U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #144

3/20/93
7:28 P.M. - 12:15 A.M.
(Tape 144)

JOHN: Good. Well, that's good.

DAVID: Okay. So anyway --

JOHN: I know we didn't want to bother you today and we --

DAVID: Are you, are you -- you're not at, you're not at the sheriff's department, are you?

JOHN: No, no.

DAVID: Oh, I see. Okay. So the -- all right then.

JOHN: That's why we had to patch you through.

DAVID: Have you read that Micah 7, John?

JOHN: I'm sure I read it a long time ago with you.

DAVID: Not Micah 7.

JOHN: You don't think so?

DAVID: No.

JOHN: How could I have missed?

(Bell ringing.)

DAVID: See, see a lot of things is -- people, people don't realize that, you know, God requires what's been in the past. Well, there's a statement in the world. You know, we have no fear of the future so we forget what, you know, has been
learned in the past.

JOHN: Yeah.

DAVID: But oh, boy, I tell you. It's -- I hope the best for these guys.

JOHN: They'll be all right.

DAVID: Yeah, I know they will.

JOHN: And they'll be, you know, well cared for. And the Sheriff's a man of his word. He doesn't, he doesn't go back on his words. And he's, he's been a real class guy to deal with here and, and he's treating everybody very fairly. Plus they'll have some -- I'm sure they've already had some legal representation. And you know --

DAVID: Maybe we should stock the sheriff's department up with MREs.

JOHN: Oh, they've got plenty of good food. Plenty --

DAVID: Yeah.

JOHN: -- plenty of good, fresh food.

DAVID: Yeah.

JOHN: Don't you think so?

DAVID: Yeah. (Laughing.)

JOHN: Some home cooking, huh? Yeah.

DAVID: Some homely cooking. (Laughing.)

JOHN: Oh, no. Don't say, don't say that to
the man.

DAVID: Hey, you haven't eaten --

JOHN: He's been pretty gracious to everybody here.

DAVID: I've, I've eaten down there before.

JOHN: Have you?

DAVID: Yeah. (Laughing.)

JOHN: Don't tell me it wasn't much to write home about. Because he was pretty gracious to all of us.

DAVID: Well, he was, you know, they, they did us real good when we was down there last time.

JOHN: Sure. Sure. We going to get something working this evening?

DAVID: We're working on it.

JOHN: Good. Good.

DAVID: Like I say it's -- when, when you get forced into the Scriptures a lot of the things are not readily understood.

JOHN: Um-hum.

DAVID: People don't realize that, that what naturally is accepted in this generation as being just business is condemned by God.

JOHN: Um-hum.

DAVID: So you know, it's just like where do
you start with somebody, John? Where do you start?
Where do you find a level point in the mind of one man
towards another to where you can start building up on
the, the foundation? You know, you could say well,
look at Christ. But of course, not everybody is like
Christ. People can't do what he did, right?

JOHN: Sure. That's right.

DAVID: Then how come God let him do it, and
God let the apostles do it, and somehow somebody has
missed the boat and no one can do that no more?
Wonder what happened? Somebody went wrong somewhere,
huh?

JOHN: You bet. You bet.

DAVID: We got to find out where the kink in
the (indiscernible) of the hose is, don't we?

JOHN: Well --

DAVID: Oh, wouldn't it be --

JOHN: -- got a few, a few kinks in the
hose, huh?

DAVID: Yeah, a few of them.

JOHN: That's for sure. Listen, we, we had
a request from the Sheriff earlier when, when I
discussed some things with the, the fellows that
relieved me this morning --

DAVID: Uh-huh.
JOHN: -- I told them that, that we expected a female this evening.

DAVID: Right.

JOHN: And we got a request just a little while ago, Jack, the Sheriff, contacted us and wanted to make sure that a female was coming, because they were making arrangements for a female.

DAVID: Okay.

JOHN: And is it safe to go ahead and reassure him that he can plan on that?

DAVID: Yeah, see --

JOHN: Okay.

DAVID: -- Rita, like I said, Rita is, Rita is kind of petrified.

JOHN: Well --

DAVID: And she's, she's just --

JOHN: Try to be reassuring to her, because I sure tried last night to talk to her. And, and I'll be happy to, to, you know, if you want me to talk to her again this evening, I'll be happy to do that too.

But --

DAVID: Well, I mean she's, she's more concerned about her spiritual interests than she is about her --

JOHN: Sure.
DAVID: -- her civil rights.

JOHN: Hey. Well, you, you know she's going to be able to keep her Bible. You know she's going to be able to keep up with everything from a spiritual standpoint. And none of that's going to be taken away from her. And it's not going to be hampered in any way. So we're certainly not going to do that.

DAVID: Okay.

JOHN: We respect that. But they are setting aside so many facilities for females if, if there are females coming out and, and we're certainly prepared to handle her and anybody else at any time you want to let us know.

DAVID: Okay. Like I say it's -- what we're doing right now is we're just getting confirmations.

JOHN: Sure. Well, and be --

DAVID: You ever gone to the, you ever gone to the priest before and made confession?

JOHN: Many times.

DAVID: Before, before you went on a job?

JOHN: Sometimes it was lengthier than others.

DAVID: (Laughing.)

JOHN: And I sure have. Sure have.

DAVID: I believe you.
JOHN: You know, I really have. And --

DAVID: I don't, I don't take confessionals. I just, I just --

JOHN: No, but --

DAVID: -- confirm to people --

JOHN: -- you listen and you, you're supportive of people. And you listen to them, and you're giving them some support. And that's what they need.

DAVID: These guys, old Kevin and Brad, were really messes in the beginning --

JOHN: (Laughing.) So you have to use a carrot, a stick?

DAVID: No, no. Like I say, people meet me and --

JOHN: They do.

DAVID: They meet me and they, you know, you got to be all things to all men. And they try to figure me out. And I start talking to them. And like Brad was in a bar, was down at a club one night. And --

JOHN: Uh-huh.

DAVID: -- Brad was there drinking a beer. And he was -- and Brad's the kind of guy that spends all his money on everybody else. And he's sitting
there and he, he says hey, want a beer, want a beer, 
want a beer. You know, like one of these kind of 
guys, right?

JOHN: Uh-huh.

DAVID: And I was talking to the owner about 
the card, Cyrus Production card, and some of the 
passages on it. And, and this guy says oh, wow. He 
says you know, he says I used to go to church years 
ago. He says but I never learned anything like this. 
And we was talking, and Brad overheard us and he, he 
butted in and started telling us all about the 
revelations and about all these different things. So 
I sat there and listened to him for about, I don't 
know --

JOHN: Uh-huh.

