceful resolution to this. That's all that's left now. Peaceful resolution. You and I making this thing come together and work out as it should. Okay.

WAYNE: I like you to listen to the statement Larry.

LARRY: Ah, if, if I can get to a radio, I will listen, okay. I have no problem with that.

WAYNE: Okay.

LARRY: Alright. But, now, what I want from you is a peaceful resolution. I need your word that we gonna make this thing work.

(The End of Tape 9 - Side A)
(Tape 9 - Side B)

LARRY: Okay. Okay. After the statement, you know, let’s, let’s make a, let’s make some positive moves, and you and I, you know, let’s get it resolved. Use your influence, let’s get those people out of there safely. You know, we guarantee your safety. I’ve told you that on numerous occasions. And, now, it’s time for us to, ah, to move forward, okay. (PAUSE) I mean, what’s else, there’s nothing else left except a peaceful resolution to this. That’s all that’s left now. Peaceful resolution. You and I making this thing come together and work out as it should. Okay.

WAYNE: I like you to listen to the statement Larry.

LARRY: Ah, if, if I can get to the radio, I will listen, okay. I have no problem with that.

WAYNE: Okay.

LARRY: Alright. But, now, what I want from you is a peaceful resolution. I need your word that we gonna make this thing work, okay. We’re gonna get everybody to walk out of there. Standby just a minute. (PAUSE 20 SECONDS) (BYRON TALKING TO LARRY) Wayne.

WAYNE: Yes, Larry.

LARRY: Okay. We need, ah, David to call
Cavanaugh to make sure that, ah, that we got
everything just ‘as he wants okay.

WAYNE: Okay.

LARRY: Alright. Go ahead and relay that
message for me will you.

WAYNE: Well, Larry, there’s a problem.

LARRY: What’s, okay, what’s that.

WAYNE: He may not be able to make it to
the telephone. I don’t know if it is working or not.

LARRY: Okay, can you get the phone to him.

WAYNE: Do you know if he’s ah, if he’s
been talking with, ah, BATF.

LARRY: Not at, not as far as I know he
hasn’t. That’s why they need to get him back on the
phone to make sure that the message is, is what they
want. But can you, David is is he down. Is he
feeling pretty bad now. Does he need help. That’s
what I’m asking you.

WAYNE: Doesn’t want help.

LARRY: You know

WAYNE: What he wants

LARRY: Is his message. Can you get a
phone to him. Cavanaugh needs to talk to him, you
know, before this thing goes on the air so that we
can make sure that that’s what he

WAYNE: Let me see the situation. I’ll get
right back to you.

LARRY: Okay. I'll be right here.

WAYNE: Larry.

LARRY: Yes.

WAYNE: Wayne, here.

LARRY: Yes sir, Wayne.

WAYNE: We had a shot fired inside our building. It was an accident.

LARRY: Okay.

WAYNE: Did not leave the building.

LARRY: Anybody hurt. Anybody hurt.

WAYNE: Nobody's hurt.

LARRY: Okay, it was just an accidental shot there inside your own compound, okay.

WAYNE: Right.

LARRY: Okay. Nobody's hurt. Alright, did you talk to David. Did he, is he gonna get on the phone with Cavanaugh.

WAYNE: I did not talk to Dave before I heard that shot. So I had to check it out and get back to you. I'm going back.

LARRY: Okay. Please do that.
WAYNE: Okay.

LARRY: Alright.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 5 MINUTES)

LARRY: Hello.

WAYNE: Wayne here.

WAYNE: Well, it's like this Larry.

WAYNE: Did you hear those TV preachers.

LARRY: Uhm, I can hear some background noise. I can't understand.

WAYNE: Well, you know what they're saying? The same old thing for 2,000 years.

LARRY: Okay.

WAYNE: It could go on another 2,000 years.

LARRY: What did, ah, what did David have to say.

WAYNE: to play my message.

LARRY: Okay.

WAYNE: He said if you play my message, I'll let some of the children go.

LARRY: Let, ah, okay. Standby, standby.

WAYNE: I hope appreciate that.

LARRY: Standby
BYRON: Play the message. (PAUSE)

LARRY: Great, good piece of work. Way to go Wayne. Way to go Wayne. That's great. We're trying to get a timeframe on the message, okay. That's great. How's, how's David holding up.

WAYNE: He's stable.

LARRY: Okay, good. Do you need anything. Do you need, are you, how are medical supplies holding up? Food

WAYNE: Okay.

LARRY: Food.

WAYNE: Okay.

LARRY: Okay. Alright, we're checking on a timeframe now. So standby, standby.

(BACKGROUND NOISE - INAUDIBLE)

WAYNE: Right here.

LARRY: Okay. You, is David up to calling, uhm, Jim, over to CP. Can you get a phone to him.

