The great issue in the election of 1884, as far as the Presidency is concerned, is whether the Democratic candidate, Mr. Cleveland, or the Republican candidate, Mr. McClellan, shall be the next President of the United States.

The qualifications for membership in the Democratic party, as outlined in the platform, are as follows: 

1. Belief in the necessity of a vigorous and energetic administration of the government. 
2. Support of measures designed to promote the welfare of the people. 
3. Opposition to any measure that tends to weaken the power of the government. 
4. Commitment to the principles of the party. 

The qualifications for membership in the Republican party, as outlined in the platform, are as follows: 

1. Belief in the necessity of a limited and frugal administration of the government. 
2. Support of measures designed to promote the interests of business. 
3. Opposition to any measure that tends to strengthen the power of labor. 
4. Commitment to the principles of the party. 

The qualifications for membership in the People's party, as outlined in the platform, are as follows: 

1. Belief in the necessity of a non-partisan administration of the government. 
2. Support of measures designed to promote the welfare of the people. 
3. Opposition to any measure that tends to strengthen the power of either the government or the people. 
4. Commitment to the principles of the party. 

The qualifications for membership in the progressive party, as outlined in the platform, are as follows: 

1. Belief in the necessity of a vigorous and energetic administration of the government. 
2. Support of measures designed to promote the welfare of the people. 
3. Opposition to any measure that tends to weaken the power of the government. 
4. Commitment to the principles of the party. 

The qualifications for membership in the socialist party, as outlined in the platform, are as follows: 

1. Belief in the necessity of a non-partisan administration of the government. 
2. Support of measures designed to promote the welfare of the people. 
3. Opposition to any measure that tends to strengthen the power of either the government or the people. 
4. Commitment to the principles of the party. 

The qualifications for membership in the agrarian party, as outlined in the platform, are as follows: 

1. Belief in the necessity of a limited and frugal administration of the government. 
2. Support of measures designed to promote the interests of business. 
3. Opposition to any measure that tends to strengthen the power of labor. 
4. Commitment to the principles of the party. 

The qualifications for membership in the agrarian party, as outlined in the platform, are as follows: 

1. Belief in the necessity of a non-partisan administration of the government. 
2. Support of measures designed to promote the welfare of the people. 
3. Opposition to any measure that tends to strengthen the power of either the government or the people. 
4. Commitment to the principles of the party. 

The qualifications for membership in the agrarian party, as outlined in the platform, are as follows:
