TAPE # 117

3/12/93
2:24 P.M. - 5:53 P.M.

1 (Tape 117)

2 PHONE RINGING REPEATEDLY

3 UNIDENTIFIED SPEAKER: Hello. Hello.

4 [gap] PHONE STILL RINGING

5 JOHN: Hello.

6 STEVE: Hello, John?

7 JOHN: Steve? Hold on a second. What
8 happened to you?

9 STEVE: Well, what's happened? I've been
10 waiting for hours. What happened?

11 JOHN: We've been, we called about 900
12 times.

13 STEVE: What?

14 JOHN: Honest to God. I can give you an
15 exact count. We've been calling since --

16 STEVE: I couldn't figure what's -- I've
17 actually been sitting by the phone even. I, you know
18 what, John, I even picked up the phone to make sure
19 there was a dial tone, everything was fine. I thought
20 well, maybe they're taking a few more minutes or
21 something's happened or, it didn't make sense.

22 JOHN: I know, it didn't make sense to us.
23 We've called, I'd say, let me see, conservatively, 25
24 times.

25 STEVE: What happens when you dial?

1 JOHN: I get a dial tone and I get a ring.

2 STEVE: Well, how weird. The phone, there's
3 nothing wrong with it unless there's some, I don't
4 understand because the thing --

5 JOHN: Did you call me?

6 STEVE: Huh?

7 JOHN: Did you call me?

8 STEVE: No, I picked, I just picked it up, I
9 thought, I kept on waiting a few more minutes then
10 Pablo Cohen came to me and he says, while you're
11 waiting for the call, can you film me and I says,
12 well, I guess, so we sat there, we started talking and
13 I kept on, in fact, the phone's not that far from me
14 and I thought, that's strange.

15 JOHN: That's so weird.

16 STEVE: It is. I couldn't figure out what
17 had happened because you had said to me, I'm going to
18 call you in just a few minutes --

19 JOHN: Exactly.

20 STEVE: -- yeah.

21 JOHN: Momentarily, I think was the word we
22 used, momentarily.

23 STEVE: Exactly.

24 JOHN: Yeah, I'll call you momentarily.

25 STEVE: Right.

1 JOHN: I did. We've called, 25 times,
2 honestly.

3 STEVE: Gee whiz, in fact, David even, I
4 just went and talked to him, I don't know what's up
5 and he says, well, let's call them then, so that's
6 when I decided I'd better get on the phone myself and
7 see what was happening.

8 JOHN: Yeah, what we should, what we should
9 do is, I'll tell you what, why don't, why don't I call
10 you back, I'm gonna just hang up and you hang up --

11 STEVE: Okay, and if I don't hear you within

12 --

13 JOHN: If you don't hear within --

14 STEVE: One minute.

15 JOHN: -- sixty seconds, one minute, sixty
16 seconds --

17 STEVE: Okay.

18 JOHN: -- call me back.

19 STEVE: Okay.

20 JOHN: Now, as an, as an alternative, --

21 STEVE: Right.

22 JOHN: -- we have Wayne's phone as the back-
23 up phone.

24 STEVE: Okay, that's quite a distance from
25 David so, --

1 get through, Kathy left a message on Wayne's answering
2 machine just to prove that, you know, she called back.

3 STEVE: Okay, what's his name, Oliver, was
4 actually hoping to talk to Kathy and just ask her a
5 question or two, but I guess that it's, that's
6 impossible now is it or what?

7 JOHN: Hold on a second.

8 STEVE: All right.

9 JOHN: Okay. Can you put her on the line?

10 STEVE: Pardon?

11 JOHN: Hold on a second. I'm finding out
12 where she is. Okay, I'll tell you what.

13 STEVE: All right.

14 JOHN: We need to check the line because we
15 can't --

16 STEVE: Call me right back, I'll just be
17 right here.

18 JOHN: We can't let this happen again.

19 STEVE: If I don't hear from you in one
20 minute, I'm gonna call you back.

21 JOHN: Sixty seconds, call me back.

22 STEVE: Sixty seconds, got you.

23 JOHN: One minute.

24 STEVE: I'm timing now, bye.

25 JOHN: Bye-bye.

UNIDENTIFIED SPEAKER IN BACKGROUND: So he knew we weren't jacking around. They know we have a recording on the other machine.

JOHN: Right.

UNIDENTIFIED SPEAKER: -- checking for verification.

(Background conversation)

UNIDENTIFIED SPEAKER: No answer.

JOHN: Hang up and call me back. He's right by the phone.

STEVE: Nothing's happening.

JOHN: Nothing rang, okay, I'm gonna, I'm just, let me switch phones here, I usually do.

STEVE: Okay.

JOHN: Okay, nothing came out, you didn't hear any ringing at all?

STEVE: Nothing at all.

JOHN: Okay, now --

STEVE: I mean, it worked this morning and you called me a couple times, that's what's strange. I don't understand what's going on, and no one's touched the phone, it's in the same location --

JOHN: That is really weird. Is there a little thing called a ringer adjustment where you can

1 shut the ringer off?

2 STEVE: Well, what happened is someone
3 dropped the phone, I think yesterday, and the button
4 to that fell out, but it's been working okay since
5 even though it's not on the side, I think it fell off
6 inside the phone or something.

7 JOHN: Are you using the phone that, that we
8 sent, or are you using your own phone?

9 STEVE: I'm using the -- own one. The other
10 one didn't seem to be that great either, but unless
11 it's the line again, see, apparently, I don't know.

12 JOHN: No, I think it, it sounds to me like
13 maybe something happened to what they call the ringer,
14 you know, the thing to ring the bell.

15 STEVE: Maybe, maybe.

16 JOHN: Yeah. Okay --

17 STEVE: I'll have to, I'm gonna try to have
18 somebody hook, what I'll do is switch phones, try to
19 use a different one and see that's what it is then.
20 I'll have somebody check it or --

21 JOHN: Yeah, yeah, well, let's see, --

22 STEVE: Okay, someone said that you dropped
23 out, Greg is standing right by me, apparently he's
24 looked out the window and saw that they dropped off a
25 cooler or something?

1 JOHN: Well, what we did, we figured, jeez,
2 there's a possibility of the moisture line problem, --

3 STEVE: Yes.

4 JOHN: -- so we wanted to up, you know, make
5 sure that you understood --

6 STEVE: Yeah, okay.

7 JOHN: -- we were upholding everything we
8 were doing --

9 STEVE: Right.

10 JOHN: -- so we had the milk dropped off at
11 the usual drop off spot.

12 STEVE: Okay.

13 JOHN: So that's where that's at.

14 STEVE: Right.

15 JOHN: So, now, where does Oliver stand?

16 STEVE: Okay, now he's down, he's been
17 anxiously waiting to tell you, he keeps on coming up
18 to me, asking me, and I says, well, I haven't heard
19 yet. I says, I'm sure they're gonna be calling any
20 minute here, so he's all dressed, ready to go.

21 JOHN: He's dressed, ready to go?

22 STEVE: Oh, yeah.

23 JOHN: Okay.

24 STEVE: What I should do is probably -- let
25 me call you right back, let me run downstairs, if you

1 want, I'll bring him on the phone and then we'll go
2 from there or what?

