vehicle ...INAUDIBLE...goes down the ah,

LYNCH: I know, an' an' that's what, that's what I'm talkin’
about, you've got to use your control that you have, you and
Steve, and maintain the calmness that we've had up to now,
okay, you've

WAYNE: No, that's not okay, we don't want that vehicle droppin'
off anybody on our property, they're coming by, they're dropping
people off.

LYNCH: Gimme a description of the vehicle

UNIDENTIFIED MALE (A DIFFERENT WAYNE VOICE): An aircraft
approaching us now

LYNCH: Awright, standby, what, gimme a description of the

LYNCH: Oh, I, I, I'm tellin' ya, it's gonna make...INAUDIBLE...and that's what we're tryin' to resolve, we needta get with, with ah, with ah, David and Steve an' and Wayne an' an' start makin' a peaceful ah, successful, ah, ah, a solution to this problem, an' an' start, ya know, getting the people that are, are hurt over there, getting 'em the help that they need, that's all we wanna do, we wanna it to be over just like ya all, I know you're tired as we are, but, that's that's, that's where we're headed, okay an we're not gonna do any aggressive, we make a promise, ah, ah,
ah, Wayne and I have an agreement, and so far we've been able to hold to that agreement, okay,

UNIDENTIFIED MALE: Okay

LYNCH: Awright

UNIDENTIFIED MALE: Ya know, these guys don't know what's happening

LYNCH: Okay, that's what we'll do, we want, and ya all have to let us know what's happen, ya know, it's, it's gotta be a two-way street...BACKGROUND VOICE INAUDIBLE...Awright, ATF is moving their people out, okay

UNIDENTIFIED MALE: That's the movement they see

LYNCH: That's the movement they're seeing from

UNIDENTIFIED MALE: from the, the dairy barn

LYNCH: From the dairy barn, okay,

UNIDENTIFIED MALE: ...INAUDIBLE...

LYNCH: Are ya copyin' that?

UNIDENTIFIED WAYNE: Yeah

UNIDENTIFIED BACKGROUND MALE: ...INAUDIBLE...

LYNCH: That's what they're doin', ya know, that's all the movement, throughout the day has been is to move people out

UNIDENTIFIED WAYNE: Yeah

LYNCH: Not move people in, there's, there are no more aggressive actions, so standby a minute.

UNIDENTIFIED MALE: (MUFFLED)...INAUDIBLE...scripture...INAUDIBLE

LYNCH: Okay, you said David is making an offer...Wayne,

UNIDENTIFIED WAYNE: You're negotiating with
LYNCH: Wayne, Wayne, it's not making sense. We're not being able to, ya know, to get any, any sense out of his offer. Can someone get up there and find out what he wants to say? I mean, ATF guy that he's talkin' to it's jist not making any sense. In, can Steve ah, possibly visit with David?

JANIE: (IN BACKGROUND...INAUDIBLE...she's down there, she's ...INAUDIBLE...

UNIDENTIFIED WAYNE: ...INAUDIBLE...their talks don't...INAUDIBLE

LYNCH: Okay, ya know, try to suu, we wanna, we wanna know what we, what he wants, but right now, it's just not making any sense.

LYNCH: Now, we ah, ahm, the, the chopper ya know, that's that's the media, all law enforcement stuff, ah, ah, air, fixed wing or rotary wing, they're grounded

UNIDENTIFIED WAYNE: If that was a media, oh, coulda, you guys should have control over whether they come into

LYNCH: GIVES A LAUGH...HAAH

UNIDENTIFIED WAYNE: the perimeter of this property

LYNCH: I wish we did, we've been, this has been, as, as, Wayne will tellja, that's who's been buzzin' through there, eh, ya know, we've, we've told 'em their air space is restricted, we have called the FFA, an' ya know, we're makin' every, ahmm, ahmmm, request that we can of them, to stop the flights over your property. We're not there to dump anything, an' I know, that was a concern of ah, Wayne's, earlier, but I've assured
him, that that's not what's happening. An', an' the aircraft in
the aircraft in the area is from the news media. There's, ya
know, that's whatchja, their there to see what's goin' on, okay?
We don't understand wha, what David wants, we need to understand
this, okay, some
UNIDENTIFIED WAYNE: ...INAUDIBLE...I mean, its, simple, I mean
you...INAUDIBLE...not there in...INAUDIBLE...I mean, I mean,
makin' statements...INAUDIBLE...gotta listen to what he's gotta
say
LYNCH: Okay, and, let, lemme tellja, that's why once again, we,
we're not communicating, we've got too many different lines, we
need to get everybody together on this line, so that we'll know
ya know, what I'm getting now is from the see, ATF, okay, an' an'
they're not being able to make any sense out of it.

WAYNE: I’ll do that, Larry
LYNCH: Awright, an’ before we make, give me your assurance that you’re not gonna start firin’ on ‘em.
WAYNE: Larry, we haven’t done anything hostile, but we assume that if that vehicle comes down that road again, it’s dropping
off more men, at the shed before, and before, and before.
LYNCH: No, eh, but what I'm tellin' ya, ya can see for yourself, nothing, no action has been taken, okay, nothing hostile has happened aaa, since we started talkin' all they wanna do is extract the guys from the barn, an' they wanna do it in a safe manner, they guys there, they're tellin' us, that, that, that they have taken fire, and now, they wanna bring this vehicle up and move the people out.

UNIDENTIFIED MALE: ...INAUDIBLE...before we did the operation

WAYNE: He's a field commander, he can make independent decisions, he could lie about what's happening out here,

UNIDENTIFIED MALE: ...INAUDIBLE...news at all
