U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS
(Tape 135)

DAVID: -- science and everything else. You know, for almost (Indiscernible) the whole world was at a standstill. Cobblers still cobbled the way they always cobbled. You know, --

JOHN: Right.

DAVID: -- carpenters carpented the way they always carpentered.

JOHN: Right.

DAVID: It's not just religion was dead but, but all progressive sciences and arts and everything, music, it was just dead until the reformation. So, with these -- the knowledge of the seven seals, there's going to come a reformation that's going to turn this world upside down.

JOHN: Well, you've certainly got a lot of people interested in hearing what you have to say now. I'll tell you that. That's for sure. And, and you can tell from the press conference that you, that you probably heard today.

DAVID: I just want to -- I just want to be able to please my, my -- I call my father. That's
what he is. He's, he's --  

JOHN: I, I know that. I know that.  

DAVID: And then I want to get out of here.  

JOHN: That sounds, that sounds like --  

DAVID: Yeah, I, I've seen, I've seen a different world, I'm telling you.  

JOHN: Well, that's good. That's good.  

DAVID: And it's not, it's not a place where you sit around on clouds and play harps either.  

JOHN: That's right. That's right. Well, maybe we can work on that then. And how about if you send out those people that have been in there and -- before the Sabbath then?  

DAVID: Okay. Well, I need, I need -- we're going, we're going to have our worship now.  

JOHN: Okay.  

DAVID: And I'll start talking with them right after worship.  

JOHN: All right.  

DAVID: And like I say, we've got to go through some scriptures and stuff here.  

JOHN: I appreciate that.  

DAVID: Would you mind when they come out, can they bring their Bibles?  

JOHN: Absolutely, positively.
DAVID: And can they, can they -- may retain their -- I mean you can look through their Bibles, you know, --

JOHN: Yes, they --

DAVID: -- 'cause there ain't going to be no --

JOHN: -- can retain --

DAVID: -- nuclear warheads in there or nothing.

JOHN: Yes.

DAVID: Because, like I say, that's, that's where their strength is, you know, understanding what that book has to say.

JOHN: Yes, yes.

DAVID: Okey-doke.

JOHN: Yes, you have my word on the Bibles and just, just give me -- just, you know, for planning purposes, what --

DAVID: Okay.

JOHN: -- how many gentlemen or people.

DAVID: Okay. We'll, we'll stay in touch, then, all right.

JOHN: Okay. Just, just for planning purposes, how many are we, we considering?

DAVID: Well, one for sure.
JOHN: Oh, one for sure.

DAVID: Probably two.

JOHN: Okay. Excellent. Well, that's great. And how -- just one question, how, how basically -- things -- since things are rolling so well, how do you look at really the long term solution now, the solution of this now that we've gotten things rolling together?

DAVID: Okay. Realistically, --

JOHN: Realistically.

DAVID: -- what we're dealing with again is -- well, let me, let me back up. What time do we have, Steve?

JOHN: I don't want to -- I don't want to hold you up.

DAVID: Okay. Look, I'll call you right after worship, okay?

JOHN: Go ahead. No, just, just give me a rough idea of what, what your thoughts are. I don't want to hold you from service.

DAVID: Well, like I said, it depends on -- it depends on the people.

JOHN: Okay.

DAVID: You know, it could be a matter of a week, you know.
JOHN: Oh, yeah.

DAVID: It could be less, you know.

JOHN: No, I was thinking -- I was thinking in terms of, of everyone.

DAVID: Well, that's what, that's what I'm talking about.

JOHN: Oh, okay.

DAVID: I mean I'm coming out, too.

JOHN: I know. I know that. And I know you're going to lead everybody.

DAVID: Well, I don't -- I'm not, I'm not going to say I'm going to be a Moses like it says. And the thing of it is is, is that these people are in trouble with God, a lot of them.

JOHN: Okay.

DAVID: You see, -- like for instance, the Lord says, remember the Sabbath, keep it holy.

JOHN: Right. That's the Sabbath.

DAVID: Now, what happens is is the third century A.D. Constantine, Roman Empire, this is strictly historical besides that, you know, they want to -- they want to surmise the Shabbat Sabbath of the Apostolic Church and they begin to incorporate Sunday as a Sabbath. Sunday's manmade.

JOHN: Uh-huh.
DAVID: Christmas, Easter, Halloween's manmade.

JOHN: Uh-huh.

DAVID: It's all injunctions of man.

JOHN: Uh-huh.

DAVID: You know, and, and it's, and it's a part of an abomination to make it (Indiscernible).

Those who, those who respect these days, you know, are leaving off something else, a warning of the prophetic voice telling man that if they take on the mark of the beast or the acceptance of man's traditions, that they will drink of the wine of the wrath of God and they will be punished.

JOHN: Right.

DAVID: Now, of course, if a person's never come to the knowledge of this, well, that's why Christ had to die because, you know, some people don't know really what God's will is. They don't understand what God has said aforetime by scripture.

JOHN: Right.

DAVID: And, so, that's why there has to be a church or a voice in the world to, to agitate the mind's of men to say, now, wait a minute, now, wait a minute. What are the conditions of salvation? Well, like (Indiscernible) okay, now. Now, what did -- what
was Jesus like? Well, what day did he go to church on? Well, he kept a Shabbat.

JOHN: Right.

DAVID: Okay. Did he say that we don't have to do that no more? I mean let's read what he says. Let's read the covenants, you know. Okay, so then, then we begin to read new testament. We find out, hey, nothing was changed except one thing, the sacrificial system, the laws pertaining to the slaying of animals. And that's what the prophets agreed to, you know. The prophets agreed to all throughout the manuscript the day will come when he'll cause a sacrifice in a (Indiscernible) decease. Because of the offering of his self -- come on, you know, that's it.

JOHN: Right.

DAVID: He gave his own life.

JOHN: Right.

DAVID: And, so, what did he give in place of that system on the passover? He took the bread. He says, this is my body which is broken for you. This is done is remembrance of me. And this is the blood which you drink in my name which is in remembrance of me.

JOHN: Uh-huh.
DAVID: Now, this is, this is the new thing of which Proverbs 8 and 9 talks about a time when, when wisdom says, come eat of my bread, drink of the wine which I have mingled.

JOHN: You know.

DAVID: You know, we find out that this (Indiscernible) wisdom is that woman in Revelation 12 who gave birth to the man child. This is the plan of God. Christ's wisdom is justified of her own children. This is God's plan, God's wisdom, you know.

JOHN: Uh-huh.

DAVID: In the world of creation, out of Adam's side came forth Eve, right?

JOHN: Right.