DAVID: -- thirty minutes to an hour. I 
says really, really, really. So anyway, he was just 
really getting off, because somebody was listening to 
him, you know? So then I started asking him questions 
and --

JOHN: Put him on the spot.

DAVID: Well, you know, and before you know 
it we went off to Denny's and had dinner together, and 
we started opening up to Scriptures, and we met a U.S. 
marshal there that was sitting next to us.
JOHN: Um-hum.

DAVID: And we started opening up Scriptures to him and stuff. And then we just had a real good time that night. And he's been, you know, ever since he's just, he's just been real hungry to know these things.

JOHN: That's great. Really is. And because --

DAVID: Because we are --

JOHN: -- a lot of people have that thirst for knowledge, and they don't know where to reach for it, where to grasp for it.

DAVID: They don't know where the real source comes from. They don't know about God on the throne. They don't know about the path that God's already laid out for all men to see.

JOHN: No, and you got so many, so many youngsters that, you know, their, their families are supportive up to a certain point. And then they, they're "mature", right. And they, they're out on their own, and they start swaying away from it. And a lot of us have, have done that over the years. And then we realize there's something there for, for us, and we better get back in touch with our God.

DAVID: Maybe mom and dad were smarter than
we thought.

    DAVID: Yeah, absolutely. You know, theory, when, when it comes to theory, theory doesn't work in reality. And a lot of kids have a lot of theories given to them about God. When it comes to a working reality, that God is not really there when they need it. And so they don't understand that truth has a certain curriculum that has to be followed.

    Like Brad, Brad has always been a, had a problem with alcohol, you know.

    JOHN: Yeah.

    DAVID: And there's a lot of people out there in the streets of LA and stuff that I've, that I've dealt with and stuff that, you know, "have a love for God." But of course, their God doesn't give them power to overcome their vice.

    JOHN: Um-hum.

    DAVID: And, and they felt very separate and lost, and they feel like they're going to hell. But they don't understand according to the covenants that in the latter days God allows vices to rule over his people, because it keeps them humble. You know --

    JOHN: Sure.

    DAVID: -- you get a guy that, that seems to
be doing well in life and, and goes to church and, and seems to do everything that he thinks is right. He gets very proud and arrogant, you know. Very self-righteous. You know, and it's like Christ explains in the parable. He says there was a Pharisee in the synagogue, and then there was a sinner. And the Pharisee says I thank thee, O God, that I'm not another man. I pay tithes of all of that I own. And I fast twice a --

JOHN: There's a lot more to it than just going to church though, isn't there?

DAVID: Well, exactly.

JOHN: Sure. Sure.

DAVID: Going to church, Christ talks about your body being the temple of God. You are a walking church if you have the knowledge of truth in you. It's a 24-hour-a-day thing, 7-day-a-week thing.

JOHN: Yeah. Yeah.

DAVID: And the church is supposed to be for --

JOHN: Well, these guys are --

DAVID: -- instruction.

JOHN: You know, David -- David -- Kevin and Brad are -- I'm sure they've appreciated this, you know. And, and they're learning a lot from it. And
they've got a lot more to learn. You know. But at least they'll have the opportunity to do it. The one thing that we certainly don't have any intention to do and, and I mean we on the outside which includes the sheriff's department and everyone else is to jeopardize anybody's religious freedoms. You know, they're cherished freedoms and, and they have to be respected. And if, you know, you can reassure Rita and anyone else that no one's going to interfere with those freedoms and those rights and they can't.

DAVID: Well, they already have. But like I say, it deals with a misunderstanding that --

JOHN: Well, they're not going to do it when, when they come out, that's for sure. In addition to the, the legal representation, nobody's going to interfere with their religious beliefs or their convictions or their ability to, to continue their, their study.

DAVID: Now whether we're bonded in the flesh as long as we know where our minds are we can be free in our spirits.

JOHN: Sure. You're absolutely right.

DAVID: John the Revelator was bonded in the flesh on the Isle of Patmos. He was considered a treasonist (sic). He was considered a bad person.
But of course, in the spirit he was in heavenly places, wasn't he?

JOHN: Yeah.

DAVID: Okay. All right, so let me finish up working here and --

JOHN: Okay.

DAVID: -- we'll get something going and --

JOHN: Would you --

DAVID: -- and we'll give you a call back real quick, okay?

JOHN: Okay. Would you let me talk to Steve for a minute?

DAVID: Okay.

JOHN: If he's around. Because I've got a message to give to him.

DAVID: Okay. Here. Rachel, take the phone to Steve.

JOHN: Thanks.

[gap]

RACHEL: Hello?

JOHN: Hello, Rachel.

RACHEL: John Cox.

JOHN: You're right.

RACHEL: How are you?

JOHN: Fine. How about yourself?
RACHEL: Good.
JOHN: Good.
RACHEL: Here -- Steve, he just went to get
a bite to eat, that's all.
JOHN: He did?
RACHEL: Yeah.
JOHN: I bet he doesn't want a What A
Burger, huh? Not after what --
RACHEL: What A Burger --
JOHN: Not after what David told me last
night.
RACHEL: Really greasy, nasty. We've --
JOHN: David really put one on me last night
about What A Burger.
RACHEL: David said they were going to go to
hell. (Laughing.)
JOHN: (Laughing.) Particularly the chicken
sandwiches.
RACHEL: Oh, really?
JOHN: Yeah. He said those chickens are
laying around for 30 --
RACHEL: The devil -- sorry. He said the
devil wouldn't eat it. (Laughing.)
JOHN: (Laughing.) Could be.
RACHEL: Fuddruckers is a little better --
JOHN: Depends how hungry the devil gets.

RACHEL: Yeah. Well, you know, he's a health reformer that, you know?

JOHN: Uh-huh.

RACHEL: Here's Steve.

JOHN: Thank you.

STEVE: Hello, John?

JOHN: Hey.

STEVE: What's happening?

JOHN: I had a message from John 2.

STEVE: Okay.

JOHN: That I guess he spoke to you about talking to your sister, Susan.

STEVE: Okay.

JOHN: And the attorney and the legal process and everything. And he left me a note to tell you from her that when you come out she'll be there to, to see you.

STEVE: Oh, really?

JOHN: And -- yeah.

STEVE: Well, she doesn't need to do that.

JOHN: Well, I think she's made her mind up that she wants to see you and let you know that she loves you.
STEVE: Okay.

JOHN: Hey, it's the right thing. I spoke to David last night, because I missed you last night. You, you must have snuck out and decided that you wanted to get some sleep last night, huh?

STEVE: Yeah, I think I did.

