The Normal Star

Baptist Academy Football Club Defeated the Normal Club Monday 10 to 6

Before an immense crowd on the Normal field last Monday the Baptist Academy defeated the Normal in football by the score of 10 to 6. As the score indicates, the teams were well matched. Luck simply broke for the Academy, and they won. The Normal fumbled the ball more frequently than did the Baptists, and as a result we were put on the defensive over time. A weak punt by the Normal and a rotten decision of the referee in Academy’s favor figured materially in the Normal’s defeat. The Academy line was also strong, while their backs were very successful in intercepting the Normal’s attempted passes, and tackling in such a way as to cause the Normal runners to drop the ball.

Echols was pre-eminently the star for the Academy, for it was he who scored three points from the field and proved a good ground gainer in his away around end. For the Normal, Shelton and Chapman were im­pressed with the proper pep, while Distert and Weatherby broke up a good number of end runs.

The line-up follows:

Normal: Pos. Acad’y;

Howell .......... Copass Center;

Dubose, Tompkins .... Wallace Right guard;

Hughes ...... Left guard;

McGee ......... Hooper Right tackle;

Mueller, Barnett .... Window Left tackle;

Dieter ....... Right end;

Weatherby, Pritchett, Zimmerman, .... Window Left end.

Rassell ......... West Right half;

Chapman .............. Taylor Left half.

Hornsby .......... Fullback;

Shelton ................. Echols Quarter.

Officials: Referee, Secors; Um­p­ire, Campbell; Head linesman, Griffen; Backs, Dietert, Mueller, Barnett, R. Windrow.

Society Federation

The first federated meeting of Societies was held in the auditorium Saturday afternoon, Oct. 16, immediately after school. Hats, bonnets and staffs carried out society colors, and yells and songs showed that society spirit was not lacking. M. Moulton, of the Harris-Blair Society presided, with Miss Polly of the Every Day’s as secretary. The reports showed a total enrollment of over two hundred members, with a large percentage present. After a short business meeting, the federation adjourned to the river near the athletic field where games and tasted marshmallows we indulged in. Moral: Join a society.

PIERIANS

The Pierians held their first meeting last Thursday, October 2nd, with about sixteen old members present. Twenty new members were received, making a total membership of thirty-six.

The following officers were elected for the ensuing term: Neil Owens, Pres.; Sadie Hat­field, Vice Pres.; Texas Clarke, Sec.; Burma Browning, Treas.; Louise Lee and Miss Lewis, Wardens. After business was dispensed with a very enjoyable social hour was spent.

Last year the girls made a study of the manners and customs of the other countries. This year, under the leadership of Mrs. Shaver, they are going to study Tennyson. Plans for social entertainments are being made.

We have anticipated you and want's, our stock is complete.

The Training School outplayed the East End boys all during the game. Among those who did good playing were Debs, Gary and Bales of East End, and Logan, Holland and Shands of the Training School. OLD STUDENTS

The Normal Star was not published last year on account of financial conditions. We are working hard to start this publication again and will appreciate any contribution in the way of subscriptions and articles for publication.

The Record printing office received our work late for last week's publication, they hustled their force together and issued our paper on time. For their efforts the staff duly extend their thanks.

At the beginning of the school year, apart from the regular work, the student is offered various forms of training. Each student should select one of them as he does his regular course. The one in which he feels most interest and is most capable of working, should, of course, determine his selection.

If one is a good athlete he would do athletic work. Tho he may take part in society work, he surely would not let any form of society work interfere with his athletics. One being a good speaker and intending to use the gift in his future belongs to the society group. Tho taking part in other phrases of school life he should keep the society first in consideration. A student cannot take active parts in several organizations and do his duty to each of them. Take part in all things possible, but always hold one above the other as the first.

Y. W. C. A.

The Young Women's Christian Association in the Southwest Texas State Normal stands for a higher physical, social, intellectual and spiritual life for every girl. It hopes to become more and more each year a force for righteousness in every department of school life. It aims to develop in the individual girl qualities of faithfulness, uprightness and leadership.

The work is carried on by the officers and twelve committees. On these committees there is a place for every girl who wishes a share in the Association this year. The meetings are carefully arranged and each one has a definite place in the year's program. Every girl in the Normal is in sympathy with the purpose of the Association is invited to become a member.

Y. M. C. A.

The Y. M. C. A. began its work the second week of the year with an enrollment of thirty members. Since the first meeting our membership has increased to about fifty. It is the aim of the association to aid in developing the young men, mentally, morally, socially and spiritually, while they are in school and thereby influence their lives of the future.

