I mean, you know, you know, you're there, and get in there and let's get everybody back-up on positive ground, that this thing's really fixing to come to a successful completion and, you know, we got the radio, we got the message that you wanted, we got everybody moved back and, and, let's let's, give, let's, you know, the chance for you to make your pitch, okay.

WAYNE: Okay.

LARRY: But, let's get back on positive, nothing's happened, no one's, no one's been hurt, you know, we can, we can make this thing work and, and, but you gotta convey that, you got to go back and tell the people that, you know, look, you know, here's where we are, let's let's get, ah, ah, let's get this thing resolved and get get the message out.

Let the people know what we're trying to do. The more people know about it the better you are, right.

Don't you think. The more the media puts it out.
Yeah, David, can David call Cavanaugh.

WAYNE: We’re trying to get that message to him. It’s gonna take a while.

LARRY: Okay, is, is, he’s still doing his Bible Study.

WAYNE: Yes sir.

LARRY: Okay, okay. Uhm, this, can you, ah, can you, can you get that, everybody back on a positive note there.

WAYNE: Yes sir.

LARRY: Good. Good. Great, you know, like I told you, you know, we’ve been, we’ve been at this too long. Let’s make it work. Let’s keep it, keep it going. We’re gonna, we’re gonna successfully complete this, okay. We, we’ve got it made. We’ve gone through some critical times. We’re to the point now that, ah, you know, we’re gonna make it work. You know, how’s David doing? How’s he feeling?

WAYNE: Well, uhm, let me, uhm, try and

LARRY: Can you get Dave, can I speak with David. Is there any possible way that I could talk to David.

WAYNE: Ah, at the moment,

LARRY: Uhn hun.

WAYNE: ah, it’s important for him to

finish that study.
LARRY: Okay, that's and I understand that's important.

WAYNE: Yes sir.

LARRY: And I know that, you know, that he, he's ah, he's needs to finish that, but it sure is important for David and I to speak. It really is.

WAYNE: I'm sure it is.

LARRY: It really is. I I sure need to talk to him. There some things I need to tell him. I want, I want him to be positive about this. I want him to have the assurance that everything is gonna come together, okay.

WAYNE: Yes sir.

LARRY: That's what we want.

WAYNE: Well, I need to get back to him

LARRY: Okay

WAYNE: and try and, ah,

LARRY: Okay, be positive. Wayne be positive. We're gonna make this work. You and I. We're gonna carry this through. We've come this far and we're gonna see it through.

WAYNE: Very good.

LARRY: Get that to David.

BYRON: (TALKING TO LARRY: Leave that line opened.)

LARRY: Leave that line open whatever you
WAYNE: Okay.

WAYNE: Yes sir.

LARRY: He is. Okay. Uhm, then he, then he’s got some time to talk to me right.

WAYNE: Yes sir.

UNIDENTIFIED MALE SPEAKER: Wait until Wayne gets back.

LARRY: Hun. Pardon me.

UNIDENTIFIED MALE SPEAKER: Wait until Wayne gets back.

LARRY: Okay, okay. You know, did you think the statement was adequate. Were you satisfied with it.

UNIDENTIFIED MALE SPEAKER: We didn't hear it.

LARRY: You didn't hear it.

UNIDENTIFIED MALE SPEAKER: Wayne will be back. He'll talk to you.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 6 MINUTES)

LARRY: Okay. Ah, are ya monitoring the radio now.

UNIDENTIFIED MALE SPEAKER: Yeah, we listen to it.

LARRY: That’s fine, if that’s what you want, that’s what we’ll do, okay. We’re in the
process now and I’ll keep you advise so you can tell
the rest of them, okay.

UNIDENTIFIED MALE SPEAKER: Okay.

LARRY: Alright. Okay, they’re, they’re
make, they’re trying to make contact now. Give us a

UNIDENTIFIED MALE SPEAKER: Okay.

LARRY: Okay, thanks. (PAUSE) Okay. The
radio station, we’re working on it but it’s gonna
take a while, okay. To get it, to get it linked
back-up, okay, and get the thing ready to go again

UNIDENTIFIED MALE SPEAKER: We’re holding
on.

LARRY: What

UNIDENTIFIED MALE SPEAKER: We’re holding
on for it.
LARRY: Okay. So it's gonna take a while so just kind of pass that on to them so, you know, they know we're working on it, okay.

UNIDENTIFIED MALE SPEAKER: Okay.

LARRY: Okey doke, thank you.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 1 MINUTE)

LARRY: Hello.

