1967 SUMMER SESSION

The Spires Of Old Main Overlooking Fish Hatchery

BULLETIN OF

Southwest Texas State College

San Marcos, Texas
OPPORTUNITIES FOR SUMMER STUDY
AT SOUTHWEST TEXAS STATE COLLEGE

The Sixty-Fourth Summer Session of Southwest Texas State College will continue a long tradition of service to those who wish to further their education through summer study. Courses will be available for

Students of the long session who wish to accelerate their progress towards a degree

Recent high school graduates who would like to continue their education without interruption

Teachers and school administrators seeking improvement in their professional competencies

Pre-professional students who plan to enter law, medicine, dentistry, engineering, and nursing

Graduate students seeking advanced degrees

In addition to regular courses, special classes and workshops will be offered in directing speech activities, high school speech skills; speech, hearing, and language therapy; teaching the neurologically impaired; and mental retardation. Visiting specialists and consultants will supplement the regular faculty for the summer session.

Air-conditioned facilities—including library, laboratories, classrooms, and dormitories—will add to the comfort and increase the efficiency of summer study.
BOARD OF REGENTS, STATE SENIOR COLLEGES

1966-1967

### DIRECTORY FOR CORRESPONDENCE

To obtain prompt attention, address inquiries to the following persons or agencies:

- General Policy of the College: President
- Academic Program: Dean of the College
- Admissions, Transfers, Transcripts, Certificates: Registrar
- Business Affairs: Vice President for Fiscal Affairs
- Books and Supplies: College Bookstore
- Correspondence and Extension: Director of Corr. & Exten.
- Graduate Study: Dean of the Graduate School
- Housing, Dormitory Reservations: Director of Student Housing
- Student Health: College Infirmary
- Tuition, Fees, Expenses: Business Manager
- Veterans' Affairs: Veterans' Office.
SUMMER CALENDAR, 1967

Classes of Southwest Texas State College meet Monday through Friday during the summer session.

FIRST TERM

June 5, Monday: Registration.
June 6, Tuesday: Classes begin.
June 10, Saturday: Classes meet.
June 12-24: Dates for filing applications for degrees to be conferred on August 26.
June 23, Friday: End of three weeks classes.
July 3-4, Monday-Tuesday: Holidays.
July 8, Saturday: Classes meet.
July 13-14, Thursday-Friday: Final examinations.

SECOND TERM

July 18, Tuesday: Registration.
July 19, Wednesday: Classes begin.
July 22, Saturday: Classes meet.
August 4, Friday: End of three weeks classes.
August 23, Wednesday evening: Exams begin.
August 24, Thursday: Last final examination.
August 26, Saturday: Graduating exercises.
FEES AND EXPENSES

General Property Deposit. Each student is required to make a General Property Deposit of $10.00 which must remain with the College through his career here except as noted in “A” below. All charges for property losses or damages or breakages or violations of rules of the college must be settled promptly. However, any unpaid current charges will be deducted from the deposit before a refund is made.

A. Refund of General Property Deposit. The General Property Deposit less charges will be returned to the student at the end of his career as a student provided, however, that any General Property Deposit which remains without call for refund for a period of four years from the date of last attendance at this college shall be forfeited and the deposit become a part of and operative to the permanent use and purpose of the College Student Deposit Fund.

The College reserves the right to change fees in keeping with the acts of the Texas Legislature.

Fees for Auditing Courses. Where auditing of a course is permitted, all fees will be the same as if the course were taken for credit.

Fees for Late Registration. A late-registration fee of $5.00 will be charged all undergraduate students who register after the first class day of any semester or of either term of a summer session, provided that the Registrar may waive such fee if the late registration was dictated by circumstances deemed by him to be beyond the student's control.

Fee for Schedule Changes. A fee of $2.00 will be charged for each change in the schedule of an undergraduate student after that schedule has been filed, except when such change is dictated by circumstances deemed by the Registrar to be beyond the student's control.

*Add General Property Deposit of $10.00 if not already posted with the College.
Motor Vehicle Registration Fee: Every faculty member, student, or employee of the college who operates or parks one or more vehicles on the college campus must register each vehicle with the Office of Business Management September 1 of each year, or as soon thereafter as each vehicle is brought on the campus. A registration fee of $2.00 must be paid annually for each vehicle registered. The Driving and Parking Regulations will be given to each student as he comes through the registration line.