JOHN: Well, I got to spend a little time with --

STEVE: You did, huh?

JOHN: -- with David last night. Yeah, and he snookered me. Four hours and five minutes worth.

STEVE: Four hours and five minutes he said he talked with you last night. (Laughing.)

JOHN: His nose is --

STEVE: John, were you -- you were timing it, huh?

JOHN: Hey, his nose is growing too.

STEVE: He says your nose is growing too.

JOHN: Yeah. When I talked to him, I mentioned to him that we had had some messages for several people in there.

STEVE: Okay.

JOHN: And after he gets done --

STEVE: Did you want to pass, did you want to pass them on now maybe or --
JOHN: Well, he -- I know he's busy, you know. He's doing something right now. He's --

STEVE: Yeah.

JOHN: -- he's talking to some folks. And one of the people that we had a message from was a Sandra Hardial, H-A-R-D-I-A-L. And he --

STEVE: Want me to call her to the phone then or --

JOHN: He said he didn't have any record of her being --

STEVE: He didn't, he didn't never -- no, none of us really ever knew her last name.

JOHN: Okay.

STEVE: But, but I do know of such a person here. But I even myself --

JOHN: Okay.

STEVE: -- didn't know what her last name was.

JOHN: Okay. What I would like to do is once he, once he talks --

STEVE: They, they call her Sandra. So that might have thrown him off too.

JOHN: Okay. Once he talks to Rita, and he talks to the other folks and --

STEVE: Yeah.
JOHN: -- we resolve that issue, why don't we make arrangements to talk to her and, and maybe some of the other folks.

STEVE: All right. So you --

JOHN: Okay?

STEVE: Not just yet then.

JOHN: No.

STEVE: So I'll give you a call -- after he's talking do you want to call me, or I'll call you or something?

JOHN: When he's done doing whatever --

STEVE: Okay.

JOHN: -- lecture with Rita and Rita -- you know, he wants to --

STEVE: (Indiscernible) lecture with Rita and all that I --

JOHN: He said that he wanted to talk to her, and kind of reaffirm the fact that yes, she'll be able to take her Bible. She'll be able to continue her religious study and, and there were some others that he --

STEVE: Okay.

JOHN: -- wanted to talk to. So why don't --

STEVE: So give you a call then?
JOHN: Yeah.
STEVE: Okay.
JOHN: Give, give me a call when, when you're done doing that.
STEVE: Sounds good.
JOHN: Okay?
STEVE: Talk to you then.
JOHN: Thank you.
STEVE: Bye.

* * *

STEVE: Hello.
JOHN: Steve?
STEVE: Yes.
JOHN: How we coming along?
STEVE: Just a minute.
[gap]
STEVE: How, how we coming along?
DAVID: Tell him leave us alone until we get this done.
JOHN: (Whispering.) He's pissed.
DAVID: We're working on it.
STEVE: Okay. We're working on it still.
JOHN: Good.
STEVE: Yeah.
JOHN: Good.
STEVE: And I'm, and I'm going to call you just as soon as we're done.

JOHN: Do you need, need me to answer any questions?

DAVID: Okay, now --

STEVE: Not at the moment.

DAVID: When it says (indiscernible) --

JOHN: Okay, fine.

STEVE: Yeah.

JOHN: Thanks.

STEVE: I'll be giving you a call.

JOHN: Thank you.

JOHN: Bye-bye.

* * *

JOHN: Hello?

STEVE: Hello, John?

JOHN: Hey, how are you?

STEVE: Not too bad.

JOHN: Good.

STEVE: Hey, do you have in your records there if a Herbert Leon has called in from Britain at all?

JOHN: I do not have that name right in front of me. Do you know --
STEVE: It's his --

JOHN: Hang on. Hang on. Let me flip through a couple of things. You got a second?

STEVE: Yeah.

JOHN: Hold on. Just doesn't ring a bell. We had the --

STEVE: He said he's an actor that's been in like I think it's Alien 3 and a number of other movies.

JOHN: What we've had is many of the calls coming for any of the Brits were from the British Consul.

STEVE: Oh, they're -- most of them are from the consul.

JOHN: Many were and --

STEVE: Yeah.

JOHN: -- I've got the name of the vice consul that called for, you know, to give the message to Melissa. And I'd really have to look through some other things but --

STEVE: Okay.

JOHN: -- in the list in front of me are the names that I gave David last night. I did not have that name at all, and it doesn't ring a bell.

STEVE: Okay, let --
JOHN: And I've been, I've been looking through everything I can find --

STEVE: -- let me check on the last name then real quick.

JOHN: Okay.

STEVE: Just a minute.

JOHN: Okay.

[gap]

(Radio playing in background.)

STEVE: Yeah, I've got it right here.

JOHN: Okay.

STEVE: His mother is here, and her name is Victoria Hollingsworth. What? Victorian.

JOHN: It's a male?

STEVE: No, it's his mother.

JOHN: Okay. Hollingsworth.

STEVE: Yeah.

JOHN: And it would have been Leon is the fellow's last name?

STEVE: That's her son, yes. Last name Leon.

JOHN: Okay. And his first name was what?

STEVE: The first name was Herbert.

JOHN: Uh-uh.

STEVE: Nothing there?
JOHN: Nothing that I have. And I've got a list of -- I can tell you right now --

STEVE: Let me find the -- okay.

JOHN: -- the British Consul General's Office inquired initially, okay, about a lot of people --

STEVE: Okay.

JOHN: -- who they believed were in there --

STEVE: John, can we, can we give you a number where he could be called?

JOHN: They, they just want us to -- she'd just like to have us call and give some assurances?

STEVE: Well, and probably --

JOHN: Sure.

STEVE: -- make some kind of a connection for her. Or I'm not sure what. You know, she's, she's an older person that was here and, and --

JOHN: Uh-huh.

STEVE: -- has been during this whole time right from the time it started has been sick in bed.

JOHN: Well --

STEVE: In fact, through all of this she's lost weight. Hey, I don't even know if he's going to recognize her after the last few weeks. She's man, lost a lot of weight.
JOHN: Why don't we try and do something for her, huh?

STEVE: That's true.

JOHN: You know?

STEVE: She's been too sick to even want to worry about it for a while. But now I, I think she's doing a little better so, you know, now we can at least make -- hope that she can maybe make it out okay.

JOHN: Well, you can have a couple of people help her out.

STEVE: That's true.

JOHN: I don't mean that they have to do anything themselves but can walk --

STEVE: Right.

JOHN: -- walk her out there and --

STEVE: Well, that's true.

JOHN: Hey, we'd be happy to, to meet her.

