SOUTHWEST TEXAS STATE NORMAL SCHOOL
November, February, May and July

Application for entry as second-class mail matter in the postoffice at
San Marcos, Texas, pending.

AUSTIN, TEXAS;
AUSTIN PRINTING CO., PRINTERS
1911
FOREWORD.

The Southwest Texas State Normal School opened its first session September 9, 1903. Three hundred three (303) students were enrolled, twenty-eight (28) of whom received diplomas. Each year since the establishment of the Normal School has witnessed the graduation of enthusiastic classes of young men and young women and the awarding of certificates to a large number of students who completed the required courses. The faculty has increased from seventeen to twenty-four instructors, while growth in buildings, equipment and legislative liberality has been encouraging. Three departments have been added, thereby bringing the Normal School in closer touch with the industrial phase of education. The Southwest Texas State Normal School has clearly a valuable asset in this heritage of eight years’ labor, in its growth of annual enrollment, in the loyalty and support of its alumni and in the influence and assistance of its friends and patrons.

The Normal Bulletin, which will be published in November, February, May and July of each year, will endeavor to make known these and other matters of importance to all people interested in the work of the Normal. The Bulletin will have for its purpose the dissemination of knowledge of the attainments of the Southwest Texas State Normal School in the past; it will supply interesting information concerning the regular work of the school; it will from time to time announce plans that have been matured for the extension and enlargement of the State Normal School in the future; it will capitalize the results of investigations made by students and teachers; it will seek to enlist the interest of the alumni in making this school of the greatest possible service to the State; and it will be an avenue through which to mould an educational public sentiment favorable to the growth and development of the normal school idea. The cordial co-operation of students, teachers, alumni, patrons and all friends of education in the State is solicited.

C. E. Evans,
Principal.

November 15, 1911.
OPENING OF SCHOOL.

SEPTEMBER 13, 1911.

The Southwest Texas State Normal School began its ninth session with the largest enrollment in its history. This is as it should be. Steady growth is to be expected of institutions that render real service to the public. This school has insisted on hard work from its first session, and the results have been most gratifying to the management of the school, to the students and to the general public. Hundreds of communities have felt the uplift that comes with well-prepared teachers—the fruitage of the above named policy. It was to be expected, therefore, that the enrollment would show an increase.

The advisory committees had been busy for two days enrolling and classifying students, getting ready for the formal opening, Wednesday, September 13. The exercises consisted of addresses by Rev. John Ridout and Prof. C. E. Evans, principal of the Normal. The addresses were strong, wholesome, inspiring. Mr. Evans spoke of the future policy of the school, and before he had finished, every one present knew that he was in thorough sympathy with the good work that had been done in previous years, that he understood the problems confronting him, and that he was splendidly prepared, both by training and experience, for the work to be done.

It was a fine beginning. Fully five hundred students were present, and the number has increased to nearly six hundred. Every one connected with the Normal expects the session of 1911-12 to be the best in the history of the school—best in attendance, best in results.

ADDITIONS TO THE FACULTY.

Those who have been students at the Normal in former years will wish to know something of the new members of the faculty. There are four of these—two who take the places of others who are no longer here, and two who come to fill positions created because of the unusually large number of students attending the Normal this session.

Principal C. E. Evans was educated in the public high schools, the Troy State Normal School, and Oxford College, Alabama, and in the University of Texas. He was engaged in public school work in Texas for thirteen years, serving either as principal or as superintendent. During the three years next preceding his election to the principalship of the Southwest Texas State Normal School he was general agent of The Conference for Education in Texas, and was employed in educational campaign work.

M. L. Arnold, the new assistant in history, began his education in Texas country schools. Later he attended the North Texas Normal College while it was a private institution, and also the University of Texas. He comes to the Normal from the San Antonio High School, in which he has taught for the past six years.

Owing to the over-crowded condition of the classes in domestic sci-
ence this year, after the opening of the session, Miss Grace Berry of St. Louis was secured as assistant to Miss Halm. Miss Berry was educated in Kansas, in the Topeka High School and the Kansas Agricultural College. She has taught for two years in one of the large country high schools of Kansas.

Miss Grace Younger, tutor in English, is a native Texan and a graduate of the Southwest Texas State Normal School of the class of 1910. She taught last year, and for the first month of the present session at Texas City.

ALUMNI ASSOCIATION AND HOME COMING OF 1911.

The faculty, student body, and Alumni Association in co-operation, inaugurated the movement for the first home coming of the ex-students of the Southwest Texas State Normal during the commencement exercises, May, 1911.

The home coming event was the central feature of the program and it was a success in every sense. From every part of Texas came representatives who were proud of their affiliation with the Southwest Texas Normal, and their enthusiasm was unbounded. The largest audience in the history of the institution gathered in the Assembly Hall to hear the rendition of the program on Alumni evening, May 13, 1911. Every class from 1903 to 1911 was represented on the program, and, in addition, Professor Thomas G. Harris delivered an address which was enthusiastically received.

The business meeting which was held May 15, 1911, was well attended, and was probably the most hilarious gathering during the home coming. After the initiation of the members of the class of 1911, and the transaction of the regular business of the association, an informal reception was given the new members. The roll call showed that every class was represented, from 1903 to 1911. A motion was carried to put Mr. H. A. Nelson in full charge of a movement to secure names, addresses and other data of all students from 1903 to 1911 to be catalogued. Also the chairman was authorized to appoint a committee to draft a resolution showing our appreciation of Mr. Harris and our good will toward Mr. Evans. The resolution which follows was unanimously adopted as reported:

Whereas, The man who has so efficiently guided the interests of the Southwest Texas State Normal since its organization, will no longer be directly connected with this institution, and

Whereas, his successor is a man eminently qualified to continue the work so efficiently begun, therefore

Be it resolved, That we, the members of the Alumni Association, express our sincere appreciation for the services rendered this school by our beloved principal, Mr. Thomas G. Harris, and, further,

Be it resolved, That we pledge our heartiest support and extend our good wishes to Mr. C. E. Evans, and hope for him the same success that has attended our retiring principal.

The following officers were elected for the ensuing year:
President—W. W. Jenkins, County Auditor, Georgetown.
First Vice President—L. P. Lollar, Department of Education, Austin.
Second Vice President—Miss Agnes Koniakousky, Yoakum.
Third Vice President—Miss Mildred Seuberth, San Marcos.
Recording Secretary—Mrs. Walter Harrison, San Marcos.
Corresponding Secretary and Treasurer—Miss Mable Gaines, public schools, San Marcos.
Sergeant-at-Arms—H. A. Nelson, Department of Agriculture, San Marcos.

ALL STUDENTS' ASSOCIATION.

There has also been organized the "All Students' Association of the Southwest Texas State Normal," consisting of every student who has attended the Normal. The regular meetings of this organization are held at the same time and place and on the afternoon of the second day of the regular meetings of the Texas State Teachers' Association. The first meeting, held at Abilene, December 30, 1910, was well attended and enthusiastic. The next meeting will be held at Waco. The officers of this organization are as follows:
President—Virgil T. Seaberry, Millersview.
First Vice President—Guy McBride, San Marcos.
Second Vice President—G. G. Hassell, Overton.
Third Vice President—Miss Birdie Bell, Anson.
Fourth Vice President—Miss Mary Edna Nelson, Abilene.
Secretary—Mrs. Lilla Mayfield, Ballinger.

These organizations are powerful factors in the upbuilding of the Normal, and the earnestness and enthusiasm of their members will arouse the school spirit wherever they go.
EX-STUDENTS WHO ATTENDED THE FIRST HOME-COMING,