WAYNE: Wayne here.

LARRY: Hey, Wayne. What did you find out?

WAYNE: There's still talking on that phone. Ah, I left the message for them to call you, which I'm sure they'll do next.

LARRY: Okay, on the ah, on the 87 number, 7687.

WAYNE: Right.

LARRY: Okay. Now, uhm, that will be David or Steve.

WAYNE: Both

LARRY: It'll be both of them, okay, good. Good. Then we'll, see how important it is. Boy, I tell you your leadership is helping through this. I guarantee you, we, we're making some progress now with your, ah, you know, your leadership. We need to keep that going, we need to keep you, you know, pumped up and keep those people pumped up that we're
gonna get this resolved. Now, the message. Did you hear the radio message.

WAYNE: Yes, confirmed.

LARRY: You confirmed that, okay.

WAYNE: However,

LARRY: Okay.

WAYNE: ah, we thought we would hear a statement from David Koresch, which we haven't heard.

LARRY: Okay, has he talked to the radio station.

WAYNE: No, I have not, but, ah, what I would like is for you to bring that up when, when he calls. Ah,

LARRY: Oh, that he wants to make statement

WAYNE: Yes sir.

LARRY: Oh, okay, okay, okay. We can do that. We can do that. Uhm, we we're gonna ask

(The End of Tape 7 - Side A)
(Tape 7 - Side B)

LARRY: We need to keep that going, we need to keep you, you know, pumped up and keep those people pumped up that we’re gonna get this resolved. Now, the message. Did you hear the radio message.

WAYNE: Yes, confirmed.

LARRY: You confirmed that, okay.

WAYNE: However,

LARRY: Okay.

WAYNE: ah, we thought we would hear a statement from David Koresch, which we haven’t heard.

LARRY: Okay, has he talked to the radio station.

WAYNE: No, I have not, but, ah, what I would like is for you to bring that up when, when he calls. Ah,

LARRY: though that he wants to make statement.

WAYNE: Yes sir.

LARRY: Oh, okay, okay, okay. We can do that. We can do that. Uhm, we’re, we’re gonna ask that, to see if that can be done, okay. Once again, you know, it’s comes back to a central link. We, we’re, we want a, that’s why everything taking so long. But with your leadership, you know, and, and, and keeping these people advised of what we’re doing,
YOU KNOW, WE'RE GONNA BE OKAY. WE'RE GONNA, WE'RE GONNA GET THROUGH THIS, OKAY.

WAYNE: OKAY, I'M COUNTING ON YOU TO KEEP THIS LINK OPENED THAT WE ESTABLISHED.

LARRY: OH, I'M NOT GONNA CHANGE THAT WHATSOEVER.

BYRON: (TALKING TO LARRY: WE'RE GONNA WORK THROUGH THIS.)

LARRY: WE'RE GONNA WORK THROUGH IT. YOU KNOW, YOU AND I HAVE WORKED THROUGH IT THIS FAR. YOUR LEADERSHIP HAS BEEN, YOU KNOW, SUCH AN IMPORTANT FACTOR IN THIS AND WE'RE NOT GONNA LET THE LINK DIE, OKAY.

WAYNE: OKAY.

LARRY: AND, AH, WE JUST NEED TO GET THE OTHER FOLKS ON OUR WAVE LINK AND MAKE THEM UNDERSTAND WHAT WHERE WE'RE TRYING TO GO. GIVE THEM THE OPPORTUNITY TO GET WHATEVER MESSAGE THEY WANT OUT, AND

WAYNE: -- I JUST HAVE TO ASSUME THAT IF IF THIS LINK IS, AH, CUT, THAT YOU'RE OUT OF THE DECISION LOOP AND I WOULDN'T WANT THAT TO HAPPEN.

LARRY: NO, NO, NO. YOU KNOW, LIKE I TOLD YOU, YOU KNOW, SO FAR WE, WE'VE BEEN, AH, WE'VE HAD NO PROBLEMS WITH THIS LINK, AND, YOU KNOW, THAT'S WHY IT'S SO, THIS IS THE STRONGEST ONE WE'VE HAD. WE'VE
talked about that okay.

WAYNE: Yes sir.

LARRY: And now we need to make sure that it stays open because, you know, we've got to, we're coming to some, you know some times here and we want to make sure that we've got everything, everybody knows what we're doing, okay.

WAYNE: Okay.