STEVE: Okay.

JOHN: Do you have a number in a town or something like that? And I can try --

STEVE: Yeah.

JOHN: -- and research. Because --

STEVE: Sure.

JOHN: -- I'm looking at a list that I had
from the British Consul General's Office, and her name is not on it.

STEVE: All right. Vicky, do you have a number or would you have, would you have to get it, or do you know it? Okay. Here it is.

JOHN: Go ahead.

STEVE: (Vicky's voice in background not discernible.) It's what? 071 --

JOHN: Uh-huh.

STEVE: -- 263 --

JOHN: Uh-huh.

STEVE: -- 6973.

JOHN: Okay. And where is that?

STEVE: That would be London I would imagine.

JOHN: Okay.

STEVE: I think that to call out of here I think it's like 011 and then --

JOHN: Okay.

STEVE: 11 -- yeah. 011 and then it's 44 and then the number you have.

JOHN: 01144.

STEVE: Yeah. And then the number you have there.

JOHN: Okay. Well, we can sure, sure try
and get a hold of him --

STEVE: Okay.

JOHN: -- and let him know that, you know --

STEVE: Let me ask how they want to connect on that or, or just what might, what they might want to do here. Just a minute.

JOHN: Yeah. Yeah.

[gap]

(Unidentified voices in background not discernible.)

JOHN: We threw that bone once. Tell him that we can maybe try and make the call, and give her a message.

STEVE: Okay. I guess it would be good if her, you know, if you could let her know, I mean let him know about being here for her. And we're still working with Rita coming out right now.

JOHN: Okay.

STEVE: But it seems like she's getting ready to come out herself --

JOHN: Okay.

STEVE: -- Vicky is, so.

JOHN: Well, do you think Vicky could come out with Rita maybe?

STEVE: That, that sounds good. That
probably would be a big help.

JOHN: I'll, I'll tell you what we could do.

STEVE: Okay.

JOHN: Is if you want her to do that, we would, we would try and hook her right up with him on the phone.

STEVE: Okay, just a minute.

JOHN: If you want us to try and do that.

[gap]

STEVE: I guess if, if (indiscernible) Vicky up with Rita and he could just hook her up with him on the phone (indiscernible). (Unidentified voices in background not discernible.)

UNIDENTIFIED MALE SPEAKER: Let's get her out. Let's get her out.

STEVE: Could you have what? Oh. She's saying, she -- Vicky I mean. She's right here. And she's asking me, she says could I have a couple of days? Because I'm still feeling sick, and I don't know if I can be getting up yet.

JOHN: Well, the best thing to do is probably --

STEVE: And, and David's saying that she needs to go as soon as possible because of that --

JOHN: Well --
STEVE: -- because she's been down and out for quite a while now.

JOHN: Why, why don't you and David try and encourage her to --

STEVE: Yeah, he is. He, he --

JOHN: -- come out. And we've got --

STEVE: He has been.

JOHN: -- we've got the medical assistance right down at the end of that road. And --

STEVE: Vicky, he says --

JOHN: -- when we --

STEVE: -- they got the medical, you know, everything that you might need.

JOHN: We've had the doctors talk to people and, on the phone before, and we've had doctors tend to people coming out.

STEVE: Right.

JOHN: She can come out with Rita. We can get her to some medical attention and get her on the phone with her son and he can be -- she can be reassuring to her son when she comes out.

JOHN: And, and the other thing that could be done is Rita probably could make a phone call back in and let you know that she's made contact with her
son and everything's fine.

STEVE: Okay. Just a minute. (David's
to voice in background not discernible.) Oh, she was
even -- well, I don't know.

JOHN: What?

STEVE: You mean what cars do we have left?

I don't know. Most of them are bullet shot up and --

JOHN: What?

STEVE: -- you know, like Rita had a real

good car. It was one of those Preludes, a Honda

Prelude. But --

JOHN: Uh-huh.

STEVE: -- just Friday the tank came in and

shoved her car all over the place along with the bus

and a number, a couple, three, four cars here.

JOHN: Well, you know, we have one of those

Bradleys that is --

STEVE: Ooh, man. I don't know if she could

handle that.

JOHN: No. No, no. I don't --

STEVE: Okay.

JOHN: Hey. I'm not talking about somebody

driving a Bradley. We have --

STEVE: No, I know. Not, not

(indiscernible) --
JOHN: -- a Bradley that is an ambulance, okay?

STEVE: Okay.

JOHN: It's designed as an ambulance. And we can have that Bradley right up the road and -- hold on just a second.

STEVE: All right.

JOHN: Hold on.

[gap]

STEVE: He's checking on it now.

DAVID: We still got keys to the Blazer still, don't we?

STEVE: I guess. He's talking about bringing a Bradley right up here. The ambulance Bradley.

DAVID: Right up to the, to the front?

STEVE: Pretty close anyway. Whatever we want.

DAVID: They, they can probably do that.

STEVE: All right. He's talking about tonight, you know. He's talking about now, this minute. Okay.

VICKY: (Indiscernible.)

DAVID: You need to go, Vicky. I mean let's start exercising some faith in what I'm doing.
VICKY: (Indiscernible.)

JOHN: Steve. Steven.

STEVE: Yes.

JOHN: Okay. Going through a couple of options here. And, and I want your help on it. Okay?

STEVE: Okay.

JOHN: Your help and David's help. We can get a Bradley up pretty close if, if that would be of assistance.

STEVE: Okay, I, I --

JOHN: I mean -- and I don't mean in any threatening manner or anything.

STEVE: No, no, no. I think that would be okay --

JOHN: Because we have one that is designed like an ambulance would --

STEVE: Okay.

JOHN: -- have a doctor in it. Okay?

STEVE: Okay.

JOHN: And maybe Rita could help her out or anybody else could help her out into the Bradley, and then the two of them could leave that way. And she could -- Rita could be a little more reassuring to her, huh?

STEVE: Well, yeah. He's, he's mentioning
how Rita could be a little more reassuring to her
and --

DAVID: Rita is a basket job.

STEVE: And right now David's saying to me

Rita's a basket job right now.

JOHN: Well, do you have somebody else

then --

STEVE: Do, do we have someone else that

could --

JOHN: -- that could help the two of them?

STEVE: -- two of them that could help her?

JOHN: You know?

STEVE: Possibly he says.

DAVID: Tell him I'll call

(indiscernible) --

JOHN: You know, I know --

STEVE: Can he, can he call you back in 15?

Because we haven't really, you know --

JOHN: You can, sure. But I, I know if, if

you're concerned about, you know, he mentioned others,

you know --

STEVE: Yeah.

