The **World History Review** is an academic peer-reviewed journal published three times a year in Fall, Spring, and Summer. The yearly subscription cost of the **Review** is \$20. The **World History Review** accepts article manuscripts of 20-30 pages, typed and double-spaced, on any history-related topic or area, including contemporary and comparative history. Submissions must follow the *Chicago Manual of Style* (or Kate Turabian, *A Manual for Writers*) format. Footnotes should be numbered consecutively throughout the article, with citation data appearing in a separate section at the end of the text. Book reviews should be no more than 750 words, typed and double-spaced. Articles and book reviews should employ a 12 point Times New Roman font. Article and Book Review submissions must include both a hard copy and a disk in the Word program. An appropriate container, with postage, must be included if a return of the disk and hard copy are desired. Authors of submissions accepted for publication must provide a short vitae upon notification that their article submission will appear in the **Review**.

No manuscript will be considered for publication if it is concurrently under consideration by another journal or press, or if it has been published or is soon to be published elsewhere. These restrictions apply to the substance and wording of the manuscript. If the manuscript is accepted for publication by the **Review**, the editors expect that its appearance in the **Review** will precede republication of the essay, or any significant part thereof, in another work. In the interest of clarity and economy of expression, the editors may suggest changes to the author(s). The editors are the final arbiters of length, grammar, and usage.

Correspondence concerning manuscripts and other editorial matters, and subscriptions should be addressed to Dr. Sonny B. Davis, Editor; **World History Review**; Department of History; MSC 166; Texas A&M University-Kingsville; Kingsville, TX 78363. Correspondence concerning books for review should be addressed to Dr. Roger Tuller; Department of History, MSC 166; Texas A&M University-Kingsville; Kingsville, TX 78363.

Unsolicited book reviews are accepted at the discretion of the editors.
