MANY NORMAL TEACHERS
TO ATTEND STATE ASS’N

Will First Go to Austin—Pres.
Evans Chairman of Com-
mittee of Resolutions.

Considering the distance to
the meeting place, the South-
west Texas State Normal School
will be well represented at the
State Teachers’ Association in
Fort Worth this week. Those
who are practically certain of
going are: Pres. C. E. Evans,
Gates, Thomas, R. C. Harrison
T. E. Ferguson, A. W., Birdwell
Miss Grace R. Berry, Mr. and
Mrs. A. C. Burkholder. Others
who will perhaps go are Miss
Hornsbey, Mr. Arnold, Mr.
Sewell, Mr. Vermoin and Mr.
Miller. Mr. Evans as chairman
of the committee on resolutions
will have considerable in-
fluence in shaping the general pol-
icy of the Association for next
year. Mr. Ferguson will read before
the public speaking section a
paper on “Oral English.” Mr.
Thomas is secretary of the
English section, and Miss Berry
is secretary of the home eco-
nomics section. Several of these
teachers will make the first lay
trip to Austin, where a great home-
coming for University students
will be had on Thursday.

Academy Play A Success.

The play, “Valley Farm”
presented by the students of
the San Marcos Baptist Acad-
emy last Tuesday night, was a
decided success. This play
was offered to the public last
year by the Academy and has
proven a credit both to the cast
and to the school.

The leading role was very
effectively and brilliantly exe-
cuted by a well known Normal
student, Mr. J. Elliott Wilson
who is a former student of S.
M. B. A. By special request
Mr. Wilson played the part of
leading man again this year.

The play was enjoyed by a
large and representative audience
of San Marcos people and by a
large number of students from
S. W. T. N.

SOPH WIN FIRST
OF CLASS SERIES

Inter-class Series Open With
Sophs Defeating Fish—
Sophs Play Star Foot-
ball Tuesday.

Last Tuesday afternoon in
the first class game of South-
west Texas State Normal
the Sophomores proved to the
Fish that their place of habita-
tion was in the water and not on
the gridiron, by defeating them in
a hard fought game to the tune
of 18 to 0. The game opened
with the Sophomore kick-off.
The ball was downed on the 20-
yard line and the Fish were
held for downs; the ball came
over and one of the most spec-
tacular end runs of the game
was made by Lyons for a gain
of 15 yards. Olliphant then
made manifest the weakness
of the Fish line by plowing thru
over the left tackle for 8 yards.
This placed the ball on the 3-
yard line. It was at this point
that the Fish demonstrated
their ability, by holding the
Sophs for downs. Then they
punted to the 40-yard line. The
quarter ended with the ball in
the water and not on
the gridiron.
The third quarter opened
with the Sophomore kick-off.
The ball was downed on the 20-
yard line to the Freshman 20
yard line. The ball was re-
covered by Sullivan and carried
20 yards for a touchdown. The
Sophs failed to kick goal, and
the quarter ended with the
score 6 to 0 in favor of the
Sophomores.
The fourth quarter opened
with the Freshmen in posses-
sion of the ball. A pass from Sum-
ers to Shands was intercepted
by Hunt who ran 25 yards
through a broken field for a
touchdown. Sophs missed goal
The third touchdown was made
by straight football. Score 18
0.

The stars for the Freshmen
were: Shands and Summers
for the Sophs: the entire line-
up played good consistent foot-
ball with every man being a
star.

School stationery and gen-
eral supplies:

Normal Exchange.

Mr. Malcolm Hornsby a
former student of S. W. T. N. and
football star, was a visitor Wed-
nesday, November 29.

NORMAL GIRLS PLAY
THEIR FIRST GAME.

Handicapped on Account of
Lack of Practice, S. M. B.
A. Girls Win by Small
Margin.

One hundred and twenty
girls are taking basket ball
for credit at the present. There
is plenty of material for the
making of a good team.

After having practiced only
one time together, the Normal
girls played the S. M. B. A.
girls a close game and lost by
a score of only 13 to 16. The
Normal did good individual
work but lacked team work
which will come with practice.
The following girls played in
the Academy game November
16th.

Forwards: Schrum, Eula
Ward, Ramsey and Wright.

Centers: Alexander, Tuttle,
Bertha Hendrick, Tansy, Pars-
ley.

Guards: Sauer, Burnett,
Mellie Bass, Millie Ward, Wil-
denthal.

