TAPE #155

March 23, 1993

7:28 p.m. - 11:52 p.m.
MR. SCHNEIDER: -- said that, you know, it's
not -- I'm telling you that that day people were
preparing to go study --

JOHN: Uh-huh.

MR. SCHNEIDER: -- and all of a sudden
bingo-bango and there's, there's some of the proof
right there. I'm glad the Texas Rangers in the one
instance probably took her Bible to take a look at
that, but I hope they give it back.

JOHN: Well, I'm sure they will at some
point.

MR. SCHNEIDER: Yeah, but I can --

JOHN: You know?

MR. SCHNEIDER: -- understand why they would
take that. I think that's pretty good evidence
myself.

JOHN: It may be, it may be. See, now that
you're thinking about it a little bit --

MR. SCHNEIDER: Well, no, no, I mean, come
on, we're, we're both aware of something like that.
I'm tired. I'm almost here babbling here. I'm
wearing out. I'm about ready to fall asleep in the
chair.

JOHN: Are you getting real tired?
MR. SCHNEIDER: Oh, I'll continue on.

JOHN: Want me to, want me to send a couple people up there to, to help you on down the road?

MR. SCHNEIDER: Yeah, I think you're probably right, that's probably what I need.

JOHN: (Laughter)

MR. SCHNEIDER: Just put me in the Holiday Inn there and I'll talk to anybody.

JOHN: Hey, we'll, we'll make a room available. You know that don't you?

MR. SCHNEIDER: Okay. For what, about 10 minutes?

JOHN: No, no, no.

MR. SCHNEIDER: Anyway --

JOHN: We'll have a long chat. How's Judy doing today?

MR. SCHNEIDER: Apparently she's doing better.

JOHN: Is she?

MR. SCHNEIDER: Finger, well of course needs attention --

JOHN: Yeah.

MR. SCHNEIDER: -- and that it's probably broke. It's --

JOHN: -- you, you can't get the word to her
to get that medical help, huh?

MR. SCHNEIDER: She's, she's very mule-headed.

JOHN: (Laughter) You being kind?

MR. SCHNEIDER: Well, I am.

JOHN: (Laughter)

MR. SCHNEIDER: I mean, you know, she's got something in mind and I've given up --

JOHN: Yeah.

MR. SCHNEIDER: -- on trying to change her mind over any issue to do with spiritual things especially.

JOHN: Yeah.

MR. SCHNEIDER: No, see, I was talking to her today and she said, she said, look, Steve, I'm still watching like everybody else is and I don't like this up and down roller coaster ride that seems to be what's given to us. And I says I understand. I says don't you think me more than anyone being on the phone morning, noon and night. I mean, dealing with all these personalities like Byron and, and Dick and John-3, yourself. I mean, some of these guys --

JOHN: Yeah.

MR. SCHNEIDER: -- they all mean well, they all have a different perspective or their
personalities (indiscernible).

JOHN: That's true.

MR. SCHNEIDER: You know, the personalities are such where maybe the commanders want to use them more because they're more coercive or applying more pressure. Of course, you know like I told you, as salespeople, one guy comes on hard, another soft. You're --

JOHN: Uh-huh.

MR. SCHNEIDER: -- you're the guy that's playing the softie role and whether it's part of the --

JOHN: I'm just easy to -- easy, huh?

MR. SCHNEIDER: -- whether, whether it's part, whether it's part of the ball game or not I still appreciate it whether it's their planned way of doing things. You know, I, I appreciate it, I can handle it. But Byron as much as he has good intentions, I can't handle that, I really can't. I don't know how many human beings can stand there and just hear somebody for so long and not being able to react and, and you know, it's like going around and around and around. He knows that and even though he, he probably hears himself as making some very good points and the rest --

JOHN: Let me tell you, he's as well meaning
as anyone out here.

MR. SCHNEIDER: I know he is, I know he is.

JOHN: He is as, as dedicated --

MR. SCHNEIDER: I -- I liked Byron from the
time I, I met him and, and talked to him on the phone.

JOHN: Well, you, you talked to him out,
outside face-to-face.

MR. SCHNEIDER: But -- dealing with issues
like this in the manner that they are and because of
what happened with the damage of more property and the
telephones lines and the music and all that as a
reaction to our good will that we, we thought we were
showing and were increasing on, I mean that's what I'm
trying to tell him. You can't say well, today's a new
day when there's a pattern that's been shown clearly
to us that's contrary to what the, the kindness --
the, the way you speak to us.

JOHN: Hey, we can both kick that around

though.

MR. SCHNEIDER: No, but I'm telling you --

JOHN: I can, I can kick it -- my turn --

MR. SCHNEIDER: -- no, no, no --

JOHN: Hey, my turn for a minute.

MR. SCHNEIDER: No, wait, John, let me
just --
JOHN: We can kick it around that --

MR. SCHNEIDER: But let me finish by saying -- John --

JOHN: -- that David made a promise and --

MR. SCHNEIDER: -- let me finish.

JOHN: -- went back on it, that Heather came out --

MR. SCHNEIDER: John, let me finish.

JOHN: -- and no one came out --

MR. SCHNEIDER: Okay, John.

JOHN: -- for six days after she came out.

MR. SCHNEIDER: I'm telling you he's, he's so offended that you might have to come in and just run the building over right now.

JOHN: Well, what have we told you?

MR. SCHNEIDER: Well, then I guess that's what you got to do.

JOHN: What have we told you?

MR. SCHNEIDER: I'm telling you --

JOHN: That we don't want to do that.

MR. SCHNEIDER: I -- well, I'm glad to hear it because I would like to see it continue as it was with you, I and Dolan, and then that's what he's so mad about, he -- and he's saying what is going -- what are they doing, what are they trying to say.
JOHN: What are we trying to say, or, or what are the --

MR. SCHNEIDER: You, you and I and him and Dolan were working this thing out and it was increasing and looking better.

JOHN: Uh-huh.

MR. SCHNEIDER: And then the kind of response that happened the night before yesterday last night.

JOHN: Well, what about today? How come nothing happened during the day today?

MR. SCHNEIDER: He, he -- well, number one, we didn't even have any communication. After I was trying to communicate with Byron --

JOHN: Uh-huh.

MR. SCHNEIDER: -- and he wanted to do all the talking, and then he was (indiscernible).

