TAPE #89

3/7/93

11:00 P.M. - 11:47 P.M.

1 (Tape 89)

2 UNIDENTIFIED MALE SPEAKER: I guess, well,
3 there's someone right that wants to talk --

4 JOHN: Go ahead.

5 UNIDENTIFIED MALE SPEAKER: -- that's
6 willing to talk about it.

7 JOHN: Who's that?

8 UNIDENTIFIED MALE SPEAKER: Her name is
9 Jean. She'll give you her whole name or whatever you
10 want.

11 JOHN: Okay.

12 UNIDENTIFIED MALE SPEAKER: Yeah.

13 JOHN: Go ahead.

14 UNIDENTIFIED MALE SPEAKER: All right, just
15 a minute.

16 MS. BORST: Hi, John.

17 JOHN: Hey, how are you?

18 MS. BORST: Fine.

19 JOHN: And who are you?

20 MS. BORST: Mary Jean Borst.

21 JOHN: Okay. Great. Listen, I had -- there
22 was a Darren Lane Borst --

23 MS. BORST: Yes.

24 JOHN: -- called in, who I presume is your
25 son, huh?

1 MS. BORST: Yes, he's my son.

2 JOHN: Okay. And several people have called
3 in and have not talked to me in particular, but they
4 have --

5 MS. BORST: Pardon? I didn't hear you.

6 JOHN: I said several people have called in
7 and have not talked to me in particular, but they have
8 talked to people at the office and they were trying to
9 look into the welfare of people, you know.

10 MS. BORST: Um-hum.

11 JOHN: Family members, loved ones that they
12 knew were inside the Mt. Carmel and, and so I
13 mentioned to both David and Steve that, that Darren
14 had called and I'd like to be able to at least talk to
15 you and say have someone talk to Darren afterwards and
16 say we talked to his mother and everything's fine, you
17 know, she sounded good, and anything that you'd like
18 to, to pass on to him.

19 MS. BORST: Well, just tell him I'm fine and
20 I just want to stay in here until God says to come
21 out.

22 JOHN: Okay. Now, I do not have -- I've got
23 a name of him, I, but I don't have a phone number. Do
24 you, do you know what his phone number is?

25 MS. BORST: Now who's that? Darren?

1 JOHN: Darren's.

2 MS. BORST: No, I don't have it right now.

3 JOHN: That's all right. You know what,
4 what city he lives in?

5 MS. BORST: Oh, yes, he's in Ames, Iowa.
6 He's at the college there. The university in Ames,
7 Iowa.

8 JOHN: Okay. But all I had was that he
9 called in and, and he called in regarding you, and
10 Steve told me earlier that, you know, yeah, you were
11 in good shape, and I said look, let me talk to her so
12 at least somebody from our organization can contact
13 him.

14 MS. BORST: Right.

15 JOHN: And say, hey, we talked to your mom
16 and everything's fine. She loves you and, and
17 everything and she'll see you when --

18 MS. BORST: Okay.

19 JOHN: -- when the Lord determines that you
20 all are coming out, huh?

21 MS. BORST: Yes, that's what I'd like you to
22 tell him.

23 JOHN: And, and -- well, that's what we'll
24 tell him, too.

25 MS. BORST: Okay.

1 JOHN: And do you -- there are a couple
2 things I wanted to pass by you.

3 MS. BORST: Um-hum.

4 JOHN: In talking with Steve and talking
5 with David --

6 MS. BORST: Um-hum.

7 JOHN: He said that all of you, the women,
8 the children and all the adults, everybody, were
9 totally free to leave Mt. Carmel at any time they
10 wanted to.

11 MS. BORST: That's right.

12 JOHN: And, and you understand that?

13 MS. BORST: Yes, I understand.

14 JOHN: And that if, if you all are staying
15 in there, it's of your own volition, your own accord.

16 MS. BORST: Yes, that's right.

17 JOHN: And, and nobody's pressuring you to
18 do anything. And I just want to let you know that,
19 that nothing is going to happen to you staying in
20 there. We're certainly not going to do anything, and,
21 and we want to resolve this through talk.

22 MS. BORST: Right.

23 JOHN: That's -- and, you know, in a
24 peaceful means. And, and if you desire to leave and,
25 and walk down that road, you'll be greeted with open

1 arms, believe me. And, and if you have any medical
2 problems or anything else, it'll be taken care of. Do
3 you have any children that have, that have already
4 been released or anything like that?

5 MS. BORST: No, I don't have any children in
6 here.

7 JOHN: Oh, okay.

8 MS. BORST: Didn't have any in here, right.

9 JOHN: You have any other family members in
10 there with you?

11 MS. BORST: No, I don't.

12 JOHN: Okay. All alone in there, huh?

13 MS. BORST: Right.

14 JOHN: Okay. Do, do you think the, the
15 people in there are -- oh, I don't know how to
16 describe it -- are fearful that we're going to come
17 charging in there and hurt them or something like
18 that? Because if, if you do, I want to allay those
19 feels -- fears that it's not going to happen. I told
20 them that one thing we are is patient. And we will,
21 we will sit out here and wait and wait and wait,
22 because we want to talk, we want to make it peaceful,
23 we want people to get back with their loved ones and
24 their family members and, and that's exactly the way
25 we're going to handle it, you know.

1 MS. BORST: Um-hum.

2 JOHN: And I am with the FBI and if you have
3 any questions as to what would happen when you come
4 out, I'll be happy to answer them for you, you know.

5 MS. BORST: Okay.

6 JOHN: Or, you know, if you, if you have any
7 questions, any fears, any concerns, feel free to ask
8 them. I'll be happy to answer them.

9 MS. BORST: Okay.

10 JOHN: Anything I can answer for you?

11 MS. BORST: No, I don't believe so.

12 JOHN: Okay. Okay. Well, you sound all
13 right.

14 MS. BORST: Yes, I'm fine.

15 JOHN: That's good. That's good. And we'll
16 certainly get the message to your son in Ames, Iowa.
17 Boy, that's in the middle of the state, huh?

18 MS. BORST: Yes.

19 JOHN: Got to be some cold area up there
20 right now.

21 MS. BORST: Yeah, I'm sure it is.

22 JOHN: Okay. Do you have any other children
23 or, you know, a husband or anyone like that that you'd
24 like us to contact?

25 MS. BORST: Well, I have other relatives out

1 there, but if you'd just, you know, give the message
2 to Darren --

3 JOHN: Okay.

4 MS. BORST: -- he will, he will get in touch
5 with all of them, I know.

6 JOHN: Okay.

7 MS. BORST: So that would be fine.

8 JOHN: Do you know if anybody else has any
9 messages?

10 MS. BORST: Yes, I think there's someone
11 else here that would like to talk with you.

12 JOHN: Great. Great.

13 MS. BORST: Okay. Thank you.

14 JOHN: Listen, you take care, huh, and I'll
15 see you when you come, come out of there.

16 MS. BORST: Okay.

17 JOHN: All right.

18 MS. BORST: Thanks, John.

19 JOHN: Bye-bye.

20 (pause)

21 GRAEME: Hello, John?

22 JOHN: Yes.

23 GRAEME: My name is Graeme.

24 JOHN: Hey, Graeme Leonard Craddock.

25 GRAEME: That's correct.

1 JOHN: Okay. Let me tell you what we got.
2 My name's John Cox and I'm with the FBI, Graeme. We
3 had a Barry Craddock --

4 GRAEME: Yes, that's my brother.

5 JOHN: -- telephone. Okay. Let me just
6 make a little note here, so I make sure -- I've got
7 G-R-A-E-M-E as your first name, is that correct?