3 JOHN: Sure.

4 STEVE: Okay, let me do that, let me call
5 you right back and --

6 JOHN: Call me right back.

7 STEVE: -- and I'll try, I'm gonna try and
8 grab another phone here so you can ring through.

9 JOHN: Yeah, please --

10 STEVE: Okay, I'll call you right back.

11 JOHN: Call me right back.

12 STEVE: Okay, bye.

13 JOHN: Okay, thank you.

14 * * * * *

15 JOHN: Hello.

16 STEVE: Hello, John.

17 JOHN: Hi, Steve, one second.

18 STEVE: Okay.

19 JOHN: How are you doing?

20 STEVE: We're trying to get this phone thing
21 taken care of.

22 JOHN: Did you replace the, put a new phone
23 on?

24 STEVE: That's what he's doing right now,
25 but he knows -- both these phones we have, the cord

1 goes inside the machine instead of, you know,
2 sometimes they detach from the outside real easy, this
3 one doesn't so he's trying to figure out just how to
4 do this here.

5 JOHN: Is this our phone or Wayne's phone?

6 STEVE: This is a new phone that we had,
7 that we pulled up, that we forgot we even had.

8 JOHN: Oh, okay.

9 STEVE: Greg just found it and I forgot we
10 even had that thing around.

11 JOHN: Good.

12 STEVE: Ollie, he's just down, he's just a
13 few feet away from me here. He's talking to someone.

14 JOHN: Okay.

15 STEVE: I was just talking with David. He's
16 real concerned because of that woman that called this
17 morning, saying she's lived here, knew us --

18 JOHN: Oh, we handled that, --

19 STEVE: And I was, I'm happy, but --

20 JOHN: Yeah.

21 STEVE: I think, it sounds like it's gonna
22 start happening a lot. Some other, some other person,
23 a radio station says they were a wife, it's nonsense,
24 you know, he'll come right out and tell you who and
25 what, you know, he's involved with, --

1 JOHN: I know that.

2 STEVE: He really will, I mean, you know
3 that just by the video that he sent to you, right?

4 JOHN: Let me tell, let me tell you what we,
5 right. Let me tell you what we --

6 STEVE: Can I ask you a question in his
7 behalf?

8 JOHN: Sure, please do.

9 STEVE: Okay, here's the statement he just
10 made to me. He said the next press conference,
11 whenever that's going to be, if, if your
12 representative could say something to the effect that
13 there's, well, see, number one, we heard on the news
14 that his own mother was offered like, 75,000 cash
15 already in behalf of doing a movie or something by a
16 producer, she's got an attorney, and apparently she's
17 accepted it. I don't know if that's as much or all.
18 David's not happy. He called that blood money. If
19 they want to say any of this they can, and he even
20 said, well, that's more money than she made even as a
21 prostitute. He made that statement.

22 JOHN: He made that statement.

23 STEVE: She used to be, way back when he was
24 a little boy and so forth, that's what she was. That
25 can be checked out and proven.

1 JOHN: So that's okay with him?

2 STEVE: That's okay by him.

3 JOHN: Okay.

4 STEVE: He does not mind if they say that in
5 a press conference because, he, he, because of that,
6 that the news said that she made 75,000 for her story,
7 there's gonna be all sorts of people that all of a
8 sudden start knowing him, --

8 JOHN: I know.

9 STEVE: I think that was the motive. I was
10 trying to figure out, why would this woman say she
11 knows us, she was here Friday, and we're all
12 scratching our heads. What's the motive here? Well,
13 then I remembered about the 75,000 that was mentioned
14 on the news that, that the mother made and there's a
15 number of other producers that wanted to do a movie on
16 this, well, then, it makes sense, of course.

16 JOHN: I know that.

17 STEVE: Everybody wants some notoriety --

18 JOHN: Excuse me.

19 STEVE: -- and maybe some finances gained
20 out of this, and, so he said that --

21 JOHN: Excuse me one second. Oh, she's
22 ready now, she's ready now. Oh, good, good. She's
23 ready now.

JOHN: She wants to talk to you, so --

STEVE: Oh, great, great.

JOHN: Okay, you ready? She wants to talk
to you too.

STEVE: Oh, that's super.

JOHN: Okay. I'm going to be on this, go
ahead. Go ahead.

KATHY: Hello.

STEVE: Kathy?

KATHY: Hi, Steve.

STEVE: How are you doing?

KATHY: Okay.

STEVE: Great.

KATHY: It has been so long of a day.

STEVE: I'll bet it has.

KATHY: How come you didn't call to check on
me?

STEVE: We thought that something had
happened. We were waiting every minute, I thought I'd
just give him a few more minutes, few more minutes --

KATHY: Huh-huh. Thank you, Steve, those
few more minutes, I mean, has wasted my day now. I
can't go through the system.

STEVE: You can't?

1 KATHY: It's, look what time it is. They're
2 not gonna process me on until I got a hold of you.

3 STEVE: Oh.

4 KATHY: So we've been sitting here all day.

5 STEVE: We had a problem with the telephone
6 that they did.

7 KATHY: Water logged.

8 STEVE: Pardon?

9 KATHY: The lines were water logged.

10 STEVE: That's what it was, because --

11 KATHY: Yeah.

12 STEVE: Strange, I couldn't figure out,
13 everything we did.

14 KATHY: You need, you need to set up
15 something with the negotiators that if you, if you
16 haven't heard from each other that you do, like, twice
17 a day, have a certain time that --

18 STEVE: Right.

19 KATHY: -- you call anyway.

20 STEVE: Well, this is, this is it. I
21 thought something had happened. We were trying to
22 call out, nothing. There seemed to be a, an open
23 phone line --

24 KATHY: Yeah, you were able to call --

25 STEVE: -- but nothing was going on.

1 KATHY: You weren't able to call here
2 either?

3 STEVE: Well, I opened, I pulled up the
4 phone a couple times, I dialed a few numbers and
5 nothing happened the one time, so I just thought well,
6 he'll be calling me anyway.

7 KATHY: Yeah, well see, they tried calling
8 you about 25 times.

9 STEVE: That's what he was telling me.
10 That's what he was telling me.

11 KATHY: And it just kept ringing.

12 STEVE: So everything's okay then though
13 other, I mean, other than that though, are you fine?

14 KATHY: Yeah, I got to see Brian as soon as
15 I got here, we videotaped it, we're gonna send that in
16 to you.

17 STEVE: Okay, that's good.

18 KATHY: I had taped a message to send you,
19 oh, I also, you need to find out about Wayne's
20 recorded message phone, because they've been trying to
21 call you on that. They've been leaving messages, I
22 even left a message on Wayne's recording.

23 STEVE: Really?

24 KATHY: Yes.

25 STEVE: It's got to be the weather. It has

1 to be.

2 KATHY: So, so I, you know, I taped a
3 message to send you but we don't need to do that now.

4 STEVE: I, well, did his phone work, is the
5 question. Were you able, so --

6 KATHY: His, his recording came on.

7 STEVE: Oh, it did, okay.

8 KATHY: Yeah. His message --

9 STEVE: I'll go check with that then.

10 KATHY: And, and I left a message on the
11 recorder so, um, I had been questioned by, so far, you
12 know, the negotiators, we've been talking about the
13 well being of the people inside of course.