JOHN: Yeah, but that gave David plenty of time to pray.

MR. SCHNEIDER: I don't know what David was doing. He might have been. As far as I'm concerned I don't know.

JOHN: Steven, Steven. You got a pretty good idea of what David's doing.

MR. SCHNEIDER: No, I don't, honestly. The
guy does pray. He's in his room. I really don't know (indiscernible).

JOHN: Yeah, but you can't be a mile away from his room.

MR. SCHNEIDER: A what?

JOHN: You can't be a mile away from his room. You --

MR. SCHNEIDER: A mile away from his room?

JOHN: You know, you're in close proximity I should presume.

MR. SCHNEIDER: Well, no, there are times you just -- you leave him alone, and there are times I'll knock and call his name, if he doesn't answer I respect it. I mean, whatever -- if he's sleeping or whatever else -- like last night in behalf of Byron I stayed awake much longer as you know. I was going to go lay down, I started to, and then all of a sudden David wanted to talk with you when he knew you were --

JOHN: (Laughter)

MR. SCHNEIDER: -- around and so I brought the phone in.

JOHN: And you had to get involved, huh?

MR. SCHNEIDER: I -- well, I sat down --

JOHN: (Laughter)

MR. SCHNEIDER: -- for a minute because as
you know I hadn't seen the guy basically the entire day so there --

JOHN: Well, did you have enough cord to get it where he was?

MR. SCHNEIDER: Oh, well, we -- well, don't you remember the 150' that (indiscernible).

JOHN: Well, I know they were supposed to leave a bunch of cord out there.

MR. SCHNEIDER: Well, no, yeah, weeks ago that 150 was left, that 150' cord so and because all the other phones don't work because they were so nice to run it all over, we went and took that cord, hooked it up and you were able to communicate with us.

JOHN: So you, you didn't have to get him to do a lot of moving to get down to the phone then or anything, huh?

MR. SCHNEIDER: Oh, no, I mean he wouldn't have done it, it, it would have been too hard to --

JOHN: Well, do you think any people got to spend any time with him today and to prepare?

MR. SCHNEIDER: I -- no, they didn't in fact. No one did. In fact, I went in there --

JOHN: Hey --

MR. SCHNEIDER: -- in the morning, he was --

JOHN: -- let me, let me tell you something
and I'll be as candid as I can with you --

MR. SCHNEIDER:  All right.

JOHN:  -- and, and I think I have been throughout this thing.

MR. SCHNEIDER:  More than anybody.

JOHN:  To me -- and, and you just listen to me for a minute, okay?

MR. SCHNEIDER:  All right.

JOHN:  To me, no matter how you feel about this or how you accept this or what your attitude is about this, you are the key to resolving this situation. Now, whether you, whether you accept that, whether you don't accept that, to me that's immaterial. You have been the person that's been working hard, you have been the person that's been going out talking to people, because other people have told us yes, he came around and he spoke to us and he, and he spent time with us and, and you know, 23 hours a day --

MR. SCHNEIDER:  Well, that's -- okay --

JOHN:  Let me finish now.

MR. SCHNEIDER:  Okay. Go ahead.

JOHN:  That you have a lot of influence whether you believe it, whether you accept it, whether you want to accept it. And I'm not saying influence
that you can direct people. I'm, I'm saying it more along the lines of influence to make people think, to make -- into people's hearts.

MR. SCHNEIDER: I don't, I don't disagree with that.

JOHN: And just keep using that power. Because your power --

MR. SCHNEIDER: I have --

JOHN: -- because your power is a positive power when you want it to be a positive power.

MR. SCHNEIDER: Oh, John, look. It has never changed with what I attempted to do (indiscernible).

JOHN: Well, we all have our ups and downs, right?

MR. SCHNEIDER: Well, that's why I've gotten frustrated with Byron. Because I said -- like I told you, I mean look, when we're -- when those seven people went out I thought this is awesome, good. I expected now we're back on track, we've got a good relationship with these people, they're going to give us just even minutes or hours to start developing this thing now. That's -- I thought for sure because the way -- every time we get off the phone --

JOHN: Well, then you, you tell me --
MR. SCHNEIDER: -- every time we get off --

JOHN: -- what it takes to get this train --

MR. SCHNEIDER: Well, what it, what it --

JOHN: -- back on the tracks.

MR. SCHNEIDER: -- what it was a couple days ago. I don't understand why that had to be -- the reaction that came about (indiscernible).

JOHN: What, what do you want? What do you want to get the --

MR. SCHNEIDER: What could I do to --

JOHN: -- train on the tracks?

MR. SCHNEIDER: I really don't know now because three times it's been damaged like that and every time, every time that happens it's ten times worse.

JOHN: Well, what do you, what do you think it does to John --

MR. SCHNEIDER: Can I say something?

JOHN: -- to John and myself and the other people that are talking to you and how --

MR. SCHNEIDER: I don't know, I don't know.

JOHN: -- much more difficult do you think it makes it for us?

MR. SCHNEIDER: I don't know.

JOHN: Huh?
MR. SCHNEIDER: I just know that it, it becomes ten times harder for me, that's all I know.

JOHN: Well, the, the, the thing is --

MR. SCHNEIDER: I'm, I'm telling you --

JOHN: -- you are working hard in there.
You're doing a lot of positive things in there and, and we appreciate it. We really appreciate it. And I'm not telling you that to stroke you or to build up your ego or anything else --

MR. SCHNEIDER: I know.

JOHN: -- because I don't have to do that, I don't have to do that at all. And if you weren't in there I think our task would be a hundred times harder because I know if I have to try and get ahold of David and you're not in there -- I mean, I can give you an, an example last night. When you went to bed and I'd ring in there to talk to somebody, guy would answer the phone and he'd say no, I can't do something, it's up to God, you know, it's God's will. And I'm saying what is this? Who am I talking to? And it was -- you know, he just wouldn't communicate. That's not the same when it's dealing with you.

MR. SCHNEIDER: No, the reason being that some of these people --

JOHN: Now --
MR. SCHNEIDER: -- are like that is because --

JOHN: -- whether they're not too bright or something, I don't know --

MR. SCHNEIDER: No, no, no.

JOHN: -- or they're just scared to death, I don't know.