JOHN: -- look at the others and see if

maybe they --

STEVE: Right.
JOHN: -- could help the two of the ladies out of there if Rita's really having some problems. And we can have Victoria hooked up or at least try. I mean dial a number and see if her son is there and, and put her on the phone with him. If it's necessary for Rita to drive her car out --

STEVE: Excuse me. Yeah, but you know Vicky is doing very physically, mentally very poorly.

JOHN: Yeah, yeah.

STEVE: So you, she said --

JOHN: Well, we want to get her to a hospital then. And if, and if it's essential that Rita drive a car out, we can do it. You know, we'd rather not.

STEVE: Yeah.

JOHN: But if it's a necessary thing, we can do it.

STEVE: Okay. Yeah, well let me call you in 15 minutes.

JOHN: Fine.

STEVE: Okay. I'll call you right then, John.

JOHN: Okay, 15 on the money.

STEVE: Right.

JOHN: All right.

* * *

JOHN: Hello?

STEVE: John?

JOHN: Yeah.

STEVE: Yeah. I just wanted to make sure I called on time. He's still working with them. You know she is -- the older lady she is, she's sick. And she is -- he's trying to convince her and talk to her that --

JOHN: Okay.

STEVE: -- that now she'll get to hell and that --

JOHN: Sure.

STEVE: -- you know, she just -- she's pleading and asking if she can't lay down yet until maybe at least daylight and --

JOHN: Well --

STEVE: And --

JOHN: Let me tell you what we can work out.

STEVE: Okay.

JOHN: We can, we can bring one of those Bradleys right on up to the bend of the road.

STEVE: Okay.

JOHN: I guess there are some lights out
there.

STEVE:  Right.

JOHN:  We can bring it right up there, one
of them that's designed as an ambulance and --

STEVE:  Okay.

JOHN:  -- you can have Rita and whomever
else you want to have --

STEVE:  Right.

JOHN:  -- bring her right on out.  And
whoever comes out just will plan on leaving.

STEVE:  All right.

JOHN:  Okay?  And there will be medical
assistance in the Bradley.

STEVE:  Okay.

JOHN:  All right?  And then we will go
through the same procedure we've gone with everyone
else.  And we will certainly make arrangements for her
to speak to Herbert, her son.

STEVE:  All right.  Okay, let --

JOHN:  And you can be, you know --

STEVE:  Right.

JOHN:  -- be as reassuring to her as you can
and --

STEVE:  Right.  I have been.

JOHN:  -- and let David do it.  And if it
takes two people to help her --

STEVE:  Um-hum.

JOHN:  -- if it takes four people to help her, whatever it takes, you know, you be the judge of that. And, and David be the judge and hey. We don't, we don't want anything to happen to the woman. We know you don't either.

STEVE:  Okay --

JOHN:  You know, so we're all looking out for her welfare --

STEVE:  Right.

JOHN:  -- and her well-being and --

STEVE:  Okay. Let me go back in and try to help her and encourage her a little bit, and see if we can't get her going --

JOHN:  Just use your best judgment --

STEVE:  We're doing --

JOHN:  -- you know. You've been working hard. You've been working hard in the past --

STEVE:  Oh, yeah, believe me.

JOHN:  -- and --

STEVE:  Voice is again is getting kind of sore.

JOHN:  Let's just continue to build on the good things just like we're doing now.
STEVE: We're doing it. We're doing it.
JOHN: Okay.
STEVE: Okay. I'll call you right back.
JOHN: About how long?
STEVE: I, I don't know. You know, as long as I'm --
JOHN: Well --
STEVE: -- still going to talk to her. And I'm hoping to get her going here real quick.
JOHN: Ten, fifteen minutes or --
STEVE: Well, I hope. But you know, I mean --
JOHN: Okay.
STEVE: -- he's even trying to talk to her now and --
JOHN: That's all right. That's all right.
STEVE: -- tears are coming from her eyes and all that.
JOHN: Hey, hey. Do what you have to do.
STEVE: Okay.
JOHN: Okay?
STEVE: I'll call you, I'll call you back.
JOHN: Thank you, Steve.
JOHN: Bye.
* * *

STEVE: Hello?

JOHN: Hey, Steve.

STEVE: Yeah.

JOHN: How's it going?

STEVE: Okay, we're getting it pretty now -- we're just about done.

JOHN: Great.

STEVE: We kind of worked out now and --

JOHN: God bless you.

STEVE: Good.

JOHN: You're doing good.

STEVE: He says, yeah, can you get the Bradley ready then? The ambulance one?

JOHN: Yeah. All you have to do is tell us, you know, 2 or 3 minutes or something like that and --

STEVE: Okay.

JOHN: -- and then we'll call you back and go through the numbers with you.

STEVE: Yeah, well, he's just about done. And I've been talking to them. And we're just trying to get the last few minutes --

JOHN: Hey, just be strong with them, huh?

STEVE: Oh, yeah. I have been. You know, it's, it's not been easy. Because --
JOHN: Oh, I know. I know.

STEVE: Physically sick and all that and --

JOHN: I know.

STEVE: Like she's never gotten up since even before this all happened.

JOHN: Hey. She relies on David. She --

STEVE: Yeah.

JOHN: -- relies on you and --

STEVE: Oh, yeah.

JOHN: -- everybody else in there. And that's who she's been relying on for years probably.

STEVE: Yeah. So we're trying to talk her, you know --

JOHN: Good.

STEVE: -- it will be okay. And you know, just, just hang in there so --

JOHN: Good.

STEVE: I'll give you a call right back.

JOHN: You got any idea if, if it's just going to be --

STEVE: I think it's just moments, you know. Because --

JOHN: The two of them, or is someone else going to help them out?

STEVE: I don't know. Because I'm starting
to talk to a few more.

    JOHN: Okay. Just --
    STEVE: So --
    JOHN: -- do what you have to do.
    STEVE: Okay.
    JOHN: And you call me back.
    STEVE: Okay. I'll do that.
    JOHN: Thank you.

* * *

    STEVE: Hello, John?
    JOHN: Yes, sir.
    STEVE: Yeah. Well, tell you what we're working on right now. We're talking to the two nurses.
    JOHN: Uh-huh.
    STEVE: And Vicky, she's, she's in the process, she's going for sure. And we're trying to talk one of the two nurses to go along.
    JOHN: Okay. Great.
    STEVE: And they're, you know, it's kind of one of these things well, which one should go. And they're kind of looking at each other and we're just about got convinced at least one of them to go, you know --
JOHN: Okay.