8 GRAEME: That's how it's spelled, yes.

9 JOHN: A-E-M-E. You've got a little cockney
10 accent there, do you?

11 GRAEME: I don't know about that.

12 JOHN: From down under?

13 GRAEME: Yeah.

14 JOHN: Okay. And it's C-R-A-D-D-O-C-K.

15 GRAEME: That's correct.

16 JOHN: Okay. And, and he lives in
17 Townsville, Australia.

18 GRAEME: Townsville, Queensland, Australia.

19 JOHN: Australia. Okay.

20 GRAEME: That's right.

21 JOHN: And he called, he was interested in
22 your, your well-being, and as, as I said to several of
23 the people of I've talked to, when people call in, I
24 talked to David, I've talked to Steve, and I said, I'd
25 love to talk to these people so we can go back and,

1 and say hey, we talked to your, talked to your
2 brother, we talked to your father, your, you know,
3 mother, sister, whatever the case may be. And in this
4 case, we'll give your brother a call and let him know
5 that we spoke to you and that you're healthy, I hope.

6 GRAEME: Yeah, I'm very well, thank you.

7 JOHN: Okay. How long have you been in
8 there?

9 GRAEME: I, I came here, it was about 11
10 months ago.

11 JOHN: Okay. Had a lot of excitement in the
12 last week, huh?

13 GRAEME: Very much so.

14 JOHN: I'm sure you --

15 GRAEME: More than what I --

16 JOHN: Sure you didn't expect that 11 months
17 ago. That's a, that's a tragedy for both sides, you
18 know, it's just a terrible, terrible thing. Let me,
19 let me ask you something, and, just to reinforce
20 something here, to make sure that you're, you're
21 totally aware of it. In talking with David and
22 talking with, with Steve, they both said that
23 everybody in there, you know, men, women, children,
24 are all free to leave any time they want, it's up to
25 them. There's no pressure, there's no coercion,

1 | there's, you know, nothing that would preclude them to
2 | leave if they want to leave.

3 | GRAEME: That's correct, yes.

4 | JOHN: And that's the impression that you
5 | have?

6 | GRAEME: Yeah.

7 | JOHN: That's true?

8 | GRAEME: Yeah. Well, he's made the
9 | statement numerous times at least in past months that
10 | anyone who wants to leave can leave.

11 | JOHN: Okay. What about in the past week?
12 | Since the incident last Sunday?

13 | GRAEME: Well, I, I can only, only assume
14 | that he's never -- put it this way, he's never, I've
15 | never had any caution to stay, for me to stay here.

16 | JOHN: Okay. Okay. So you're in there, you
17 | know, as a result of your own volition, your own free
18 | will.

19 | GRAEME: This is my free will.

20 | JOHN: Good. Good. Well, that, I just want
21 | to make it clear that should you want to leave, should
22 | you, you know, have that opportunity and the desire,
23 | whatever it might be, all you have to do is walk down
24 | the road and, and you'll be greeted with open arms.
25 | And, and I pointed out to Mary Jean Borst who I just

1 spoke to and Rachel and all the others that I've
2 talked to this evening, Jeff Little and David
3 Thibodeau that hey, we have, we have a lot of
4 patience. We, we are not going to come, come charging
5 up there. We are going to sit out here and wait and
6 wait and wait as long as it takes, Because we're going
7 to resolve this through reason and we're going to
8 resolve this through communications, through talking.
9 So that it's a very peaceful resolution and nobody
10 gets hurt, because too many people have been hurt
11 already, you know. Are you there?

11 GRAEME: Yes, sir, someone just --

12 JOHN: Somebody stepped on a wire, huh.

13 GRAEME: Yeah.

14 JOHN: I know they said if you look at that
15 phone it'll click sometimes, I think.

16 GRAEME: Yeah.

17 JOHN: But I, but I hope you understand
18 that. You'll pass that on to others that they should
19 not have any fear of us coming in there. It's not
20 going to happen. They may look out and see vehicles
21 and they may see people and other things, but nobody
22 is coming in there. I mean, that's the way we
23 operate. That's the way we are. There are a lot of
24 media people out there and we have the responsibility
25

1 to ensure that nothing happens to these people, you
2 know. Is there, is there anything I could tell your
3 brother?

4 GRAEME: Oh, you can just, well, the only
5 thing I, I can possibly tell him is, is that I'm doing
6 fine.

7 JOHN: Okay.

8 GRAEME: I managed to get through the
9 incident last Sunday totally unscathed, so.

10 JOHN: Weren't hurt at all, huh?

11 GRAEME: Not, not at all.

12 JOHN: Good. Now, I understand they're
13 going to have a, a burial service tomorrow morning for
14 Peter Ghent. I, I didn't know if you're aware of it
15 or not, but either David or -- no, I guess Steven told
16 me that they were going to have a burial service for
17 him.

18 GRAEME: Yeah.

19 JOHN: Out across the road and I don't know
20 if they, if they were having any other burial services
21 out there or not, but --

22 GRAEME: Um-hum.

23 JOHN: I told them if, if they had some
24 other, other individuals that they wanted us to work
25 with them on, to just let me know, you know. But you,

1 you were not injured --

2 GRAEME: Yeah.

3 JOHN: -- in any way. Do you have any other
4 relatives that, that you'd want me to -- I, I don't
5 mean me as an individual but you'd want us to contact?

6 GRAEME: Well, I'd, I'd assume my brother
7 would contact everyone else in, all my relatives back
8 in Australia.

9 JOHN: Okay, all your relatives are in
10 Australia?

11 GRAEME: That's correct, yes.

12 JOHN: Okay. You married?

13 GRAEME: No, I was, I've never been married.

14 JOHN: How'd you dodge that bullet, huh?
15 How'd you avoid that?

16 GRAEME: Oh, luck.

17 JOHN: (Laughs.) So no children then, huh?

18 GRAEME: That's true.

19 JOHN: Lord, Lord. Are you interested in
20 leaving the compound at all?

21 GRAEME: Not at the moment, no.

22 JOHN: But if the, if, if the Lord's Word
23 comes through --

24 GRAEME: We'll be --

25 JOHN: -- you'll be, you'll be leaving, huh?

1 GRAEME: Yeah.

2 JOHN: Well, like David told me, he said
3 hey, I'm ready to leave any time. And he said it's
4 just I'm waiting for the word. And we all are.

5 GRAEME: Yeah.

6 JOHN: We all are, because we don't want to
7 see any more agony and any more anguish and any more
8 tears shed. They were shed in there, they were shed
9 out here.

10 GRAEME: Yeah.

11 JOHN: But, and it, and it just doesn't have
12 to happen, you know.

13 GRAEME: Yeah, I, I can certainly, I'm into
14 that too.

15 JOHN: Yeah. Do you, do you know of
16 anything besides the word that would, that would help
17 move this process along? Besides everybody packing up
18 and going home. You know, that's just not going to
19 happen, is it?

20 GRAEME: No, not just at the moment.

21 JOHN: Any suggestions? Any ideas?

22 GRAEME: Well, I just hope everyone sort of
23 stays cool on the outsides of the thing.

24 JOHN: Well, you, you got some, you got some
25 pretty cool heads out here, you really do. I mean,

1 some people may have said some crazy things had been
2 done before and some, oh, some juvenile activities,
3 and you know, 'cause I heard some guys were giving the
4 bird and mooning and, you know, things like that. But
5 a lot of that comes from frustration and anguish.

6 GRAEME: Yeah.

7 JOHN: And where I am, I hope, cooler heads
8 prevail. And I hope they do where you are too,
9 because I heard we got a report earlier this evening
10 that there was somebody up in the upper window on the
11 front side of the -- or on the end of building where
12 the construction is, up on the third floor, with a
13 long-barreled weapon, sticking it out the window there
14 and --

15 GRAEME: Yeah, well, I was not too far from
16 that particular place, and you know, I'd just come
17 down, I think only a few minutes before, and there was
18 certainly nobody up there with any weapon of any, any
19 sort.

20 JOHN: Nothing that you saw, huh?

21 (Electronic music in background.)

22 GRAEME: We've been cut off again.

23 JOHN: Hello?

24 GRAEME: Hello?

25 JOHN: Hello? Hello?

1 GRAEME: Just a minute.

2 JOHN: Okay.

3 GRAEME: Have you got it?

4 JOHN: I'm there.

5 GRAEME: Someone stepped on our cord again.
6 Sorry about this.

7 JOHN: But then David came back and just
8 said somebody was taking a leak out the window or
9 something, you know, but it was just a smart comment.
10 I said hey, give me a break, you know.