MR. SCHNEIDER: No, no, no, it's because they've seen what has happened, they hear the communications, they're aware of it and then they watch what happens on the outside and, you know, what they've seen they've not liked (indiscernible).

JOHN: No. It just seems like you're a more rational person, I'll tell you that.

MR. SCHNEIDER: John. I mean, you and I both know, I mean it all comes down to actions, they speak louder than words ever will, and that's what the problem is. That's why --

JOHN: Well --

MR. SCHNEIDER: -- David became so adamant. Today I went up to see him and he was concerned about what's happened with Fagan. Now he, he says is Yvette getting ready to go out and so forth, and I said well, I don't know, I went down to talk with Byron and I ran into a real snowstorm there. I mean, he didn't want -
JOHN: Well, David --

MR. SCHNEIDER: -- he didn't want to talk --

JOHN: -- David prepared Fagan so David --

when David says Fagan, you know, I love you, God loves you and it's, and it's time for you to go and Fagan goes, David should have no other concern at that moment --

MR. SCHNEIDER: He doesn't.

JOHN: -- for Fagan, for Fagan --

MR. SCHNEIDER: He doesn't.

JOHN: -- because --

MR. SCHNEIDER: And hasn't.

JOHN: Well, then he shouldn't get all concerned about that --

MR. SCHNEIDER: Well --

JOHN: -- because we knows when he comes out --

MR. SCHNEIDER: -- he was not so concerned --

-- he can communicate with Fagan.

MR. SCHNEIDER: His concern was not Fagan, his concern was with his relationship with you and then what happened immediately after that. I'm talking about the damage, the telephone, the, the music. That's the -- you -- I mean, you really made --

-- I mean not you, but whoever, made him mad --
JOHN: No, it's, it's --

MR. SCHNEIDER: -- that's why he said to you -- that's why he started talking in the spirit and manner he did again because it's a frustration.

JOHN: Well, this is we, "we" operation. It's we out here --

MR. SCHNEIDER: Okay.

JOHN: -- and you/we inside there, and we have to all put it together. And one of the major --

MR. SCHNEIDER: Oh, my God.

JOHN: -- stumbling blocks --

MR. SCHNEIDER: How many times do I hear that and then the --

JOHN: Hey, one of the major stumbling blocks, and you can believe it, you don't have to believe it, is people out here look at progress and the progress they look at is not necessarily the same progress you look at.

MR. SCHNEIDER: You're right. Now instead of having --

JOHN: Do you, do you understand what I'm -- where I'm coming from?

MR. SCHNEIDER: Yes, but now instead of having at least seven go out yesterday and today which
would have been a total of 21 -- no, 23 because it was
nine since Friday, now all of a sudden there was
nothing -- well, yeah, yes, there was, but nothing
today at all and that has, has nothing --

   JOHN: Well, you had --

   MR. SCHNEIDER: -- that's not my fault in
the least. I mean (indiscernible).

   JOHN: Well, I'm not saying it's your fault.

   MR. SCHNEIDER: Well, I know you're not, but
I'm just saying --

   JOHN: I'm saying the things that you've
been doing in there --

   MR. SCHNEIDER: I'm, I'm saying not only is
it --

   JOHN: -- have been very positive.

   MR. SCHNEIDER: -- not only is it not my
fault -- again, it's been -- whatever I could have
done has been taken from me again.

   JOHN: But tell me, from the day that
Heather came out nothing happened for six days.

   MR. SCHNEIDER: This is true.

   JOHN: Nothing happened for six days. There
was no, there was no power turned off, there was no
nothing done. Nothing happened for six days. And
that's very difficult for us to explain to the people
that we're dealing with that --

MR. SCHNEIDER: And then all of a

sudden --

JOHN: I mean, do you understand that?

MR. SCHNEIDER: Oh, yes, but then all of a -

JOHN: I mean, do you really?

MR. SCHNEIDER: Yes, then all of a sudden we

started working with John Dolan and it started

(indiscernible).

JOHN: Yeah, but he'd bene talking to you

before that.

MR. SCHNEIDER: No. He'd only been with me

for like two, three days and then it started coming

back again (indiscernible).

JOHN: Yeah, but tell me why, tell me why

nothing happened for six days, I mean --

MR. SCHNEIDER: Because of the lack of trust

because of statements made from Jim Kavanaugh all the

way down through that milk ended up becoming a

soured -- no pun intended -- a sour issue. Six --
five, five days later it's finally dropped off and

then the electricity is cut off the very night it's

dropped off. I mean, that -- those kind of --

JOHN: Well, do you think the electricity

should have been shut off the day after nothing
happened when Heather came out?

MR. SCHNEIDER: Probably should have. It would have made more sense.

JOHN: Well, hindsight is great isn't it?

MR. SCHNEIDER: The thing is though, I mean --

JOHN: What, what can I say? The, the -- I think I made it as clear as I can, and, and whether we're -- and we're, we're trying to get on track. You know we're trying to get on track, you are and I am, aren't we?

MR. SCHNEIDER: Well, we are but Byron here and --

JOHN: And we -- everybody is.

MR. SCHNEIDER: -- the commanders --

JOHN: Byron is --

MR. SCHNEIDER: The way this --

JOHN: -- John-3 is --

MR. SCHNEIDER: -- the way --

JOHN: -- John Dolan is.

MR. SCHNEIDER: What happened to Dolan?

JOHN: Everybody that's talked to you --

MR. SCHNEIDER: Where is Dolan?

JOHN: -- is trying to get on track.

MR. SCHNEIDER: Where's Dolan been?
JOHN: Well, he was there this morning.

MR. SCHNEIDER: No, I haven't talked to him literally for days.

JOHN: Well, he was working this morning so I don't know where he was.

MR. SCHNEIDER: Why do they keep him away? Is he choosing to stay away? Are they keeping him away? What's going on --

JOHN: I think they're getting --

MR. SCHNEIDER: -- because he knows that --

JOHN: I think they're getting ready to rotate him out.

MR. SCHNEIDER: -- you know that, you know that he knows that the people here -- there are a lot of people always ask about him. They like the guy. You don't think that would go a long way to maybe alleviating some of their distrust?

JOHN: I, I -- if you want --

MR. SCHNEIDER: Come on.