Payment of Fees. All fees are payable at the time of registration, and a student is not registered until his fees are paid in full. Payment may be made by check or money order payable to Southwest Texas State College. If checks or drafts are returned unpaid for any cause other than admitted error of the bank, the student must pay in cash immediately. Students whose checks have been dishonored may be required to pay in cash thereafter.
Refund of Fees. A student who withdraws officially, after having paid registration fees, and submits a withdrawal card and registration receipt to the cashier in the Office of Business Management during the first week after registration day will receive a refund of 65 per cent; and thereafter, no refund. No refund of less than $2.00 will be made. An immediate refund will not be made at the time a student withdraws, but upon request a check covering all refunds due will be mailed within approximately 30 days to the address left in the Office of Business Management.

No refund of tuition and fees will be made in cases where students are requested to withdraw.

The College Bookstore. The College Bookstore is located in the Student Center Building and offers textbooks and school supplies for sale to students and faculty.

The snack bar, popularly known as The Lair, is also located in the Student Center and provides refreshments at popular prices.

(8)
All undergraduate, single students are required to live in college housing unless they live at home, live with a close relative, or receive special permission from the Housing Office to live off-campus.

HOUSING FOR WOMEN. Mature women and graduate students who request air-conditioned rooms will be assigned to Butler Hall. Undergraduate women who prefer air-conditioned quarters will be housed in Falls Hall. Those who cannot be accommodated in these dormitories or those who do not prefer air-conditioning will be assigned to Speck Hall. No cooperative dormitory will be available during the summer.

HOUSING FOR MEN. Air-conditioned Buckner Hall and Smith Hall will house all men students this summer. Because of insufficient demands, non-air-conditioned quarters will not be available.

Room furnishings include study desks, chairs, lamps, single beds (39”), dressers, and a closet for each resident. Occupants furnish pillows, bed and bath linens, curtains, etc. Each hall has adequate laundry facilities.

Items not permitted in student rooms include air-conditioners and evaporative coolers (electric fans are permitted), television sets, firearms, pets, body-building weights, and electrical appliances used in the preparation or storage of food. The preparation of meals in dormitory kitchenettes is strictly forbidden. Food—other than snacks, cookies, etc.—must not be taken into student rooms.

Possession of or being under the influence of intoxicating beverages and gambling in all forms are strictly forbidden on college premises. Permission to sell or solicit in residence halls must be granted by the Housing Office.

Violation of the above regulations is punishable by severe disciplinary action.

For further information regarding student housing, consult the general catalog or write, call, or visit the Director of Housing.

Room Rental Refunds

Any student with withdraws officially from the college or who is granted permission to live off the campus may receive a refund of the unexpired portion of the room payment for the current six-week term, reduced by the amount of $5.00, provided that no refunds shall be made in cases where students withdraw from the college or are permitted to live off the campus within eight days of the end of the current term. The refund will be computed from the date the approved withdrawal card and the student's room receipt are presented to the cashier in the Office of Business Management and will be mailed within approximately 30 days to the address left with the cashier.

Room charges continue until the student has officially changed his residence. Any arrearages must be settled in accordance with this refund policy.

Food Service

The Commons Cafeteria will serve a-la-carte during the summer. Students will pay for this moderately priced food in accordance with their selection.

*One person may have a room alone if space permits.
**Falls Hall and Buckner Hall will be the only air-conditioned dormitories open the second summer term unless the demand requires additional space.
MAKING APPLICATION

All applications for housing in college residence halls should be addressed to the Director of Student Housing. An application form will be found at the back of this bulletin. Original applications must be accompanied by the room deposit of $50.00, which will remain with the college during the student's attendance and use of dormitory facilities. The deposit is refundable upon request if cancellation of the reservation is received by the Director of Student Housing according to the following schedule:

- Summer session — First term — On or before May 15
- Summer session — Second term — On or before July 1
- Summer workshops — One week prior to the first session of the workshop

After a student has completed any semester or summer term and has satisfied all obligations to the college, the room deposit will be refunded in full upon request. Any student who leaves a deposit with the college and does not use dormitory facilities for a period of four years will forfeit the deposit.

Withdrawal from the residence hall during the period for which the reservation is requested results in forfeiture of the room deposit, except where extenuating circumstances are involved.