14 STEVE: Right.

15 KATHY: I did mention Judy's finger, and --

16 STEVE: Good.

17 KATHY: -- that if they could possibly get,
18 maybe a doctor to call her.

19 STEVE: Good, she was hoping for that.

20 KATHY: And, and talk to her, you know,
21 maybe they can talk her into coming out --

22 STEVE: Sure.

23 KATHY: -- or they can just give her some
24 advice, you know, --

25 STEVE: Well, that's --

1 KATHY: -- as to what to do.

2 STEVE: That's fair.

3 KATHY: I mean, I can't say Judy's gonna
4 come out, you know, --

5 STEVE: Right.

6 KATHY: -- all I can say is, maybe she'll
7 listen.

8 STEVE: Exactly.

9 KATHY: So, maybe they'll work on getting a
10 doctor to call Judy, because it is getting worse, I
11 mean, --

12 STEVE: Right --

13 KATHY: -- I saw it yesterday.

14 STEVE: -- it definitely is. I was hoping
15 they would do that, have a doctor call her, talk to
16 her and --

17 KATHY: Yeah, it is getting worse.

18 STEVE: -- maybe see what happens from
19 there.

20 KATHY: But, you know, they've been asking
21 me about the well being of everybody else. I told
22 them everybody else is fine. Right now --

23 STEVE: They, they told me they dropped a
24 cooler off with milk in it up at the gate. I wonder
25 if they have --

1 KATHY: Oh, yeah, I was going to ask you
2 about that. Did you --

3 STEVE: -- a copy of Newsweek or Time, if
4 they're up there even.

5 KATHY: Did you, you haven't gone to get the
6 milk yet?

7 STEVE: No.

8 KATHY: It's been sitting there for hours.

9 STEVE: Oh, it has been. Well, I'll send
10 Greg out to get it then. Tell him, unless --

11 KATHY: I don't know if the Newsweek and
12 Time is there. If it is, I hope they put it in
13 something waterproof.

14 STEVE: I do myself.

15 KATHY: But I know the milk's there. I was
16 told that hours ago. They brought the milk there so
17 that maybe you'd see that so you'd call us.

18 STEVE: Right, well, that's what did cause
19 me to call, in fact, but, see --

20 KATHY: Okay.

21 STEVE: -- I was downstairs busy with Pablo,
22 trying to film him.

23 KATHY: Oh, that's what they said, last --
24 Byron talked to you this morning you were gonna go do
25 some filming. So, that's what they said maybe you

1 | were doing. But there still should have been somebody
2 | else by the -- anyway, I know, you're the only one
3 | that cares, huh?

4 | STEVE: Well, anyway.

5 | KATHY: Anyway, I'm doing fine.

6 | STEVE: Okay. Is there anything you'd like
7 | to say to Ollie?

8 | KATHY: Is he coming out?

9 | STEVE: Yeah, he will be coming out.

10 | KATHY: Okay, like I told these guys, I
11 | mean, they've been so good, Steve, you know, how --

12 | STEVE: Good.

13 | KATHY: -- how polite and honest, very
14 | honest the negotiators --

15 | STEVE: Super. Well that's gonna, that'll
16 | go a long way with --

17 | KATHY: I told them, --

18 | STEVE: -- alleviating the problem for
19 | Ollie.

20 | KATHY: I told them I'm the first one to
21 | take this step, --

22 | STEVE: Right.

23 | KATHY: -- and as, as, as I go through the
24 | system, and as I can report back to you people and let
25 | you know what happened to me, that's gonna be all the

1 more encouraging for others to come out.

2 STEVE: Right.

3 KATHY: So that's where I'm at right now.
4 They asked me if I would help, you know, with that
5 negotiation process and said definitely, that's why
6 I'm here.

6 STEVE: Okay.

7 KATHY: So, yeah, they do all care. They
8 all care a lot. You know, I got to see some pictures
9 of John's children and Mark's children, so --

10 STEVE: Oh, really?

11 KATHY: Yeah.

12 STEVE: Well, good.

13 KATHY: So, I told them about Ollie, I says,
14 if we'd have, if we'd had this phone line up, Ollie
15 could have probably already been out.

16 STEVE: Oh, he would have been. No question
17 about it.

18 KATHY: But, but with no contact, no way of
19 knowing what, what he was to do --

20 STEVE: I thought that was the weirdest --
21 even David says to me, well, let's try to call them
22 again, and that's when I said --

23 KATHY: They were asking me if maybe you all
24 were having some kind of meeting, and I was like, no,
25

1 | you know?

2 | STEVE: No, not at all. In fact, --

3 | KATHY: There was no --

4 | STEVE: I was, I came up here a couple of
5 | times, I sat and sat and waited, I picked up the
6 | phone, the line was okay and he had been calling me
7 | all day so that didn't make, no one has touched the
8 | phones, the line's, it didn't make sense.

9 | KATHY: I know. I thought, at first, maybe
10 | your phone was out, but --

11 | STEVE: And I didn't know, I don't know, I
12 | thought, maybe, I thought maybe it was taking a little
13 | more time than they thought.

14 | KATHY: But you know, every time it rains
15 | our lines get water logged.

16 | STEVE: Well, true.

17 | KATHY: If you, if you think back about it.

18 | STEVE: Well, sure, sure.

19 | KATHY: We've always had that problem.

20 | STEVE: I, it's so cold here, you kind of
21 | forget about everything but the cold I guess.

22 | KATHY: Oh, I wanted to tell you --

23 | STEVE: Yeah.

24 | KATHY: The Texas Rangers and another FBI
25 | agent has been questioning me and they are not asking

1 me any questions about the incident.

2 STEVE: Huh-huh.

3 KATHY: They're only asking about our
4 situation now.

5 STEVE: Okay.

6 KATHY: Okay? Which is basically the same
7 thing. The negotiators have been asking --

8 STEVE: Right.

9 KATHY: -- about everybody's welfare, and of
10 course they, of course the FBI also wants to make sure
11 that it's safe for their people too, okay?

12 STEVE: Uh-huh.

13 KATHY: So they're trying to clarify that it
14 is safe for their people and, you know --

15 STEVE: What do you meant that it's safe for
16 their people?

17 KATHY: You know, that were not pointing
18 guns out the windows or something, you know? You
19 remember the binocular situation --

20 STEVE: Oh, yeah.

21 KATHY: -- when they thought it was a gun?

22 STEVE: Oh, yeah.

23 KATHY: You know, things like that and I
24 said, no, definitely, it's nothing like that.

25 STEVE: I would have thought that with the

1 | sophistication of devices they have they, that's, even
2 | in the process when that happened, those days ago, --

3 | KATHY: They, they --

4 | STEVE: -- it surprised me --

5 | KATHY: Yeah.

6 | STEVE: -- that they, how they thought a
7 | binocular was --

8 | KATHY: They would have took, they should
9 | have totally been able see that was a binocular.

10 | STEVE: I would have thought so. But
11 | anyway, well, that's good, well.

12 | So, I guess Ollie, he'll be getting ready to go
13 | and where are you going to be then?

14 | KATHY: I'm still staying here for a little
15 | bit while the Texas Rangers finish asking me some
16 | questions, and, like I told them already, I would not
17 | waive my rights, I wouldn't sign the thing that I
18 | didn't want a lawyer. I don't have a lawyer yet, but
19 | I'm not answering any questions that I don't want to,
20 | you know, based on the fact that I don't have a lawyer
21 | yet. And then, they are trying to work it out with
22 | the court that even though tomorrow is Saturday, that
23 | I can still have an appearance tomorrow in the court.