JOHN: -- if you want my --

MR. SCHNEIDER: You don't mind --

JOHN: -- you want -- my, my candid answer is --

MR. SCHNEIDER: They all came to talk to you last, when you gave a list of names and you asked they
have no problem coming and talking to you, John, I'm going to tell you the truth. They don't mind.

JOHN: Well, is it having any positive results?

MR. SCHNEIDER: Well, it starts to when you starting -- start to generate as the day before like with the seven individuals that came -- that's what I'm saying.

JOHN: Yeah, but I talked --

MR. SCHNEIDER: Don't come back (indiscernible).

JOHN: -- I talked to you and then I talked to David until, you know, 4:45 this morning and my talking to David I'm sure had absolutely nothing to do with somebody coming out this morning. I don't think it had anything to do with that. Do you?

MR. SCHNEIDER: To tell you the truth, I don't even know anymore.

JOHN: Sure.

MR. SCHNEIDER: I, I tell you what, I mean I'm -- after what happened yesterday and --

JOHN: I think John --

MR. SCHNEIDER: -- then last night --

JOHN: -- I think John D's lost his --

MR. SCHNEIDER: -- I can't --
JOHN: -- credibility with the, with the people in here and, and --

MR. SCHNEIDER: That who has?

JOHN: -- they're concerned about just --

MR. SCHNEIDER: Who's lost their credibility?

JOHN: John.

MR. SCHNEIDER: John Dolan?

JOHN: Yeah. It's a possibility that --

MR. SCHNEIDER: If you think so -- if you --

say, listen, if you think so put on Bryon again and put on some of these guys that are -- that push so hard and that don't (indiscernible).

JOHN: I mean, if you, if you asked me for my, my honest opinion, it's --

MR. SCHNEIDER: See, see, the reaction of (indiscernible).

JOHN: Steven, listen to me for a minute.

MR. SCHNEIDER: Go ahead.

JOHN: Listen, listen, and, and I don't want to raise my voice.

MR. SCHNEIDER: No, no, I don't, I don't have any problem there.

JOHN: If you ask me for my opinion I'll tell you my opinion, and I, and I can't give you
someone else's opinion because I can't put myself in their shoes can I? My own personal opinion is that basically the, the people that are making the decisions feel that both Johns, 1 and 2, maybe we can, we can talk to you people, maybe we can communicate with you people, but we're just not getting any place as far, as far as --

MR. SCHNEIDER: That's where

(indiscernible).

JOHN: -- moving, as far as moving people out of there day by day by day.

MR. SCHNEIDER: (Indiscernible) Friday night it started even late at night because you wanted them, so David wanted to come right along because you wanted them, so two came out and then, and then all of a sudden -- and the next within 24 hours seven, and he was going to start moving up from there and all of a sudden --

JOHN: Well, let me tell you something.

MR. SCHNEIDER: (Indiscernible)

JOHN: I'm going to be sitting here until 6, 7 o'clock in the morning and before you sack out for the night go tap David on the shoulder --

MR. SCHNEIDER: Oh, I will.

JOHN: -- tell him I'll be here, tell him to
get into a prayer session with some folks and I'm here if he wants to talk.

MR. SCHNEIDER: I don't even know if he's (indiscernible).

JOHN: But I'm not here if he wants to just -- do you know what he did to me this morning?

MR. SCHNEIDER: What's that?

JOHN: I was insulted. I was totally insulted. I'm trying to talk to that man and what's he doing? Laughing and playing the guitar and everything was a big joke when I was trying to be serious.

MR. SCHNEIDER: No, no, he was, he was -- no, he -- actually, he was very -- he was mad. He was --

JOHN: I thought he was high on something to tell you the truth.

MR. SCHNEIDER: No, no, oh, not at all, not at all. He was mad (indiscernible).

JOHN: Well, can you see where I'm coming from?

MR. SCHNEIDER: He likes you as a -- if nothing else, if he can -- well, sure I can, but --

JOHN: I mean, I was really trying to be serious, and I am every time I talk to him. We have
our laughs and we, we, we can smile --

MR. SCHNEIDER: No, John --

JOHN: -- and we could have some humor.

MR. SCHNEIDER: -- you -- but John, you realize --

JOHN: He was sticking it right in my ear.

MR. SCHNEIDER: No, John, you realize his reaction was from the destruction, from the broken telephone lines, from the music.

JOHN: Well, he can take that on -- out on somebody else, not out on me.

MR. SCHNEIDER: Well, he wasn't --

JOHN: I've been pretty fair with him and I've been --

MR. SCHNEIDER: No --

JOHN: -- pretty decent with him.

MR. SCHNEIDER: -- I know, and his greatest --

JOHN: And he was just laughing in my face.

MR. SCHNEIDER: John, his greatest delight was he wanted to talk to you. I stayed up. I went in there, took the phone in there, he likes to talk with you. Even if you are not, as your word --

JOHN: If I'm a slow learner?

MR. SCHNEIDER: No, no, no, like Bob Ricks
said, you know, not going to take any of this conversion business, you know, being converted. No one's trying to --

JOHN: Well, that's not what we're doing anyhow, is it?

MR. SCHNEIDER: Exactly, of course it's not.

JOHN: No.

MR. SCHNEIDER: There's, there's not a -- I couldn't -- there wouldn't be a snowball chance in you know where for -- I could never imagine someone like you to associate yourself to such --

JOHN: Hey, I've got, I've got different beliefs and that doesn't mean I'm going to knock yours.

MR. SCHNEIDER: Of course not. But is there not -- is there (indiscernible).

JOHN: But he was, he was really trying to stick it in my ear this morning just playing around and, and --

MR. SCHNEIDER: Not so. He was trying to --

JOHN: Hey, he, he was really just making fun --

MR. SCHNEIDER: Why don't -- in fact, I'll put you on --

JOHN: -- of a lot of issues.
MR. SCHNEIDER: I'll put you on the phone with him and you, and you tell him that. I --

JOHN: I want you to tell him something first.

MR. SCHNEIDER: What's that?

JOHN: I want you to tell him that I want to have serious dialogue and that I want him to get into some serious, serious prayer time with some of these people because as, as much as I want to be here and as much as I want to try dealing with you, people think that I'm just being stroked and that I'm being used and I'm being manipulated and, and I don't like it and, and I, and I want to -- I'm here to help, I'm really here to help and they're looking for some results. And I can't tell them that those tangible things are happening, I wish they were, and, and I pray that they were.

MR. SCHNEIDER: Too bad they worked behind your back isn't it?

JOHN: What can I tell you? What can I tell you?

MR. SCHNEIDER: Well, that's it, that's what I'm saying. That's why David said to you last night again about going directly to these so-called bosses or whatever they are. I mean seriously, if you guys -
- I mean, he likes -- I -- you -- I'm not going to (indiscernible).

  JOHN:  It doesn't make any difference whether he talks to me or --

  MR. SCHNEIDER:  No, it does make a difference.

  JOHN: -- he talks to Mike or he talks to --

  MR. SCHNEIDER:  No, but if they allow --

  JOHN: -- anybody else out here.

  MR. SCHNEIDER:  No, no, no, if they allow you to work, John, and he started bringing out seven that day, you know there would have been more than that even the following day unquestionably. I knew it, I told you that was (indiscernible).

  JOHN:  Well, Steven, he doesn't have to work with me tonight until 7 o'clock tomorrow morning and say John, I love you, I want to talk to you and I want to tell you --

  MR. SCHNEIDER:  But look what (indiscernible) done --

  JOHN: -- that ten people are coming out of here --

  MR. SCHNEIDER:  I don't even know if he will want to, I don't even know if he will want to talk to you anymore. He's in a bad frame of mind right now.
JOHN: Well, that's all right.

MR. SCHNEIDER: I'm not going to tell you what he told me to say to Byron and I didn't end up doing it because I --

JOHN: Hey --

MR. SCHNEIDER: -- I didn't end up getting back on the phone with Byron.

JOHN: Believe me, if he doesn't want to talk to me tell him to pray to God and to have some people in there while he's praying.

MR. SCHNEIDER: (Indiscernible) not said, has not said that. I said I don't know because he's mad with what these guys did.

JOHN: Well, I'm more concerned that he gets with Mrs. Fagan, you know, with Ophelia's daughter if that, that need be to come out and spend time with Ophelia, with Yvette, with --

MR. SCHNEIDER: That's what he was working on even --

JOHN: -- with Livingston's mother.

MR. SCHNEIDER: Do you know that David has --

JOHN: We'll let him spend the night talking to these people.

MR. SCHNEIDER: That's what he was doing until Byron came across the way he did and, and then --
- JOHN: Well, then don't let me interrupt and don't let me interfere, just let him do it, okay? Let him do it. I'm serious. I don't want -- if something positive can happen without me interfering, without me interrupting, let 'er rip, let it happen.

MR. SCHNEIDER: I don't think it will.

JOHN: Hey, he said don't push me. I don't want to push you. He said don't press me, he needs time.

MR. SCHNEIDER: No, no, no, talking about this whole attitude that Byron chose.

JOHN: Oh, I know that, I know that. He's not talking as an individual, he's talking as a system. I don't want to push, I don't want to press. I want to give him the opportunity to do what he wants to do with these people, prepare them, to pray with them.

MR. SCHNEIDER: It's not what he wants to do, it's these people requesting (indiscernible).

JOHN: Well, it's the proper thing, right? Isn't it the proper thing?

MR. SCHNEIDER: That's what he's -- we've been saying from the beginning.

JOHN: Well then tell him to do it. Tell him to do it.
MR. SCHNEIDER: These guys don't want that, it's not quick enough, they're not happy. You're going to, you're going to get the --

JOHN: Steven --

MR. SCHNEIDER: -- other extreme --

JOHN: Steven --

MR. SCHNEIDER: -- on the phone, they'll --

JOHN: Steven, it's, it's 8 o'clock at night. He's got 10, 12 hours to prepare some people. Tell him to prepare.

MR. SCHNEIDER: Well, I don't even know if he's up and around yet. I'll go check it out. I --

JOHN: You know where I'm coming from, don't you?

MR. SCHNEIDER: You know what's been, you know what's been happening lately?

JOHN: Hey --

MR. SCHNEIDER: He's, he's been --

JOHN: Listen, listen.

MR. SCHNEIDER: Yes, what?

JOHN: You know where I'm coming from though don't you? I've told you how much good you've done for us. Keep it up, keep it up. I don't want to see anything happen to you, I don't want to see anything happen to anybody else in there.
MR. SCHNEIDER: Well, that's so nice of you.

JOHN: But you have been the saving grace for us in there by calming some of those people down. Get in there, talk to David.

MR. SCHNEIDER: Well, here's the thing.

JOHN: I don't need any guitar playing, I need him praying with people.

MR. SCHNEIDER: Oh, he was strumming before you even called before the phone was --

JOHN: Well, I thought you said he was asleep?

MR. SCHNEIDER: I can't even remember, but to tell you the truth --

JOHN: Hey --

MR. SCHNEIDER: -- I'm just sort of --

JOHN: You go get some rest and on your way --

MR. SCHNEIDER: (Indiscernible)

JOHN: -- to get some rest you give him a tap and tell him to start praying with people because that's more important to me than him talking to me on the phone.

MR. SCHNEIDER: When I put you in touch with him last night was he -- he wasn't strumming on the --

JOHN: He was on a buzz. I thought he was
spring-loaded.

MR. SCHNEIDER: Yeah.

JOHN: And then he had a song about the FBI and AFT and I wish I could remember the --

MR. SCHNEIDER: Oh, yeah, yeah, yeah, I recall, I recall.

JOHN: Well, you probably recall it as a blur.

MR. SCHNEIDER: Well, no, no, I mean I remember (indiscernible).

JOHN: But listen, I, I really truly believe if he can spend time with people and prepare these people and pray with these people it's more important than him playing a guitar with me. Don't you think so?

MR. SCHNEIDER: That's what he was saying to you the -- before.

JOHN: Well, go give him a nudge and tell him to get on with it and --

MR. SCHNEIDER: Well, here's been --

JOHN: -- I'll be here.

MR. SCHNEIDER: -- here's been his pattern lately. He's been bright-eyed, bushy-tailed at about the time that he talked to you last night, you could tell. But that's about the time I'm so worn out I
can't even see straight.

    JOHN: Well, then why don't you get some
sack time right now?