Residents who wish to occupy a room alone, if space is available, must make arrangements with the Director of Student Housing and pay the additional cost to the Office of Business Management.

Requests for housing during the summer session should be made sufficiently in advance to insure satisfactory living accommodations. For additional information regarding housing, address the Director of Student Housing.

Housing Facilities for Married Students

Riverside Homes and Riverside Apartments are in the same general area, conveniently located between Evans Field and the main campus.

**Riverside Homes** is a war-time federal-housing type of project. Each apartment consists of living room-kitchen combination, one or more bedrooms, and a bath. Each apartment has a separate entrance and a small yard. Apartments can be had with one, two, or three bedrooms; they may be either furnished (except refrigerator) or unfurnished.

**Monthly Rates**

- 1 bedroom unfurnished .......... $22.50
- 2 bedrooms unfurnished .......... 27.50
- 3 bedrooms unfurnished .......... 32.50
- 1 bedroom furnished .......... $25.00
- 2 bedrooms furnished .......... 31.50
- 3 bedrooms furnished .......... 37.50

An extra charge will be made for air conditioners, evaporative coolers, and electric stoves if the occupant installs them in the apartment. Permission must be given by the Manager of Riverside Homes before installation, to insure an adequate power supply.

No appliances are available through the college.
**Riverside Apartments**, two-story buildings of masonry construction, were completed in October, 1958. Each apartment consists of living room, kitchen-dining room combination with adequate cabinet space, one bedroom, tiled bath with tub and shower, and closets. Television antennas are permanently installed for each apartment. Forty apartments are unfurnished except for an electric stove and refrigerator in the kitchen, and rent for $60.00 per month, with utility bills paid. Eight apartments are furnished and rent for $70.00 per month, with utility bills paid. Air conditioners may be installed by the occupant, with the approval of the manager. There is an additional electrical charge per month for air conditioners. Air conditioners are not available through the college.

A deposit of $10.00 is required when application is made. (The application blank in the back of this bulletin is provided for your convenience.) This deposit can be refunded or transferred to another term or session provided the Manager of Riverside Homes is notified at least 30 days before the beginning of the term or session for which an apartment is reserved.

No pets are allowed at Riverside.
ADMISSION REQUIREMENTS

ADMISSIONS

Correspondence regarding undergraduate admission to Southwest Texas State College should be addressed to the Office of the Dean of Admissions and Registrar, Southwest Texas State College, San Marcos, Texas 78666. (Application for admission to the Graduate School or to 5000-level courses in a post-graduate status should be made directly to the Office of the Dean of the Graduate School.)

Students are admitted to Southwest Texas State College on a selective admissions program by these:

1. High school diploma and ACT test
2. Transfer of credits from other colleges and universities
3. Individual approval granted by the Dean of Admissions and Registrar

In all of the three categories a student must, first of all, submit an application for admission. (Found at the back of this bulletin or requested from the Office of the Dean of Admissions and Registrar.)

ADMISSION BY HIGH SCHOOL DIPLOMA

Students must present transcripts for their high school work indicating date of graduation and signed by the proper authorities. These transcripts should be filed in the Office of the Dean of Admissions and Registrar at least one month prior to registration. A graduate of an accredited high school should present at least 16 affiliated units along with an ACT score. A score of 15 is the minimum score required of all students for admission to Southwest Texas State College. Under no circumstances is there any deviation or any conditional admittance granted if a student falls below the required minimum score.

SOUTHWEST TEXAS STATE COLLEGE REQUIRES THE ACT EXCLUSIVELY. ALL STUDENTS SEEKING ADMISSION DIRECTLY FROM HIGH SCHOOL MUST HAVE THIS TEST SCORE PRIOR TO REGISTRATION.

Notification of acceptance to Southwest Texas State College for all students who gain admission by high school diploma with an ACT score is done in the following manner: In early spring a survey is made of all ACT scores that have been received in the office, and all students having a score of 15 or better will be notified of their tentative admission. Official notification will be made after the student's high school records office submits his high school transcript showing the date of graduation and signed by the proper authorities. (It is the student's responsibility to see that this transcript is submitted. He cannot be officially admitted (13)
without it, and he will not receive his official acceptance notice until it has been received.)

ADMISSION BY TRANSFER FROM COLLEGE OR UNIVERSITY

A student who has completed a 12-week term or more at another accredited college or university will be admitted according to the procedure of admission required for transfer students. Applicants who have completed less than the 12-week term must meet entrance requirements under admission by high school diploma.