Toy Furniture, 10c to $5.00
at The Fair.

Luncheonette and hot drinks
at Jennings.

Dolls, 1c to $5.00, The Fair.

To The Normal Girl.

By Malone Haggard

I’ll never forget that day—
Not a word was spoken,
Not a sign or a token—
But I lost my heart that way
It’s just the old, old story,
Of the smile that lies
In a woman’s eyes,
And a lover’s lonely glory.

In those eyes so brown, a soul
I’ve found
Pure as the dew on the
violets blue;
And from out those eyes
Come the joys of living
A sweet caress and a soul
that speaks.

In a woman’s eyes,
It’s just the old, old story,
Of the smile that lies
In a woman’s eyes,
And a lover’s lonely glory.

In those eyes so brown, a soul
I’ve found
Pure as the dew on the
violets blue;
And from out those eyes
Come the joys of living
A sweet caress and a soul
that speaks.
For the past two weeks there has appeared in The Star articles on Limited Student Self Government. Now, by Student Self Government we mean a Government not only in which the students are represented but a government in which the students have in charge the government of the school. There is no place that needs Student Self Government more than the Southwest Texas Normal School. Student Self Government is designed to teach the students how to govern others, and if you are in favor of Student Self Government, and will do all that you can to see that true Student Self Government is established. The laws of the school, however, should be subject to the veto of the President of the school. Then back of both of these bodies is the judicial and legislative body, of which every student by virtue of being a student of this school is a member and is entitled to the full privileges of voting and holding office.

Now this is merely a brief statement of what Limited Student Self Government is, but you can readily see that true Student Government would consist of three organizations viz., an association (every bona fide student being a member thereof), a legislative body of about fifteen members (elected by the association), and a judiciary or council of about twenty members (elected by the association) consisting of part men and part women, the men to try the cases of the men and women to try the cases of the women. The officers of this organization would be a president and vice president elected by the association and presiding over all three branches by casting a vote only in the case of a tie. Each body would elect its other officers such as secretary etc. In a condensed form this is the necessary organization for Student Self Government. Now if there is any thing that the Southwest Texas Normal needs it is an organized student body, and the best way to get a complete and well organized student body is through Student Self Government. If you are an up-to-date progressive, far-seeing student you will be in favor of Student Self Government, and will do all that you can to see this new form of government inaugurated in S. W. T. N. Of course you are not in favor of the Honor System alone nor a Council that would consist of only four students, but if you are progressive in the field of pedagogy then you will want to see S. W. T. N. have Student Self Government for if you are going to teach school then why not learn how to govern while in school. There is no place that needs Student Self Government as badly as a college for teachers who are going to school that they might learn how to govern others, and if they are to govern others should they not first be permitted to govern themselves?

Scrub Teams Play to a Tie.

Last Monday afternoon the Scrubs from Normal met the Scrubs from Academy in a football game which resulted in a 0 to 0 tie. This was the second time this season that these two teams have met and played a tie game.

The game was snappy and exciting, each team having several chances to score but lacked the necessary punch to put the ball over. The game was hard fought however all the way through.

The stars for Normal were: Soyers, Shands, Thomas and Watkins. While Miller, Henderson and Box played the best ball for the Academy.

On the Road so Far Away.

On the old hillside so slantin' Rish' upward like a tree, There's a Normal girl a standin' And she's smiling sweet on me.

For no teacher now is lookin' On the road so far away,
Where it's best for two to play, Oh, I felt a thrill that shook me When I kissed her there that day.

Oh, the road so far away, Where we felt so free and gay, And I saw my dreams a roamin' In the things that she would say.

Jew.

Apologies to Kipling.

Shakespeare News.

Our last regular meeting was held November 28th, 1916. Immediately after roll call which was responded to with the name of one of Shakespeare's heroines, old business was discussed. It seemed that we all wanted to discuss new business for three girls jumped up at once so eager were they to say something. You know we do things in the Shakespeare Club!

As for our program I will just give a little conversation I heard.

“We have such interesting programs don’t we.”

“Well we certainly do.” was the response. “And we have such good readers.”

Lady Macbeth certainly was well characterized and it seemed as if she herself were speaking to us,” came the reply.

Of course we had spicy jokes and good music too. If you don’t come to the next meeting, Shakespeare’s you are certainly going to miss something great.

Come!
