WAYNE: No, sir, I haven't heard anything

LARRY: Okay.

WAYNE: Still waiting for, for the next children to show up.

LARRY: Okay. Are we gonna work it the same way that we worked it before.

WAYNE: They're gonna tell me.

LARRY: Okay.

WAYNE: Before they go out the door.

LARRY: Okay. Be sure now to let us know so we can make everybody aware of the situation.

Okay.

WAYNE: Okay.

LARRY: Very important that we know what, what, you're gonna do and which way you're gonna take
them. Very important, so that we don't have anything happen, and everything will go smooth, as it's gone most of the night. Your help has been greatly appreciated. Just keep us advised.

WAYNE: I will do that.

LARRY: Thank you.

LARRY: Yeah, they're doing some changing out. Standby and I'll make sure, okay. Standby.

WAYNE: Please check.

LARRY: Okay. (PAUSE) Wayne, you advised that it's out there in front. Wayne.

WAYNE: Right.

LARRY: Okay. In front of your place.

WAYNE: Yeap, by the gate.

LARRY: Okay. (TALKING TO SOMEONE: By the gate (INAUDIBLE) Standby.

(PAUSE - 2 MINUTES)

(BACKGROUND NOISE - INAUDIBLE)

LARRY: Okay, that's just some changing of some guys, people are tired, they're moving people around, okay.

WAYNE: How sure are you.

LARRY: Hun

WAYNE: How sure?

LARRY: That's what they're, that's what they're advising me. Okay. From the CP. (WAYNE
YELLING AT SOMEONE: He said it's relief) Yeah, their
just changing people up. People are tired, they're
trying to keep fresh people out. Uhm, how are, uhm,
Steve and David doing.

WAYNE: (YELLING AT SOMEONE) He said David
knows first.

LARRY: Hun

WAYNE: (YELLING AT SOMEONE) He said David
knows.

LARRY: We don't have contact with David.

Wayne.

WAYNE: They're checking. (PAUSE - 30
SECONDS) (BACKGROUND NOISE)

LARRY: Has he made contact with David.

(PAUSE)

WAYNE: He lost his link.

LARRY: Hun

WAYNE: He lost his link.

LARRY: David did.

WAYNE: Yeah.

LARRY: Who is he talking to.

WAYNE: We're working on it.

LARRY: Alright do they want ah, do you
want the CP to call David. Will that be okay.

Wayne.

WAYNE: He can try.
LARRY: Okay, let me tell the CP. Hold on.

(PAUSE - 1 MINUTE)

(BACKGROUND NOISE - INAUDIBLE)

LARRY: Wayne.

WAYNE: Yeah.

LARRY: Okay, you want them to call David and tell them that they're just changing people out. Is that what David is curious about what's going on. Do they need to advise him.

WAYNE: I thought you told us that David knew.

LARRY: No, no, no. I'm asking you if that's what you want us to do. I told you I haven't been in contact with David.

WAYNE: No, that's okay.

LARRY: Okay. They're just changing the troops out and moving fresh people in. That's gonna go on probably throughout most of the night. You know, there's not gonna be any attempts to enter your premises, okay.

WAYNE: Okay. That's a relief.

LARRY: Okay, yeah. There's not gonna be any attempt. You know, we're working, working on this thing, we've about got it worked out. Have you heard anymore about the children. What are we waiting on there.
WAYNE: I don't know.

LARRY: Can you check. I mean it's been almost, well it's been over an hour. Can you check on that.

WAYNE: Ah, negative, Larry I want to stay out of the negotiations.

LARRY: No, no. I mean just about what the time line is for getting the next group of kids out.

WAYNE: We've checked with Jim Cavanaugh.

LARRY: Okay, Jim Cavanaugh is now, he has left the CP.

WAYNE: I meant his replacement.

LARRY: Okay. Uhm, but, he's not gonna know what your timeframe is.

WAYNE: I think he will.

LARRY: Standby. (PAUSE) Are all your guys resting.

UNIDENTIFIED MALE SPEAKER: None of our guys are rested.

LARRY: Hun.

UNIDENTIFIED MALE SPEAKER: None of our guys are rested.

LARRY: Okay, standby. We're checking with the CP.

(PAUSE - 1 MINUTE)

(BACKGROUND NOISE - INAUDIBLE)
LARRY: Wayne.

WAYNE: Right here.

LARRY: Okay, Command Post doesn't know anything about the kids. I mean that's what I need to, you know they're not in, they're not, they don't know what kind of timeframe you have or how many are moving. That's what we need to know. Can you find out about that. You know we haven't had any kids out of there in the last couple of hours now.

WAYNE: I'm not willing to get involved in those negotiations.

LARRY: I mean, we're not asking you to negotiate, just give us the timeframe. There's no negotiation involved. We just like to have a timeframe. You know, we've done everything that you've asked. And now, it's come to a stand still, and you know, nothing's happened.

WAYNE: Well

LARRY: Hun?

WAYNE: It's an object lesson.

LARRY: An object lesson.

WAYNE: Yes sir.

LARRY: We need you to keep us, you know, informed like you did before. That's all we're asking. You know, all we're doing is keeping the information flowing so that there's no mistakes made,
okay. You know, that's all we're asking you to do.
I don't know what you mean by an object lesson. We,
ah, we want to get, ah, our deal was your message
goes on the air. David has his, ah, his, ah,
platform to speak from and we've done that, we got
them air it, he had several other interviews and we
would like to go ahead and get back on the program
with the kids. I mean that's fair. That's that was
our agreement, right.

WAYNE: My agreement was to give you
everything I had. That's all the information I have.

