(Tape 19 - Side A)

(PAUSE - 2 MINUTES)

(BACKGROUND NOISE - INAUDIBLE)

LARRY: Hello. Wayne.

WAYNE: Yeah, Wayne here.

LARRY: Okay, still there.

WAYNE: Yeah. They're, uhm, they're trying to make contact with ATF.

LARRY: Who is?

WAYNE: DK

LARRY: Who's trying to make contact.

(PAUSE - 30 SECONDS) (INAUDIBLE) The CP is trying to contact Dave. Are you telling me Dave's trying to contact the CP. Wayne. Wayne.

WAYNE: Ah, Larry.

LARRY: Yeah.

WAYNE: We have a miss, we have a miscommunication.

LARRY: Miscommunication, okay.

WAYNE: Yeah, we told them AP when we meant CP. But we're gonna correct that right now.

LARRY: Okay, you went from AP to CP, okay. Okay. So they're gonna try to contact the CP.

WAYNE: We're correcting the message right now.

LARRY: Okay. Alright. So you gonna move
that a way. Okay, okay, good, that’s good.

WAYNE: You know the pen is mightier than the sword.

LARRY: I believe that. (PAUSE - 30 SECONDS) Do you have the number of the CP.

WAYNE: Yeah, David has it.

LARRY: David has that number.

WAYNE: Yes sir.

LARRY: Okay.

(PAUSE - 1 MINUTE)

(BACKGROUND NOISE - INAUDIBLE)

UNIDENTIFIED MALE SPEAKER TALKING TO LARRY:

Is Wayne saying that David’s trying to call.

LARRY: Yeah. Is David making that call.

Is Wayne, is Wayne making the call.

WAYNE: We didn’t get a report yet, but, ah, we’re trying to tell him to call central command right now.

LARRY: Okay, good, good. That’s good.

(PAUSE - 40 SECONDS) (BACKGROUND NOISE)

LARRY: Okay, have you been able to contact him to ask him to make the call.

WAYNE: I didn’t get the report yet.

LARRY: Okay. Nothing’s ringing over there at the CP that’s why I was wondering. (PAUSE)

WAYNE: I was thinking about something
funny.

LARRY: What's that.

WAYNE: One of my friends. He sleeps with his eyes opened.

LARRY: How can you do that.

WAYNE: I don't know.

LARRY: That's ah, that would be difficult.

(PAUSE)

WAYNE: Anything's possible.

LARRY: That's right. You're right about that. Anything's possible. How are you holding-up, okay.

WAYNE: I'm, ah, I'm operating on AB type transformer. For each second I rest on the first half second and I'm awake on the second half second. Then, I recycle and I do it over again.

LARRY: Okay. If it works for you that's good.

WAYNE: Better than continuous duty.

LARRY: Yeah, that's true.

WAYNE: That'll wear you out.

LARRY: Yes it will.

(PAUSE - 20 SECONDS)(BACKGROUND NOISE - INAUDIBLE)

WAYNE: Larry.

LARRY: Yeah. Go ahead, I'm here.

WAYNE: Report is they're calling CP right
LARRY: Okay, they’re calling the CP right now, so the phone should be ringing over to CP.

WAYNE: Right, and they hung up on AP.

LARRY: Okay. Alright, so they’re making their move to the CP. Should be ringing, right.

(PAUSE) Standby I’ll check okay.

WAYNE: Okay. (PAUSE)

LARRY: Okay, the contact has been made.

Okay, so are they gonna, are they gonna feed it back to you. Wayne.

WAYNE: Ah, I don’t know. Uhm, just try and stay in touch with CP for them.

LARRY: Okay, that’s, you know, hard to do. We’re so strung out here with lines and different things. You know that’s part of the problem. We’ve been trying to rectify that all night. We need to get everybody on the same line. Don’t you think.

WAYNE: Yes sir.

LARRY: And, uhm, that they’re, they’re in contact and I just wonder if they’re gonna share this back down with you so that we can, we’ll know exactly what to do. And start getting so more kids out.

Asked him about the possibility of moving more than just two at a time if you would.

WAYNE: Uhm, that’s already been done.
LARRY: No, uhm, no feedback on that.

WAYNE: We were told to ah, leave the negotiations to David, and I think that's, ah, reasonable.

LARRY: Okay. Okay. David is gonna be doing the negotiating. But at least you can still give me information. That'll help us. We appreciate that.

WAYNE: 10:4

LARRY: Okay. Hang on I'm gonna check with the, ah, the CP, okay.

WAYNE: We're here.

LARRY: Alright. I'll put you on hold.

WAYNE: Okay.

(PAUSE - 9 MINUTES)

(BACKGROUND NOISE - INAUDIBLE)

WAYNE: Here.

LARRY: Okay. Uhm, I understand there's been some contact with the CP. What do we know. What decisions have been made.

WAYNE: You know more than I do. (PAUSE)

LARRY: What kind of decisions were made?

WAYNE: I don't know.

LARRY: Okay, they haven't let you know yet.
WAYNE: Not yet.

LARRY: Do you think that'll be forthcoming? (PAUSE) Hun, do you.

WAYNE: Are you having problems working with CP.

LARRY: No, no. We're, they're, you know our communications have been kinda shoty all night.

I'm I'm, I'm just trying to find out if they've made a decision on how we're going to do this.

WAYNE: If you can contact them, if you can't make me wonder if I should have CP on the line.

LARRY: Yeah, we do, you know we need to keep the contact opened.

WAYNE: Okay.

LARRY: Okay.

WAYNE: I'm here.

LARRY: Alright, I'm gonna try to uhm, try to ah, contact the CP again. So I'm gonna put you back on hold, okay.

WAYNE: Okay, go ahead.

LARRY: Alright.

WAYNE: Not yet.

(PAUSE - 7 MINUTES)

(BACKGROUND NOISE)

WAYNE: Larry.

LARRY: Yes.

WAYNE: ATF is being aggressive. They've got snipers turned to our position.

LARRY: No. Nope, we told you that we would not be aggressive or try to come in on you. You know, we haven't done it, we're not gonna do it. You know, it's just, they're moving around out there. Whose reporting this to you? Which side?
WAYNE: West
LARRY: Hun
WAYNE: West
LARRY: I'll check with the CP, but, all they're doing is just changing shifts and, you know dealings to give people a break.
WAYNE: There's movement.
LARRY: Hun
WAYNE: Movement.
LARRY: Yeah, they're changing out there.
Hold on, I'll check, okay.
WAYNE: (YELLING) Stay alert.

WAYNE: Okay.
LARRY: Hun
WAYNE: Okay.
LARRY: Okay. You know we're keeping up our end of the bargain. We sure would like to, ah, for ya to keep up your end. Have you heard anything from ah, David or from ah, Steve. Hun.
WAYNE: Ah, we heard on the radio that negotiations were on the way.
LARRY: Okay, they're negotiating with the CP.

WAYNE: With the FBI too.

LARRY: Okay. FBI and ATF.

WAYNE: That's right.

LARRY: (LARRY TALKING TO SOMEONE ELSE)

They heard that on the radio. That negotiations are underway.

WAYNE: Looks like they're aiming at us.

LARRY: No. Whose, whose giving you that report.

WAYNE: Our west side.

LARRY: On the west side.

WAYNE: Yes sir.