DAVID: And, so, that was his wisdom to be able to conquer the world, wasn't it?

JOHN: Right.

DAVID: Procreate children.

JOHN: Right.

DAVID: Did he think of it -- did he think of that himself? Who thought of that first?

JOHN: God.

DAVID: Exactly. Uh-huh. Pretty good tool, huh?

JOHN: Oh, yeah.
DAVID: Man's been crazy over it ever since, hasn't he? Can't beat it.

JOHN: From the beginning.

DAVID: From the beginning. Now, but in Christ, we find that what comes of his side is not a woman but blood and water.

JOHN: Right.

DAVID: Now, the prophecies tell you what this means. Now, when you, when you take the body of Christ, we're, we're dealing with a spiritual bride of Christ. You know, Christ, Christ procreates by the born again process, by the renewing of our minds, coming to an understanding of the truth that God has stated from the beginning. In the mediation of Christ, we all -- all through the Books of Hebrews, all through Galatians, you know, all the new testament says, hey, Christ send to the heavens where he is to stand before the father and he's to mediate on behalf of us. Well, what does he mediate? Like the Seventh Day Adventist, you know, they're, they're always talking about Christ and the sanctuary, Christ and the sanctuary. You know, what's he doing --

JOHN: Uh-huh.

DAVID: -- up there in the sanctuary? Well, what did John the Revelator say? Well, he's up there
revealing the seven seals, isn't he?

JOHN: Uh-huh.

I mean they rejected him. They didn't want him. The Jewish synagogue, the temple and the priesthood on earth. Christ is in the temple in Matthew 23. He says to them, your house has left to you desolate. I mean here they are rejecting the only one that can bring them to the knowledge of God.

So, you know, Christ is on the cross. He says, father, into thy (Indiscernible) spirit and now in the hand of God there's a book with seven seals.

JOHN: Yeah.

DAVID: So, when the papacy and all that, when it, when it turned people away from the knowledge of Christ and the heavenly sanctuary, the knowledge, the episodic knowledge of the seven seals was lost sight of. And the whole -- and the whole Gospel became only a part of the overall fact. Peter says that we're to, we're to understand that their inspiration -- the Apostles are given knowledge to point us heavenward so that the whole world will be
ready for the revelation of Jesus Christ.

   Peter says, you know, to the church,
therefore, stand in grace when you're called, you know
--

   JOHN: Uh-huh.

   DAVID: -- until the latter days when
it -- the revelation of Jesus Christ. Hey, the Lamb's
supposed to come. There's supposed to be a world
ready for him. There's a truth that's going to set
men free if they continue with the doctrine. There's
seven seals. We know it's about a white horse, a red
horse, a black horse, a (Indiscernible) horse. Men
are given the opportunity to try to figure it out, to
try to know ahead of time. God says it's going to be
impossible. So, when he comes, the world's supposed
to receive him with open arms, right?

   JOHN: Uh-huh.

   DAVID: So, let's say he comes, in the
(Indiscernible) of the book it's written of him.
Remember God's got a book, Psalms 40. And the
(Indiscernible) book is written to me, I come, right.
And he comes and he goes to the papacy. He says,
hey, Papa Pope, you know, I'm here, let me show you
the seals. The Pope says, you know, un-ah. Why?
Because if he shows him the seals, what does that
mean? That means the pontiff has to hand the keys of Vatican over to him, right?

    JOHN: Uh-huh.

    DAVID: Ah, do you think they can afford to do that?

    JOHN: I don't know about that, to be honest.

    DAVID: Exactly. Say the Lutherans, the Presbyterians, the Methodists, hey, all these churches are built in the name of God, aren't they? All the money coming in, that all belongs to Jesus, don't it? Jesus don't want it. But there's one thing about it, I bet you when that man comes, the son of man comes to reveal those seals, I bet ya the attitude of the churches will not be that they want to hand things over. What do you think?

    JOHN: That's a good question.

    DAVID: You know, all a sudden the prophets

    --

    JOHN: That's a very good question.

    DAVID: -- say a big crisis is going to happen. But --

    JOHN: Well, --

    DAVID: -- then the truth's going to get out. Everyone's going to be judged by the fact of,
hey, what are these seals?

JOHN: You know, you're talking about money. I mean even people are out, you know, trying to make money on, on this, on tee-shirts, on sweatshirts, on --

DAVID: I know. It makes me sick.

JOHN: And I, -- even, even movies, David, even movies.

DAVID: I know. My own, my own biological mother. All my life she used to spank me and she used to tell me that I was weird and all that. And I used to say, look -- you know, I used to have a lot of trouble with her because I used to ask her questions.

JOHN: Yeah.

DAVID: And she used to say, you're a -- you don't even act like my son.

JOHN: Yeah.

DAVID: And, you know, she talks about in the magazine how at 12 years old I had memorized the New Testament and all that. Well, at 12 years old, I mean, you know, Christ, 12 years old, you know, he was up there combating with the scholars of his day, wasn't he?

JOHN: Yeah.

DAVID: You know, and so the thing of it is is that finally it just comes to the fact to where,
look, even, even though biologically she may be my mother, it's very obvious that when she takes, you know, say $5,000.00 so she can talk about things she don't even really know about my life, you know, that's blood money.

JOHN: Yeah. Well, you know, every -- you're the person who knows about this and, and people on the outside don't know about this and yet they're going out claiming to make movies. There's calls -- been calls in here saying --

DAVID: That they know me?

JOHN: No, no, no, no, they know about the situation and they want to make 75 or $100,000.00 or technical advise it. It's just incredible, you know, what's going on.

DAVID: It's blassem, isn't it, almighty dollar?

JOHN: Almighty dollar and millions. It's just, it's just unbelievable. It's just unbelievable.

DAVID: You know, when they give me a lethal injection or whatever they decide to do with me, then I'll just --

JOHN: Well, --

DAVID: -- I'll just say, well, --

JOHN: -- that's --
DAVID: -- give me the cheap stuff.

JOHN: No, no, no, no. That's not gonna --
let me, let me say, I don't, I don't want to take too
much of your time because I know you have something to
do and I know your instruction, probably I'm delaying
that. I know -- don't want to do that. So, did you
want to call me back after instruction or --

DAVID: Right.

JOHN: -- have me call you or Steve call?

DAVID: I'll, I'll give you a call right
when we get through, okay?

JOHN: Okay. That would be great. I'll
talk to you in a little bit then?

DAVID: Okay.

JOHN: Thank you, David.

DAVID: Thank's a lot. God bless.

JOHN: Thanks. Thank you.

DAVID: Bye.

JOHN: Bye.

* * * *

JOHN: Hello.

STEVE: Hello, John?

JOHN: Yes, Steve.

STEVE: Yeah. The reason I'm calling is
they're starting up another tape outside and normally,
like David said, --

JOHN: Oh, it's, it's --

STEVE: -- it wouldn't bother us but here, here's the thing. We're wondering if it could -- we could dispense with that until tomorrow when the sun goes down because even now we're in some pretty deep discussions and --

JOHN: Uh-huh.

STEVE: -- he's going to be talking with a lot of these people, who's going out, how, when, where, all of that. A lot of subject matter is going --

JOHN: Yes.

STEVE: -- to be coming up. And, you know, it's all in regards to what he has told you thus far and we are truly working on that right now.

JOHN: I understand that.

STEVE: So -- but if he, you know, if he -- like David says, past the Sabbath hours, if you want, you know, if you want, you can continue on or whatever kind of a message he has, you know, that's more than fine. It's just right now it's very disruptive

(Indiscernible) --

JOHN: I understand what you're saying.

STEVE: -- program.
JOHN: Okay. I understand what you're saying. Let --

STEVE: Okay.

JOHN: Let me see what I can --

STEVE: Okay.

JOHN: -- I can do and I will try right now.

STEVE: Okay. Thank you much, John.

JOHN: Right, Steve.

* * * *

Hello?

STEVE: Hello, John?

JOHN: Yes, Steve.

STEVE: Do you have anything on playing the tape yet? He's trying to talk with some people here and --

JOHN: It's going to stop momentarily. I worked it out. I went in and saw Mr. Jamar and --

STEVE: Okay.

JOHN: -- he said you can notify those people and that's what's going to happen in about --

STEVE: All right.

JOHN: -- very shortly.

STEVE: Okay. Thanks much, John.
JOHN: Okay.

STEVE: I'll be back in touch with you.

JOHN: I'll, I'll talk to you after, after daily.

STEVE: Okay. Thanks.

STEVE: Bye.

* * * *

STEVE: Hello?

JOHN: Steve?

STEVE: Yeah.

JOHN: John. How ya doing?

STEVE: Not too bad.

JOHN: Great. How's David?

STEVE: Yeah, he were talking to some people right now.

JOHN: Okay. Okay.

STEVE: Yeah, what do you have?

JOHN: No, I was just checking.

STEVE: Okay.

JOHN: There's a -- okay. There's, apparently, somebody out getting some pails or something.

STEVE: Someone out getting pails?

JOHN: Yeah. In the rear --
STEVE: You mean of water maybe or something?

JOHN: Yeah, in the back, the backside.

STEVE: On the back -- that could be. I don't know, you know. I'm quite a distance away.

JOHN: I understand. I understand.

STEVE: Yeah.

JOHN: Okay. Can you, can -- David's counseling the people right now?

STEVE: Yes, he is.

JOHN: Okay, great, great. How many folks is he talking to?

STEVE: Just a minute.

JOHN: Approximately.

STEVE: Right now he's talking to three, right, right in his room.

STEVE: Okay.

JOHN: And, and the gentleman, I guess with the pails, will be coming in?

STEVE: Where, in fact -- just a minute. It's kind of -- I wonder where he is -- any idea where's he at, John?

JOHN: Out toward the corner where the pool
area is, that rough area back there.

STEVE: By the -- like -- by a back door by
the pool maybe or --

JOHN: Pool area, yeah.

STEVE: By the pool area?

JOHN: Yeah. I think he's -- I think he's
probably getting some buckets for water or something.

Yeah. How did -- did the speakers get turned off
okay?

STEVE: Yeah, the speakers got turned off
okay.

JOHN: Good. Good.

STEVE: Yeah, that's fine. Is, is that --

JOHN: Very good.

STEVE: If the guy's out there getting water
in that area or -- is that a problem or --

JOHN: I'm sorry. I, I gave you the wrong
location. I apologize. It's at the other end -- gosh
-- in other words, the opposite end of the pool area
in the rear.

STEVE: Opposite end of the pool area.

JOHN: You know where the pool area is?

Okay, --

STEVE: Yeah.

JOHN: -- not that corner, the opposite rear
corner. Okay, so it would be the south -- okay, not
the north corner -- not --

STEVE: Is there -- if he's getting water
off the roof or something, is that a problem maybe or
what do you think?

JOHN: Yeah, if they just could -- if you
could just -- could ask him to go in for a while, we
get this thing resolved and that we, you know --

STEVE: He says it seems to be a problem,
John says.

DAVID: Tell him that there's two guys back
there with guns.

STEVE: He said, from what we understand,
there's two guys back there with guns already. If
they just keep an eye -- and they're watching him --
apparently or something.

JOHN: Oh, they're watching him?

STEVE: Yeah.

DAVID: Just relax a bit.

STEVE: He says just relax a bit because,
you know, he is -- he's working on it. There's no
question about it, you know.

JOHN: Okay, okay, sure.

STEVE: I think --

JOHN: Okey-dokey.
STEVE: Just let them know some of these people want to --

JOHN: Sure.

STEVE: -- look halfway decent when they come out.

STEVE: Okay. Okay.

JOHN: Great. I'll talk to you in a little bit then.

STEVE: All right.

JOHN: Just, just --

STEVE: David just said, and there's no offense whatsoever, whatsoever.

JOHN: Okay. Look -- no problem. Just give me a buzz back then when, when we're ready.

STEVE: Okay. Thanks.

JOHN: Thanks a lot, Steve.

STEVE: Sure.

JOHN: Bye.

STEVE: Bye.

* * * *

STEVE: Hello?

JOHN: Hi, Steve?

STEVE: Yes.
JOHN: John. How's it going?
STEVE: Not too bad.
JOHN: Good. Hey, I confirmed with the custodial authorities. There's absolutely no problem whatsoever keeping the Bibles.
STEVE: Okay, great.
JOHN: Okay.
STEVE: Great.
JOHN: So, I just wanted to pass that along to you. Second, --
STEVE: Okay.
JOHN: -- a minor thing, some of the fellows, you know, those guys, the trench guys, however you want to call them, are out there concerned about a gentleman. If you could kindly ask the gentleman to get, get back inside, that it would help, help me a lot.
STEVE: There's, there's a gentleman out there, outside yet?
JOHN: Yes. Yes.
STEVE: He says there's guys in trenches --
JOHN: May, maybe one.
STEVE: -- that are, that are concerned and they would like the guy that's outside to get back inside.
JOHN: Okay.

DAVID: Is he a black guy or

(Indiscernible)?

STEVE: Is he a black guy maybe or what? Do you know?

JOHN: I'm sorry, I don't have a -- I don't have that description.

STEVE: You don't have a description?

JOHN: No, I don't have that. Yeah, Steve, if you just have the people outside come in, that would help.

DAVID: (Indiscernible).

STEVE: We're trying to figure out where or who it is just right now. I'm not --

JOHN: Okay.

STEVE: It doesn't make sense to me just -- may -- I wonder --

JOHN: Okay. Just, just -- yeah, whoever it is --

STEVE: Could, could we check on it and call you right back 'cause I, I -- let me find out for sure. I really don't know.

JOHN: Okay. Yeah. And -- okay. Okay, apparently, he has a -- what's called a clear rain jacket and he's a white man.
STEVE: Oh, a clear rain jacket and he's a white man.

JOHN: Yeah.

STEVE: I got a feeling that -- okay. Let me, let me try to pass that on, John.

JOHN: Okay, great.

STEVE: Okay.

JOHN: And just ballpark, what, what times are we looking at?

STEVE: You mean for calling you back?

JOHN: No, as far as moving, you know, this afternoon.

STEVE: As, as far as moving?

JOHN: Somebody, somebody moving out of there.

STEVE: Someone moving out of here this afternoon?

JOHN: Yeah.

STEVE: Just a moment.

DAVID: (Indiscernible).

STEVE: They're trying -- he's right now -- that's what he's doing right now, you know. In fact, he's, he's --

JOHN: Oh, great. Okay, great, great, great.
STEVE: -- trying to get it resolved right now.

JOHN: Thanks a million.

STEVE: Okay.

JOHN: I'll, I'll -- you'll give me a buzz back in a little bit?

STEVE: Yes.

JOHN: Thanks very much.

STEVE: Okay, just a minute, wait.

JOHN: Okay.

STEVE: Okay. Well, I, I'm going to let you talk to Kevin and some of these guys here while I'm going to see about this guy down here.

JOHN: Okay. Thanks a lot by checking on him.

STEVE: Just a minute.

(Pause)

KEVIN: Hello?

JOHN: Kevin?

KEVIN: Yeah.

JOHN: This is John. How ya doing?

KEVIN: How, John.

JOHN: Good. How are you tonight?

KEVIN: Pretty good.

JOHN: Pretty good.
KEVIN: Just trying to get -- there's been problems here that we're just trying to get reaffirmed right now before we go out.

JOHN: Okay.

KEVIN: So, we're just looking at some scriptures right now.

JOHN: Okay. I appreciate that.

KEVIN: Yeah.

JOHN: Are you -- I understand there's another person coming with you?

KEVIN: Yeah. You want to speak to Brad?

JOHN: Yeah, let me say hello to Brad.

KEVIN: Yeah, sure. Hold on, John.

BRAD: How ya doing, John?

JOHN: Hi, Brad, how are you tonight?

BRAD: Pretty good.

JOHN: Good. Good. I know that you wanted to keep your Bible with you, right?

BRAD: Exactly.

JOHN: Okay. I've, I've already checked that and it's already confirmed that you can do that.

BRAD: How about an (Indiscernible) bread and grape juice, too, so we can keep our daily?

JOHN: You, you -- bring it out with you and we'll see what we can do but definitely -- I, I only
checked on the Bibles 'cause that's the only thing we, we were told that you were going to bring but, but bring it with you and then we'll see what we can do. But definitely the Bibles are absolutely guaranteed.

BRAD: Okay.

JOHN: Good. So, are you been talking -- being, you know, going through the scriptures with David and --

BRAD: Right.

JOHN: How's that going?

BRAD: Huh?

JOHN: Good.

BRAD: Oh, oh, pretty good, yeah.

BRAD: Yeah. We, we want to try to get along with you all as best we can.

JOHN: Hey, let me tell you something. That's -- that, that is going to happen. We're not hard to get along at all and we'll, we'll take good care of you. There's no problem with that at all.

BRAD: Okay.

JOHN: And we'll work it out and it will be, you know, it will be very smooth. So, don't, don't worry about a thing. Do you have any concerns that I can answer?
BRAD: Well, we were wondering about the food because I got thrown in there for a traffic ticket not too long ago and they slam you with pork and we don't eat pork.

JOHN: No, no, no, no. They respect your, your dietary rules. So, that's not going to be a problem.

BRAD: Okay.

JOHN: So, just bring that out but I only, I only called in, to be honest, to check on the Bible and that's -- we're guaranteed that.

BRAD: Okay.

JOHN: So, -- but bring the -- but bring the other if you'd like to and, you know. When, when -- roughly, just for planning purposes, what time are we looking at, approximately?

BRAD: Shortly.

JOHN: Shortly. Okay. Very good. Very good. Can -- is there anything else that -- any -- you know, that you have any questions?

BRAD: Not at the moment.

JOHN: Okay. Just you and Brad, I guess, or is there somebody else?

BRAD: Me and Kevin and, and Rita.

Well, I appreciate your letting know and I, I think the way we left it is that Steve is going to give me a buzz back.

BRAD: Okey-doke.

JOHN: Great. Nice talking with you and look forward to it.

BRAD: Okay. Do you want to talk to Rita?

JOHN: Yeah. Is Rita there?

BRAD: Yeah.

RITA: Hi, John.

JOHN: Hi, Rita, how are you tonight?

RITA: Fine.

JOHN: Great. Great. Can I answer any questions for you at all?

RITA: Not at this point I don't think.

JOHN: Okay. As I understand, you wanted to bring your Bible with you?

RITA: Definitely.

JOHN: Okay. Definitely, please bring it with you and we've already confirmed with the pickup people and everybody down the line that you will be allowed to keep that. So, that's something that will be -- remain with you. Is that okay?

RITA: Yeah.

JOHN: Good. Is there any -- are you have
any -- you know, is there anything that I can answer for you? Everything's going to go very smoothly.
There will be no problems whatsoever and, and I'm sure that Kevin will be right there along with you.

RITA: Yeah. Well, at this point, we're just trying to, you know, dig in the Bible and --

JOHN: Sure.

RITA: -- you know.

JOHN: Sure. I know. I know. It takes a -- it takes a little bit of strength.

RITA: Uh-huh.

JOHN: But everything's going to be fine and if you have any questions at all, don't hesitate to, to call and ask.

RITA: Okay.

JOHN: Great. And would you -- if you see Steve, would you ask him to give me a buzz back?

RITA: Sure will.

JOHN: Great, Rita. Thank you very much.

RITA: Uh-huh.

JOHN: And I'll look forward then -- if there's anything I can answer, don't hesitate.

RITA: Okay.

JOHN: I'll see you later. Bye-bye.

* * * *
JOHN: Hello?

STEVE: Hello, John?

JOHN: Hi, Steve.

STEVE: Yeah. I was just talking with David and I passed the message down and David also says, have a little faith in us now, relax.

JOHN: I do.

STEVE: We're working it out. In fact, they've not gone out -- passed outside the building or anything like that from what they're telling me. They were right in our own courtyard there inside the complex and not, not out passed any place outside the building under any circumstance.

JOHN: Okay.

STEVE: Yeah.

JOHN: All right.

STEVE: And, and I told -- I passed the message down there, don't go beyond, you know, such and such a spot and so forth. So, that's what they're -- they're not going to do that.

JOHN: Okay. If -- yeah, if they just could call in and, you know, let us know, that would go a long way, and then I could, I could tell them.

STEVE: Yes. Yeah, you know, I'm quite a distance from them. So, I wasn't even aware of what
was going on. I guess when it started raining, some of them were sticking and washing their head -- hair and all that.

JOHN: Yeah. Just, just for the --

STEVE: In preparation for coming out and --

JOHN: Sure. Just for the time being, if we could keep them in. It's starting to get dark and so on. If you could just keep them in for a little bit, we'll, we'll get this --

STEVE: Well, yeah, I passed it on.

JOHN: Great.

STEVE: I'm sure that's been taken care of now.

JOHN: Great. Great. I really appreciate they're doing that and we're -- everything's going smoothly.

STEVE: And David says, tell those guys out there to relax, you know. We're at a place now, everything's going good. We're working this out.

JOHN: I know that.

STEVE: There's a good rapport.

JOHN: You know we're trying and --

STEVE: Okay.

JOHN: -- it's not a problem. It's not a problem.
STEVE: Okay. Okay.

JOHN: Great.

STEVE: Great.

JOHN: I'll talk to you later.

STEVE: Thanks.

JOHN: Thank you.

STEVE: Bye-bye.

JOHN: Bye-bye.

* * * *

STEVE: Hello, John?

JOHN: Yeah.

STEVE: Yeah. I'm sitting here with David, with three individuals that I believe you must have spoke to. Did -- did he speak -- did you speak at all?

JOHN: Yes, I did.

STEVE: Okay. And originally and still is, they're going to be coming out just before the sun goes down tomorrow. You remember that, two hours ago, right?

JOHN: No.

STEVE: And he's starting to work with others right now that will also be following out after them 'cause he, he -- you know, he never went to sleep last night through the morning. He's wearing out and
they want some instruction, they want to be -- they
want to be shown --

JOHN: Steve, Steve, let me interrupt here.

STEVE: Okay.

JOHN: Kevin indicated this evening and I went in --

STEVE: Kevin, did you indicate this evening? You want to go out 'cause I got John on the phone here right now.

(Indiscernible voices speaking in the background).

STEVE: See, what they're trying to do is get through the Book of Micah. And he -- he says, give, give John Dolan the invitation to take a look at chapter 2.

JOHN: Well, I appreciate that except that I spoke to Kevin and I went in and I told Mr. Jamar it would be tonight.

STEVE: Just, just a minute.

STEVE TO OTHERS: He said he went and told Mr. Jamar that it would be tonight. John, it wasn't from me because, remember, if you play back --

JOHN: No, I, I didn't say that. I said I spoke to Kevin --

STEVE: Okay.
JOHN: -- and he indicated it would be tonight in a short while and that would have obviously been before the sunset and that he was --

STEVE: David -- in fact, remember how David had stressed to me it's of the utmost importance and they, you know, it's their last opportunity to take a look at something that to them is their, is their salvation, the reason they came here to begin with. You know, they can discuss it with you when they come out or whatever but, you know, it -- that's the truth.

There's no, you know, no foolishness about it.

JOHN: Yeah. Here's -- okay.

STEVE: And when I -- when he says that, he means that.

JOHN: Sure.

STEVE: Not maybe, you know.

JOHN: I know that. Is your --

STEVE: That's why originally when I talked to you like two hours ago, through those Sabbath hours was extremely important, just like the dailies.

JOHN: I appreciate that but --

STEVE: Extremely important.

JOHN: -- Kevin indicated it was going to be this evening.

STEVE: Well, let, let me hand you back to
Kevin then.

JOHN: Okay.

KEVIN: Okay. John?

JOHN: Yeah, Kevin.

KEVIN: I didn't know what was happening really. I, I need to get through the Book of Micah. Respect that. And I'll be out tomorrow.

JOHN: I, I appreciate that. I -- here's what I did. I went in and I spoke to Mr. Jamar.

KEVIN: Uh-huh.

JOHN: And I indicated that you, you personally were coming out this evening. And I had arranged -- actually, yourself and Rita and Brad and I had arranged for you keeping your Bibles. So, the Sheriff's Department, based on that, made the representation to me that, you know, you, you would be in there, the Sheriff's Department tonight. You would be able to keep your Bible. I just spoke to a lieutenant down there and everything is all set. So, it kind of, you know, we kind -- we made arrangements based on that, based on tonight. So, have you finished your counseling with David?

KEVIN: No.

JOHN: How, how about Brad?

KEVIN: None of us. We're, we're, we're
here in the -- we're right in the middle of it.

    JOHN: Yeah, but can I speak to David for a
    second please, sir?

    KEVIN TO DAVID: He wants to speak to you,
    David.

    DAVID: Hello, John.

    JOHN: Hi, David, how are you?

    DAVID: Yeah. We was -- like I was trying
to explain to you, you know, I have -- you know, they
have to know this because once they get there, you
know what it's going to be like. They're going to be
out --

    JOHN: Well, --

    DAVID: -- there. They're going to be going
through all this process.

    JOHN: Yeah.

    DAVID: And they're going to be on their
own.

    JOHN: Let me -- okay, let me tell you what
I've done. I, I called the Sheriff's Department. I
called the -- each -- the guys down -- the
transporting guys, everybody and everybody's --

    DAVID: Uh-huh.

    JOHN: -- agreed that they may keep their
Bibles. I rep -- made a very strong representation --
DAVID: Right.

JOHN: -- to Mr. Jamar personally. I went into his office personally based on the fact of prior conversations that, that Rita, that Kevin, and that Brad would be out this evening. So, I, I put --

DAVID: No, I didn't, I didn't, I didn't say for sure, remember?

JOHN: No, no, you didn't. Kevin told me he would be out in a short while tonight.

DAVID: Oh, I see.

JOHN: So, that's where I, based on his representation that that was going to happen, I went into Mr. Jamar and told him that.

DAVID: Uh-huh.