    MR. SCHNEIDER: Well, but no, no, because I
wanted to hear what, what -- where he's at and who is
coming into the room to talk with him so I can
(indiscernible).

    JOHN: Well, I personally thought he was
insulting me this morning.

    MR. SCHNEIDER: No, he wasn't. I was there
and --

    JOHN: That's the way I felt because I was
trying to talk serious to him and he was laughing
and --

    MR. SCHNEIDER: I wish I could have heard
what you were saying. I don't know what you were
saying but I could tell by --

    JOHN: That's because you were in a blur by
then.

    MR. SCHNEIDER: No, no, I could tell by what
he was saying there was no insult intended. For sure
not, none.

    JOHN: Well, that's the way it came across.

    MR. SCHNEIDER: Well, see --

    JOHN: And I'm, and I'm, and I'm not trying
to be that way.

    MR. SCHNEIDER: No, I know. Well, anyway, what the whole problem is is he's, he's waking up in the middle of the night and it's like that's his daytime now and I'm -- myself I'm going through the entire day.

    JOHN: What's the matter with his circadian rhythm here? It's all kicked out of whack or something?

    MR. SCHNEIDER: I think (indiscernible) shot, I don't know, or something. I --

    JOHN: Did he get shot at the wrong time of the day?

    MR. SCHNEIDER: Probably so.

    JOHN: Look, do me a favor, will you?

    MR. SCHNEIDER: Yeah, what's that?

    JOHN: Get some rest. Get some rest. Talk to me later after you've got some rest, but --

    MR. SCHNEIDER: Oh, I know I'm not going to be getting any.

    JOHN: I'm not going to keep you up.

    MR. SCHNEIDER: I know you're not because --

    JOHN: I want you to go talk to him, tell him I don't need to spend two or three hours with him on the phone, I'm here anytime he wants.
MR. SCHNEIDER: (Indiscernible)

JOHN: You know I'm here. I'm at the end of the phone.

MR. SCHNEIDER: John, do you know the greatest thing that you --

JOHN: Tell him to start praying with these people --

MR. SCHNEIDER: John --

JOHN: -- prepare these people.

MR. SCHNEIDER: Do you know the greatest thing that you could actually do, either talking to the commanders, whoever it is going to be you need to talk to --

JOHN: You tell me, tell me.

MR. SCHNEIDER: -- we've got to get something going again with Livingston. I need to communicate with him by telephone. I need to do that.

JOHN: What do you, what do you need to tell him?

MR. SCHNEIDER: I need to ask (indiscernible).

JOHN: I mean I don't want to interfere with your personal dialogue with him, but --

MR. SCHNEIDER: No, no, I don't care if you
guys are on the phone. That's, that's --

    JOHN: Well, we probably will be.

    MR. SCHNEIDER: Well, that's fine. I mean, that doesn't matter. I want to ask him what's going on that he's showing such an -- I want to hear it for myself (indiscernible).

    JOHN: Well, I'll what I can do. And I won't --

    MR. SCHNEIDER: I, I will tell him --

    JOHN: -- I won't kid you, I won't lie to you. I'll, I'll ask some people --

    MR. SCHNEIDER: I'm telling him it's going to -- well, listen. I want to tell him he's making it more difficult for the choice of his own mother and wife even coming out of here because they become suspicious and all of a sudden they locked themselves in here now.

    JOHN: Hey, let me see what I can do.

    MR. SCHNEIDER: And that's just what's happened. And then the rest of the people knowing that he went out and if they're not coming out why should they? Do you see what I'm dealing with?

    JOHN: Let me see what I can do. The quicker, quicker I can do it --

    MR. SCHNEIDER: All right.
JOHN: -- the quicker we can get back together, huh?

MR. SCHNEIDER: All right. Okay. So let me know and --

JOHN: Hey, do me a favor.

MR. SCHNEIDER: What's that?

JOHN: I will call you when I have a response.

MR. SCHNEIDER: Okay. Take as much --

JOHN: If David needs to call me all he has to do is pick up the phone.

MR. SCHNEIDER: All right. Take as much time as you want because --

JOHN: You get some rest. Please do me a favor.

MR. SCHNEIDER: What's that?

JOHN: Please tell him to start praying with these people and he's --

MR. SCHNEIDER: Well, I'm going to go check on that.

JOHN: -- got all night long to do it.

MR. SCHNEIDER: I'm going to check on him.

But, you know, I'll call his name.

JOHN: Give him a nudge.

MR. SCHNEIDER: I'm not going to do that.
JOHN: Why, why does it appear that people are reluctant to open the door, go in and say David?

MR. SCHNEIDER: (Indiscernible) since he's been wounded.

JOHN: Does he have a Do Not Disturb sign on there?

MR. SCHNEIDER: He -- basically he does. He really does. He's gotten a little agitated with people. This is not Grand Central Station, he's told that.

JOHN: Steven, you're the key to this.

MR. SCHNEIDER: Oh, John, I've tried to do everything I (indiscernible).

JOHN: You're the key to this.

MR. SCHNEIDER: Did I not sit up late last night to make sure that --

JOHN: Be strong, be strong.

MR. SCHNEIDER: The lights -- the lights came on. I knocked at the door numerous times, he didn't answer. Finally I laid down -- or sitting low on the floor and when the lights finally came on about the time I got ahold of you, I mean I got ahold of you immediately.

JOHN: Listen --

MR. SCHNEIDER: Didn't I? Did I call you or
did you call -- I think I, I called you didn't I?

JOHN: I've been calling in there for I don't know how long and people are saying it's going to be the will of God when David wakes up and --

MR. SCHNEIDER: Oh (indiscernible).

JOHN: I didn't need to hear that.

MR. SCHNEIDER: I -- well, I'm sure I wouldn't either.

JOHN: I didn't need to hear that.

MR. SCHNEIDER: I must admit I wouldn't either.

JOHN: But try, will you?

MR. SCHNEIDER: You -- well, you know --

JOHN: Try.

MR. SCHNEIDER: -- as usual I will be because, I mean --

JOHN: You do it and I'll see what I can find out about Livingston.

MR. SCHNEIDER: All right. Give me a little time though because I'm, I'm tired.

JOHN: Well, kick on the door on your way by.

MR. SCHNEIDER: I'll try to do it.

JOHN: Well, just -- you got to reach out the foot.
MR. SCHNEIDER: Okay.