A student seeking admission to Southwest Texas State College by transfer from another accredited college or university must present a transcript or transcripts of all prior college work for (1) determination of eligibility to enter Southwest Texas State College and (2) evaluation of transfer credit. Eligibility of transfer students is determined by the application of the following requirements:

1. Honorable dismissal from the college or university attended prior to seeking admission to Southwest Texas State College. (A student on scholastic suspension or withdrawal will not be considered for admission.)

2. A record during the two semesters immediately prior to transfer (last two semesters at another college or university) with the semester-hour quality-point ratio according to the following graduated scale of achievement:

a. First-year students: A first-year student taking 12 or more semester hours must pass at least nine semester hours and earn nine quality points. A first-year student taking fewer than nine semester hours must pass all hours taken and earn as many quality points as hours undertaken.

b. Second-year students: A second-year student taking 12 or more semester hours must pass at least 12 semester hours and earn 12 quality points. A second-year student taking fewer than 12 semester hours must pass all hours taken and earn as many quality points as hours undertaken.

c. Third-year students: A third-year student taking 15 or more semester hours must pass at least 15 semester hours and earn 12 quality points. A third-year student taking fewer than 15 semester hours must pass all hours taken and earn 12 quality points. If this student takes 12 or fewer hours, he must earn as many quality points as hours undertaken.

d. Fourth-year students: A fourth-year student taking 15 or more semester hours must pass at least 15 semester hours and earn 15 quality points. A fourth-year student taking fewer than 15 semester hours must pass all hours taken and earn as many quality points as hours undertaken.
EVALUATION OF TRANSFER CREDITS AND NOTIFICATION OF ACCEPTANCE

Credit for transfer work done in any other accredited college or university is determined by the Registrar of the college upon the basis of the transcript or transcripts of such work signed by the proper authority. The application of such work granted toward graduation will be determined by the Deans of the Schools in accordance with the student's degree program.

A Return Peace Corps Volunteer may receive college credit at Southwest Texas State College for work done during his tour as Peace Corps Volunteer. The Return Volunteer may receive credit for four courses, which could be 14 semester hours, should the volunteer be granted credit for the two freshman courses in a modern language which earn four hours each.

The actual course credits in other areas (anthropology, sociology, agriculture, health, etc.) which the volunteer may receive will be determined on the basis of the type of training he completed and also on the type of work which he did in the host country. This evaluation of credit will be determined by the Registrar of the college.

Notification of acceptance for transfer students is done only after a student has submitted the application for admission and the transcripts of prior work have been processed. In the event a student is currently enrolled in another college or university during the semester in which application is made to Southwest Texas State College, he will be required to sign a waiver at the end of that semester indicating his grades and semester hours passed. Official notification will be withheld until this is done.

For determination of eligibility for summer sessions at Southwest Texas State College a statement of good standing will meet the requirements for summer sessions only. If the statement indicates scholastic probation or suspension, the student will be required to submit a transcript and sign a waiver before official eligibility can be ruled.

Courses in which a grade of "C" or better has been earned will be accepted subject to the above conditions. Under no conditions will "D" grades be accepted.

ADMISSION BY INDIVIDUAL APPROVAL

Admission by individual approval is granted by the Dean of Admissions to persons who are 21 years of age or over, or to veterans of the armed services who are 18 years of age or over, provided they show evidence of ability to do college work. This is determined during a personal interview. Persons so admitted are also required to take the ACT.

Former Students. Secure a free transcript from the Registrar's Office.

Graduate Students. Secure admission to the Graduate School from the Dean of the Graduate School.
THE CURRICULUM

An integrated general-education program has been incorporated into all courses of study at the college. This program is designed to help students develop those understandings, attitudes, values, and skills which will equip them for effective personal and group living, and for responsible citizenship in a democracy.

Southwest Texas State College offers a well-balanced curriculum to meet the needs of students who wish to teach and of those who wish to prepare for various other professions and vocational fields. Programs designed to qualify persons both for teaching and non-teaching occupations are offered in all departments. An increasing number of young people interested in law, medicine, dentistry, engineering, and nursing pursue from two to four years of preliminary study at this college.