JOHN: So, I gave him my personal word on that. It's, it's going to put me in a real personal bad light. I mean I actually went in and --

DAVID: Well, tell him -- well, look, tell him like this, tell him that this is -- look, okay. I cannot emphasize they've got to know this stuff. These, these guys, where, where it stands, is, you know, with what they've already learned, the original purpose, the plan which they messed up on, they'd rather, they'd rather die here. You see what I'm saying? Let me, let me, let me, let me reword that.
JOHN: Sure.

DAVID: You know, they have to be assured -- are you there? Hello?

JOHN: I'm here. I'm here.

DAVID: Okay. They have to be assured from the word of God that the providence of God gives us the opportunity to, to show us that in a situation we're now entering into that God, though in chastening us, you know, still gives us opportunity to preserve us. Like I say, we have to face a judgment after, after you all judge us.

JOHN: I know. How about this. I, personally, know the jail -- the man down at the, at the Sheriff's Department. He's a personal -- I've -- we've, we've gotten to be very close over a short time. I will make arrangements and give you my guarantee that these people can call you and speak to you at any time you want tomorrow or the next day as long as you want to be counseled.

DAVID: Well, now, like I said, the Sabbath now --

JOHN: Not tomorrow. No, I know, I wouldn't interrupt your Sabbath.

DAVID: Okay. Here's -- look, here's the deal. I mean I don't, I don't want this thing to mess
up but like I say, --

JOHN: Me either. Me either.

DAVID: -- this is the last personal face to face counsel that I'm going to have with these individuals. You know, you're dealing, you're dealing with something to them that's, that's more serious than any judicial system they'll go through on earth. You know, that's why I was saying, I was saying to Steve, you know, call -- you all guys need to look at the Book of Micah. See what you can glean from it.

JOHN: I, I appreciate that.

DAVID: See what this, see what this guy Micah saw.

JOHN: I know. The only problem --

DAVID: You see.

JOHN: The only problem is I have a personal problem that I need your assistance with and I don't want this to, you know, we're --

DAVID: You're trying to bend us over backwards again.

JOHN: No, no, no. It's solely what I did. It's solely what I did based on talking to Kevin, indicating that he would be out shortly this evening. So, --

DAVID: Well, I was, I was, I was, you know,
laying over here and, and he said he'd be out shortly --

JOHN: Right.

DAVID: -- but, you know, the thing -- he, he didn't know, -- he didn't know the structure. We were still having to deal with, with these speaker things out here. You know, it took a while before you finally stopped those speaker things.

JOHN: All right. How about this, how about if you counsel him this evening and he comes out this evening later? Please.

DAVID: The Sabbath, the Sabbath's going to be --

JOHN: Just help me out on this one.

DAVID: Look, I'm not going to go against God.

JOHN: No, absolute --

DAVID: Let me explain something. I will die --

JOHN: No, no, I don't want --

DAVID: Let me explain something.

JOHN: Sure.

DAVID: I will die before I will leave these people without a clear perception of what God has opened for them. They're in trouble with God, see.
JOHN: I know.

DAVID: And the thing of is is that they're only consolation to their mind and conscience is that whatever comes upon them on the outside, they're only strength is going to be in the promises of God that are clearly made -- manifest through his word. See, I'm, I'm, I'm begging you to understand. This is where our, our head, our head is adamant, you see.

JOHN: Sure. We're in complete agreement on the Sabbath. There's absolutely no, --

DAVID: Well, you see, --

JOHN: -- no problem with that. You and I are in complete agreement. The only, the only thing is if they could depart, just depart, simply depart following meeting with you and counseling on the scriptures this evening. That's anytime this evening.

DAVID: Well, that's -- now, the Sabbath's going to be here in about what -- what time is it now?

UNIDENTIFIED FEMALE SPEAKER: Five-thirty.

DAVID: Five-thirty?

JOHN: That's -- it's five, five-thirty now.

DAVID: Well, what time, what time is sunset here? Okay. We'll see what we'll do, all right? We'll see what we can do.

JOHN: I appreciate it very, very much.
DAVID: I'll, I'll really work on it, all right?

JOHN: Thank you very, very much. I really need this for me, personally.

DAVID: Oh -- well, okay. Well, I'm going to do what -- I'm going to do it for them.

JOHN: I know you are. I know you are.

Thank you --

DAVID: But understand, but understand, please don't -- in the times past, we made statements, you all, you all have -- possibly not willfully but you've like stretched it to your, to your advantage, you know, and like we, we made --

JOHN: I didn't, didn't know -- I wouldn't do that, not on this. I wouldn't do that and I haven't done that and I -- you heard me talk to Kevin. So, that's how it got -- that's how it got started.

So, --

DAVID: Okay.

JOHN: -- I appreciate it. I'll talk to you in a little bit.

DAVID: Okay, thanks.

JOHN: Thank you, David.

DAVID: Bye.

JOHN: All right, bye.

* * * *
KEVIN: Hello?
JOHN: Steve?
KEVIN: No, this is Kevin.
JOHN: Kevin, how are you?
KEVIN: Good.
JOHN: Good, this is John.
KEVIN: John.
JOHN: How's it going?
KEVIN: Oh, we're just getting through --
JOHN: Okay.
KEVIN: -- Micah. We're trying to get through it now.
JOHN: Okay. Well, I -- well, send a pickup vehicle then for you now. I'll send a pickup vehicle.
KEVIN: Ah, well, we're not through yet.
JOHN: Well, are you, are you going to make it tonight? You are going to make it tonight, right?
KEVIN: We're trying. Hey, we really are.
JOHN: Okay.
KEVIN: We're trying but we want to make it through this first. I mean there's no guarantees but if, if we can get through it, you know, possible.
JOHN: Okay. What time's sundown?
KEVIN: I don't know. You tell me.
Probably around 6:30 or so.
JOHN: All right. So, anyway, I'll, I'll --
I don't want to hold you up. I want you to get back
to that. We're just trying to make some arrangements
to get your pickup vehicle.

KEVIN: Uh-huh.

JOHN: So, I'll, I'll dispatch the pickup
vehicle and hopefully we'll see you at 6:30, how's
that?

KEVIN: I can't, I can't promise that. I
mean as soon as we're finished with Micah, it's --
like I said, it's up to David.

JOHN: How, how far through are you, your
lesson, your, your teaching?

KEVIN: Well, we're -- I guess we'd be in
Chapter 4 right now.

JOHN: Okay. I can't remember Micah, how
many chapters we'd -- we're -- I'm looking at there.

KEVIN: Okay.

JOHN: Hello?

KEVIN: Yeah.

JOHN: Yeah.

KEVIN: Uh-huh.

JOHN: Okay. I, I promised the boss, based
on our conversation earlier, that Mr. Jamar -- that
you would be coming out tonight.
KEVIN: Right.

JOHN: So, he's going to be a little bit upset with me personally and with -- my credibility is going to be ruined with him, as you can well imagine. So, when you said a short, a short time, I assumed that that was a couple of minutes, you know.

KEVIN: Uh-huh.

JOHN: So, I've arranged for you to have your Bible. Everything's been smoothed along the way and we're just looking forward to seeing you tonight.

KEVIN: What am I supposed to expect?

JOHN: Okay. You'll just walk down the road to the pickup spot. You all just walk down the road to the pickup spot. There'll be a Bradley there. They'll give you directions. You'll sit in the back of the Bradley, right down, get transferred to the van and, and that's basically it. It's going to be smooth as glass. I've arranged with one of the people down at the jail for the Bible, to make sure you're Bible there. I've spoken to them. Everything has been expedited and it's (Indiscernible), it's ready to go. There's absolutely no problem. It's, it's really -- it's a piece of cake. It's, -- you know, everybody's been through it, Kathy. Nobody's had any real complaints, Ollie. It's really smooth.
KEVIN: Is it going to be like Ollie's accommodations or --

JOHN: Yeah, same.

KEVIN: The same as Ollies?

JOHN: Same place. Same place.

KEVIN: Same place with Ollie?

JOHN: Not exactly in the same room but in the room probably adjacent.

KEVIN: Oh, okay.

JOHN: Okay?

KEVIN: Tell you what, John, I'll do you a favor. When I'm finished with Micah, I'll call you back.

JOHN: Okay. I need --

KEVIN: How's that?

JOHN: Okay, that's wonderful. I did promise my boss it would be tonight. We've, we've gotten everything squared away down, downtown, with the Bibles and everything. So, it's smooth --

KEVIN: Okay. Hold on, hold on real quick.

JOHN: Okay.

KEVIN TO OTHERS: John, just wants (Indiscernible) tonight some time (Indiscernible). He says his credibility is out the door.

KEVIN: Okay. David says that he's your
credibility, okay, and that we're trying as hard as we can right now.

JOHN: Okay.

KEVIN: Okay?

JOHN: Call me back.

KEVIN: Okay. I'll give you a call when we're finished.

JOHN: Call me.

KEVIN: All right.

JOHN: Bye-bye.

* * * *

Hello?

STEVE: Hello, John?

JOHN: Yeah, Steve.

STEVE: Yeah. I just came in. So, I apparently, I'm just being a little bit updated as to what's been happening here. Some of these guys are sitting here right now. What am I calling for? I'm not even sure what they want me to call for here. I'm a little --

DAVID: (Indiscernible).

STEVE: They want to confirm, apparently, if they come tonight that they can call in the morning
and have that study.

    JOHN: Yes.

    STEVE TO DAVID: Yes, he says. It's confirmed.

    DAVID: Okay. I mean both of them together --

    JOHN: Yeah. Two calls or you mean on the same line?

    STEVE: On the same line.

    DAVID: Is that going to be all right?

    JOHN: Yeah, I'll try to work it out. How about if I can't -- I'll try to work it out. I don't know if they have that type of patch system but if they can't do it together, how about they do two individual calls?

    STEVE TO DAVID: He said if they can't do it -- he doesn't know if they have that kind of a patch system -- can it be done in two individual calls?

    DAVID: (Indiscernible).

    STEVE: He says it's going to wear him out. You know, he's still now, you know, totally up to par here.

    JOHN: Oh, we'll do our best. We'll do our best. Maybe they can patch it through here.

    STEVE: Don't you have an intercom or
something, he said?

JOHN: We'll get an intercom.

STEVE: They'll get --

JOHN: We'll get, we'll get an intercom.

STEVE: Okay. That will work.

JOHN: Okay.

STEVE TO DAVID: Anything else

(Indiscernible). John?

JOHN: Yeah.

STEVE: Here's Kevin. He wants to talk to

you personally here.

JOHN: Sure.

KEVIN: Yeah, so, we're finished right now,

John.

JOHN: Okay, Kevin.

KEVIN: Hey, are we going to be able to meet

you tonight at some point?

JOHN: I'll probably meet you tomorrow.

How's that?

KEVIN: Tomorrow? Okay.

JOHN: Yeah, I can meet you tonight. This

is --

KEVIN: You can on the way -- on the way

over or whatever?

JOHN: We're in a different location.
That's the problem.

    KEVIN: Oh.

    JOHN: But I'll see you tomorrow.

    KEVIN: Oh, okay, John.

    JOHN: How's that? Is that okay?

    KEVIN: Yeah. I was just -- yeah, okay, whatever.

    JOHN: Well, I'd like to -- if I'm -- if you want me to meet you tonight, I'll come down there.

    KEVIN: Yeah. Well, that'd be great.

    JOHN: All right. I'll look forward to it.

    KEVIN: I, I take it they'll be a shower, huh, 'cause we haven't had a chance to, to wash up or anything, John.

    KEVIN: I don't even have a shave going here yet. I don't know how quick you want us to come out.

    JOHN: We'll get you a shower and a shave. That's, that's nothing, nothing to that.

    KEVIN: Oh.

    JOHN: You'll feel better anyway when you have that. Nice hot water and all that -- all the soap you can use.

    KEVIN: I do.

    JOHN: Okay.
KEVIN: I feel, I feel dirty myself.

JOHN: We'll get you --

KEVIN: Well, I'll look forward to seeing you tonight or some -- you know.

JOHN: I'll see you tonight.

KEVIN: Okay. So, --

JOHN: Now, hold on, hold on, I need to know when you're departing for, for the pickup vehicle.

KEVIN: I just need to go and get some stuff and put some clothes on and I'll be -- I guess I'll be out if that's okay with -- David? Okay. So, tomorrow we're going to be able to talk with David, right?

JOHN: Yes.

KEVIN: We need to -- we haven't finished a study. We're doing this, you know, --

JOHN: I know.

KEVIN: -- for you.

JOHN: I know you are and I, I appreciate that and tomorrow we'll finish the study in a phone call.