JOHN: Doesn't take too much to do that.

MR. SCHNEIDER: Oh, man (indiscernible).

JOHN: Do me a favor, huh?

MR. SCHNEIDER: I'm about ready to just stay here for (indiscernible).

JOHN: Do me a favor.

MR. SCHNEIDER: What's that?

JOHN: I don't ask much of you. Give him a little nudge. Tell him to start praying with those folks.

MR. SCHNEIDER: I'm going to try it.

JOHN: And I'll talk --

MR. SCHNEIDER: I'll try it.

JOHN: -- I'll talk to you as soon as I hear something about Livingston.

MR. SCHNEIDER: All right.

JOHN: All right. Get a little rest.

JOHN: Bye.

(Phones hung up)

* * * * *

(Phone dialing) (Phone ringing)

JUDY: Hello?

TONY: Hello.
JUDY: Hi.

TONY: Hi, is David there?

JUDY: Is David here?

TONY: Yes.

JUDY: Yeah, he's here. Who's this?

TONY: This is Tony.

JUDY: Tony?

TONY: Yeah.

JUDY: I haven't heard your name before.

TONY: No, I'm just somebody new that works with John.

JUDY: Okay. Let me see if he's available.

TONY: Okay.

JUDY: Hold on.

(Pause)

JUDY: Hello, Tony?

TONY: Yeah?

JUDY: Is there anything in particular I can tell him that you want to know?

TONY: Well, I just wanted to talk to him. You know, I'm calling because -- well, is Steve there? Did Steve talk to David?

JUDY: Yeah.

TONY: Yeah, and I just wanted to know if he
took -- told him, you know, how upset he was about last night.

JUDY: How upset who was?

TONY: Well, John got a little upset, you know, with David. He was somewhat offended because of what happened last night so I just wanted to talk to David a little bit here, you know, really try to tell him how John's trying to work with him on this thing here and let him know, you know, where he's heading. You know, John's pretty upset right now.

JUDY: He is?

TONY: Yeah. Well, well, you know, apparently the --

JUDY: He needs medical attention?

TONY: Pardon me?

JUDY: He needs medical attention?

TONY: Oh, no, no, he's just pretty upset because of what happened here. He went -- you know, about what happened last night and the bosses heard about it and everything and basically they weren't too happy with John and let him know about it. But I wanted to talk to David a little bit about it and see if -- you know, to let him know anyway that, you know, that he's really working with him here. His credibility is, you know, going downhill somewhat here
because of what happened.

    JUDY:  John's credibility?
    TONY:  Yeah, a little bit.
    JUDY:  (Indiscernible) okay, hold on.
    TONY:  Okay.
    (Long pause)
    MR. SCHNEIDER:  Hello?
    TONY:  Hello, David?
    MR. SCHNEIDER:  This is Steve.
    TONY:  Hey, Steve, how you doing?
    MR. SCHNEIDER:  Not too bad.
    TONY:  Good.  This is Tony here.
    MR. SCHNEIDER:  Hello, Tony.
    TONY:  How you doing?  Was that, was that
    Rachel that came on?
    MR. SCHNEIDER:  Pardon?
    TONY:  Was that Rachel that answered?
    MR. SCHNEIDER:  No, that was actually Judy.
    TONY:  Oh, Judy.  Okay.  I didn't the voices
    there.
    MR. SCHNEIDER:  Yeah, I just didn't
    realize -- I must have just passed out here.  I just
    laid down about 20 minutes ago and I must have fallen
    asleep.  It took me a few moments.
    TONY:  Yeah, I knew you were going to sleep
but I didn't know if --

MR. SCHNEIDER: Yeah, I'd been up for a while, but --

TONY: Yeah.

MR. SCHNEIDER: Yeah, David he's quite bothered because -- in fact, I just stopped by his door and I noticed the light was on. I was hoping to talk with him. He said just tell them that apparently they have no, no respect for the Judeo/Christian ethic and we have a lot of associates and people that we know from Israel. We know that from their understanding and belief too that they're not going to be pleased because the Rosh Kadesh (phonetic sp.) which is 12 new moons out of a, out of a year, one of those is in the process of happening, it's a Sabbath -

TONY: Um-hum.

MR. SCHNEIDER: -- and that happens 12 times. And of course, you know, with all this being played and the response, the attitude even now during our daily which is another aspect of that, all these different things are taking place. I mean, even before this incident happened, the unfortunate incident --

TONY: Which one?
MR. SCHNEIDER: Well, you know, that Sunday, February 28th.

TONY: Okay, um-hum.

MR. SCHNEIDER: With that happening, I mean, we -- you know, this, this is part of our lifestyle.

TONY: Um-hum.

MR. SCHNEIDER: And this is something that is required in that book called the Bible, not Easter, Christmas, Halloween and all these pagan holidays of which, you know, I grew up with all that myself. But I mean God's not going to be trifled with. He's got a program of which Satan has come along with counterfeits galore and in the final days everybody's caught up into feelings and theories --

TONY: Well --

MR. SCHNEIDER: -- but at the same time there's an ancient history that's been left to everybody to look at.

TONY: Yeah.

MR. SCHNEIDER: So, but anyway, he just wanted me to say -- I'm saying in response for him that, you know, he's got a great concern about the desecration and the lack of respect for, for the Christian/Judeo ethic so --

TONY: Well, we -- you know, we appreciate
that, Steve, I really do. The reason I'm calling here, you know, John left here a short time ago --

MR. SCHNEIDER: All right.

TONY: -- and he, he was really upset. I, I don't know if he -- I think he mentioned that to you. He was -- and I don't know if you really got the message, you know. He, he left here and of course he went and talked to the commanders and they called him in and talked to him. Now, apparently that incident that happened last night where he was speaking with Dave, you know, and David was playing the, the guitar and singing and kind of making light of it is the way it was perceived, anyway. And he, he really was pretty much insulted and the reason I was calling here is to let you know that, you know, he's, he's really been trying hard here and I think you guys know that to try to get this thing resolved. And he -- of course, he got called in on that and they were pretty upset with him and needless to say he's, he's not very happy right now. He's upset and he's pretty hurt by the whole thing and, you know, I wanted to let you know because -- you know, I've been working here with him and I really know he's really, really trying and I just wanted you guys to know that, that -- how, how
hard John is trying to do this thing and basically his
credibility is suffering right now because of --

MR. SCHNEIDER: Well, you know, you and I --
let me be honest with you. You know, truly, I
don't buy that, I really don't. I mean I'd, I'd be
foolish to be saying I acknowledged such a thing. I,
I will tell you this though for a fact, Tony, that
David loves the man.