11 GRAEME: Yeah, well, I don't --

12 JOHN: Some racial overtone there.

13 GRAEME: I just think someone was just
14 looking out the window and some --

15 JOHN: Probab-- could be.

16 GRAEME: Somebody out there was watching us,
17 got a little, little bit excited.

18 JOHN: It could have been. Hey. You got
19 jumpy people on both sides, and we're trying to use
20 some reason and trying to keep it as calm as it be,
21 you know.

22 GRAEME: That's very true.

23 JOHN: And I hope it'll, and I hope it'll be
24 resolved soon and, and I know it'll be resolved
25 peacefully. Like I, like I told David, I said I know

1 you're coming out of there, and I know you're going to
2 lead your flock out of there. It's not a question of
3 if, it's a question of when. And, and I think we all
4 know that.

5 GRAEME: Um-hum.

6 JOHN: Listen, is there anything else that
7 you'd want me to pass on to anyone, huh?

8 GRAEME: Well, there's probably many things
9 I'd, I'd probably like to --

10 JOHN: Well, if there's something --

11 GRAEME: But I can't think of anything at
12 the moment.

13 JOHN: If there's something that you can
14 think of, all you have to do is come up, pick up the
15 phone and, and myself or someone else will be on the
16 other end of the phone and, and we'll talk, we'll
17 reason.

18 GRAEME: Okay.

19 JOHN: We just don't want anything other
20 than a nice peaceful resolution here.

21 GRAEME: Okay, then.

22 JOHN: Okay, is Steven there or --

23 GRAEME: Yes, I could hand you back on to
24 Steve if you like.

25 JOHN: Or anybody else that wants to talk to

1 me.

2 GRAEME: All right, just hang on a second.

3 JOHN: You bet. Good talking to you.

4 SHERRI: Hello?

5 JOHN: Hi.

6 SHERRI: Hi.

7 JOHN: Who's this?

8 SHERRI: This is Sherri.

9 JOHN: Sherri Jewell.

10 SHERRI: You already knew.

11 JOHN: Is that correct?

12 SHERRI: That's correct.

13 JOHN: Well, the only reason I knew is that
14 somebody called and I don't know if it was a Mr.
15 Mosher or a Mrs. Mosher.

16 SHERRI: Probably Mrs. Mosher.

17 JOHN: I, I just don't know. What would her
18 first name be?

19 SHERRI: Ruth.

20 JOHN: Ruth, okay, 'cause the reason I ask
21 is all I have is a last name. Called and said her
22 daughter Sherri Jewell, and, and all we, and all I
23 have is a phonetic S-H-E-R-R-I-E J-E-W-E-L-L. Is
24 that correct?

25 SHERRI: Well, that's close enough.

1 JOHN: Is it accurate.

2 SHERRI: Well, it's close enough.

3 JOHN: Okay. That is inside. And she was
4 concerned. And as I told David and as I told --

5 SHERRI: Well, if you ever get -- are you
6 going to be talking with her again?

7 JOHN: Someone will.

8 SHERRI: Okay.

9 JOHN: I won't tell you that I am, because -
10 - SHERRI: Well, whoever --

11 JOHN: But someone will.

12 SHERRI: Whoever does, just give her this
13 message.

14 JOHN: Okay.

15 SHERRI: Matthew 24.

16 JOHN: Okay.

17 SHERRI: And that's it.

18 JOHN: That's it?

19 SHERRI: That's it.

20 JOHN: And she will know what that means?

21 SHERRI: She will understand.

22 JOHN: Well, are you okay?

23 SHERRI: I am terrific.

24 JOHN: Okay.

25 SHERRI: As far as terrific can be.

1 JOHN: Well, under the existing conditions,
2 huh?
3 SHERRI: Absolutely. Yeah.
4 JOHN: Okay.
5 SHERRI: Listen, what, what kind of job do
6 you have there? What's your title?
7 JOHN: What's my title?
8 SHERRI: Yeah, what, what's, what are you?
9 JOHN: I'm an FBI agent.
10 SHERRI: Okay, that's your title?
11 JOHN: Yeah. Special agent with the FBI.
12 SHERRI: Oh, special agent. What, what --
13 you're married?
14 JOHN: You bet.
15 SHERRI: How many kids do you have?
16 JOHN: Three.
17 SHERRI: Three!
18 JOHN: Yeah.
19 SHERRI: How old are they?
20 JOHN: How many kids do you have?
21 SHERRI: Enough to keep me busy.
22 JOHN: Do you have more --
23 SHERRI: So you have three, so you have
24 three kids.
25 JOHN: Do you have more than three?

1 SHERRI: Well, you answer my questions
2 first.

3 JOHN: Okay.

4 SHERRI: You have three kids.

5 JOHN: Yes, I do.

6 SHERRI: How old are they?

7 JOHN: Uh-oh, you're going to make me think
8 now, aren't you, huh, put me on the --

9 SHERRI: Hey, listen, you're talking to a
10 school teacher here, and I'm real interested in --

11 JOHN: You're going to put me on the spot,
12 okay.

13 SHERRI: Okay.

14 JOHN: Hang on.

15 SHERRI: Is there a 20 and 25, something
16 like that, or 15? I don't know.

17 JOHN: Be, be patient, I'm get, I'm going to
18 give you answer, I'm --

19 SHERRI: Oh, I'm real patient.

20 JOHN: I'm scratching the little hair that's
21 left up here.

22 SHERRI: Oh, you have little hair on your
23 head?

24 JOHN: No, I got plenty.

25 SHERRI: Oh, I see.

1 JOHN: It just gets thin after awhile.
2 SHERRI: Okay.
3 JOHN: 18.
4 SHERRI: 18.
5 JOHN: 23 in a week.
6 SHERRI: 23 in a week.
7 JOHN: And 26.
8 SHERRI: You mean you could, you can't
9 hardly remember.
10 JOHN: Hey, what can I say.
11 SHERRI: Now, John, that's not too, too
12 cool. Well, see, I was pretty close --
13 JOHN: They say the mind's the first thing
14 to go, right?
15 SHERRI: Uh-huh, yeah.
16 JOHN: Huh?
17 SHERRI: Yeah. Yes, it sure is.
18 JOHN: (Laughs.)
19 SHERRI: Yeah, I was pretty right. You had
20 two kids in the 20's and one in the teens, right?
21 JOHN: You've got it.
22 SHERRI: See, I thought so. So what do
23 these -- they're in college?
24 SHERRI:
25 JOHN: You're, you're a psychic, huh?

1 SHERRI: No, I'm just -- I can tell by your
2 voice.
3 JOHN: You can? Why?
4 SHERRI: Yeah.
5 JOHN: How old did you think I was?
6 SHERRI: Well, you're probably in your, I
7 don't know, late --
8 JOHN: Yeah?
9 SHERRI: Late 40's? 50's? (Laughs.)
10 JOHN: Oh, wait a minute now. Wait a
11 minute. Late --
12 SHERRI: Anyway, so you're, you're -- do
13 they go to college?
14 JOHN: I'm, I'm mature.
15 SHERRI: That's for sure.
16 JOHN: There you go.
17 SHERRI: Okay. They go to college?
18 JOHN: No, none of them.
19 SHERRI: None of them!
20 JOHN: One's graduated from college.
21 SHERRI: Okay, the 25-year-old.
22 JOHN: The, yeah, 26. He's 27, yeah.
23 SHERRI: I was, I'm pretty close. 26, okay.
24 JOHN: And then one of them is in the
25 service and one's of them's in high school.