LARRY: You know, is there anyone you can
contact that, you know, you told me the CP. The CP
doesn't know anything about your timeframe for kids.

WAYNE: I advise the CP to give him a call.

LARRY: Give who a call. Give Dave. Is

that what you said.

WAYNE: Yes, I prefer that the CP give

David a call.

(PAUSE - 40 SECONDS)

(BACKGROUND NOISE - INAUDIBLE)

LARRY: Wayne, they're not in contact with

David or ah, Steve. Wayne.

WAYNE: They're checking the link.

LARRY: Thank you. (PAUSE - 40

SECONDS)(BACKGROUND NOISE - INAUDIBLE) As soon as
you find out please let us know. Cause we've not had kids out of their in the last couple of hours. You just kinda stopped.

WAYNE: We gonna find out.

LARRY: Okay. Remind him that we had a deal. We upheld our end of the bargain and we would like for ya'all to continue working in good faith with us. (PAUSE - 45 SECONDS) (BACKGROUND NOISE - INAUDIBLE) Wayne, everything okay.

WAYNE: Everything's okay.

LARRY: Okay, sounded like there was some stuff falling their.

WAYNE: Yeah, I'm checking it.

LARRY: Okay. Okay.

WAYNE: This is an office.

LARRY: Okay. That's right, it's your office isn't it.

WAYNE: Yes sir.

LARRY: Okay. (PAUSE) Need to keep the information flowing so that there's no mistakes made. You know, too late in the game to make any mistakes. We've come this far. But we do need to, ah, for them to go ahead and do what they said they would do since we did. (PAUSE)

WAYNE: Trying to stay positive.

(PAUSE 30 SECONDS) (BACKGROUND NOISE - INAUDIBLE)
WAYNE: Larry

LARRY: Yes sir.

WAYNE: That communication link with David is opened again.

LARRY: Okay, for the CP.

WAYNE: That's right.

LARRY: Hun.

WAYNE: You can try it again. Okay, we'll advise the CP to try to contact David and see about ah, arranging the ah, some more kidos. Is that what you're telling me.

WAYNE: Yeap

LARRY: Hun, okay. That's what we'll try to do.

WAYNE: Okay.

(PAUSE - 9 MINUTES)

(BACKGROUND NOISE - INAUDIBLE)

LARRY: Wayne, are you there.

WAYNE: I'm here.

LARRY: Okay, we're not, ah, we're not getting anything from the CP. What can you tell me. Where are we on this.

WAYNE: I don't know, Larry. I haven't done anything.

LARRY: Okay, can you make, like you have in the past, ah, kinda make a run or contact someone
12

and let me know. You know, once again, we’ve, ah, done what you’ve asked, and now, you know, it’s been over two hours, no more kids have been released. Uhm, we need your help, we need you to kinda see what’s what’s going on. What they intend to do. Okay. Wayne, you know, work with us. We’ve been, ah, we’ve been this far, let’s continue on, okay. We need your help. We need to go ahead and get this thing resolved. But, don’t leave us standing out here now, okay. We’re gonna continue to work with you and, ah, as we have, and bring this thing to a successful, ah, safe resolution, okay? Are you there Wayne.

WAYNE: I’m here.

LARRY: Okay. You know, we need you to work with us, we need to know what’s happening. No kids have been released. I keep, you know, we’ve followed all your rules, right? Now, no kids are being released. Has it changed, is the game plan changed.

WAYNE: I don’t know Larry.

LARRY: Well can you kinda find out for us. (PAUSE) Can you do that or are you willing to get us some information on any changes that have taken place. Hell, we need to, we need to coordinate so that nothing happens. Like about, ah, when they
changed it up after the first couple of kids were picked-up. We need to know these things. Don’t you agree?

WAYNE: That’s true.

LARRY: Okay, well give us a hand. I mean, can you get a hold of David or Steve yourself and find out what they intend to do. Tell them, you know, I’m sitting here, I’m asking you what, ah, what’s happen, you know, the kids, the flow of the kidos has stopped. I need your help. You know we want to bring this thing to a successful end, everybody comes out. You’ve already, ah, David already had his platform, he made a couple of speeches and interviews and we’ve played the message. That’s what you asked us to do and ah, we need your help with these kidos, okay. Can you check with someone? (PAUSE) Wayne.

WAYNE: I’m here.

LARRY: Okay, can you do that for us.

WAYNE: Try to be patient Larry.

LARRY: Be patient, okay. Well we’ve been patience. But, you know, we want to be calm and then we’re being objective about this, but we’re not getting, you know, any results. That’s that’s what we’re looking for. To get some more kids out of there.
WAYNE: Well I passed along your question about whether we could have a larger group.

LARRY: Okay, what did that say about the larger group.

WAYNE: He said please let us do the negotiating.

LARRY: Well, we're not negotiating, what I want, you know, I just need to know when we need to start moving the vehicles back down there, or how they want to do it. That's not, you know that point has already been negotiated. We've already, we've already decided on what we're gonna do there. So we're not negotiating.

WAYNE: Are you saying that CP wants a phone call. Is that it.

LARRY: Well, they want me to found out what, what you're doing about getting the kids out, okay. Hold on just a second.

WAYNE: Okay. (PAUSE - 20 SECONDS)

LARRY: Wayne.

WAYNE: Yes.

LARRY: Okay, David is not answering his, his, phone.

WAYNE: That's news to me.

LARRY: Okay. It's back to you and me again, okay.
WAYNE: Well, I can't agree to that. But, uhm, I'll try and find out what's going on.

LARRY: Okay, thank you. I'll standby.

(PAUSE - 2 MINUTES)
