LYNCH: Okay,

WAYNE: And ah, people are just aa afraid that ah these agents are gonna come back and do the same thing that they did this morning, ahhmm,

LYNCH: Awright, lemme ask ya this, can you convince David to have everyone come out together, do you think that's a possibility?

WAYNE: Anything's possible

LYNCH: Okay

WAYNE: Aham

LYNCH: That's good, can, have you, have you talked to David about this, or have you talked to Steve about this

WAYNE: I certainly will try

LYNCH: Okay, ya know, ya know, wh, wh, wh, we're in pretty good shape right now, try, make this pitch to Steve and David, ya need to talk to both of 'em,...is that how that works?

WAYNE: Well, I, I, I can, ya know, I can, I can give a message and get a message to them, ahh, I can't promise you you're gonna get a reply, ah

LYNCH: Awright, where

WAYNE: what they decide
LYNCH: Are they not there with you? I, ah I'm sorry, are they not

WAYNE: Hold on a second

LYNCH: Okay...BACKGROUND VOICES...INAUDIBLE....(LYNCH TALKING TO BACKGROUND): I think David is gonna talk to some other...

...inaudible...Steve...in and out of there...

...BACKGROUND VOICES...INAUDIBLE....three, five two, five two, did you ...inaudible...(LYNCH)? Yeah, cause we wanna communicate okay, awright

WAYNE: Okay,

LYNCH: Yes, sir,

WAYNE: Ahmm, it's Wayne again,

LYNCH: Okay, Wayne, go ahead

WAYNE: What I'm tryin' to explain to you is, is that, ah, ah, eh, we're looking over our options at this point

LYNCH: Okay

WAYNE: We're

LYNCH: What are your options, what'er, what'er ya lookin' at as options, okay

WAYNE: We want God to come and help us

LYNCH: Okay, I understand that, but, what, ya know, I know, wantin' God to come and help ya, but what are your other options, what'er lookin' at right now, what

WAYNE: (SIGHS)

LYNCH: I'm, I'm sure
WAYNE: Want to talk with BATF find out why they did what they
did and the manner that
LYNCH: Awright, Da you, now, David should be talkin’
WAYNE: Why that was necessary
LYNCH: Okay, David should be talking with ATF now, or has
in the past, I talked with David an then I think he’s established
a link with ahm, hello
WAYNE: Yeah, I’m here
LYNCH: I’m sorry, I keep hearin’ all that (sighs?) ah, I, I, ah,
and I think David has established a link with ahm, with the ATF
agent, okay, now as far as what they’ve talked about that’s where
I’m gonna have to rely on you to kinda find out and keep me
ap, apprised, if you an...INAUDIBLE...keep their conversation
open and we’ll be up front with one another, we’re gonna make
some headway, okay
WAYNE: Yeah, I, I, I just wanna know why they serve their search
warrants in that kind of manner
LYNCH: Okay, that, that that
WAYNE: Why didn’t they come in the front....we, we we talk to
everyone that’s overcome through that front gate in a civil
manner, and, and, told us their business, etcetera
LYNCH: Awright, now, like I say, I’m, ya know, I toldja up front
when this thing started a few hours ago, that I’m not there, I’m
in the communications central, when you called, he and I, he and
I started talkin’ about this
WAYNE: Well, I've got no problem with you, Larry, I, I, I, I ah I appreciate your help

LYNCH: Okay, well, an, an, and I, I appreciate wh, whatch' yer doin to help me, but wh, what I, what we need to, ya know, we need to know is, is it's where we're moving with this, which way are we headed, we need to

WAYNE: Yeah, but we're worried about certain things, we know

LYNCH: What'er ya worried aobut

WAYNE: A, ah, that Randy Weaver, ah incident up in, ah, Idaho

LYNCH: Okay, awright, the Randy Weaver incident in Idaho, I mean, that, ehehhehe whhhh, what'er worried about there, okay,

WAYNE: Okay, ah, well, well, we know that ah, in, in that ah incident that they suddenly got the idea of dropping, ah, ah, ah, container full of gasoline on the camp and ah

LYNCH: Okay, that, that's lemme tellya right now, that's not gonna happen, okay, an, an I'm tellin' ya their not gonna drop anthing from the air on you or your location, okay, that's that's, that's not gonna happen, we're not gonna do it that way, what we want, is to bring this thing to ah, ah, a peaceful conclusion we need to know, what it's gonna take, okay, we wanna bring this thing, we wanna know if you can talk to David and see if you can convice David to everybody come out together.