24 | STEVE: I see.

25 | KATHY: So, they're working on that. Tell

1 Sita --

2 STEVE: Yeah.

3 KATHY: -- and Margarita --

4 STEVE: Sita and Margarita.

5 KATHY: -- and Lisa --

6 STEVE: And Lisa.

7 KATHY: -- that, oh, and Julie.

8 STEVE: And Julie.

9 KATHY: 'Cause Julie calls Brian, Charlie
10 Brown.

11 STEVE: That what?

12 KATHY: Julie calls Brian, Charlie Brown.

13 STEVE: Okay, Charlie Brown.

14 KATHY: Tell them all that Charlie Brown is
15 wonderful. He is --

16 STEVE: Charlie Brown's wonderful. Is he
17 with you now?

18 KATHY: No. He went back to the house.
19 It's getting late.

20 STEVE: Okay.

21 KATHY: And there's really no place for him
22 to rest here.

23 STEVE: Oh, I see, okay.

24 KATHY: Oh, in the video that we taped?

25 STEVE: Right.

1 KATHY: I had him do the warface for you.
2 STEVE: Okay, good.
3 KATHY: And, and Mark Young, here, called
4 Brian, Charlie Brown.
5 STEVE: Oh, really?
6 KATHY: Yeah, before I even ever said it.
7 STEVE: No kidding. It's funny, isn't it?
8 KATHY: Tell Julie and Lisa and Margarita
9 and Sita that Brian is --
10 STEVE: Charlie Brown's okay.
11 KATHY: Charlie Brown is wonderful.
12 STEVE: He's wonderful.
13 KATHY: And as soon as I get through the
14 system, I will go and check on the other kids.
15 STEVE: All right, good, good.
16 KATHY: Definitely.
17 STEVE: Okay.
18 KATHY: Okay?
19 STEVE: Yeah.
20 KATHY: Do you want me to talk to Ollie?
21 STEVE: Hang on.
22 KATHY: Okay.
23 GREG: Hey, Kathy.
24 KATHY: Hi, Greg.
25 GREG: How are you doing?

1 KATHY: Okay.

2 GREG: That's good. They're listening in on
3 this I'm sure.

4 KATHY: Yeah. How're ya doing?

5 GREG: Oh, I'm doing all right, how about
6 yourself?

7 KATHY: You're probably gonna go out there
8 and get the milk, aren't ya?

9 GREG: Yeah.

10 KATHY: Yeah. I don't know if the Newsweek
11 and Time is there. If it is I hope they put it in
12 something waterproof.

13 GREG: Yeah, really. It's pretty cold out
14 there. It's probably all crinkled up by now.

15 KATHY: It's probably wet. It's been out
16 there for hours.

17 GREG: Really?

18 KATHY: Yeah.

19 GREG: I just noticed it about 45 minutes
20 ago, or so.

21 KATHY: You didn't even see the tank come in
22 and bring it?

23 GREG: No, I didn't.

24 KATHY: Man, you guys aren't watching.
25 Nobody's watching.

1 GREG: Yeah, well somebody was watching and
2 they told us but they didn't --

3 KATHY: They didn't think anything of it.

4 GREG: Yeah.

5 KATHY: Well, there's been so much movement
6 on the property, you know?

6 GREG: Yeah.

7 KATHY: They wouldn't think anything of it.

8 GREG: Right.

9 KATHY: But, no, I'm fine. I got to see
10 Brian, everything's fine. They are asking about the
11 well being of, and the, you know, medical status of
12 the people inside.

12 GREG: Yeah?

13 KATHY: And basically, you know, the
14 overall, they're concerned for everybody's,
15 everybody's safe removal.

16 GREG: Right. So, how's everybody out
17 there? Have you seen anybody else?

18 KATHY: No, not yet. I, I heard that my
19 mother is here.

19 GREG: Really?

20 KATHY: Yeah. Possibly my mother-in-law
21 also. I don't know. Vying for, you know, temporary
22 custody of Brian.

23

24

25

1 GREG: So what are they holding for? Are
2 they still holding you?

3 KATHY: They're, they're not. They're still
4 questioning me right now, you know, before I even get
5 my initial appearance. Okay? They just want to get
6 the background information --

7 GREG: Initial --

8 KATHY: -- on --

9 GREG: -- appearance of what?

10 KATHY: Before the U.S. Magistrate.

11 GREG: Are they gonna charge you with
12 something?

13 KATHY: No, he's --

14 GREG: I wouldn't think so.

15 KATHY: No, the magistrate, the judge will
16 make that decision. If he charges me with anything.
17 Which I'll probably just mean is be a material
18 witness, which is, you know, what Katherine and
19 Margaret did.

20 GREG: Oh, really?

21 KATHY: Yeah.

22 GREG: They weren't charged with anything?

23 KATHY: Well, they were originally, but the
24 --

25 GREG: Oh, and they dropped it.

1 KATHY: But the FBI got involved and dropped
2 it, had it dropped because there was nothing
3 substantial against them.

4 GREG: Oh, that's cool. So, really, nobody
5 really has done anything wrong so, --

6 KATHY: Right.

7 GREG: Other than, you know, what they're
8 accusing --

9 KATHY: Other than not wanting to leave
10 their homes?

11 GREG: Exactly.

12 KATHY: Is there anything wrong with that?

13 GREG: No. You can't blame anybody.

14 KATHY: I know.

15 GREG: Nobody wants to hurt anybody let
16 alone kill anybody.

17 KATHY: Right.

18 GREG: I mean, jeez.

19 KATHY: And I straightened up a couple of
20 things with statements being said that we weren't
21 sorrowful about the deaths of the four agents.

22 GREG: Who said that we weren't sorrowful?

23 KATHY: A news, a news briefing did.

24 GREG: Oh, it figures.

25 KATHY: But these guys, these guys here

1 never said that, never told them that.

2 GREG: That's a terrible statement to say
3 about anybody.

4 KATHY: Yeah.

5 GREG: But God sees everything, like I said,
6 back in 1988, and he will, you know, deal with that
7 individual in a day of judgement.

8 KATHY: When I do get out on bond, I'm going
9 to contact Ron Ingleman --

10 GREG: On bond?

11 KATHY: Yeah, I'm sure I'll have to have a
12 bond.

13 GREG: Oh, really?

14 KATHY: Yeah.

15 GREG: Yeah, tell Ron I said hi. He's a
16 great guy.

17 KATHY: I'm gonna call, did you hear about
18 that woman that called this morning?

19 GREG: Yeah, yeah, he, he found out that it
20 was a bogus call.

21 KATHY: Oh, he did find that out?

22 GREG: Yeah.

23 KATHY: How did he find that out?

24 GREG: So we called up these guys and they
25 told, they called them up apparently, but Ron

1 apologized later on.

2 KATHY: Oh, really, the FBI called him?

3 GREG: Apparently so. But here's Steve.

4 KATHY: Wow. Pretty good.

5 STEVE: Kathy?

6 KATHY: Yeah.

7 STEVE: Here's Ollie.

8 KATHY: Okay.

9 OLIVER: Hi, Kathy.

10 KATHY: Ollie?

11 OLIVER: Yeah.

12 KATHY: Hi.

13 OLIVER: So, how was it?

14 KATHY: It was a little bumpy, no, it
15 wasn't. Everybody says, oh, the tank ride's gonna be
16 bumpy. It wasn't. It's, you just got to hang on when
17 they turn around.