LARRY: The darkness factor again, we want to make sure that, you know, anything happens we can immediately reach someone and avert anything, any other action. You know, no more ah, no more rounds being fired, no one else is hurt, you know, we're just kind of waiting. We want to comply with what you want to do. We want to get you medical help in there if we can. How is that situation.

WAYNE: Stable.

LARRY: Stable. Okay. Ah, you know, we, what can we do to help. Do you need food? (PAUSE)

WAYNE: Let me go and push my message, ah, see if I can get them on the phone with you and, ah, Cavanaugh.

LARRY: Can you put Steve on now. Is he there? Let me talk to Steve.

WAYNE: No he's not, ah, he's not by this phone
LARRY: Okay.

WAYNE: Okay. I'm gonna go back to the other phone.

LARRY: Okay. Uhm, I'll be right here. I'm not gonna let the link drop, okay.

WAYNE: Okay.

LARRY: Alright.

WAYNE: Thank you.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 4 MINUTES)

UNIDENTIFIED MALE SPEAKER: He's not back yet.

LARRY: Okay. Okay. Let him know we're working on the radio thing again, okay.

UNIDENTIFIED MALE SPEAKER: Sure will.

LARRY: Okay, thank you.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 3 MINUTES)

WAYNE: Larry.

LARRY: Yes.

WAYNE: Wayne here.

LARRY: Yeah, Wayne. What's, what's the word?

WAYNE: Steve took the message, ah,

LARRY: Okay.
WAYNE: gave him a verbal report and, ah, he said he’s gonna make sure those calls are made, and he went back to DK. Now, we’re seeing the WACO SWAT team move it’s van closer to our, ah, perimeter.

LARRY: What they’re doing, they’re they’re backing off. Alright, hold on just a minute. (PAUSE) Okay, the radio station now is just starting to cooperate with us a little more. We need a little more time for the other announcement, but let me clarify what you’re seeing out there, are what your people are seeing, are people pulling back. Contact them right now, tell them.

WAYNE: We’ve been told (WAYNE TALKING TO SOMEONE ELSE: Is it on our property)(PAUSE) It’s not on our property.

LARRY: Right, they’re pulling back.

WAYNE: I’ll tell them

LARRY: The activity you’re seeing there, you know, get with them, use your leadership ability. You know, tell them that this thing pulling, they’re pulling back. See that’s what I’m afraid of. This is, it’s becoming dark out there shortly. You know, we’re gonna be able, you know, things are gonna, lights, people are gonna become more and more jumpy and agitated. We, we need to get with Steve and we need to get this thing, you and Steve and I we got to
resolve this. I mean we, we’re, we don’t want it to
go into the evening hours, okay. That, that could be
critical.

WAYNE: Let me talk to them.

LARRY: We’ve worked so hard. Use your
ability

WAYNE: Okay

LARRY: to to, to reason with them. Okay.

WAYNE: Okay, let me talk to them now.

LARRY: Hold on just a second. You know,
like we talk, you get, you get your platform for what
you want to tell. Okay.

WAYNE: Okay.

LARRY: Alright. (PAUSE)

WAYNE: Okay, I’m still here, but I’m gonna
go and talk to the guys.

LARRY: Okay. Remember what we said. This
is your chance for your folks to, to make their
speech in front of the press and get your ideas
across. Get your, you know, only if, if, if they’re
out of there. Stress that to them. Stress the
evening hours are coming on. You know, use every
persuasive ability that you have Wayne. You’re
there. You know, you’re the man. Okay.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 6 MINUTES)
LARRY: Okay, there playing your message again. Wayne.

WAYNE: I hear it.

LARRY: Okay, good, good. Is that what you wanted.

WAYNE: Ah, give me a minute.

WAYNE: Larry, there are people coming down the farm road again.

LARRY: Coming down the farm road again.

Standby, let me check. (PAUSE) Standby. (PAUSE) We're checking on it okay.

WAYNE: Okay.

LARRY: Where are they moving, tell me. Where's the movement? Wayne.

WAYNE: Hold on.

LARRY: Okay, find out for me. (BACKGROUND NOISE - INAUDIBLE) (PAUSE - 1 MINUTE) Did you get it. Wayne.

WAYNE: Larry.

LARRY: Yeah.

WAYNE: They're gun shots from the barn.

LARRY: Gun shots. Wait a minute. Wait a minute. It's not us.

WAYNE: It's not us. Men are deployed.

LARRY: What.
WAYNE: Men are getting out.

BYRON: Men are deploying out.

LARRY: Standby, we’re checking now.