1 SHERRI: And the -- okay, so the 18 is just
2 barely, almost out of high school.

3 JOHN: Almost.

4 SHERRI: And the one that's -- almost.

5 JOHN: Almost.

6 SHERRI: Barely.

7 JOHN: What's, what grade did you teach?

8 SHERRI: I taught -- well, I've taught K
9 through college.

10 JOHN: Have you really?

11 SHERRI: I sure have. I was a --

12 JOHN: The, the K's, the one's, and the
13 two's are more fun than the others though, aren't
14 they?

15 SHERRI: No, actually I like college the
16 best.

17 JOHN: Do you?

18 SHERRI: Yeah. Actually I really do. I
19 was, I was in Hawaii. Well, I'm, I'm from Hawaii
20 originally.

21 JOHN: Aloha.

22 SHERRI: And I was dean of students and
23 faculty.

24 JOHN: Really?

25 SHERRI: Um-hum.

1 JOHN: That's great.

2 SHERRI: And I really didn't like it too --
3 oops, are you still there?

4 JOHN: Yeah, somebody just stepped on the
5 wire, huh.

6 SHERRI: You got it.

7 JOHN: Where were you dean of students?

8 SHERRI: In Hawaii. In one of the colleges
9 there.

10 JOHN: Really? 'Cause I had a, I had a
11 neighbor's son that got a basketball scholarship to
12 the University of Hawaii at Hilo.

13 SHERRI: Oh, uh-huh.

14 JOHN: Loved it.

15 SHERRI: Oh, of course. Anybody that goes
16 there does.

17 JOHN: I'm surprised it didn't take him ten
18 years to get through college, huh?

19 SHERRI: Oh, yeah.

20 JOHN: At the, at a location like that.

21 SHERRI: Professional, professional college
22 person, huh?

23 JOHN: Hey. Well now he's, he's graduated
24 but that had to be a great way to go through college.

25 SHERRI: Hum.

1 JOHN: In an environment like that.

2 SHERRI: So your 18-year-old --

3 JOHN: Yeah.

4 SHERRI: What school does he go to?

5 JOHN: Well, he goes to a public high
6 school.

7 SHERRI: A public high school.

8 JOHN: Yeah.

9 SHERRI: Do you like it? I mean, you know.

10 JOHN: Fine. Excellent.

11 SHERRI: Really?

12 JOHN: Yeah.

13 SHERRI: Okay, so it -- does he, has he done
14 any --

15 JOHN: What is this, 20 questions on John?
16 We're going to get John's background tonight here,
17 huh?

18 SHERRI: No, I would, I would like to --
19 yeah, I mean, you, you've been asking other people
20 questions and I'm the one that likes to ask questions.

21 JOHN: Well, go ahead.

22 SHERRI: Okay. Okay, so your 18-year-old,
23 does he like computers?

24 JOHN: To a limited amount, I guess.

25 SHERRI: Come on, Dad, you mean you never,

1 you don't know these things?

2 JOHN: To a limited amount. You know, he's
3 not the, a computer whiz. You know, that's not, I
4 would say, his biggest interest. But he, he is
5 computer-literate, yeah.

6 SHERRI: Oh, that's good. Yeah, 'cause
7 they're starting them real young.

8 JOHN: Hey, it's tough if you're not, isn't
9 it?

10 SHERRI: It sure is. Sure is. Well, that's
11 good.

12 JOHN: So --

13 SHERRI: So how long you been married?

14 JOHN: Longer than you, if I've got --

15 SHERRI: Well, that's true. I mean, you're
16 a lot older than I am.

17 JOHN: If I've got one that's 26 years old,
18 I've married for a while, haven't I?

19 SHERRI: Yeah, probably -- one woman?

20 JOHN: You bet, is there any other way?

21 SHERRI: Oh, 20, 20, 24 years. 25 years.

22 JOHN: You better keep going.

23 SHERRI: To 30 years.

24 JOHN: Almost, almost.

25 SHERRI: Oh, yeah, it would have to be.

1 Yeah, let's see, 25, 25 --

2 JOHN: Hey, the way I look at it, you're
3 only supposed to be married to one.

4 SHERRI: Well, I don't know, King David had
5 quite a lot of wives.

6 JOHN: Yeah, the --

7 SHERRI: And look at Solomon, a thousand
8 wives?

9 JOHN: -- King David I've been talking to
10 for the last several nights had a few too, huh?

11 SHERRI: Solomon. Well, if you knew the
12 prophecies, you would understand a little bit more.

13 JOHN: Well, it's interpretation there,
14 that's all.

15 SHERRI: But I understand -- well, if you're
16 a good listener, you'll learn something.

17 JOHN: I --

18 SHERRI: Did you learn about the first seal?

19 JOHN: I have been learning about the first
20 seal.

21 SHERRI: That's good. Where's it found?

22 JOHN: The second seal.

23 SHERRI: Well, where, wait a minute, where's
24 it found?

25 JOHN: The third seal.

1 SHERRI: Where's it found?

2 JOHN: The fourth seal.

3 SHERRI: Well, where's the first seal found?

4 JOHN: Where is it found?

5 SHERRI: Yeah.

6 JOHN: In the, in Psalm 45.

7 SHERRI: And all the psalms. So how many
8 psalms are there?

9 JOHN: Uh-huh, what is this, a quiz, a
10 little test in theology tonight?

11 (Laughter in background.)

12 SHERRI: No. But if you, you know, if you
13 -- JOHN: I don't profess to be a theologian,
14 believe me.

15 SHERRI: Oh, I don't either, let me tell
16 you, I'm far from it.

17 JOHN: Yeah, but how long have you been with
18 David?

19 SHERRI: Well, I've been studying anyway for
20 --

21 JOHN: For how many years?

22 SHERRI: Let me think now? Six? About six
23 years.

24 JOHN: Well, see, I've been studying for
25 about three or four days.

1 SHERRI: And I bet you're learning a lot,
2 aren't you? More than you've ever learned with
3 anybody else.

4 JOHN: Well, I can't say that.

5 SHERRI: -- I can --

6 JOHN: But, but it's been a learning
7 experience, because it's been something totally new to
8 me.

9 SHERRI: Well, I know. The, it's really,
10 it's extremely, extremely important.

11 JOHN: Oh, I know, I know. And it's --

12 SHERRI: Okay, so there's, there's -- I'll
13 tell you. There's 150 psalms.

14 JOHN: Uh-huh.

15 SHERRI: And each of those psalms are really
16 important. 'Cause that's --

17 JOHN: Hey, I'm sure they are, the whole
18 book's important.

19 SHERRI: Well, so that, that covers the
20 first seal. Where's the second seal found?

21 JOHN: Revelation.

22 SHERRI: No. Well --

23 JOHN: No?

24 SHERRI: No, you got to, it's found --

25 JOHN: Revelation Chapter 6, verse 3 to 4.

1 SHERRI: Very good. Now, where is it found
2 in the Prophets?

3 JOHN: Oh, you're going to put the pressure
4 on now, huh?

5 SHERRI: No, but it's, you know, you -- if
6 you were shown where these, these seals are, you need
7 to know where they are in the prophecies. I mean,
8 that's what, that's what Revelation 10 says. In the
9 days of the voice of the seventh angel, when he begins
10 to sound, the mystery of God will be finished, as it
11 hath been declared by the servants, the prophets. I
12 mean, has been already.

13 JOHN: Yes.

14 SHERRI: So if all these prophets saw
15 something --

16 JOHN: Uh-huh.

17 SHERRI: And if you know what the prophets
18 saw.

19 JOHN: Uh-huh.

20 SHERRI: It's already been declared. God
21 declared it.

22 JOHN: Okay.

23 SHERRI: So where's the second seal found?

24 JOHN: I'm going to draw a blank here.

25 SHERRI: No, don't draw a blank.

1 JOHN: Why?
2 SHERRI: I can hear you turning those pages.
3 JOHN: No, I'm not.
4 SHERRI: No?
5 JOHN: I might be turning some wheels
6 slowly.
7 SHERRI: Um-hum. Got your Bible there?
8 JOHN: You bet.
9 SHERRI: Okay. There better be --
10 JOHN: Then I could tell you I'm turning
11 pages, huh?
12 SHERRI: Yeah, you better, yeah. I'll give
13 you a hint, it starts with a Z.
14 JOHN: Zechariah.
15 SHERRI: Very good.
16 JOHN: How's that?
17 SHERRI: So what's --
18 JOHN: I'm learning a lot this week, aren't
19 I?
20 SHERRI: Yeah.
21 JOHN: This is, this is -- David doesn't
22 have time to give John a Bible lesson tonight, so
23 somebody else will, huh, Sherri?
24 SHERRI: (Laughs.) Well --
25 JOHN: Yes?