18 OLIVER: Huh?

19 KATHY: You just got to hang on when the
20 tank turns around. That's all.

21 OLIVER: Oh, I see.

22 KATHY: 'Cause it, you know, they have to
23 really rev up the engine to turn around.

24 OLIVER: So where did they take you first?

25 KATHY: To the end of the road.

1 OLIVER: Um-hum.

2 KATHY: And they were going to put me in a
3 van, --

4 OLIVER: Uh-huh.

5 KATHY: -- and take me down to the other
6 intersection, but they decided to put me back in the
7 tank and take me down to the other intersection. You
8 know how bureau, bureaucrats are. So, when I got down
9 to the Y intersection, which is where all the cars and
stuff are?

10 OLIVER: Yeah.

11 KATHY: They put me in the sheriff's car,
12 Sheriff Lynch?

13 OLIVER: Um-hum.

14 KATHY: And brought me to TSTI, which is
15 where I sit. I've been here all day waiting to talk
to you.

16 OLIVER: Um-hum.

17 KATHY: I got to see Brian. He was here all
18 day with me.

19 OLIVER: Um-hum.

20 KATHY: I just sent him home at four.

21 OLIVER: Um-hum.

22 KATHY: To the house, you know, where all
the kids are?

23

24

25

1 OLIVER: Um-hum.

2 KATHY: So he can get some rest 'cause
3 there's really no place to sit down here.

4 OLIVER: Did they ask you any questions?

5 KATHY: Yes. They've asked about the well
6 being and the medical interest of the people inside.
7 And, he's trying to get me to do his job. He's trying
8 to get me to get you guys to come out. And I was
9 like, you know, I don't know your mind.

9 OLIVER: Um-hum.

10 KATHY: You know? I can give you all the
11 courage if you decide to come out, and I can be the
12 example here to show you that I'm being treated
13 fairly, you know? I was, I was, very gently treated
14 when the guys, you know when I first left and the tank
15 sat in the, in the road for so long?

15 OLIVER: Yeah.

16 KATHY: It's because he was going through my
17 bags and the lady frisked me, searched me, but she was
18 real gentle and the guy that searched my bags, he did
19 it right in front of me, I mean, they were just all
20 real nice and real, um, willing to --

20 OLIVER: Help?

21 KATHY: Yeah, willing to give me a good
22 attitude, you know --

23

24

25

1 OLIVER: That's great.

2 KATHY: -- show that they cared.

3 OLIVER: Okay.

4 KATHY: So --

5 OLIVER: I guess that's all I really need to
6 know.

7 KATHY: Yeah, well, that's what I'm, that's
8 what I'm trying to impart to you. I can impart to you
9 the relationship and the rapport that I have with them
10 and then that helps you make that decision for
11 yourself.

12 OLIVER: Okay.

13 KATHY: And if anybody else wants to make
14 that decision, you and I can be, you know, the sign.

15 OLIVER: No worries.

16 KATHY: Yeah, for them to know that, hey, we
17 can do this. We're all still the body whether we're
18 in there or out here. We're all one body.

19 OLIVER: Okay.

20 KATHY: Okay? We all have, we all have the
21 same God.

22 OLIVER: I mean that, Kathy.

23 KATHY: And these people out here, God's
24 gonna be merciful with them. You know that, don't
25 you?

1 OLIVER: Oh, yeah.

2 KATHY: Because they're really trying their
3 hardest.

4 OLIVER: Okay.

5 KATHY: I mean, you know, they got kids,
6 they got families to go home to too.

7 OLIVER: Um-hum.

8 KATHY: But, I'm hoping that they want to
9 learn the seals. I'm hoping that they want to make an
10 effort now to make a change in their own lives too,
11 and I'm hoping that this effects them because this is
12 a case like they've never had before.

13 You know, but they've all got other things to go
14 to.

15 OLIVER: Okay, yeah, no worries. Um, yeah,
16 I'm, you know --

17 KATHY: I told them, I told them you would
18 have done been out of here today if we had had this
19 phone hook up, hooked up.

20 OLIVER: Yeah.

21 KATHY: But --

22 OLIVER: Well, I'm, you know, I'm ready and
23 --

24 KATHY: -- not knowing what to do --

25 OLIVER: I'm waiting and, you know --

1 KATHY: Yeah.

2 OLIVER: -- I know what I need to do and, --

3 KATHY: I'm sure you need to, you know, find
4 out, you know, how do I do this? You know? You don't
5 want to walk out there and get shot.

6 OLIVER: No.

7 KATHY: You know, you got to, you got to
8 have that communication line open, so, we've really
9 got to keep this phone line up.

10 OLIVER: Yeah.

11 KATHY: It's so important.

12 OLIVER: Okay.

13 KATHY: Good luck, Ollie.

14 OLIVER: No worries. Did you want to speak
15 to Steve?

16 KATHY: Um.

17 OLIVER: Does anyone want to speak to Steve?

18 KATHY: Yeah, I want to talk to Steve.

19 OLIVER: Okay.

20 KATHY: Thank you.

21 OLIVER: Okay.

22 STEVE: Hello.

23 KATHY: Wait a second.

24 STEVE: Okay.

25 JOHN, IN BACKGROUND: Don't hang up until,

1 we got to -- use the phone -- we'll tell you when to
2 hang up.

3 KATHY: (to John) Okay.

4 JOHN, IN BACKGROUND: Are they gonna get
5 somebody else on?

6 KATHY: (to John) Do you want, I'm talking
7 to Steve now. Do you want me to set up a time with
8 him for you?

9 STEVE: It doesn't matter, yeah, Ollie's
10 ready to come out, you know.

11 JOHN, IN BACKGROUND: -- since they
12 aparently have contact --

13 KATHY: (to John) Yeah, Ollie's ready to come
14 out, you know. Ollie's ready to come out, you know.

15 STEVE: Ask John, do they, did they drop off
16 a Newsweek and Time magazine, do you know?

17 KATHY: (to John) Are you talking upstairs?
18 Did they drop off the Newsweek and Time with the milk?

19 JOHN, IN BACKGROUND: Hold on, I'm sorry, I
20 can't listen -- at the same time now. Do what now --?

21 KATHY: Hang on.

22 STEVE: All right.

23 KATHY: He's talking to somebody upstairs,
24 and he's gonna ask that question.

25 STEVE: I was hoping they would send some

1 pictures of themselves.

2 JOHN, IN BACKGROUND: -- and you'll talk to
3 them up there on other things, because they still got,
4 they still have to eat, right?

5 KATHY: (to John) I think they still have --

6 JOHN, IN BACKGROUND: Okay, go ahead and
7 tell Ollie good-bye and then, and then you hang it up
8 so you won't lose Steve up on the other end.