BYRON: (TALKING TO LARRY: The reason why.)

WAYNE: He could

LARRY: He could

WAYNE: He asked me talk to you.

LARRY: Okay. But, ah, but, ah, can, can
David make that call. Or can he talk to me. Could he do that.

WAYNE: I’ll ask.

LARRY: Okay, thanks

WAYNE: No problem.

LARRY: Thank you. Making some progress.

We’re moving. That’s good, positive. Thanks.

(BACKGROUND NOISE - INAUDIBLE)

(BYRON TALKING TO WAYNE)

(PAUSE 45 SECONDS)

UNIDENTIFIED MALE SPEAKER: Larry.

LARRY: Yeah.

UNIDENTIFIED MALE SPEAKER: That vehicle over there on Double EE Ranch Property.

LARRY: Uhn hun, okay. Let me check it out. Standby. (TALKING TO SOMEONE ELSE: They say they’ve got a vehicle standing over there on Double EE Ranch Road. (INAUDIBLE)(BACKGROUND NOISE)(PAUSE - 45 SECONDS)

UNIDENTIFIED MALE SPEAKER: The vehicle is over there by the, ah, street light. Over by Robert’s house.

LARRY: Okay, they’re, ah, it’s just activity, they’re moving back, I mean they’re not, there’s no aggressive movement.

UNIDENTIFIED MALE SPEAKER: Oh, we hope not.
LARRY: No, there's not, I've already, I I mean that Steve, I really do.

UNIDENTIFIED MALE SPEAKER: We're not out to hurt anyone Larry.

LARRY: I know, and I appreciate that Steve. I really do.

UNIDENTIFIED MALE SPEAKER: This isn't Steve, but that's okay.

LARRY: I'm sorry. I thought is was Steve.

UNIDENTIFIED MALE SPEAKER: No it's not

LARRY: I'm sorry.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 1 MINUTE)

UNIDENTIFIED MALE SPEAKER: Larry.

LARRY: Yeah.

UNIDENTIFIED MALE SPEAKER: Answer one question for me.

LARRY: Yes sir. Is this Steve.

UNIDENTIFIED MALE SPEAKER: No, this is Greg.

GREG: Why didn't they want a talk before they started this shit?

LARRY: Pardon me. They wanted to talk
GREG: Why didn’t they want to talk before they started this shit?

LARRY: Greg, I don’t know. That’s something I can’t tell you. Uhm, you know, I I wasn’t out there when this thing went down. I was over here. Uhm, I don’t know what they’re method was. You know, I can’t make a, anything, objective statement about that because I wasn’t there. I mean, that’s all there is to it. You know, but now, Greg, is a time for this thing to come, you now to come on, come on line, and let’s let’s get it ended. And I think with ah, with the help of Wayne and, and, you know, everybody else, we can get a safe resolution to this. Okay. That’s all we want. We’re not, you know, we don’t want anybody hurt. We we we complied with all your wishes and we’re gonna be as, ah, as accommodating as we can.

WAYNE: Larry.

GREG: Actions speaks louder than words. I hope so.

LARRY: Okay. You know, Wayne is that you.

WAYNE: Did you read Psalms 2 yet.

LARRY: Not yet. We haven’t found a Bible.

WAYNE: Okay, work on it.

LARRY: Okay, we are, we’re trying to find a Bible. We’re, but what, ah, what, can David get to
the phone to talk to, ah, Cavanaugh, about the, about
the, the release.

WAYNE: Steve's on the phone.
LARRY: Steve's on the phone
WAYNE: that I gave, ah, I gave you, gave
David the message about calling Cavanaugh. I think
he's gonna call him next.
LARRY: Okay. But Steve's on the phone
now.
WAYNE: Right.
LARRY: Right.
WAYNE: Okay. Now, tell me something.
LARRY: Yes, go ahead.
WAYNE: Reason with me.
LARRY: Okay.
WAYNE: Let say David's the anti-Christ and
he's deceived a lot of people here, okay. Let's say
we're all brain-washed even though we go into town
and we work our daily lives and nobody seems to think
that we're brain-washed when we're computer
programmers, lawyers, etc. But every night when we
come home we get brain-washed again, okay. So let's
say, he's the anti-Christ and some how he's misled us
LARRY: Okay.
WAYNE: in our Bible Study.
LARRY: Okay.
WAYNE: Okay. Now then that means that David Koresch and this little group here is on the way to hell and everybody else is going to heaven. Would that make any sense to you.

LARRY: Uhm, no, I mean, we're, I can't judge you. I can't, I can't make a judgment call like that.

WAYNE: But think of it now.

LARRY: Okay. I mean, that would be a totally, you know abstract judgment call on my part as far as you know what's gonna happen to ya or any of us.