KEVIN: Okay. You know about -- approximately what time? Is it going to be in the morning or in the afternoon or --

JOHN: We'll, we'll try -- we'll set it up and, and call in and let Steve know or David know.
KEVIN: You'll let Steve or David --
JOHN: Yeah.
KEVIN: -- know?
JOHN: Yeah.
KEVIN: Okay, John.
JOHN: And who -- let -- just for pickup purposes, now, you're coming out, Kevin, and who's coming along?
KEVIN: And Brad.
JOHN: And -- you and Brad?
KEVIN: Me and Brad, I guess, are going to come out.
JOHN: Okay.
KEVIN: Unless -- I know the original thing was me. So, you want him to stay or -- okay. So, Brad and I will be coming out. Can you give us a few minutes to put on our clothes?
JOHN: Sure, sure.
KEVIN: Okay. Like I say, we ain't showering or shaving. So, we're going to need that.
JOHN: Well, -- that doesn't matter. We'll have that done for you. You can do that down there and get plenty of hot water, soap, all you want.
KEVIN: Okay.
JOHN: Shave and feel better and, you know.
KEVIN: That'll be great.

JOHN: Yeah. That will be done. That will be done tonight.

KEVIN: Okay.

JOHN: Okay. And I guess Rita -- when's Rita coming?

KEVIN: She'll probably -- probably tomorrow, right?

JOHN: Tomorrow night. Okay.

KEVIN: Oh, yeah, she needs some more study. So, --

JOHN: Okay. I understand that. I understand that totally. Okay. I need to notify the pickup vehicle so let's say -- maybe Steve can call me back when you're ready to go out the door?

KEVIN: Fine. That will be great.

JOHN: Oh --

KEVIN: He can call you back when we're ready.

JOHN: Okay. Just for, for what they call logistic purposes, for contacting the pickup vehicle, it's about ten to seven now. We're looking at what, about --

KEVIN: Uh, gee.

JOHN: Roughly.
KEVIN: It will take me about -- I guess I could be ready to go in twenty.

JOHN: All right, twenty, and, and Brad, too? Is 7:15 good?

KEVIN: Yeah, 7:15 would be great.

JOHN: Sounds great. I'll look, I'll look forward to meeting you and please have Steve or somebody call me when, when you're ready to depart the door.

KEVIN: Okay. I'll let him give you a call then.

JOHN: Right. And I'll look forward to meeting you.

KEVIN: Okay, thanks. Thanks a lot, John, I appreciate it.

JOHN: My pleasure, Kevin.

KEVIN: Okay.

JOHN: Talk to you.

KEVIN: Bye.

JOHN: See ya. Bye-bye

* * * *

RACHEL: Hello?

JOHN: Hi, Rachel?

RACHEL: Hi, how did you know?

JOHN: Oh, I'm getting to know your voice.
RACHEL: Is this John Dolan?

JOHN: Yes, it is.

RACHEL: Good to hear your voice again.

JOHN: Good to hear your voice.

RACHEL: It's been a long time.

JOHN: Yeah, it has been.

RACHEL: Yeah.

JOHN: Sounds like you have a little baby there?

RACHEL: Sorry?

JOHN: Sounds like you have a little baby there.

RACHEL: Yes, I do, --

JOHN: Who --

RACHEL: -- sitting here in my lap.

JOHN: Who is it?

RACHEL: That's my Bobby.

JOHN: Bobby? Oh.

RACHEL: You hear her, she's calling her daddy.

JOHN: She is. Oh, yeah. She's got a strong voice.

RACHEL: Yeah. She's calling daddy.

JOHN: How old's Bobby?

RACHEL: She's a year.
JOHN: One year old?
RACHEL: Uh-huh.
JOHN: Oh, geez.
RACHEL: Yeah.
JOHN: She's got a great voice, I'll tell you that.
RACHEL: Yeah.
JOHN: Probably you don't like to hear that about 2:00 in the morning, though.
RACHEL: Yeah.
JOHN: Yeah. Is, is Kevin around or --
RACHEL: Kevin?
JOHN: -- or Steve or --
RACHEL: Steve? Yeah, they're around here somewhere.
JOHN: Okay. 'Cause we were trying to make arrangements for, for Kevin's pickup. So, it's just --
RACHEL: Do you want to talk to David?
JOHN: Yeah, great.
RACHEL: Okay. Here he is.
DAVID: Hello, John?
JOHN: Hi, David.
DAVID: Yeah, they'll, they'll be out in a little bit. I think they're eating a -- are they eating yet, Rach? Okay. What are they eating? Okay.
Okay. Okay. Well, they're ready, they're ready to come out. They're just, they're just, you know, going to grab something, a bite to eat or so.

JOHN: Okey-dokey.

DAVID: Wait a minute, baby, wait, wait.

JOHN: Could -- that's Bobby right?

DAVID: Yeah, that's my little baby girl, Bobby.

JOHN: David, could you pass a message? Ask -- are they going to carry anything as far as -- I know they're bringing their Bibles. Are they going to bring and food or anything like that, do you know?

DAVID: I doubt it. I mean --

JOHN: Oh, okay. Okay. If they wanted to bring -- somebody mentioned some juice or something. If they want to bring something like that, if they would put it in a sack and if they would carry a flashlight.

DAVID: Yeah. Well, you know, you know, that, that, you know, well, you know how skitzy the guys are in those things. So, all, all basically, all basically that they'll -- that they're asking for is to be able to keep the, the, you know, the Catholics call it the Eucharist.

JOHN: Sure.
DAVID: Some churches call it, you know, the emblems, you know.

JOHN: Sure, no problem. They could put that in their pocket. Absolutely no problem.

DAVID: Yeah, you know, and I guess that's about it. You know, they're, they're looking forward to, to continuing the study. I mean we just -- you know, we got real -- we got real tight here. I mean I real, I realize that a lot of times we need to make ourselves more clear but it, it will work out all right as long --

JOHN: Fine.

DAVID: -- as we can get the conference tomorrow.

JOHN: Sure. We'll get that done tomorrow.

DAVID: They need to -- they need to have that confirmed to them.

JOHN: We'll do that tomorrow. That's all set up already.

DAVID: I, I just -- it just dawned on me. I was listening to this theologian on the radio and -- the tapes that you all sent?

JOHN: Yes, yes.

DAVID: And he was actually in the office there with you.
JOHN: No, no, no, no. Let me tell you how that happened. We called him at his, at his office or home. I'm not sure which. I think it was his home in Houston, Houston. Okay. He had a tape there that he then played for us and we recorded it here as he played it over the phone to us. He did not physically come here.

DAVID: Oh, I see. Well, I just, I just heard a lot of agents and stuff talking in the background.

JOHN: Yeah, that's -- that was -- that's exactly how it happened because we were recording over the phone into like the microphone portion of a tape recorder.

DAVID: Oh, I see.

JOHN: That's exactly how it happened. Yeah.

DAVID: All right.

JOHN: That's why you heard all that background. No, if you -- if he had been here, it would be dead quiet. It would have been an absolute, you know, it would just be like in a sound studio.

DAVID: Right.

JOHN: Yeah. So, that -- you wouldn't have heard a word.