9 KATHY: (to John) Okay, they've got that line
10 open.

11 JOHN, IN BACKGROUND: But tell Ollie not to
12 hold, hang up the phone. Tell Ollie not to hang up
13 the phone.

14 KATHY: (to John) Steve's on the phone now.

15 JOHN, IN BACKGROUND: Okay, tell him not to
16 hang it up.

17 KATHY: Okay, when I say good-bye to you,
18 Steve, --

19 STEVE: Yeah.

20 KATHY: -- you don't hang up the phone.

21 STEVE: No, I'll be on.

22 KATHY: Because they're gonna pick up the
23 phone upstairs.

24 STEVE: All right.

25 KATHY: And they'll talk about the Newsweek

1 and Time because I know they dropped the milk off, but
2 I don't know --

3 STEVE: Okay, yeah, I know they did. It's
4 sitting out there right now, that's why we need to
5 send Greg out there.

6 KATHY: Yeah, I just talked to Greg, --

7 STEVE: Okay.

8 KATHY: -- and I told him he needs to go out
9 there.

10 STEVE: Well, Kathy, take care and you know,
11 you know, that --

12 KATHY: You tell the ladies about Brian yet?

13 STEVE: Not yet. I haven't been able to
14 leave the phone.

15 KATHY: Okay. You make sure you do that.

16 STEVE: I will.

17 KATHY: Okay.

18 STEVE: Okay.

19 KATHY: And Dick and John says hello.

20 STEVE: Okay, great.

21 UNIDENTIFIED SPEAKER: One second. I'm
22 sorry.

23 KATHY: And I'm gonna call and talk to you
24 back after I get through the system.

25 STEVE: Oh, great, good.

1 KATHY: Okay?

2 STEVE: It's all the better.

3 KATHY: And, and, see, they want to use me
4 as a negotiator to help bring more people out. So you
5 know I'm gonna contact you back.

6 STEVE: All right.

7 KATHY: Okay?

8 STEVE: Sure.

9 JOHN: Kathy, Kathy?

10 KATHY: Yes.

11 JOHN: John.

12 KATHY: Yes, Hi, John.

13 JOHN: I'm sorry I didn't get to meet you
14 personally, but, you know, it was a little hectic up
15 here too.

16 KATHY: Yeah.

17 JOHN: But I'm glad everything worked out
18 great.

19 KATHY: Thank you.

20 JOHN: Thank you.

21 KATHY: Okay, you talk to Steve.

22 STEVE: Sounds good.

23 JOHN: I wish you the best.

24 KATHY: Thank you.

25 JOHN: Bye-bye.

1 KATHY: Bye Steve.
2 STEVE: Okay, bye, Kathy.
3 JOHN: Hang on, Steve.
4 STEVE: Okay. John.
5 JOHN: How are you doing?
6 STEVE: Okay, real good.
7 JOHN: Good.
8 STEVE: Well, it sounds like it worked out
9 very well.
10 JOHN: Sounds that --
11 STEVE: Ollie has a better look on his face
12 even.
13 JOHN: He does?
14 STEVE: Yeah, much better.
15 JOHN: Okay.
16 STEVE: After hearing her and yourself and
17 what she's had to say about yourselves.
18 JOHN: Okay, is he all packed and ready to
19 go?
20 STEVE: Yeah, he's ready to go.
21 JOHN: Okay. Why don't we do this?
22 STEVE: Okay.
23 JOHN: How about this. We don't want to
24 waste daylight hours.
25 STEVE: Right.

1 JOHN: Obviously and, so, why don't we send
2 out Oliver to the pick-up spot, have him picked up and
3 then as soon as he departs we'll send Greg or whoever
4 you want to send out for the milk.

5 STEVE: Sounds good.

6 JOHN: Sounds good?

7 STEVE: Sounds okay to me.

8 JOHN: Okey-doke.

9 STEVE: Okay.

10 JOHN: Is he, is there anyone else coming
11 out with Oliver?

12 STEVE: I guess not right now. I went and
13 talked to the other two guys, they're all ready, they
14 got cleaned up, they're ready to go and they're a
15 little concerned 'cause how late it got.

16 JOHN: Okay, is that --

17 STEVE: They're talking to me about going,
18 they want to go, and for sure, I think they're going
19 to go now, tomorrow morning.

20 JOHN: That's fine.

21 STEVE: Yeah.

22 JOHN: That's fine.

23 STEVE: They said they're definitely coming,
24 they made up their mind, I talked to them again. They
25 haven't, they're all, in fact, all this time they took

1 getting ready and everything, so, they want to come.

2 JOHN: Okay, that's fine. Okay, did you,
3 have you the new phone on now or the old phone?

4 STEVE: Not yet because I've stayed right on
5 with you and I didn't want to --

6 JOHN: Let's, --

7 STEVE: Yeah.

8 JOHN: Let's not lose this connection.

9 STEVE: Exactly.

10 JOHN: Okay. Why don't you send out Oliver,
11 and I'll start the pick-up vehicle on the way.

12 STEVE: Okay, real, sounds good. (to
13 background) Let Ollie know he can start heading out.
14 And then, and then, Greg, when he, once he goes, and
15 they, they move him away, then you can go out and pick
16 up the milk and whatever is there.

17 JOHN: Right. Let me just make sure they're
18 ready to roll, --

19 STEVE: (to the background) I don't know
20 where he's at. I think he's downstairs.

21 Apparently he went, he went over to David's room,
22 I guess, --

23 JOHN: He went over to David's room to say
24 good-bye.

25 STEVE: -- just now to say good-bye or

1 something like that.

2 JOHN: Okay, I'm checking now to make sure
3 the pick-up vehicle --

4 STEVE: All right.

5 JOHN: -- is, will be ready to roll so I'm
6 not standing out there all day, you know.

7 STEVE: Okay. What happened with the Time,
8 Newsweek magazine?

9 JOHN: We have the original copies.

10 STEVE: All right.

11 JOHN: All right.

12 STEVE: Okay.

13 JOHN: Mint condition, I might add.

14 STEVE: All right.

15 JOHN: Okay. We scoured the country to
16 find four of them. It was not an easy chore.

17 STEVE: I believe it, I honestly do.

18 JOHN: We'll get those out there.

19 STEVE: Okay. I just found out Ollie was
20 just finishing eating. I didn't realize that he had
21 food there in his hands. He was just finishing what
22 he's, his meal there, I guess. He's still biting
23 down.

24 JOHN: Now, needless to say, you can call me
25 at any time, and also the night shift, any time.

1 STEVE: All right.

2 JOHN: So that's absolutely --

3 STEVE: Okay.

4 JOHN: -- no problem. But why we do have
5 this technical problem, so to speak --

6 STEVE: I'm going to be working on that as,
7 in fact, as soon as I put the phone down with you, the
8 first thing I'm doing is going to put on this phone,
9 try it and see that it's working.

10 JOHN: Do you want us to send you another
11 phone?

12 STEVE: I think this, this is a pretty nice
13 phone. It's a really decent one, it is brand new,
14 yeah, and so I think that is going to take care of it
15 once and for all.

16 JOHN: Okay.

17 STEVE: This one, I think what might have
18 happened, it's either the water, you know, or the rain
19 or what it is is this phone was dropped last night.

20 JOHN: I think it was the ringer because --

21 STEVE: I think, I think you could, but what
22 I don't understand though, is why would it have worked
23 this morning, right up till noon, though.

24 JOHN: Yeah, that's really strange.

25 STEVE: It is, it is.

1 JOHN: But --

2 STEVE: And no one's even been around here
3 at all.

4 JOHN: But in any case, while we have this
5 problem, before we get the new one installed and
6 working properly, --

7 STEVE: Okay.

8 JOHN: -- why don't you call us every hour
9 on the hour till we get the --

10 STEVE: the new -- hooked up.

11 JOHN: -- communications firmly
12 established.

13 STEVE: Right. Sounds good to me.

14 JOHN: Sounds good to me too.

15 STEVE: Okay.

16 JOHN: Okay, great, and then we'll work out
17 on, we'll have Oliver come out now and --

18 STEVE: Right.

19 JOHN: -- and when he departs then Greg, or
20 whoever you want, go get the milk. It's, it's, I'm
21 glad it's cool out so it's not going bad.