WAYNE: Well, it's, it's no, t it's not that ah, ahm, I'm not sayin' to I'm, I'm, to talk to David, ah, David and I ah, are on the best of terms and
LYNCH: Okay, I, I, that's, that's kinda how I see it
WAYNE: but, ah, ah, I respect ah, ah, David Koresh and his position, I mean this is...INAUDIBLE...I'm an invited guest here
LYNCH: I know, ya know, eh, I, I think you and I ah, ah, visted on the elevator the other day at the, ah, at the court house the other day, didn't we, wannt that you, comin' you were comin' over to the...INAUDIBLE...office or somethin'

UNIDENTIFIED BACKGROUND VOICE: Radio
LYNCH: Awright, an, an, an I know that your're, you're concerned about, about that, that, about that, about anything being air dropped, okay, that, that, that's not gonna happen, okay
WAYNE: Awright, and an
LYNCH: We're not gonna drop anything out of a chopper, okay but, ya know, back to what I was sayin', wasn't that you that I met in the elevator the other day
WAYNE: ...INAUDIBLE...
LYNCH: Okay, ah, why don't we, hhrmm, ah, I mean, why don't you try to talk with David, and see if you can't get David for everyone to come out, okay

...........BACKGROUND VOICES.............

LYNCH: Okay, we're getting some reports from the news media
thatcha yer all are ah, that there's fixin' to be something
happening out there because of your wounded people, okay, is
that what's fixin' to happen
WAYNE: No, sir,
LYNCH: Who's talking to the new media? Someone, ya know, try to
get hold of 'em, okay, because, they're, they're putting out
some, some wild stuff, okay
WAYNE: Well, it, it's not us,
LYNCH: Well, they, the, the, news media says it comin' from
inside your, your, your houses there
WAYNE: Well, I'm, I'm saying it's, it's not wild, wild stuff
coming through
LYNCH: Okay, so, ah, alright, now, they're saying they want the
wounded out, now, see, that's, that's you and I just talked and
that's not what, that's not what we had talked about. Do you
want your wounded out?
WAYNE: I'll have to check
LYNCH: Check right now, because we're getting some stuff, please
check now and let me know, so if that's whatch you want, we'll

LYNCH: Steve's talkin' to the news media, okay, okay, we need ta but, ya know,

WAYNE: If you wanna talk to Steve, you know,

LYNCH: Ah, eh, that's fine, eh, eh, what we're getting, Wayne is, that we, that their wanting to get casualties out, now if that's correct, let us help you do that

WAYNE: Certainly

LYNCH: Okay

WAYNE: Certainly,

LYNCH: Okay, is ahm, is Ste, is Steve willin' to talk to me

WAYNE: Yeah, I'm gonna put 'em on,

LYNCH: Okay, puttem on, and lemme, lemme, but ah, stay close to the phone now, stay with me, Wayne, an' you know, we gotta get through this, okay

LYNCH: Okay, but, but, be, be sure and stay with me on this, okay I need your help

UNIDENTIFIED BACKGROUND VOICE: in the room right now, but ah

WAYNE: I'm gonna put you on hold

LYNCH: Okey doke, okay, okay,

....BACKGROUND VOICES..INAUDIBLE...

LYNCH: Hello,....hello,

WAYNE: I'm still here

LYNCH: Okay, did, didja, were you able to locate Steve

WAYNE: Yeah, it's, it's gonna take a minute for him to finish his call,

LYNCH: He's still, is he still with the news media

WAYNE: Yeah

LYNCH: Okay, okay, awright, ya know, ah, errr, if, errr, if ah, let them know whatcha gonna do, but let us work withja to get it done, okay

WAYNE: Yeah, I, I, I just gotta report

LYNCH: Okay, gotta report

WAYNE: Eh, eh, and it was that ah, wounded don't wanna leave, so

LYNCH: Wounded still do not wanna leave

WAYNE: Right, and I, I do not know, whether

LYNCH: Want anything shipped in? Ya know, that, that's still an option we have, we can, we can move some ah, some medical stuff in there at this time, ya know, we'll do it, we'll do it your way, okay
WAYNE: Right...well, ah...we’ll just ah, holding on to our communications links, now

LYNCH: Sure, that’s, that’s what we gotta do, I mean, so far, we, ahm, we’re doin’ okay

WAYNE: And at two o’clock I’ll be interested as much as you as to what’s going to be said, but ah

LYNCH: Okay, now, that’s when ah, ah, at two o’clock, that’s when David is gonna talk with ahm

WAYNE: BATF

LYNCH: BATF, okay, okay, so, awright, now, we got about ten minutes, accordin’ to mine, we got ten minutes

WAYNE: That’s right,

LYNCH: Okay, so, has David given any indication

WAYNE: Ah, no, sir, I’m not in,

LYNCH: OKAY

WAYNE: I’m not in

LYNCH: Okay

WAYNE: Within communication with him

LYNCH: Okay, so he’s not, he’s not around there, anywere, right?