STEVE: -- with her and everything so -- and it's kind of a surprise to them. You know, it's late at night. And they're, they, they don't --

JOHN: Yeah.

STEVE: -- like the idea of going in the dark. And I'm trying -- we're trying to say well, they'll, they'll be gentle with you and --

JOHN: You bet your life.

STEVE: You know, they, they always want to wait until the morning when the sun's up and all that. And we're saying well, you know, Vicky she needs --

JOHN: Well, would it do any good if I talked to them do you think or no? I mean you got to make the best judge --

STEVE: I think I can, I think I can convince them, you know. Because I've told them I've talked to -- I said the nice -- I really like these guys John Dolan and John Cox. I've spent a lot of time with them as David has. John Cox, he's listened to a lot of studies.

JOHN: (Laughing.)

STEVE: You got to at least give him --

JOHN: I don't have to go to church for 6 months, Steve.
STEVE: (Laughing.) John, you're all right.  
JOHN: You know?  
STEVE: Oh, boy. I tell you. Yeah, one of them are coming. I'll call you right back to let you know which. In fact, he's even right now saying come on, ladies, you know. Vicky needs --  
JOHN: The other, the other two are pretty, pretty well ready?  
STEVE: I guess he -- what's her name --  
JOHN: Vicky and Rita?  
STEVE: Rita. She wants to hold on a little bit. She's weak in the knees. She said she just wants to ask him a few more questions. She's --  
JOHN: Yeah.  
STEVE: -- she's -- in her mind she wants to go, of course.  
JOHN: Yeah.  
STEVE: You know, she says let me, let me wait until a time of day at least, and I can get my head straight here and --  
JOHN: Well --  
STEVE: -- and so we said well, Vicky, now she wants to go. And now we're trying to tell one of the nurses come on, let's -- you know, help out here. Help out here.
JOHN: Because --

STEVE: So you know, Dave --

JOHN: Hey, if it takes --

STEVE: -- he's, he's telling them himself, John. He says hey, I'm going out there myself. He says but I'm trying to get you people together and, and --

JOHN: Sure.

STEVE: -- get yourself moving here now.

JOHN: Sure.

STEVE: So that's kind of where he's at. So you know, you know, you know how it goes. They're weak in the knees, and they're a little afraid and apprehensive and all that and --

JOHN: Well, basically what we need is 15 minutes to tell the people --

STEVE: You do. Okay.

JOHN: -- to bring that ambulance up there.

STEVE: Okay.

JOHN: And --

STEVE: So let, let me go and talk --

JOHN: -- do you want me to have them move it up there now?

STEVE: You know, you actually could. But then in the process they might need to go to their
rooms and kind of -- because they haven't even thrown
their things together. This is the first they know of
it. You know, he's been telling everybody, you know,
get ready to go. Because we're going to be asking
you. You got to get yourselves together, you know.
Ever since this happened, you know, a lot of --

JOHN: Yeah.

STEVE: -- these women, the older ones, you
know, they, all they heard was -- they never saw
anything, anybody. They just heard bullets and --

JOHN: Yeah, yeah.

STEVE: You know, it's just been a scary
experience for them and so --

JOHN: Who, who will the nurse be, do you
know?

STEVE: It's going to either be Zilla
(phonetic sp.) Henry or Netta. And I don't know what
her last name is. I only know her by the first name.

JOHN: Okay. Okay.

STEVE: So even --

JOHN: Well, if it's Zilla --

STEVE: Yeah. She's already got an attorney
and her husband (indiscernible) --

JOHN: Do you want to have her children come
out with her?
STEVE: They don't even know yet. I think a lot of them --

JOHN: And we can handle it. If you want to have her children come out, if that would give her some more support, that's fine.

STEVE: Okay, I'll go mention it to, to her then.

JOHN: You know. It, it may be easier to, to have the children be supportive of her.

STEVE: David's calling me. Just hang on one second, John.

JOHN: Okay.

STEVE: Maybe there's something else here that's happened.

JOHN: Okay, go ahead. I'll hold on.

[gap]

STEVE: John?

JOHN: Yes, sir.

STEVE: I'm going to give you to David here. Just hang on. Because you know, we're talking with some of them right now and --

JOHN: Go ahead. Go ahead.

STEVE: Okay, hang on. Trying to get the phone here, got a long cord and -- okay. Okay, here he is.
JOHN: All right.

[gap]

DAVID: Say, John?

JOHN: Hey, David.

DAVID: Could you all, could you all send another bug in here, please?

JOHN: (Laughing.)

DAVID: I wish you could hear some of this.

JOHN: I wish I could too, huh?

DAVID: The things -- no, seriously.

JOHN: What, what kind do you want?

DAVID: I need one of those ones that you had before.

JOHN: Just any old one?

DAVID: Hey, wait a minute. We could put one of those things back together, huh, Steve?

(Unidentified voices in background not discernible.)

Okay. Just you know, you think you guys are negotiators. I mean, you know --

JOHN: Hey.

DAVID: -- you know, people are really --

JOHN: You've got the Lord on your side.

Remember that.

DAVID: Yeah, I know. But remember, remember the disciples 2,000 years ago?
JOHN: Lord.

DAVID: Remember that?

JOHN: Yes.

DAVID: I mean they were really confirmed, they were really strong with Christ around, weren't they?

JOHN: Well --

DAVID: But when --

JOHN: -- be strong. Be strong.

DAVID: I know. Well, here's the thing now, John.

JOHN: Yeah.

DAVID: They're being strong, but like I say, they're, they're being shown the prophetic word again. That's all they've got now. Remember that.

JOHN: Well, I know they've got the fear of the unknown too, don't they?

DAVID: Well, you see the -- what's known is clear in front of their eyes according to the flesh.

JOHN: Well, I mean the fear of unknown, of coming out and --

DAVID: But no, no, no. That's not the thing. The fear of the --

JOHN: You don't think so?

DAVID: No. The fear of the unknown is
whether God's going to do what he says or not.

JOHN: Well, you know we're doing what we say.

DAVID: Yeah, I know. I know.

JOHN: And we're not, we're not --

DAVID: But I understand.

JOHN: -- playing games that way or anything else, you know.

DAVID: Understand. Like I say, the confirmation of the word of God is the final hope of mankind anyway. Okay, so, so anyway, go ahead and send the Bradley.

JOHN: Okay.

DAVID: And --

JOHN: I mentioned, I mentioned to Steve, and I'll pass it by you for your thoughts on it. He said that one of the nurses will probably accompany Vicky and Rita out. And the --

DAVID: Well, Rita's --

JOHN: Excuse me.

DAVID: -- Rita's going to stay until the morning.