22 STEVE: Right.

23 JOHN: Okay.

24 STEVE: Okay.

25 JOHN: That sound's great. Have you located

1 Oliver?

2 STEVE: Yeah, he, I guess he's right over,
3 he's right down the hall from me right now. I guess
4 he's finishing up eating. I didn't realize that he
5 had put his food down to talk with Kathy and I guess
6 he's just finishing up the last few bites here.

7 JOHN: Okay. The pick-up vehicle is, is
8 ready to go, so --

9 STEVE: Oh, they are. So he can walk out
10 any time then?

11 JOHN: Yeah, but I want to maintain an open
12 line so you and I can --

13 STEVE: Right. Okay, I'm gonna pass you to
14 Scott for just one minute until I --

15 JOHN: Sure.

16 STEVE: -- I'm going to go find and see how
17 close he is to walking out here. Here's Scott.

18 JOHN: Thanks.

19 SCOTT: Hello?

20 JOHN: Hi, Scott, how are you doing?

21 SCOTT: Oh, fine. Who's this?

22 JOHN: John.

23 SCOTT: John?

24 JOHN: Yeah.

25 SCOTT: Is this John #1 or #2?

1 JOHN: This is John 2.
2 SCOTT: Oh, okay.
3 JOHN: How're you feeling?
4 SCOTT: I haven't talked to you yet.
5 JOHN: How are you feeling?
6 SCOTT: Me?
7 JOHN: Yeah.
8 SCOTT: A little cold.
9 JOHN: A little cold, huh? It's gonna, it's
10 suppose to drop down a little chilly tonight too, a
11 little chillier.
12 SCOTT: Yeah.
13 JOHN: It's going down to around 10 or 15
14 degrees.
15 SCOTT: Yeah.
16 JOHN: So, are you feeling okay?
17 SCOTT: Oh, yeah.
18 JOHN: No bad scratches or anything?
19 SCOTT: Scratches?
20 JOHN: Yeah.
21 SCOTT: A couple holes.
22 JOHN: A couple of little holes, I know,
23 how's it doing?
24 SCOTT: Other than that --
25 JOHN: How's it doing?

1 SCOTT: Huh?

2 JOHN: How's it doing?

3 SCOTT: Fine, just my hands are a little
4 numb from being, 'cause I can't stick it in a pocket
5 or a glove or something.

6 JOHN: Yeah, yeah, but otherwise it's okay?

7 SCOTT: Yeah.

8 JOHN: Good, good, good, glad to hear it.

9 SCOTT: Yeah, the swelling's going down and
10 --

11 JOHN: Have you soaked it in epsom salt or
12 something?

13 SCOTT: Yeah.

14 JOHN: Okay, has that brought the swelling
15 down?

16 SCOTT: Yeah.

17 JOHN: Good, good, good.

18 SCOTT: Epsom salts, you know, peroxide.

19 JOHN: Good.

20 SCOTT: You name it, I put it on here.

21 JOHN: You put it on? How about, do you
22 have any antibiotics you can take?

23 SCOTT: Oh, yeah, I've been taking this pill
24 twice a day or something.

25 JOHN: Like penicillin or something?

1 SCOTT: I never heard of it before. It's
2 Doxycycline or something.

3 JOHN: Doxycycline, okay. That's good.
4 Well, that's good.

5 SCOTT: It just says for infections, so I
6 don't know exactly what it --

7 JOHN: Well, I was going to say, let's hope
8 it, you know, that should keep it from getting
9 infected hope, well, I'll have to look it up but one's
10 for pain and one's for antibiotics so --

11 SCOTT: Yeah.

12 JOHN: We'll try to get a doctor to talk to,
13 talk to you guys and make sure that you're not getting
14 any infection or anything.

15 SCOTT: Yeah.

16 JOHN: So are you thinking about coming out
17 possibly in the near future some time?

18 SCOTT: Well, I don't know.

19 JOHN: Okay.

20 SCOTT: It depends, you know.

21 JOHN: Okay. What, what are you basing your
22 judgement on so to speak? On coming out?

23 SCOTT: Well, you know, like, it's my free
24 will, right?

25 JOHN: Absolutely, totally.

1 SCOTT: Okay. I'm glad you guys realize
2 that now.

3 JOHN: Absolutely, totally. Your free will,
4 completely.

5 SCOTT: My free will is if he goes out, then
6 I'll go out.

7 JOHN: Okay, so if David goes out you'll go
8 out.

9 SCOTT: Yeah.

10 JOHN: Okay.

11 SCOTT: I got no problem with that.

12 JOHN: Hey, that's no problem with us
13 either, you know? No problem whatsoever. I respect
14 your opinions.

15 SCOTT: Yeah.

16 JOHN: I'm glad you're okay, though, as far
17 as your wound is, it's getting better.

18 SCOTT: Yeah.

19 JOHN: It sounds like it's good. Have you
20 seen, have you seen Judy at all?

21 SCOTT: Yeah, Judy's doing better too.
22 They're putting garlic, raw garlic on it.

23 JOHN: Raw garlic?

24 SCOTT: And it, like draw the poison out.

25 JOHN: Okay.

1 SCOTT: And her finger's gone down
2 considerably. It's about a third smaller than it was
3 before.

4 JOHN: I guess it was really puffed up at
5 one point.

6 SCOTT: Oh, yeah, it looked like about two
7 thumbs worth.

8 JOHN: Aw, jeez.

9 SCOTT: I mean, like, you know, it looked
10 like somebody stuck a balloon in her finger.

11 JOHN: Aw, jeez. Holy cow. That's pretty
12 scary, you know?

13 SCOTT: I was ready to get the butter knife
14 out and cut it off, you know?

15 JOHN: You were gonna be Dr. Scott for a
16 minute?

17 SCOTT: Yeah.

18 JOHN: I'm glad you didn't have to do that.

19 SCOTT: Yeah.

20 JOHN: Well, in all seriousness, we can kid
21 around a little bit, but we all do look forward to
22 everyone coming out safely, you know, and yourself,
23 obviously yourself.

24 SCOTT: Yeah. I realize that, you know, and
25 like Greg, I think Greg and Steve were saying, you

1 know, the media saying that we, you know, want another
2 shoot-out and that's a bunch of baloney, you know,
3 'cause --

4 JOHN: Aw, please.

5 SCOTT: -- we never wanted it in the first
6 place, you know, and it's unfortunate that it happened
7 that way, but, you know, we don't want to see anybody
8 hurt, you know?

9 JOHN: And that's exactly the same way we
10 feel. That's exactly the same way that we feel.

11 SCOTT: You know, we never had nothing
12 against anybody, you know, nothing personal, you know,
13 it's just too bad.

14 JOHN: I know, I know, so, that's exactly
15 the same way we feel, and the bottom line is, is to
16 prevent anyone from getting hurt in the slightest way
17 and I'm talking about --

18 SCOTT: Yeah.

19 JOHN: -- anything, sprained ankle, anything
20 at all.

21 SCOTT: You know, and it's like, they said
22 we, you know, didn't express any remorse or something,
23 it's like, that's a bunch of crap, you know?

