Denton 14-Normal 0

On Monday, Nov. 1, for the first time in the history of the Normal Schools, the North Texas Normal and Southwest Texas Normal played football against each other on the North Texas Normal athletic field. Tho’ the San Marcos Normals were beaten, they played a hard game. The defeat was partly due to the trip and the lack of regular players in the back field—Shelton (quarter back) not able to enter the game at all and Chapman (left-half-back) knocked out in first quarter.

THE GAME

The game was called 3:00, m. Monday, November 1. Time of play per quarters 10:12 15, 10. First quarter, Normal received ball near their goal and made very little gain. On the second down Normal fumbled the ball and Denton recovered it. This put Denton on Normal’s twenty yard line, so with the use of short end runs and c r i s e - c r o s s plays they made a touchdown down. Only two and a half minutes of the game had passed. An easy goal was kicked thus making the score 7 to 0. Normal received again and held both until the quarter was nearly over. Lost it on downs and Denton advanced to north in about fifteen yards of Normal’s goal.

Second Quarter. From fifteen yard line Denton advanced to Normal’s two yard line and were held for down. Huggins made a good punt upon which Denton’s left half back brought the ball back to with one yard of Normal’s goal before tackled. With straight backs Denton made their second touchdown and kicked goal. Score now standing 14 to 0. Normal picked up and began playing ball for the “rest of the game.”

Third quarter. Denton received and attempted to make a forward pass. Russell, Normal’s right half back, intercepted the pass and made forty yards down broken field, stiff-arming two men and placed the ball back of goal. Business became intense on the side line and after much work the umpire and referee succeeded in paring the grass sufficient to see that the side line ran along there somewhere UNDER the grasses. As a result Russell’s touchdown brought Normal nothing and the ball was put in play on Denton’s twenty yard line. Normal advanced about ten yards and lost the ball on a fumble.

Fourth quarter. Normal held Denton for downs but were unable to advance the ball. Both teams held the ball several times but were unable to make any gain. After some few minutes of play Denton was crowded back to the line of its goal. The ball held for downs, then punted out. Normal received ball and came to Denton’s fifteen yard line. Game ended.

GLEE CLUB

The Glee Club this year is the biggest ever— tho’ there could be found room for about a dozen more. The Goeen house is so well represented that the club will soon be “goin’ some.”

Some serious work will soon be undertaken, but the compositions thus far attempted are in lighter vein, almost bordering on nonsense.

There is always a right way to get out of anything just as there is a right way to enter. We students at this school should at all times, be careful in trying to do the right way. If one should begin by taking part in social activities than he can later find time for, it is of course necessary that some be dropped. If dropped, do it in the right way. Remember the things we do each day are the things by which we are judged. As to whether we do them right or wrong, determines whether we are favored or lowered in the opinion of others.

There is always a right way to do it. So if it is not done right, it is not worth doing. If a young man should enter the society work of our school and later think he has not time to devote to such work he should drop it. However, drop it like a man. Do not just "quit." A "quitter" is never admired. Ask for a dismissal, for that is the right way to get out.

NORMAL'S NEW PROPERTY

Last week we were all wondering what caused Mr. Evans to be so unusually busy. We have since learned that he brought about the business transaction which made Normal the possessor of the ground, upon which is the residence just south of the main building. This, when "worked over" will greatly add to the beauty of Normal Hill. It is wished we had enough money to buy some more of this needed adjoining property, and Mr. Evans had the privilege of buying it.

Y. W. C. A. RECEPTION

On Monday, October 23, the Advisory Board, of the Y. W. C. A. entertained the members of the Y. W. C. A. and Y. M. C. A., the Normal faculty, the cabinets and faculty directors of the Baptist Academy and Episcopal Institute, and the wives of the ministers, with a reception at the home of Prof. and Mrs. J. S. Brown. The reception rooms were artistically decorated with large pumpkins, and other Hallowe'en motifs. The dining room was also decorated to carry out the Hallowe'en scheme, a large pumpkin being placed in the center of the table surrounded by yellow-shaded candles. Delightful refreshments consisting of sandwiches, iced tea and mints were served. Favors of tiny black bats were given to the guests. An interesting musical program was rendered throughout the afternoon by Miss Alice Atkinson and Miss Kathryn Robinson. About two hundred guests called.

THE NORMAL STAR

TRAINING SCHOOL DEPARTMENT

The third and fourth grades have decided that they themselves will write anything that is of interest in their room. As a part of their language work, each child will write a paper and the best one will be selected for publication in the Star. Following is an account of their Halloween party, written by one of the children.

HALLOWE'EN PARTY

We gave a party to the first and second grades and also to the teacher Saturday afternoon, about half past two. We had the party in the third and fourth grade room.

The room looked very pretty. We made Halloween borders and pasted them around the blackboard. We pulled down the shades and made the room dark. Then we lighted the jack-o'-lanterns.

We played many kinds of games. We served peanuts, popcorn, and pancakes in the little jack-o'-lanterns that we made.

Nielwyn Farris, Fourth Grade.

Mr. and Mrs. Garrett and Miss O'Banion entertained the junior class and faculty of the Training School Saturday night with a Halloween party. The guests as ghosts were greeted by an old gloomy corridors they were met by Miss Ludie Smith, a last year student visited the Normal Saturday.