We shall soon take up a uniform study of the Bible. With the aid of Profs. Woodson, Christian, and Highsmith, we expect to derive much benefit therefrom.

COMENIAN

The Comenian was out in full force at the first regular meeting Oct. 2nd. The old members welcomed the new, thus some time was spent in getting acquainted.

Business was then transacted. The following officers were elected: Mattie Bell, Pres.; Emma Deason, V. Pres.; Cleo Patton, Sec.; Edith McClane, Treas.; Bertha Frenzel, critic; Martina Poch, Nelle Buchholz, wardens.

After the business meeting the Comenians asked the Everydays to share a social hour with them. Delicious refreshments were served and the time passed quickly.

We not only look forward to our interesting study of "Great Women," but also to the many good times we are planning to have.

We extend a hearty invitation to any who wish to join us.

The Shakespeare Society met last Saturday, Oct. 2, 1915, for the purpose of re-organizing and planning work for the year. There were fifteen girls present, two of whom were members of the society last year. Several minutes were spent in a social way in order to get better acquainted.

A "Shakespeare Contest" and a "Tongue Dance" were on the program both of which caused much merriment. After all got acquainted we passed into the room where the punch bowl was very much in evidence.

Miss Pearl McKinney, acting as mistress of the occasion, proposed many toasts. The responses gave evidence that there was much "whit" among our members. After this, new officers for the term were elected. They are as follows: Pres., Frances Brown; Vice Pres., Adele Wildenthal; Sec., Leah Grote; Treas., Lena Hawkins; critic, Pearl McKinney; Parliamentarian, Annie Duncan; Senior Warden, Novella Goodman; Junior Warden, Estell McDuff; stage Mgr., Katherine Parker.

The German Club

On Saturday evening, October 2nd, the German students met in the basement of the Library Building to reorganize the Germanistische Gesellschaft which has always been one of the best organizations of the school. This club looks more promising this year than it ever has. Many old members are back and still more new ones were added to the membership.

The meeting was opened with various old German folk songs, sung by all the members and visitors. A short program was also rendered by the various classes. The training class played the most important part on this program. Immediately after the rendition of the program, the members elected their officers for the ensuing year. Mr. C. C. Roeder was elected president; Miss Sauer, vice president; Miss Frenzel, secretary; Miss Patton, treasurer; and Mr. August Meoller, Star reporter.

All of this was done in a short time, and since this club does not stand for work alone, the rest of the evening was spent by playing a number of pleasant games. Since Miss Hornsby who is known as a great merry-maker in all meetings was the leader in these games, it will hardly be necessary to state that everybody enjoyed them. The games were suddenly stopped and refreshments were served. After that members departed with the assurance of having spent a pleasant evening.

Harris-Blair

The Harris-Blair Literary Society began its work September 20, with several of the old members present and quite a number of new students who desired to become members of the "Harris-Blair."

We had a number of interesting talks by old members upon the previous work of the Society and the possibilities of the Society.

It is the aim of the Harris-Blair Society to aid in the development of each member in the arts of public speaking, debating, and to give them a better knowledge of Parliamentary Usages.

We hope to materially aid in winning the Inter-Normal Debates, which are to take place in the spring.

Officers for the present term are: M. M. Hornsby, Pres.; Lewis H. Meul­ton, V. Pres.; Jno. Ferguson, Sec.; C. M. Morton, Asst. Sec.; C. A. Cowan, Treas.; Jno. Bays, Sgt. Arms; T. B. Barnett, Chaplain; Couchman and Barnett, Tellers. We sought 2 B A Harris Blair.

Chautauqua

The purpose of Chautauqua Literary Society is to train its members in parliamentary usages, debating and other forms of public speaking.

Our present prospects would indicate that we are going to have an excellent year's work. We have enrolled forty-five members and soon expect to reach our constitutional limit which is fifty members.

We are having weekly lectures on the various phrases of debating by Misses Ferguson, Harrison, Garrett, and Highsmith, all of whom are members of the society. Every one is enthusiastic over the work and we are confidentially expecting to put out a winning team in both the inter collegiate debates and the inter-society debates, which are to take place next spring.

Officers for the first term are: Harris S. Smith, Pres.; H. A. Hendrick, V. Pres.; D. O. Saunders, Sec.; F. Mcfieer, Tres.; W. D. Partlow, Chaplain; F. Swalenak, Sgt. Arms; W. A. Rasco, Critic; F. E. Ferguson, Chairman Program Committee.

We appreciate the Splendid business given to us by the Normal, the Faculty and the Students.