WAYNE: No, sir

LYNCH: Okay, okay, awrrright, ahmm, we, ahm, we would like to bring somethin’ in, once again, I keep harpin on this, because I, I really feel that we need to do somethin’ for those that are injured, I mean, ya know, we, we’re just leavin’ em there, we’re leavin’ em ya know, I, I, I don’t know, do ya all have some type of ah, medical stuff to take care of ‘em
WAYNE: Ahh, yes, I, I believe we do
LYNCH: Okay
WAYNE: I, I, and I think we some medical people
LYNCH: Okay,
WAYNE: in the building
LYNCH: Okay
WAYNE: But, ah, as far as I know, none of wounded have
expressed any desire to leave
LYNCH: But, but, but that's, that's you haven't talked to them,
that's just what the words comin' back
WAYNE: That's what the
LYNCH: Okay, okay
WAYNE: back to me
LYNCH: Alright, that's that's that's what I know, you, you have
not talked to the wounded, and ah, but someone's tellin' you the
wounded did not to be evacuated at this time
WAYNE: Exactly
LYNCH: Okay, now like I toldja, what we heard from the news
media, is that, that they want, the folks evacuated, so I'm just
tryin', ya know to, I, I, I, don't want anymore, heh, I don't
want any
WAYNE: I'd certainly like to know that media source so that I
can, eh givem a call and ah
LYNCH: (LAUGHS) Hehehehe
WAYNE: and find out what's going on
LYNCH: Well, that's ah, that's
WAYNE: They're not helping matters
LYNCH: No, its, ah, its not
WAYNE: Things are
LYNCH: And, and, and, and ya know, we've already, ehhh, ya know, ehhh, we, we, we got to keep this, you and I are gonna have to make some decisions, you know it's gonna come down to that
WAYNE: Yes, sir
LYNCH: And it's gonna have to be you and I probably, and we, and we don't want ta, the media, and I know some a your people feel like they need to talk to 'em, that's fine, talk to 'em, but don't tellem stuff, that's, you know, don't have any basis or you don't intend to do because all they're doing is embellishing on that, okay
WAYNE: Yes, sir
LYNCH: Okay, so, eh, that way, you and I, you and I've got (emphasized) to get through this, an, an, an, ya know, so we want to be sure that everything, ya know, we, so far, we've notta lied to one another, we're ah, ah, we're, we're, we're even on that, okay,
WAYNE: That's right
LYNCH: An I wanna keep it that-a-way. You, ah, you helped me calm the situation down and I can't tellja how much I appreciate that, ya know, iiiit could've, it could've been ah, ah mess, it really could, a lot worse, ya know.
WAYNE: Well I'm always,
LYNCH: Well you're a lawyer, you know, you know how to, ya know, you're trying in this stuff, you know what, what the deal is,
WAYNE: Well, yes I do,
LYNCH: Yeah, an, an, ah, we've, we've jist, we've gotta work through this an, an, ah, I'm very interested ta know that if, if if, ah, if what they're tellin' the media and that's why I really would like to ah, to take a minute and visit with Steve, but I sure wanna keep, keep on with you, because I think that,
WAYNE: There's more than one, Larry, it's, it's, it's not, we've been given information
LYNCH: Yeah, from the news media
WAYNE: Na, na, no
LYNCH: Okay,
WAYNE: We've been given information about the bible, that people do not know
LYNCH: Awright
WAYNE: And, before
LYNCH: And it's, in
WAYNE: we don't wanna all die here
LYNCH: No,
WAYNE: and go and find out
LYNCH: Let, let,
WAYNE: what we know
LYNCH: That's right, and ya know, you're not gon, that's not gonna help with your situation, or, or, to further your cause, by, by, hav, takin' a lotta casualties, out there, that's really not, ya know, that's not it at all
WAYNE: I'm as much concerned for those men who came on the property, I know they were following orders, I'm sure somebody gave them some horrible orders,
UNIDENTIFIED FEMALE VOICE: You got quite a little leeway
WAYNE: I don't, I don't agree with that person, whoever that is that made those decisions, ahh, I don't agree with them
LYNCH: Okay,
WAYNE: But, but, I'm saying, I've got no fight with the, the people that came on this property, ahh, they're probably good people, ahh, what I'm saying is, they jist, ah, don't understand that ah, that we all are gonna face a judgement,
UNIDENTIFIED FEMALE IN BACKGROUND: ...INAUDIBLE...15 50
LYNCH: Aw, aw, awright
WAYNE: I'm not talking about courts,
LYNCH: I know, I know, you're, you're talkin about from a higher authority, and I understand that, but,
WAYNE: As long as I go you new understanding and new truths about the bible, about the word
LYNCH: I understand
WAYNE: And, and, we were privileged all to get that, we didn't deserve it, but we,
LYNCH: Butcha got it
WAYNE: get that, and, and now we know that, that God has enemies and those enemies are fighting us. And, and, and so, we've got that

LYNCH: Okay, hold on one second, hold on second

WAYNE: Yes, sir

LYNCH: ...MUFFLED BACKGROUND...INAUDIBLE...either he or getting information...INAUDIBLE...where we're at, Wayne,