1 SHERRI: Okay, so you have -- did you find
2 Zechariah?

3 JOHN: Well, sure.

4 SHERRI: So what did you learn from the
5 second seal?

6 JOHN: That there was a red horse.

7 SHERRI: That there was -- right.

8 JOHN: And a rider.

9 SHERRI: Okay.

10 JOHN: And the power was given to him to
11 take peace from the earth.

12 SHERRI: Well, so --

13 JOHN: And they should --

14 SHERRI: What was the reaction of all --

15 JOHN: And they should kill one another, and
16 he was given --

17 SHERRI: Well, no.

18 JOHN: -- a great sword.

19 SHERRI: Yeah. But in Zechariah what does
20 it say?

21 JOHN: I don't know, what's it say?

22 SHERRI: Well, what was the reaction of the
23 whole earth when the horses went to and fro throughout
24 the whole earth? What was the reaction of the people?

25 JOHN: Tell me.

1 SHERRI: No, you got to find that.
2 JOHN: I do?
3 SHERRI: You said you knew the first seal
4 and "I was shown the second seal," and now you were
5 going on to the third --
6 JOHN: Well, I was.
7 SHERRI: I know, but you got to back up.
8 JOHN: I mean, we were going a mile a
9 minute.
10 SHERRI: I know you were.
11 JOHN: Lord.
12 SHERRI: But we don't have that much time.
13 JOHN: It, it took you how --
14 SHERRI: This is time no longer.
15 JOHN: It took you how many years for this?
16 SHERRI: I know, it took a long time. But
17 some people have come here and learned it --
18 JOHN: And, and --
19 SHERRI: -- in less time than you have.
20 JOHN: I doubt it.
21 SHERRI: No.
22 JOHN: I doubt it. They didn't come in --
23 SHERRI: How about a day-and-a-half?
24 JOHN: -- totally, you know, new.
25 SHERRI: Well, Robert --

SHERRI: Robert got it all. Well, not all,
I wouldn't say all.

JOHN: I don't think so.

SHERRI: But he got a lot.

JOHN: And not in a day-and-a-half, either.

SHERRI: Well, he got at one Sabbath, boy,
he got a lot.

JOHN: Huh?

SHERRI: He got it at one Sabbath when he
was here.

JOHN: He did.

SHERRI: Oh, yeah.

JOHN: Huh.

SHERRI: So clear. And by the way, did you
ever find him?

JOHN: Did I ever find him?

SHERRI: Yeah. He was supposed to call
here.

JOHN: Who was?

SHERRI: Robert Gonzales.

JOHN: He's not calling there.

SHERRI: How come?

JOHN: Because, as I explained to David, and
I'll, I'll be happy to explain to you, if you're --

1 SHERRI: Well --

2 JOHN: -- if you had some interest in it.

3 SHERRI: Well, I'm kind of --

4 JOHN: That Robert is no longer in this
5 area, that Robert --

6 SHERRI: Fled --

7 JOHN: -- has -- pardon me?

8 SHERRI: Fled --

9 JOHN: No, he didn't, he didn't flee, he had
10 some difficulties about this entire situation, and
11 that it was best that he not be around.

12 SHERRI: He really could see something, huh?

13 JOHN: He what?

14 SHERRI: Could he see something in what was
15 being taught?

16 JOHN: It had nothing to do with religion
17 that he had difficulties with.

18 SHERRI: Hum.

19 JOHN: It was difficulties with what
20 happened last Sunday.

21 SHERRI: Well, what happened last Sunday? I
22 mean as far --

23 JOHN: Where were you?

24 SHERRI: As far as his difficulty is
25 concerned.

1 JOHN: Where were you? You don't have any
2 feelings?

3 SHERRI: I was standing right there.
4 Actually I went, I was right there in the front porch
5 when he came here --

6 JOHN: Uh-huh.

7 SHERRI: -- and handed me that paper.

8 JOHN: Uh-huh.

9 SHERRI: So I was really surprised that he
10 came over.

11 JOHN: Uh-huh.

12 SHERRI: And he sat down and we had a little
13 study.

14 JOHN: Uh-huh.

15 SHERRI: And then he was real anxious to
16 leave.

17 JOHN: Yeah.

18 SHERRI: Then all of a sudden when he went
19 out the door, the, his alarm on his car went off and
20 it sounded just like a police alarm --

21 JOHN: Uh-huh.

22 SHERRI: -- siren.

23 JOHN: Uh-huh.

24 SHERRI: And, you know, all the time I was,
25 I was thinking to myself this guy is no student. I

1 know a student.

2 JOHN: Uh-huh.

3 SHERRI: I go, this guy is an undercover
4 agent. (Laughs.)

5 JOHN: Uh-huh.

6 SHERRI: The first time I saw him, and I,
7 but David's just, you know, he invites, or he will
8 talk to anybody who has an ear to listen.

9 JOHN: I think he will.

10 SHERRI: He, he does. He doesn't care if,
11 if you know, who the person may be. So he invited,
12 invited him in.

13 JOHN: Excuse me.

14 SHERRI: Gave him a study, and all the time
15 I was thinking, man, I wouldn't trust this guy with a
16 ten-foot pole, no way, no way.

17 JOHN: Uh-huh.

18 SHERRI: But yet he came in, he was, you
19 know, had a lot of study, I mean, you know, the times
20 he was here.

21 JOHN: Um-hum.

22 SHERRI: And -- but this morning or that
23 Sunday morning, he was really antsy to, to leave. And
24 I couldn't figure it out in a way, because --

25 JOHN: I guess you know why now, don't you?

1 SHERRI: Well, yeah, it was kind of a real,
2 it was a real bad set-up. Why didn't he just arrest
3 him right there? Why didn't he just serve him a
4 warrant right there?

5 JOHN: 'Cause he wasn't supposed to.

6 SHERRI: He was supposed to wait for us to
7 be slaughtered?

8 JOHN: He was supposed to leave.

9 SHERRI: He was supposed to leave and then
10 let us be slaughtered?

11 JOHN: No. Uh-uh.

12 SHERRI: Well, I'll tell you what --

13 JOHN: No one was, no one was, no one's was
14 supposed to even be harmed.

15 SHERRI: Well, how come they fired first,
16 because I saw it.

17 JOHN: Well, guess what.

18 SHERRI: And why did they --

19 JOHN: You will get your opportunity --

20 SHERRI: Why did they have --

21 JOHN: -- some day to testify to that.

22 SHERRI: -- so much foul language? I was
23 appalled.

24 JOHN: What can I tell you. What's done is
25 done, isn't it?

1 SHERRI: Yeah, it sure is. It's too bad.

2 JOHN: You know, I'm not privy to, I'm not
3 privy to any plans and I'm not privy to why things
4 happened, and, and I'm sorry that they did.

5 SHERRI: Yeah, me too.

6 JOHN: And I'm sorry for, for you and for
7 the people in there and I'm sorry for all of those ATF
8 people.

9 SHERRI: Yeah.

10 JOHN: And their families as well. And, and
11 you ask why was David concerned, David had a large
12 role to play in that and he should have been
13 concerned, and he should have had some feelings.

14 SHERRI: Well, it was just a, you guys did
15 wrong, that's all I got to say. Anyway --

16 JOHN: He did wrong?

17 SHERRI: You guys.

18 JOHN: Well, that's your opinion.

19 SHERRI: Well, the ATL -- ATF.

20 JOHN: You know, that's your --

21 SHERRI: They should not have -- well,
22 anyway.

23 JOHN: That's your opinion. Let me ask you
24 something.

25 SHERRI: (Indiscernible.) Well, wait, I'm

1 not --

2 JOHN: Let me ask you something, Sherri.
3 You were asking me a lot of questions.

4 SHERRI: Wait a minute, we have not finished
5 my conversation. You have an unbelievable way --

6 JOHN: What do you mean you, we haven't?

7 SHERRI: I, we were still on the second seal
8 and I didn't get it completely answered from you.
9 Remember, I asked you well, what was the, what was the
10 feeling of the people? Remember when the horses went
11 to and fro throughout the earth, what was the reaction
12 of the people?