WAYNE: Just think of it.

LARRY: Okay.

WAYNE: This small group goes to hell. Everybody else goes to heaven.

LARRY: Uhm hun.

WAYNE: Nobody else fooled by the anti-Christ.

LARRY: Well, that's

WAYNE: That's a small sacrifice for me to make for everybody else. It's not gonna work that way Larry.

LARRY: Oh, okay. Uhm, we don't, we want it to, you know, we want it to come out and have a safe resolution. That's what we've talked about for
the last 9 hours. That's what you've done a
good job at. You know, we got to, we got to get back
onto what kind of arrangements we need to make for
the release of these children when the message is
played. What, how many children do we, can we bring
a bus in to take them out. How do you want to do
this? (PAUSE) Do you, do you have a plan for that?
(PAUSE) Let us know so that we can make
arrangements, you know, to help you out.
BYRON: (TALKING TO LARRY: Who is Steve
talking to?)
LARRY: Who is, is Steve talking to ATF?
WAYNE: Probably the media. I'm not sure.
LARRY: He's talking to the media. Okay.
Okay.
WAYNE: Uhm,
LARRY: That's fine. What about,
what about the kids. What can, what do you and I
need to work out. To get those kids out of there
safely, okay.
WAYNE: How much does those kids mean to
you Larry.
LARRY: Mean a great deal.
BYRON: (TALKING TO LARRY: How much do
they mean to you?)
LARRY: How much do they mean to you?
WAYNE: Every time that message is played.
We’ll send one child, at least one child
LARRY: well hey
WAYNE: at the time that message is played.
LARRY: You’re changing on me
WAYNE: I’m not changing on you:
LARRY: Yeah, you are. You know you really are. You, you know, you
WAYNE: (INAUDIBLE)
LARRY: keep your promise. I kept mine.
WAYNE: I’d said we’ll release the children if that message is played.
LARRY: That’s right. That’s what we’re during. Now we need to make arrangements to get those kids out. Do you want a bus in there. Ah, how do you want to do this. Okay.
WAYNE: Larry
LARRY: Yeah, go ahead
WAYNE: Every single one of our dogs is dead. What happened to our vehicles. Can you tell us that.
LARRY: No, I don’t know. I’m I’m not, not from here. Like I told you, I’m not at the scene
BYRON: (TALKING TO LARRY: We’ll sort all that out)
LARRY: We'll sort that when everybody gets out and, and, uhm, and this thing is resolved safely and that's what

WAYNE: I thought we want to use our vehicles to bring the children to the gate.

LARRY: How many children do you have? How many, I mean, do you need, are you gonna have to have a bus, or what are you gonna have to have.

WAYNE: Larry.

LARRY: Uhn hun. Yes, sir.

WAYNE: The short message.

LARRY: Hun

WAYNE: If you care about the children.

LARRY: You know we do, we've already established that. And, you know, we've already established, you know we've got an agreement. Now what I'm trying to find out is how we bring them out, you know, what do you want us to do. You want us, you want us to bring a bus in, or do you want to walk them to the gate. How do you want to do this, tell us so we can be prepared and I can pass this on. Don't start anything without us being, you know, being prepared, okay. How many kids do you have coming out?

WAYNE: Larry, if that message isn’t played soon, people will be in bed and they’re not gonna
even hear it.

LARRY: Be in bed, gosh it's only 7 o'clock. Now it's only 7 o'clock. We're ah, we're trying to get the message, you know.

WAYNE: That's half-way through prime-time.

LARRY: Prime-time, no, prime-time doesn't start until 8 o'clock.

WAYNE: On the east coast.

LARRY: On the east coast, okay. Okay.

Uhm, standby, standby.

(PAUSE - 20 SECONDS)

(BACKGROUND NOISE - INAUDIBLE)

LARRY: Wayne

WAYNE: Right here.

LARRY: Okay. Could you get, Wayne, is he going to, ah, standby standby. (PAUSE) Can you get David. Are you there?

WAYNE: I'm here.

LARRY: Okay, can you get David to call so that they can check the message and be sure that that's what they want so that we don't have to keep going through this.

WAYNE: I'll ah, I'll check and see.

LARRY: Alright, can you get a phone to David, okay. If David can't come to the phone can you get a phone to him.
WAYNE: He's got a phone.

LARRY: Oh, great. Okay, get him to call Jim at the CP, okay. Can you

WAYNE: Okay

LARRY: (MUMBLING) and then you come back and then you and I will work the logistics of this. How to get those kids out, what you need, okay.

You're doing a good job. Keep it up, just a little while longer, okay.

WAYNE: Okay.

LARRY: Alright.

(BACKGROUND NOISE - INAUDIBLE)