24 JOHN: I know that.

25 SCOTT: I was pretty upset. You know those

1 media guys, and I tell you what --

2 JOHN: Go ahead, --

3 SCOTT: They can only report what, you know,
4 what they hear, --

5 JOHN: Um-hum.

6 SCOTT: -- which is mostly rumors, but it
7 sure doesn't sound too good sometimes.

8 JOHN: I know what you're saying, I know
9 what you're saying, and, and you only have one end
10 where you can only, you know, you don't get to answer
11 their charges or you're only there, you know, sitting,
12 listening to what they say.

13 SCOTT: Yeah.

14 JOHN: It's got to make you want to stand up
15 and shout, you know, and say hey, wait a minute, you
16 know?

17 SCOTT: At least that guy, Ingleman,
18 apologized for putting that, what's the name, the lady
19 on that said she --

20 JOHN: Oh, he did.

21 SCOTT: Yeah.

22 JOHN: He did apologize?

23 SCOTT: Yeah.

24 JOHN: Did he do it today?

25 SCOTT: He said, you know, she sounded

1 convincing and I chose to put her on and it turned out
2 that she had nothing to do with them and it's my
3 responsibility, full responsibility and I apologize.

4 JOHN: Well, I went to the boss on that, and
5 actually the group of bosses here, and I spoke to
6 them, personally, and I said, there's something I want
7 to do myself for Steve and David, and they said,
8 what's that, and I explained to him about that
9 Ingleman thing and they said, well, you know,
10 generally that's not our policy, we're not suppose to
11 do that and so on I said well let me, let me go
12 through with, with you what Steve said about this guy
13 Ingleman making these outrageous statements about an
14 eight year old child in there and about \$180,000 in --

15 SCOTT: Yeah, yeah, that -- girl or
16 whatever.

17 JOHN: -- that he, that he's connected --
18 yeah, yeah, so the bosses well, looked at me and said,
19 you know, you personally want to do this for Steve and
20 I said, yes, I do, and they said, well, generally
21 speaking we don't, we don't go in that direction in
22 dealing with the media they said, but in this case, in
23 this case we're gonna have our head media guy call up.

24 So the head media guy called the station directly and
25 he spoke to a Julie Van Deeden (Phonetic) who's

1 actually at the station, and apparently the guy said
2 he apologized or something like that and he's gonna
3 re-air it again that he was wrong, that he should,
4 that this lady was wrong.

5 SCOTT: Yeah.

6 JOHN: So, I'm glad we're able to get that
7 straight, but by the same time, you got to understand
8 that there's people from all over the country doing
9 stuff like this, calling in --

10 SCOTT: Yeah, they want to, they want to get
11 famous, you know?

12 JOHN: Oh, yeah, yeah, of course, you know?

13 SCOTT: We've seen some of the t-shirts and
14 stuff, I mean, it's ridiculous, you know?

15 JOHN: Anybody to make money, you know?

16 SCOTT: You seen that score card shirt?

17 JOHN: No, I didn't see the score card.

18 SCOTT: That was sickening.

19 JOHN: No.

20 SCOTT: Us and you.

21 JOHN: NO.

22 SCOTT: It was a score card, you know, like,
23 how many, you know --

24 JOHN: Aw, please. No, that's, that's
25 disgusting.

1 SCOTT: It's pretty bad.

2 JOHN: No, I haven't seen that, no. You
3 know, you just, but that's gonna bring out people who
4 are going to lie, take advantage of the situation, try
5 to make money, say outrageous things. You can
6 understand that.

7 SCOTT: In Newsweek or some-- one time they
8 showed that iced tea?

9 JOHN: Iced tea, yeah.

10 SCOTT: And they had that L.A.P.D. shirt, it
11 says L.A.P.D., we treat you like a King.

12 JOHN: Oh, no, I didn't see that.

13 SCOTT: That was --

14 JOHN: You know, that's incredible. Every,
15 every event that you can think of, of any disaster,
16 somebody's gonna take economic advantage of it or try
17 to take economic advantage of it --

18 SCOTT: Yeah.

19 JOHN: -- you know, and the one part that we
20 were talking to Steve about the other day is that
21 yourself or somebody in there, when they come out,
22 they're gonna have opportunity to rebut all these
23 crazy charges --

24 SCOTT: Yeah.

25 JOHN: That's the really, you know, thing

1 that's gonna happen, and be able to rebut all these
2 things, you know, so, we're looking forward to that
3 happening because we don't like misinformation any
4 more than you do because it puts a black eye on
5 everybody, you know, I mean, it's ridiculous.

6 SCOTT: Yeah.

7 JOHN: And I just, it just is discusting,
8 but, to answer your question I did not see that score,
9 score card shirt and I'm really glad that --

10 SCOTT: It's a good thing you didn't.

11 JOHN: Yeah, yeah.

12 SCOTT: I bet it would have made you pretty
13 upset too.

14 JOHN: You're darn right, you're darn right.
15 So, anyway. Have you talked to David at all today?

16 SCOTT: No. I talked to him last night.

17 JOHN: How's he doing?

18 SCOTT: He seems like he's doing okay. His
19 wound is still draining, you know, out the back.

20 JOHN: The exit wound?

21 SCOTT: Yeah.

22 JOHN: Is he getting blood out of that or is
23 it just fluid or what's coming out of there?

24 SCOTT: It's like a pinkish, it's not so
25 much blood, it's like a pinkish liquid.

JOHN: It has a pink color to it?

SCOTT: Yeah.

JOHN: Yeah. Is he getting a lot of drainage or a little drainage?

SCOTT: It's not really a lot, you know, just, I think it's continual.

JOHN: It's continual. Yeah. How about antibiotics? Can he get some antibiotics like --

SCOTT: Well, he doesn't believe in taking that kind of stuff, you know?

JOHN: Oh, that's right, yeah, that's right, yeah.

SCOTT: I mean, shoot, for somebody that's wounded the way he is, it's like, you know, like that guy said, it's miraculous.

JOHN: Did you see the entry wound?

SCOTT: It doesn't, it doesn't look infected at all.

JOHN: Oh, the entry wound doesn't look infected at all?

SCOTT: No. There's no redness or swelling.

JOHN: Well, that's good.

SCOTT: Just the hole.

1 JOHN: Just a hole, huh?

2 SCOTT: Yes.

3 JOHN: Yeah, we saw it on the videotape, and
4 in the front it just looked like a hole, but on the,
5 the rear --

6 SCOTT: The back, it's a little bit bigger.
7 The hole is a little bit bigger.

8 JOHN: Um-hum.

9 SCOTT: And it's, you know, it's still open.

10 JOHN: Open?

11 SCOTT: It's not sealing or anything but
12 it's like dripping a little bit.

13 JOHN: Is he putting gauze on that to absorb
14 it?

15 SCOTT: Yeah.

16 JOHN: Good. You want to keep the bacteria
17 out of that, you know, so that it does not get
18 infected, you know, that's the thing, --

19 SCOTT: Yeah.

20 JOHN: -- so. I can -- a familiar voice in
21 the background there.

22 SCOTT: Huh?

23 JOHN: There's a familiar voice in the
24 background.

25 SCOTT: Yeah. It's Greg.