13 JOHN: Uh-huh.

14 SHERRI: And you forgot to answer. 'Cause
15 I, I --

16 JOHN: Why, why is it so important that I
17 understand this?

18 SHERRI: Well, because if you don't
19 understand these seals --

20 JOHN: Yeah, yeah.

21 SHERRI: -- aye, woe to you. You will find
22 out. You will --

23 JOHN: Well, what am I going to find out?

24 SHERRI: You will -- you just don't know who
25 you're fighting against. Have you read Psalms 18?

JOHN: -- David read it to me.

SHERRI: I would be, I would be shaking in my boots if I were you.

JOHN: Why?

SHERRI: Because -- do -- you don't believe this book then, huh?

JOHN: I didn't say that.

SHERRI: God's word? That -- when you said that --

JOHN: Are you saying I don't, I'm not a God-fearing person, don't believe in the Bible?

SHERRI: No, well you said why. And I'm saying because, if I -- I would be shaking in my boots if I was you, because --

JOHN: Well, tell me what you want to tell me.

SHERRI: -- what God said, what God says is going to happen.

JOHN: What? I mean, tell me, you're in a -

- SHERRI: No, you tell me --

JOHN: You're a school teacher, a learned person. Speak to me.

SHERRI: Psalms 18. Open your Bible. I'm

1 not going to say it. I want the book to say it.
2 Because that's the only reason why I'm here. It's
3 'cause I, I'm waiting for God to do something.

4 JOHN: You are?

5 SHERRI: Yes, I am.

6 JOHN: You've been waiting for six years?

7 SHERRI: I -- no. I've been waiting since
8 Sunday now. When God says wait --

9 JOHN: Well, what, what happened before
10 Sunday?

11 SHERRI: Before Sunday we were preparing for
12 this event. We knew it was going to happen.

13 JOHN: You were?

14 SHERRI: Oh, yeah.

15 JOHN: Well, why did you let it happen?

16 SHERRI: Why?

17 JOHN: Yeah.

18 SHERRI: We were prepared --

19 JOHN: Uh-huh.

20 SHERRI: Because we can't control what you
21 guys do. Anyway, the reaction of --

22 JOHN: Let, let me, let me ask you
23 something.

24 SHERRI: The reaction --

25 JOHN: Let me ask you something, okay? Just

1 want to ask a couple questions.

2 SHERRI: Yeah, but we did.

3 JOHN: I'm sorry, what?

4 SHERRI: Well, the reaction of the people,
5 Zechariah, remember that first question? What the
6 reaction of the people were? When the horses went to
7 and fro throughout the earth?

8 JOHN: I'm listening to you.

9 SHERRI: They don't care. They were at
10 ease. No one cares about the horses. No one cares
11 about the seals. That's the --

12 JOHN: Well, I know there's no interest in
13 the horses.

14 SHERRI: Yes.

15 JOHN: Uh-huh.

16 SHERRI: Of the, of Revelations. No one
17 cares about those horses in Revelations, those seals.
18 That was the reaction, that's the second seal.

19 JOHN: Uh-huh.

20 SHERRI: In a nutshell. So the third seal,
21 you said that you went over.

22 JOHN: Uh-huh.

23 SHERRI: Where's that found?

24 JOHN: Try the Book of Revelation.

25 SHERRI: Well, that's where it's introduced,

1 but where is it found in the prophecies?
2 JOHN: You won't accept the Book of
3 Revelation --
4 SHERRI: Yeah, because --
5 JOHN: -- about a black horse and a rider.
6 They had --
7 SHERRI: It's a black horse --
8 JOHN: -- a pair of horses --
9 SHERRI: Yes.
10 JOHN: -- and the balance between the wheat
11 --
12 SHERRI: But you got to know where in the
13 prophecies.
14 JOHN: -- the penny and the measures and the
15 barley and --
16 SHERRI: That's right, but where is it
17 found?
18 JOHN: It was a balance of deceit, right?
19 SHERRI: Yeah, a balance of deceit is in his
20 head, okay, so --
21 JOHN: You got it. All right.
22 SHERRI: So is that a characteristic of
23 Christ?
24 JOHN: Is it in the book?
25 SHERRI: Well, that's --

1 JOHN: That's a clue, isn't it?

2 SHERRI: That's a clue, that sure is. All
3 of these are revelations of Christ.

4 JOHN: I'm not going to dispute them.

5 SHERRI: And there's time no longer.

6 Remember Revelations 10?

7 JOHN: Um-hum.

8 SHERRI: Time no longer.

9 JOHN: For who?

10 SHERRI: For people of this earth. There's
going to be --

11 JOHN: Are, are you trying to tell me
something?

12 SHERRI: I'm just telling you what the book
13 says, that's all.

14 JOHN: Yeah, but did the book say when?

15 SHERRI: The book says when it's, when the
16 voice of the seventh angel begins to sound.

17 JOHN: Uh-huh.

18 SHERRI: When these books are opened and
understood from cover to cover --

19 JOHN: Yes.

20 SHERRI: -- and harmonized, completely
21 harmonized --

22 JOHN: Where does it say that? Completely

23

24

25

1 harmonized.

2 SHERRI: When you start understanding the
3 Bible -- do you even understand Revelations? No.

4 JOHN: Not -- no, I don't.

5 SHERRI: But when you do start understanding
6 --

7 JOHN: Uh-huh.

8 SHERRI: -- in light of all of the prophets
9 --

10 JOHN: Yes.

11 SHERRI: -- that's what 10:7 is talking
12 about. When the voice of the seventh angel begins to
13 sound, the mystery of God -- that book is a mystery.
14 Revelations is a mystery, don't you think? Of
15 understanding?

16 JOHN: It's a little deep.

17 SHERRI: Yeah, it is a little deep. The
18 mystery of God will be finished as it has already been
19 declared to the servants, the prophets. So if you
20 have an understanding of what Isaiah saw, Josiah,
21 Jeremiah, all of the Old Testament prophets, if you
22 understand what they all saw and then understand the
23 Book of Revelations, in light of what all they saw,
24 don't you think it's time no longer at that time?
25 Things are going to be finished?

1 JOHN: I can't answer that.

2 SHERRI: Well, that's what the book says,
3 anyway.

4 JOHN: You know. And, and you may be
5 talking --

6 SHERRI: So where's the third seal found?

7 JOHN: -- a very strict interpretation of
8 the book.

9 SHERRI: Well, I'm just saying word for
10 word, didn't -- when he gave you the study, didn't he
11 give you it word for word?

12 JOHN: Well, it's like saying that, you
13 know, Christ made the, the earth in seven days. Did
14 it happen in seven days --

15 SHERRI: Well, that's what it said.

16 JOHN: -- did it happen in seven months, in
17 seven years, in seven centuries.

18 SHERRI: It didn't say years and months and
19 years, uh-uh. It said in seven days it was created.

20 JOHN: Well, that's a strict interpretation.

21 SHERRI: Well, no. No private
22 interpretation, that's just, you know --

23 JOHN: I didn't say private interpretation,
24 I said it's a strict interpretation.

25 SHERRI: Okay. A strict interpretation.

1 JOHN: Yeah.

2 SHERRI: Okay. But it didn't say years, it
3 says days. So as we know days, that's how we take it.

4 JOHN: Yeah, but we take other things out of
5 context --

6 SHERRI: Okay, so where's the third seal --

7 JOHN: -- in there, don't we?

8 SHERRI: Where's the third, where's the
9 third seal found?

10 JOHN: I say we take other parts of it out
11 of context, don't we?

12 SHERRI: I don't think so.

13 JOHN: Yeah? Well, what happens when there
14 was --

15 SHERRI: You tell me where we take it out.

16 JOHN: What happens when there was no sun
17 out in the Old Testament?

18 SHERRI: What do you mean, when there's no
19 sun out?

20 JOHN: Huh?

21 SHERRI: When there's no sun out.

22 JOHN: Yeah.

23 SHERRI: You mean when? In one of the
24 seals?

25 JOHN: The sun hadn't been created and

1 they're talking about days.