JOHN: Okay. All right.

DAVID: Okay?

JOHN: But he said one of the, one of the --
she just --

DAVID: Rita's always given me problems.

JOHN: She's just a little hesitant, huh?

DAVID: (Laughing.) Yeah. Wait until you meet her.

JOHN: Well, I've talked to her a couple of times.

DAVID: Yeah.

JOHN: And --

DAVID: She's from North Carolina. You know how those girls are out there, right?

JOHN: She's got tar between her --

DAVID: Yeah.

JOHN: -- toes, huh? Tarheel.

DAVID: Yeah.

JOHN: But he mentioned that, that Zilla may be one of the nurses coming out and if --

DAVID: Oh. It's --

JOHN: Okay.

DAVID: -- what's, what's your complete name? What's the complete one? Anetta Richards.

JOHN: Annette --

DAVID: Annetta --

JOHN: Uh-huh.

DAVID: -- Richards.
JOHN: Okay.

DAVID: What's your son's name? And write this down. Vivian --

JOHN: Um-hum.

JOHN: Her, her nephew is Vivian --

JOHN: Okay.

DAVID: Wilson. And if you would, if you would, if you could contact him, he's in, he's in Canada.

JOHN: We may try to make some arrangements for her to contact him too --

DAVID: Okay.

JOHN: -- when she comes out.

DAVID: Okay. Well --

JOHN: We're, we're certainly not opposed to doing something like that.

DAVID: Well, that's what I told her and everything. And she definitely would like to talk to him.

JOHN: Okay. So she will be accompanying Vicky out then?

DAVID: Right.
JOHN: Okay. Don't, don't --

DAVID: We're, and we're --

JOHN: -- have her come out until I call

back in though. Because I'm going to call them and
tell them to send the, the Bradley that's configured
like an ambulance forward.

DAVID: Right.

JOHN: Okay.

DAVID: Now remember, and Vicky like I say
she, she needs her -- well, you know, she needs, she
needs some, she needs some care and stuff.

JOHN: Well, she's going to have a doctor

look at her right away.

DAVID: Okay.

JOHN: When she comes out. Do you know

specifically what problems she has?

DAVID: Well, she's on --

JOHN: I mean is she a diabetic or anything

like --

DAVID: She's on heart medication.

JOHN: And she knows what type of

medication.

DAVID: Yeah. As a matter of fact, she'll

bring it out with her.

JOHN: Fine.
DAVID: You know, just, they -- I'm sure they worked it out last night with the guys. Because you know, it disturbed a lot of people here last night with the guys, you know, hollering and screaming.

JOHN: Yeah.

DAVID: It sounded like, you know, another raid out there. But --

JOHN: Yeah.

DAVID: If they, if they want to, they can shine lights on these ladies and everything, you know, and --

JOHN: I'm sure they will.

DAVID: And --

JOHN: And the place is probably pretty well lit up anyhow, huh?

DAVID: Right.

JOHN: Will they be carrying anything?

DAVID: Just their Bibles --

JOHN: Uh-huh.

DAVID: -- and what else, what else you all going to be carrying?

[gap]

DAVID: Well, well now, well see, when they come, when they come back here, they'll, they'll sort everything out and stuff like that. So don't worry
about that kind of stuff, okay? You don't need, you don't need to take your suitcases or nothing. Just take your immediate clothes and everything that you got, you know, what you're wearing. And then we'll work that all out later, okay?

She wanted to know if she should take all her suitcases and all that and --

JOHN: Yeah. No.

DAVID: How old are you, Vicky? She's 59 so.

JOHN: Okay. And do you know how old Anetta is?

DAVID: How old are you, Anetta? She's 63.

JOHN: Sixty-three. Okay. I will call you when the vehicle is in place up there, okay? Because we're telling them to go ahead --

DAVID: Now, now --

JOHN: -- and move it up. Oh, are they going to be carrying anything besides their Bibles?

DAVID: You going to have anything besides your Bibles? Maybe a sack or something with maybe a extra change -- what do you -- what do they need? They need a change of clothes or what?

JOHN: No. No, they don't.

DAVID: All right.
JOHN: As a matter of fact --
DAVID: Underwear?
JOHN: No. It's all provided for them.
DAVID: All right. Okay. Maybe your Bibles
and what you're wearing.
JOHN: Yeah.
DAVID: Okie doke.
JOHN: Okay. I'll call you back --
DAVID: Remember, the Bradley needs to come
right up near the front.
JOHN: Is it going to come -- I can tell you
where it's going to come.
DAVID: All right.
JOHN: It's going to come up to the bend in
the road where the light is outside where the -- right
near where the bus was, okay?
DAVID: Okay.
JOHN: All right? And I'll call you when
it's in place.
DAVID: All right.
JOHN: I appreciate what you're doing.
DAVID: Okay. We're still working -- we're
getting this, we're getting this resolved now.
JOHN: Okay, and --
DAVID: Appreciate you --
JOHN: And it -- if you're going to -- if you want to try to talk to some others this evening --

DAVID: We, we are.

JOHN: That's fine. Let me call you back in, in about 15 minutes.

DAVID: My, my -- you understand my room is real small. And if there's ever been time for personal confrontation it's now --

JOHN: Yeah.

DAVID: -- with these people. You got to understand that.

JOHN: I appreciate it.

DAVID: And you know --

JOHN: Hey, I know what you're going through. And it's very difficult for these people also I know.

DAVID: All right.

JOHN: Okay?

DAVID: Okay. Well, talk to you a little bit.

JOHN: Thank you.

DAVID: Okay, bye.

* * *

STEVE: John?

JOHN: Hey, Steve.
STEVE: Yeah, they're getting ready now.

It's --

JOHN: Okay. The vehicle is up there.

STEVE: It is. Okay --

JOHN: And it's stationary right now waiting for them. I guess it's got a couple of lights on.

STEVE: Okay. So they can just go right to the vehicle.

JOHN: Yeah. She'll be --

STEVE: Okay. It's there. One's putting on -- changing her dress. And they're, they're ready.

JOHN: Okay.

STEVE: Yeah, they'll just be --

JOHN: The nurse will be able to handle her all right?

STEVE: Vicky, Vicky walks slow. She's got -- she's had -- she either broke or I think she broke an ankle, and she's had it repinned and all that. So she'll be --

JOHN: Okay.

STEVE: -- walking very slow. And the nurse will --

JOHN: But the nurse will be able to --

STEVE: Yeah.

JOHN: -- handle her all right?
STEVE: Right. Yeah, I think she can.

JOHN: Well, we're --

STEVE: I hope you know that --

JOHN: -- we're patient.