Alright, they’re checking it now, Wayne. We’re not aware of anybody, you know, creeping around back there or anything at this time. Okay. You know, so, you know we’re keeping our, our part of the bargain. I don’t know who fired shots. Check with your people. Use your influence to check with your people and tell them to calm down, okay. Once again, are you there, Wayne.

WAYNE: Larry, they’re putting men in by our dairy barn.

LARRY: They’re bringing men in where.

WAYNE: ATF is dropping off men by the dairy barn.

LARRY: Hold on just a second. (PAUSE) Alright, alright, can you see them or is someone giving you this report.

UNIDENTIFIED MALE SPEAKER: Can see them.

WAYNE: I’m getting a report.

LARRY: Okay, yeah, see, it’s it’s not us. That’s that’s why, that’s why I’m so worried about this. We need to get this central communication. We need to get everybody up here. Okay. Let’s try to
get everybody up here with us, so that this can be avoided. You know, we're not, you know, I told you we're not creeping and that's, and that's what we're, we're doing, okay.

WAYNE: Larry, it's confirmed.

LARRY: Pardon me.

WAYNE: It's confirmed. They dropped somebody off by the dairy barn.

LARRY: They, who saw them.

WAYNE: One of my (inaudible) members saw it.

LARRY: Alright, according to the CP, I just checked with ATF people at the CP, it's not us.

UNIDENTIFIED MALE SPEAKER: (TALKING TO LARRY: If there's any shooting it's gotta be some of their people)

LARRY: Yeah, it's gonna be some of your folks firing rounds over there.

UNIDENTIFIED MALE SPEAKER: Wrong.

LARRY: Can you, can you check that.

WAYNE: (TALKING TO SOMEONE: Who heard the shot.)

UNIDENTIFIED MALE SPEAKER: (TALKING TO WAYNE: I did)

WAYNE: (TALKING TO SOMEONE: You heard them.)
UNIDENTIFIED MALE SPEAKER: (TALKING TO WAYNE: from the barn. (inaudible)

LARRY: Wayne, we, we’re, we’re sure that,
by ATF, that it’s not their people. It’s not the SO.
They need to, you know, we need everybody together so
we, these mistakes don’t happen, okay.

WAYNE: Larry, it’s not a mistake. They’re
not telling you everything.

LARRY: Pardon me.

WAYNE: They’re not telling you everything.

BYRON: (TALKING TO LARRY: We’re checking
on it)

LARRY: We’re checking on it now, and
they’re assuring me, that you know, that, ah, that
nothing is, is going on. Some of your people are
getting jumpy.

UNIDENTIFIED MALE SPEAKER: No, I heard it.

LARRY: Use your influence.

BYRON: (TALKING TO LARRY: Don’t over
react)

LARRY: Don’t over react to this, okay.

WAYNE: Yes Larry.

LARRY: Okay. Wayne, you know, the only
movement we’ve had back there in the past, ah, little
bit, is, is people moving back. Moving they’re
perimeters back. You know, there is no aggressive
movement on our part at this time. Okay. I told you
that, we’re sticking with that, we’re checking to
make sure that, ah, you know, that our agreement is
not violated, okay. You and I made this, we made
this agreement that there will be no further actions.
Standby. Alright, I’m letting you know what we’re
doing. You need to keep us advised of what ya are
doing, okay.

WAYNE: Well, Larry, how can you explain
why they keep sending vehicles down that Double E
Road.

LARRY: I mean, you know, they’re moving the
perimeter back, but no one, no one is coming on your
property. You know, I told you, our agreement was
that everything would hold until we can get this
worked out, okay. So far, the past 4 or 5 hours,
that’s the way it’s been.

BYRON: (TALKING TO LARRY: It’s still in
effect.)

LARRY: And and it’s still in effect. Our
agreement. Right, you know, they’re moving the CP
back, they’re moving the, ah, the perimeter back. No
one’s coming on your property. I’ve not told you a
lie yet, and I’m not about to start at this point in
the, in the, okay. (PAUSE) Standby just a minute.
WAYNE: We have a right to defend ourselves, and if they start firing

WAYNE: Yes

LARRY: Alright. You, ATF is trying to move they're people out and they're directing, ah, they're taking fire from your people. They're trying to get back. Ask your

WAYNE: Ah, that's not true

LARRY: Pardon me.

UNIDENTIFIED MALE SPEAKER: No one's made a shot, no one's made a shot out here. (PAUSE)

LARRY: Yeah, well who, there hasn't been any fire from the ATF people. All they're wanting to do is pull they're perimeter back. Okay. You know

WAYNE: We'll check it out.