Departments offering courses during the summer session are Agriculture, Art, Biology, Business Administration, Chemistry, Economics and Sociology, Education, English, Geography, Government, Health and Physical Education, Home Economics, Industrial Arts, Journalism, Mathematics, Modern Languages, Music, Physics, Special Education, and Speech.

The following freshman-level courses will be offered: Art 1313, 1321; Biology 1410, 1420; Business Administration 1321; Chemistry 1410, 1420; English 1310, 1320; Geography 1310; History 1310, 1320; Home Economics 1320, 1330; Industrial Arts 1350; Mathematics 1310, 1315, 1317; French 1410, 1420; German 1410, 1420; Spanish 1410, 1420; Physical Education Activities; Physics 1410, 1420; and Speech 1310, 1320.

SUMMER SCHOOL COURSE LOAD: The normal course load is six hours for each six-week term. Students who have earned a "B" average during the last semester attended and graduating seniors may be permitted to enroll for eight semester hours for one six-week term or a total of fourteen hours for two successive six-week terms. Graduating seniors of superior ability may earn fifteen hours, the absolute maximum for the summer session.

(16)
Graduate work is open to students holding a bachelor's degree from a recognized college or university. To acquire the master's degree, the student must spend in residence a minimum of two semesters or its equivalent and must complete at least thirty semester hours of work selected from courses carrying graduate credit.

The Graduate School offers two types of degrees, the Master of Arts and the Master of Education. The Master of Education degree does not require the writing of a thesis. Students who elect to follow the Master of Education degree plan will be required to complete additional course work.

Courses leading to the master's degree will be offered during the summer session of 1967 in biology, chemistry, various phases of education, English, health and physical education, history, industrial arts, mathematics, and special education. Minor programs are available in agriculture, business administration, government, modern languages, music, and physics.

The summer session has been so arranged as to offer opportunities for graduate students to study either three weeks, six weeks, nine weeks, or twelve weeks. For additional information write to the Dean of the Graduate School, Southwest Texas State College.
SECOND ANNUAL WORKSHOP IN REMEDIAL READING
July 6 and 7

The workshop will be conducted by staff members, assisted by graduate students enrolled in the course in remedial reading. It will consist of lectures, demonstrations, and discussions dealing with some basic considerations in the diagnosis of reading difficulties and procedures for remediation. Commercial firms will be invited to display their materials and equipment relevant to the purpose.

No attempt will be made to cover all aspects in such a brief time; major emphasis will be upon acquainting teachers employed for remedial reading under Title I with resources available to them.

No registration fee will be required but notice of intent to participate will be appreciated as a help in planning. Unless response is too great for the space available, no limitation will be placed on attendance.

To report intentions of attendance or for information, address Miss Carrie Shepherd, Director, Remedial Reading Workshop, Southwest Texas State College.

CLASSES, CLINICS, AND SERVICES IN SPECIAL EDUCATION

June 5—July 14: Work will be offered toward certification in the three areas of special education: speech and hearing therapy, orthopedically handicapped (MBI), and mental retardation.

Psychology 4365—The Exceptional Child in the Family, a new 3-hour course, will be offered both terms of the summer session. Parents and teachers of exceptional children will be enrolled for credit and/or laboratory experience.

June 5—July 14: Supervised clinical practicum with children who have speech and/or specific learning problems, and whose mental capacity is within normal limits (IQ 75 or higher), will be offered.

July 18—August 26: Supervised teaching of mentally retarded children (IQ below 75) will be offered.

Teachers seeking certification to teach the mentally retarded may obtain 12 semester hours in the area during the 12 weeks of summer session.

Those seeking certification to teach the orthopedically handicapped (MBI) will find applicable courses offered both summer terms.
Children will be accepted for the clinic or for laboratory classes in the appropriate area of special education if they (a) are accompanied by a parent who will attend Psychology 4365—The Exceptional Child in the Family, meeting daily Monday through Friday, and (b) meet eligibility requirements established in the preliminary evaluation by the Department of Special Education.

Application for enrollment of a child in any area during either summer term should be made to the Chairman of the Department of Special Education. Applications should be made before May 10, 1967, to permit time for testing. No residential facilities are available on campus for children younger than sixteen years. Parents planning to live in San Marcos while their children are enrolled for therapy should reserve living accommodations off campus as soon as possible.

