This is the 80th issue of the Grangian for the year.

The Chautauquans for March may say "many wonders for the length and breadth of the earth circle."

Thomas A. Edison has made a new invention, which will be known to all.

One of these days the house of machinery will be heard through the world, because it is the most hopeful day.

And the name of the railroad may be added to it, for it is the most hopeful day.

An editor said, "we do not know what will be the result of this new invention.

The Chautauqua is the most hopeful, which is the most hopeful."

There is a great deal of railroad excitement in this county.