LARRY: Alright, we have an agreement, and, and that agreement is still in affect right now, okay.

UNIDENTIFIED MALE SPEAKER: Okay.

LARRY: Check it out, and use your, your influence. Use that influence and ask them to hold fire. Cause
UNIDENTIFIED MALE SPEAKER: No one is shooting over here.

LARRY: What.

UNIDENTIFIED MALE SPEAKER: No one is shooting over here.

LARRY: Okay, yeah

UNIDENTIFIED MALE SPEAKER: That's a positive confirmation. No one has shot out here. We heard one shot from the barn area.

LARRY: Okay

UNIDENTIFIED MALE SPEAKER: Moving around outside the perimeter, the perimeter of our property.

LARRY: That's that's what they're doing. They're pulling they're perimeter back.

UNIDENTIFIED MALE SPEAKER: Okay, just make sure they stay back because we don't want to hear anything, that they're trigger happy. If they came within our property they're gonna be shooting.

They're defending themselves.

LARRY: No, no, no. Alright, don't, who is this Steve.

UNIDENTIFIED MALE SPEAKER: No, it's somebody else.

LARRY: Okay, look

UNIDENTIFIED MALE SPEAKER: -- No one wants any trouble
LARRY: Yeah, right, that’s that’s, what’s Wayne and I have, we’ve handled this up to now. All those guys want to do is pull back. Ask your people not to fire. That’s that’s

UNIDENTIFIED MALE SPEAKER: No one has shot in our area

LARRY: Pardon me.

UNIDENTIFIED MALE SPEAKER: No one has shot from our area.

LARRY: Okay

UNIDENTIFIED MALE SPEAKER: It’s a confirmation on our side.

LARRY: Alright

UNIDENTIFIED MALE SPEAKER: You have our word on it, nobody wants to be shooting anyone.

LARRY: No, no. All those guys want to do is, is get back. Is get off, take the perimeter back. You know our agreement is that there’s no aggressive actions. Wayne and I have so far be able to maintain that agreement.

WAYNE: Larry, we’re gonna have to check out our dairy barn.

LARRY: Uhm,

BYRON: (TALKING TO LARRY: Tell them not to move)

LARRY: Don’t move anybody out until
ATF people have withdrawn their perimeter, okay.

UNIDENTIFIED MALE SPEAKER: The perimeter (INAUDIBLE) out

LARRY: Hun.

WAYNE: How long does it take.

LARRY: Pardon me.

WAYNE: How long does it take?

LARRY: Alright, let me get on the phone with them. Can you hold.

WAYNE: They're shooting at us.

LARRY: No no no, no, no. No one is firing. All they're trying to do is move back.

Okay, let me get with ATF so standby, okay.

UNIDENTIFIED MALE SPEAKER: (INAUDIBLE)

LARRY: Standby.

UNIDENTIFIED MALE SPEAKER: They're firing gun shots, we hearing it here.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 30 SECONDS)

LARRY: Standby Wayne.

(BACKGROUND NOISE - INAUDIBLE)(PAUSE)

BYRON: (TALKING TO LARRY: They're saying that they're not firing at ATF. They're not firing at ATF, but they intend to send some people out.)

UNIDENTIFIED MALE SPEAKER: (TALKING TO LARRY OR BYRON: Tell them to check out perimeter,
LARRY: Hold up on your people, Wayne, okay. You're gonna go check your barn.

UNIDENTIFIED MALE SPEAKER: No one is doing anything now.

LARRY: Okay, just tell them to hold-up there. Alright, just hold-up. Don't let anybody go out there until ATF pulls back, okay. Okay.

UNIDENTIFIED MALE SPEAKER: Sure, go.

LARRY: Okay.

BYRON: (TALKING TO LARRY: -- be sure they're not gonna shoot at ATF.)

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 30 SECONDS)

LARRY: Has Wayne checked this out yet. Has he returned.

UNIDENTIFIED MALE SPEAKER: No he's not.

LARRY: Okay, alright.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 1 MINUTE)

LARRY: Is Wayne back yet?

UNIDENTIFIED MALE SPEAKER: No he's not.

LARRY: Okay, ah, you anticipate him back in just a minute.

UNIDENTIFIED MALE SPEAKER: He'll be back in a bit.
LARRY: Okay.

(BACKGROUND NOISE - INAUDIBLE)

(PAUSE - 2 MINUTES)

(The End of Tape 7 - Side B)