2 SHERRI: Oh, you mean the, oh, you mean when
3 the sun was not created?

4 JOHN: Yeah. And how do you count days
5 then?

6 SHERRI: Now, that was on the fourth day.

7 JOHN: Okay.

8 SHERRI: So what are, what are you -- did I
9 answer it?

10 JOHN: You're going -- did it happen in a
11 day?

12 SHERRI: Well, that's what it said. Sun,
13 moon and stars --

14 JOHN: But, but what happened before the
15 fourth day?

16 SHERRI: What happened before the fourth
17 day?

18 JOHN: Uh-huh.

19 SHERRI: There was a third day. And then
20 there was a second day. And a first day. And then
21 there was, let there be light. And then there was
22 light.

23 JOHN: Uh-huh.

24 SHERRI: Hum. But it didn't say years that
25 these things were created, it said a day. So we know

1 --

2 JOHN: What about, what about taking other

3 things out of context in there?

4 SHERRI: Well, for instance.

5 JOHN: What?

6 SHERRI: For instance. Give me an example.

7 Taking things out of context. Like?

8 JOHN: When you apply things that were

9 written back then --

10 SHERRI: Like --

11 JOHN: -- under today's times.

12 SHERRI: I'll tell you what the Hebrew --

13 JOHN: Whether it be the verbiage --

14 SHERRI: The Hebrews signify --

15 JOHN: You know, are we gonna, are we gonna

16 hear thunder or are we gonna hear something else?

17 SHERRI: Well, you know it as thunder.

18 JOHN: Are we gonna talk about a bow and

19 crow or something --

20 SHERRI: I think you're gonna --

21 JOHN: -- or are we gonna talk about

22 something else.

23 SHERRI: I think you're gonna, think you're

24 see, I think you're gonna be, excuse the language, but

25 I think you're gonna be shitting in your pants, sir.

1 JOHN: Well.

2 SHERRI: Excuse me, but, you know.

3 JOHN: That really wasn't kind coming fr--

4 SHERRI: Well, that's why I said excuse me.

5 JOHN: -- coming from an educated person,
6 was it?

7 SHERRI: Well, there's many educated people
8 that have more foul language than me, and I did, I did
9 warn you ahead of time.

10 JOHN: You did.

11 SHERRI: I did, and those --

12 JOHN: But is, is there something to tell me
13 that Waco, Texas is Babylon?

14 SHERRI: Hey, the world is Babylon.

15 JOHN: Huh?

16 SHERRI: The word Babylon just means
17 confusion. And you know, there's so many cases that --

18 JOHN: Yeah, but not the way it's been told
19 to me in the last three nights by, by David. Okay?

20 (Unidentified male voice in background not
21 discernible.)

22 SHERRI: Yeah.

23 JOHN: You getting prompted by somebody else
24 there?

25 SHERRI: No, he, he said, he just, he was

1 just, I was just -- he says you should have heard the
2 federal agents out here talking, and I'd already you
3 about that.

4 JOHN: Hey. You're just interpreting this
5 thing too, you know?

6 SHERRI: I'm not interpreting.

7 JOHN: Sure you are.

8 SHERRI: What am I interpreting?

9 JOHN: Sure you are.

10 SHERRI: What am I interpreting?

11 JOHN: Hey, the book was written and
12 interpreted by who? A man. Right?

13 SHERRI: Wait a minute, say that again?

14 JOHN: The book was written and interpreted
15 by a man, right? Many men.

16 SHERRI: Well, not according to one of the
17 apostles, what he says about it.

18 JOHN: Was he a man?

19 SHERRI: He was a man. But what he says, he
20 says no scripture is just interpreted by a man.

21 JOHN: Hey, you open up the front page of
22 your book, and it was written by someone.

23 SHERRI: It's not private interpretation.

24 JOHN: Huh?

25 SHERRI: It was all given by spirit.

1 JOHN: Now, whether you want to go to the
2 King James Version or you want to go another version -

3 - SHERRI: Anyway. Anyway.

4 JOHN: Let me ask you a couple of questions.

5 SHERRI: I'm, I'm --

6 JOHN: Let me -- hey, wait a minute.

7 SHERRI: I want to teach you, I want to
8 teach you a Hawaiian word.

9 JOHN: Aloha?

10 SHERRI: No, it's tau, T-A-U.

11 JOHN: T-A-U?

12 SHERRI: Uh-huh.

13 JOHN: Let me ask you something.

14 SHERRI: That means, I'm finished.

15 JOHN: Hey.

16 SHERRI: Yes.

17 JOHN: Don't be that way now.

18 SHERRI: What do you mean, don't be that
19 way? You don't --

20 JOHN: I've been listening to you, don't you
21 want to listen to me?

22 SHERRI: Well, I've listened, I've listened
23 on the TV and the radio.

24 JOHN: No, no, no, no.

25 SHERRI: I've listened a lot.

1 JOHN: Hey. Let's be fair now.
2 SHERRI: Let's be fair now?
3 JOHN: I've listened to you.
4 SHERRI: You're talking about let's be --
5 JOHN: I've listened to you, now --
6 SHERRI: -- fair? Whoa.
7 JOHN: Now how about letting me ask you a
8 couple of questions?
9 SHERRI: Whoa, whoa. Whoa, now, I think --
10 JOHN: You just want to be verbose, and you
11 don't want to let anybody else say anything.
12 SHERRI: -- you've asked, I think you've
13 asked a lot of questions, and --
14 JOHN: Huh?
15 SHERRI: I think I'm done.
16 JOHN: You're being kind of rude.
17 SHERRI: I'm sorry. But I'm, I'm done.
18 JOHN: Hey.
19 SHERRI: Yes.
20 JOHN: Can I ask you a couple of things? I
21 want to ask you just a couple of questions, okay?
22 SHERRI: I don't think so.
23 JOHN: Are, do you --
24 SHERRI: I actually didn't even want to talk
25 tonight, and I was --

1 JOHN: Why not?
2 SHERRI: -- and I was asked to.
3 JOHN: Let, let me ask you something.
4 SHERRI: Do you know that I have --
5 JOHN: I want to tell your, I want to tell
6 your mom something, all right, and I'm gonna tell her
7 more than just look at Matthew 24.
8 SHERRI: No, I want you to give that message
9 exactly the way I gave it.
10 JOHN: Well, I'm gonna tell her --
11 SHERRI: I want you to tell her Matthew 24,
12 she'll understand.
13 JOHN: No, I'm gonna -- somebody's gonna
14 tell her that we spoke to you.
15 SHERRI: Good. And tell her that we went
16 over the first, second, and third seal, somewhat.
17 JOHN: Probably do -- somewhat, huh.
18 SHERRI: Somewhat.
19 JOHN: Let, let me ask you something,
20 Sherri.
21 SHERRI: You know what, she used to say --
22 JOHN: Sherri, answer, answer something.
23 SHERRI: She used to say --
24 JOHN: You love to talk.
25 SHERRI: I think that --

1 JOHN: You know, you learn more from
2 listening, you know.

3 SHERRI: I think that --

4 JOHN: Is that what you tell your students?

5 SHERRI: No, and you know I used to teach
6 some rotten students.

7 JOHN: You tell them you learn more from
8 listening than from talking though, don't you.

9 SHERRI: I'm telling you, I'm telling you,
10 they were pretty bad. In fact, my principal was, just
11 before I, I left this last time, he goes --

12 JOHN: Where was that?

13 SHERRI: He goes --

14 JOHN: Huh?

15 SHERRI: He says, you know, we used to be
16 afraid, not afraid, but we used to be fighting off
17 students with spit wads, you know --

18 JOHN: You're kidding me.

19 SHERRI: -- years ago, years ago. Now we
20 fight them off with guns and knives.

21 JOHN: Not in schools.

22 SHERRI: That's -- oh, yes. Oh, yes.

23 JOHN: You got to be kidding.

24 SHERRI: No. I worked with the at-risk kids
25 with, you know, the druggies --

1 JOHN: Uh-huh.

2 SHERRI: -- the ones that were kicked out of
3 school --

4 JOHN: Uh-huh.

5 SHERRI: -- the failures, the ones that,
6 that had the guns and the knives and --

7 JOHN: You just don't hear about those
8 problems out there.

9 SHERRI: Oh, man. I had a, I had a kid that
10 -- 'cause I taught computers.

11 JOHN: Uh-huh.

12 SHERRI: And he came in, he says oh, well,
13 you know, I can't type today because I got shot in the
14 hand because I stole this car and, and the cops, when
15 they got me, you know, I, I just got in a mess of
16 trouble. And I go okay, that's cool, you know.