STEVE: Okay.

JOHN: So --

STEVE: It helps. It really helps.

JOHN: Just take them -- tell they can go out anytime they want. The vehicle is out there waiting for them.

STEVE: Okay.

JOHN: And, and once they're safely in and, and back at our forward area there I'll give you a call and let you know that everything's all right.

STEVE: Super. That would be great, John.

JOHN: You know.

STEVE: That would be great.

JOHN: And if -- hey, if there are others that you think --

STEVE: Yeah, I --

JOHN: -- may be interested this evening --

STEVE: I, I keep talking.

JOHN: We can handle it.

STEVE: David's talking, and we just keep right on talking and --
JOHN: Do that. Because they don't have to wait until the sun comes up.

STEVE: Yeah.

JOHN: We're trying to build --

STEVE: You know -- yeah.

JOHN: -- a lot of credibility here and --

STEVE: Right. Right.

JOHN: I know how hard you and, and David are working at this thing and just --

STEVE: Oh, believe me --

JOHN: -- keep up the good work.

STEVE: I'm dry from all the talking. He's like I am.

JOHN: You know. (Unidentified male voice in background not discernible.) We -- what me may be able to work out is -- what we're going to do with Victoria I'll tell you right now is we're going to take her to a hospital.

STEVE: Okay.

JOHN: Uh-huh. That's probably the best thing, don't you think so?

STEVE: I don't know. Let me -- David knows more about it. He says that what they'll do is (indiscernible) and take her right to a hospital, or how bad is she? So they might do that.
JOHN: What?

DAVID: Well, tell them check her vital signs --

STEVE: I guess check her vital signs.

DAVID: She wasn't eating any food.

STEVE: She, she wasn't eating any food so --

DAVID: She wanted to die in here --

JOHN: We're, we're going to get her a good, good check-up.

STEVE: Should I, should I say that? Okay.

David said, David said she wanted to die here and not out there. And David --

JOHN: Well --

STEVE: -- you know, just tell her hey, Vicky, you know --

JOHN: We're going to get her a good physical check-up.

STEVE: He says that's not what our purpose is, you know.

JOHN: That's right. That's right.

STEVE: So he had to tell her that.

JOHN: Whenever they're ready to come out, let them come out.

STEVE: Okay.

JOHN: And, and the vehicle is sitting over
there --

STEVE: It will be pretty quick here. Because you know, they left. They're already like in their, in their rooms getting ready right now. So I don't think it will be just too long here.

JOHN: Okay.

STEVE: Yeah. So yeah, I'll, I'll make sure I'll be down there with them and --

JOHN: Okay.

STEVE: -- to the door and then make sure they get out the door okay and everything.

JOHN: Okay. Give me, give me a jingle when they go out the door, will you?

STEVE: Okay, I'll do that. I'll come right back on the phone then.

JOHN: Thank you.

STEVE: Okay, I'll talk to you in a minute.

JOHN: All right.

STEVE: Okay, bye.

* * *

JOHN: Hello?

STEVE: John.

JOHN: Yeah.

STEVE: Man, that was quick. I didn't even hear the phone ring.
JOHN: It rang here. It rang here.

STEVE: (Laughing.) Hey --

JOHN: They're on their way?

STEVE: Guess what? Guess what, John?

JOHN: What?

STEVE: They've decided not to come.

JOHN: Don't tell me that.

STEVE: Only kidding.

JOHN: I hope you are. (Laughter in background.)

STEVE: That's what David said. He was kind of laughing. But you know what it really is like? David said it's like getting Granny ready for a baseball game or something. Well --

JOHN: She's --

STEVE: -- (indiscernible) they mean?

JOHN: Hey. She's probably scared to death about leaving.

STEVE: Yeah, well, you know. She's, she's slow too. She's got the bad ankle and all that.

JOHN: Yeah.

STEVE: But she -- they're ready. They're, they're actually right now down by the counter. They wanted a drink and they're, they're right out -- they're going to be out the door in just minutes.
JOHN: Yeah.

STEVE: So --

JOHN: Hey. Think we can work on some more this evening?

STEVE: Wow. I tell you what. I was -- you wouldn't believe what that's like. I'm --

JOHN: Yeah, I would.

STEVE: Oh, my word. It's --

JOHN: We've all been, we've all been working on it for --

STEVE: Pulling teeth off of a chicken.

JOHN: Quite a, quite a ways.

STEVE: Yeah.

JOHN: And I know David probably had to do an awful lot of work too.

STEVE: Oh, yeah. You know --

JOHN: And I know --

STEVE: -- when, when she's older like that, and tears come to the eyes and you kind of --

JOHN: Oh, sure. Sure.

STEVE: -- point them to, you know --

JOHN: Does she have any relatives in there or no? Just the son that she wanted called?

STEVE: Exactly.

JOHN: Okay.
STEVE: And he's way over in London.

JOHN: Well, we already talked to Jack, the Sheriff?

STEVE: Yeah.

JOHN: And she's going to be able to contact him.

STEVE: Okay. And Anetta Richards, she's coming right out too.

JOHN: Okay.

STEVE: And you know, I want to get a good night's rest. Come the morning, you know, it's back to work.

JOHN: Yeah.

STEVE: Come the morning, it's back to work so --

JOHN: Well, do, do you see any that --

STEVE: David, he's going to be working right through the night himself.

JOHN: Good.

STEVE: So I, I need to get some rest. I've been missing out --

JOHN: Well --

STEVE: -- on a lot of sleep. Just a minute.

JOHN: What --
STEVE: Okay.

JOHN: What I want to do is call back and whether it's to you or to David --

STEVE: Okay.

JOHN: -- after -- of course I'd like to know when they go out the door.

STEVE: Right. Well they're -- right now, and in fact Anetta is right here just saying she's all dressed, ready to go.

JOHN: Okay.

STEVE: She's saying goodbye. And so --

JOHN: Okay.

STEVE: -- she's heading right on out the door.

JOHN: Give her a hug and, and --

STEVE: Okay.

JOHN: -- put the phone down, and let me know when she goes out the door.

STEVE: All right. I'll do that.

JOHN: Okay?

JOHN:  Okay.

STEVE:  Hang on.  I'll be right back.

DAVID:  Hello, John.

JOHN:  Hello.  You had a long night, huh?

DAVID:  (Sighing.)

JOHN:  Hey.

DAVID:  You'll see it all one day on the, on the screen.  On the big screen.

JOHN:  On the big screen?

DAVID:  Yeah.

JOHN:  I've been seeing a lot of it.  You can't imagine some of the flashes I --