TONY: I, I know that.

MR. SCHNEIDER: Wait, let me say something
about that.

TONY: Go ahead, go ahead.

MR. SCHNEIDER: See, I can't say something
like that because me being a person -- like yourself,
I haven't met you people but I do love -- I like
humanity and even though I've not been on this earth
really that long in comparison to many others, I mean
I, I can take a look logically back at the history of
mankind and see we're all subject to death. I'm not
going to get on some tirade here, but --

TONY: Yeah, exactly, because, you know, I
don't want to get into that.

MR. SCHNEIDER: No, no, I understand, but --

TONY: I'm calling in to really pass a
MR. SCHNEIDER: -- but, you know --

TONY: -- more or less.

MR. SCHNEIDER: But myself, I'm one of the few people in life that I've always looked and wondered what is truth and where is it. So I've compared for years and years and --

TONY: Well --

MR. SCHNEIDER: But anyway, in the process, you know, you, you know why we're here.

TONY: Sure.

MR. SCHNEIDER: We've repeated it, it's been -- it's been -- it's been recorded on many tapes and so forth. But, I mean, I'm concerned about your well-being, my own included, and this is why like for instance maybe these commanders aren't happy. I mean, a lot of these people, you know, religion's a joke to them but that's, that's -- you know, that's between them and whatever might be for their -- in their mind.

TONY: Right, but what --

MR. SCHNEIDER: But, but for us, you know, the main thing is no, David was not make -- I was there last night even though I should have been in bed --

TONY: You mean when David was talking to John?
MR. SCHNEIDER: When he was talking to John Cox --

TONY: Yeah.

MR. SCHNEIDER: -- he was strumming and so forth. And he kept on saying, you know, getting to John, do you want a study because, you know, he believes highly in that he has one mission and that is that he's to declare the seven seals which unlocks all the mysteries.

TONY: Oh, we, we understand that and, you know, I --

MR. SCHNEIDER: Yeah.

TONY: -- yeah, I, I fully appreciate that and I know that.

MR. SCHNEIDER: So -- you know, no, but he had no -- he meant nothing in, in --

TONY: Well --

MR. SCHNEIDER: -- in the way of insult to John.

TONY: Well, I think, I think John took it as a -- you know, John is trying -- really, really trying here, as you well know.

MR. SCHNEIDER: Well, you know David --

TONY: We've been working with you -- both, both you and John have been working on this real hard
and I've been here with John the entire time --

MR. SCHNEIDER: Right.

TONY: -- and, you know, I kind of see where he's coming from and I've known John.

MR. SCHNEIDER: Well, David did say though clearly, Tony, last night that the reason he did what he did was in response to people like John Cox for their hard work, for their patience even listening to David --

TONY: But --

MR. SCHNEIDER: He said that kind of thing, you know, that, that kind of humanity, how can you but want to respond to someone that is --

TONY: Well --

MR. SCHNEIDER: -- so sincere as --

TONY: Dave, Dave looks -- John looks at it in a completely different light because John wanted to discuss significant issues here. He wanted to get something going here and the way he interpreted that is well, this is somewhat of a game and it's --

MR. SCHNEIDER: No, but it isn't a game.

TONY: -- you really don't mean anything. Well, understand and I think John --

MR. SCHNEIDER: David was highly --

TONY: -- understands that.
MR. SCHNEIDER: -- insulted by the commanders or whoever decision it was on one hand after sending out seven people he was going to increase and try to get communication going with the people here to get them moving on out of the building --

TONY: Well --

MR. SCHNEIDER: -- when all of a sudden you get the telephone lines cut, you've got all the damage that was perpetrated and, and done --

TONY: Well --

MR. SCHNEIDER: -- yesterday along with that's when the --

TONY: We fully understand and that's why --

MR. SCHNEIDER: But see, that's --

TONY: -- we got the lines put back together here, so that we could get back and discuss these --

MR. SCHNEIDER: Yeah, yeah, but still the music -- the weird music and all that, that was his reward for trying to work with John Cox and Dolan, two men that really have a very good personality.

TONY: Absolutely, and they really try and --

MR. SCHNEIDER: Yeah, but at the same time it, it ultimately shows they're not in control whatsoever anyway so what is the sense in even talking
with these men? Is it an exercise for the lungs, the throat?

TONY: All they're, all they're trying to do, all they're trying to do, both John and -- is to get something going here, and like he doesn't want, he doesn't want to bother David tonight. He says I'm not going to bother David tonight. He wants David to get with the people and prepare them so that maybe we can have some progress tomorrow. And he said I'm not going to discuss this any, anymore with them, I'm not going to talk to them because I'm, I'm -- and he was -- and I'm not saying this, I'm not just saying this, I'm not going to lie to you, I won't give you a story that's not true here.

MR. SCHNEIDER: David is --

TONY: He was -- John was -- let, let me finish, okay?

MR. SCHNEIDER: Okay.

TONY: John was -- he felt bad in the sense that he -- of all the days he's put and the time he's put in on this and felt that maybe we're going to get some progress going here. And we understand there's been some back-sets and so forth. But John felt, he honestly felt that maybe if I keep working with these guys that they'll work with me and then when the --
when it got to where he was listening to music there, the paying guitar, John felt well, maybe, maybe it's just a game, maybe they're just playing this. And, and he felt that maybe everything he's trying to do here has just gone down the tube. He doesn't want that.

He --

MR. SCHNEIDER: No, no. I tell you, Tony, there's such a sobriety here, there's people that are looking deep into the things in the Bible (indiscernible) book is a bunch of nonsense and these people have had a lesson in futility, or there's a God that is very wise that has brought about a plan through every generation like it says in Peter, be established in the present truth. Well, what is the truth for the present? That's the question people ask here. And if it can't be logically shown from the Scripture --

TONY: Um-hum.

MR. SCHNEIDER: -- in context, not a text here and text there, that Christianity pogo sticks all around --