**Visiting Staff in Special Education**

June 26—July 14: Psychology 5364—Psychological Problems of the Mentally Retarded will be offered in a 3-week workshop by Dr. Edward Zigler, distinguished author and lecturer in the field of mental retardation. Dr. Zigler, Chairman of the Child Development Program at Yale University, is a specialist in general and clinical psychology, diagnostic and therapeutic practicums, and atypical child development.

July 18—August 26: Supervised practicum and methods and materials for teaching the mentally retarded will be taught by Dr. Madalene Barnett, director of the language development program for the mentally retarded in Athens, Ohio, and in Hocking County, Ohio. The two courses that Dr. Barnett will teach are required for certification of teachers of the mentally retarded. Both certified teachers and those holding emergency certificates in this area should avail themselves of these courses.
WORKSHOPS AND SPECIAL COURSES

DIRECTING SPEECH ACTIVITIES and
HIGH SCHOOL SPEECH SKILLS WORKSHOP

July 18 — August 5

This combined course and workshop has two objectives:

1. To assist practicing teachers and qualified college students to become better directors of speech activities. Members of the speech staff will be assisted by visiting specialists in offering the course (Speech 4320). Members of the class will receive experience in working with high school students.

2. To provide intensive speech training for qualified high school students. On Sunday, July 23, high school students who have registered in advance and paid the fee of $12.50 will enter dormitories assigned to them by the college for a period of two weeks. Students may work in either dramatics (acting and stagecraft) or debate and in one of the following: extemporaneous speaking, persuasive speaking, prose reading, or poetry reading. At the end of the two-week period a series of one-act plays, a final round of debates, and a speech festival will conclude the workshop.

The tuition for high school students is $12.50; and room rental in air-conditioned dormitories is $21.00. Residents of San Marcos and commuters will not have the latter expense. Meals in the cafeteria are a-la-carte.

Inquiries should be addressed to Dr. Darrel Baergen, workshop director.

Number of Receipt .....................................

Riverside Homes ........................................... or Riverside Apartments ............................................

If you have checked Riverside Homes, please check number of bedrooms you prefer:

1..........................  2..........................  3.......................... Furnished.......................... Unfurnished..........................

If you have checked Riverside Apartments, please check which floor you prefer:

First.......................... Second..........................

Date apartment is desired ..........................................................

For approximately how long? ..........................................................

Please make check or money order payable to Southwest Texas State College. Mail this application with deposit to Mr. A. B. French, Manager of Riverside Homes and Apartments, San Marcos, Texas.
A medical examination by a legally qualified physician is required of each undergraduate student entering Southwest Texas State College for the first time. The examination should be made not more than thirty days prior to the student's admission to college. It is intended to furnish information which will enable college authorities to assist students in maintaining a high degree of efficiency by proper adjustments, as early as possible, to the mental, physical, and social activities of college life. This form must be completed and returned to the Division of Student Personnel.

TO THE PHYSICIAN

The examining physician is requested to be extremely careful in making the examination and recording the facts, inasmuch as the summary of the blank will be the basis for determining the student's participation in many forms of vigorous physical activity.

Name.................................................. Date...........................................

Home Address........................................ Home Phone...........................................

MEDICAL HISTORY

My roommate preference is (full name): ________________________________
PLEASE READ CAREFULLY BEFORE SIGNING

If not on file at this college, a housing deposit of $50.00 must accompany this application. It is both a reservation deposit and a deposit against damage, and must remain on file during a student's attendance and use of student housing facilities. This deposit is refundable on request if admission or registration is denied or if a cancellation is received in the Housing Office on or before the following deadline dates:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall</td>
<td>July 1</td>
</tr>
<tr>
<td>Summer I</td>
<td>May 15</td>
</tr>
<tr>
<td>Workshops</td>
<td>One week</td>
</tr>
<tr>
<td>Spring</td>
<td>January 4</td>
</tr>
<tr>
<td>Summer II</td>
<td>July 1</td>
</tr>
<tr>
<td></td>
<td>prior to first class.</td>
</tr>
</tbody>
</table>

The deposit is forfeited by: (1) Canceling a room reservation after any of the above deadline dates; (2) both making and canceling a reservation after the above deadline dates; (3) checking out of any student housing facility during any semester, except when extenuating circumstances exist; (4) leaving the deposit on file with the College and not using student housing facilities for a period of four years.

(Date) (Student's Signature) (Parent or Guardian's Signature)

Please mail in a large envelope with check or money order payable to Southwest Texas State College to:
