Good afternoon,

Thank you for sending these for the University Scholarship repository and happy to upload and promote these. In looking at the link you'd sent, it's showing 2 white papers from Fall 2021 and Fall 2022. Are these the two items to add? I just wanted to make sure. Once confirmed, I'll upload and send you the links.

Thanks again,

Of course I can promote! 😊

Do you want to look into maybe having this hosted on the University Scholarship repository?

Good morning,

I was able to get a new article to publish through The Education Institute (TEI).  
Will you be able to also promote it through the Alkek?  
Here it is: <https://www.tei.education.txst.edu/White-Paper.html>

Thank you,