17 JOHN: Yeah.

18 SHERRI: I said, well, let me look at it, so
19 I looked at it and I said, well, you do what you can,
20 and I wanted him to just, just do what he could.
21 Anyway, but --

22 JOHN: Hey, there's, there's some, there's
23 some redeeming value in all of them, though, isn't
24 there?

25 SHERRI: Oh, they're terrific, I don't care

1 --

2 JOHN: Hey, look at David.

3 SHERRI: Da-- yeah. What about him? He was

4 a --

5 JOHN: He was a dropout.

6 SHERRI: He was a dropout and he had perfect

7 citizenship. He was no trouble.

8 JOHN: Sure.

9 SHERRI: You know, that's, that's --

10 JOHN: You know, and that's great, isn't it?

11 SHERRI: Oh, you know what, there's somebody

12 right here. Oh --

13 JOHN: Hey, wait a minute, don't run off.

14 SHERRI: Wait, she just wants to talk to you

15 --

16 JOHN: Don't run off.

17 SHERRI: -- for one second.

18 JOHN: Let me ask you something.

19 SHERRI: What?

20 JOHN: I mentioned to you that, that David

21 and Steve both told me --

22 SHERRI: Um-hum.

23 JOHN: -- that all of the adults and women

24 and children are, are free to leave there, right?

25 SHERRI: Oh, absolutely.

1 JOHN: And they're there on their own
2 volition.

3 SHERRI: Absolutely.

4 JOHN: Okay. And that you're there because
5 you want to be there, is that correct?

6 SHERRI: Totally.

7 JOHN: Now, do you have any -- I mean, you
8 got a husband there, children there, anything like
9 that?

10 SHERRI: Yeah.

11 JOHN: Okay. And so the only person on the
12 outside that you want that message passed to is your
13 mom, huh?

14 SHERRI: For, at this moment.

15 JOHN: What, she'll pass on to other people?

16 SHERRI: If she wants to.

17 JOHN: No, I just want to make sure that I'm
18 not missing out on somebody for you.

19 SHERRI: I just -- I, no. You know, they
20 know where I stand, and they know that that Bible is,
21 is -- I'm testing it, to tell you the truth.

22 JOHN: Hey, how many children do you have?

23 SHERRI: I think I'll keep that to myself.
24 You'll find out.

25 JOHN: Well, I told you.

1 SHERRI: I have, I have several. Anyway --

2 JOHN: Why are you reluctant to tell me?

3 SHERRI: Because this person is nudging on
4 my arm and wanting to talk to you. Just a minute.

5 JOHN: Would you stay right there and come
6 back to me.

7 SHERRI: Listen, it's been lovely, it's been
8 lovely discussing the seals with you. I hope you will
9 have another study with David if, if you can, because
10 you can benefit from getting into the fifth seal.

11 JOHN: Can't we all, huh.

12 SHERRI: Yeah. I mean take it to heart.
13 Truly.

14 JOHN: I do.

15 SHERRI: Yeah. (Laughs.)

16 JOHN: I do.

17 SHERRI: Well, good.

18 JOHN: It's something new for me.

19 SHERRI: Good. I hope so.

20 JOHN: So it's, it's, it's just kind of hard
21 to take it.

22 SHERRI: Yeah.

23 JOHN: Just answer me one question before
24 you run off because somebody's tugging at your arm.

25 SHERRI: I, I answered it already.

1 JOHN: Why do you have all those weapons in
2 there?

3 SHERRI: Why?

4 JOHN: Yeah.

5 SHERRI: If we didn't we would have been
6 slaughtered. Why, how --

7 JOHN: Well, no, no, no.

8 SHERRI: Let me -- oh, well, you know what?

9 JOHN: Why do you have them? I've been in
10 Baptist church and Catholic church and synagogues and
11 all these places, and I don't see weapons.

12 SHERRI: Hey, you just stepped on the phone
13 again. There.

14 JOHN: And I, I don't see weapons there.

15 SHERRI: You don't see weapons there?

16 JOHN: No.

17 SHERRI: Well, you know, Christ said if my
18 kingdom was of this world, my servants would fight.

19 JOHN: Uh-huh.

20 SHERRI: Well. Did you know that he asked

21 -- JOHN: Let me know the last time you go into
22 a Catholic church or a Baptist church or a
23 Presbyterian, Lutheran, Episcopalian --

24 SHERRI: Well, I'll tell you what.

25 JOHN: -- and you find all the weapons.

1 SHERRI: How come nothing has been said
2 about the three choppers that came over and just
3 started whaling on this building.

4 JOHN: Don't know anything about it.

5 SHERRI: With machine guns. Oh, ho, ho.
6 That's how --

7 JOHN: Huh?

8 SHERRI: That's how I believe --

9 JOHN: From what I understand and from what
10 I've been told --

11 SHERRI: Well, I know.

12 JOHN: And I can only tell you what I've
13 been told, is that no rounds were fired out of
14 helicopters.

15 SHERRI: No rounds --

16 JOHN: That's right.

17 SHERRI: -- were fired out of helicopters.

18 JOHN: That's the only thing I was told.

19 SHERRI: You -- that is, excuse me, but this
20 is --

21 JOHN: Don't use any profanity now.

22 SHERRI: Excuse me, I am warning you, that's
23 bullshit, I am sorry.

24 JOHN: Well, all I'm telling you --

25 SHERRI: I am sorry, we have --

1 JOHN: -- is what I was told.

2 SHERRI: We have proof. I mean, you don't
3 get bullets from coming down from the ceiling down.

4 JOHN: Uh-huh.

5 SHERRI: From no -- three helicopters --

6 JOHN: Uh-huh.

7 SHERRI: -- with machine guns on them.

8 JOHN: Uh-huh.

9 SHERRI: Now, come on. We have a dead
10 person, I think because of that.

11 JOHN: Well, you may have had more.

12 SHERRI: Which you not even come get, which
13 we're gonna bury tomorrow out in front.

14 JOHN: Yeah, well.

15 SHERRI: I am, I am --

16 JOHN: It seems like a righteous thing to
17 do.

18 SHERRI: If you did not have -- oh, yeah.
19 But not on your part.

20 JOHN: Why?

21 SHERRI: Why?

22 JOHN: Yeah, why do you say that?

23 SHERRI: Maybe you're not understanding, I
24 said it was not righteous of you guys to have three
25 helicopters coming over. I mean, you have these

1 people coming --

2 JOHN: Those guys didn't have three
3 helicopters.

4 SHERRI: Well look at -- you did have three
5 helicopters. You did. If I had a camera in my hand I
6 would have taken it.

7 JOHN: Hey, you're talking to the, you're
8 talking to an FBI agent, all right?

9 SHERRI: I know. Well, I'm telling whoever,
10 'cause I can't talk to anybody else.

11 JOHN: You're right.

12 SHERRI: The ATF people, then. Those
13 people.

14 JOHN: Right.

15 SHERRI: You have them coming in the front
16 with these two, two, you know, cattle -- I don't know
17 what you call them -- trucks, like.

18 JOHN: Trailers.

19 SHERRI: Filled with men, coming out
20 shooting. I mean, and then, in the back of our
21 property you have three choppers coming in on us.

22 JOHN: Uh-huh.

23 SHERRI: I mean, come on. We're talking
24 slaughter here. And the only reason those, those
25 choppers took off was because we were firing at them.

1 Now, we --

2 JOHN: That doesn't tell me why you had the
3 weapons there, though, does it.

4 SHERRI: I'm telling you. Self-defense.

5 JOHN: Hey, that's not what the Constitution
6 says.

7 SHERRI: The Constitution says bear arms,
8 okay --

9 JOHN: But --
